INDEPENDENT AUDITORS' REPORT

Borough Council
Borough of Bridgeport
Montgomery County, Pennsylvania

We have audited the annual audit and financial report (financial report) of the Borough of Bridgeport, Montgomery County, Pennsylvania, as of and for the year ended December 31, 2024 and have issued our report thereon dated REPORT DATE which contained an unmodified opinion on the financial report on the regulatory basis of accounting and an adverse opinion on the financial report under accounting principles generally accepted in the United States of America. Our audit was performed for the purpose of forming an opinion on the financial report. The condensed annual audit and financial report (condensed report) is presented for the purpose of additional analysis and is not a required part of the financial report. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial report. The information has been subjected to the auditing procedures applied in the audit of the financial report and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial report or to the financial report itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial report as a whole.

Basis of Accounting

The condensed report is prepared by the Borough of Bridgeport, on the cash basis of accounting, whereby revenues are recognized when received rather than earned and expenditures are recognized when paid rather than incurred. This is a basis of accounting prescribed and permitted by the Department of Community and Economic Development of the Commonwealth of Pennsylvania (DCED) to meet the financial reporting provision requirements of DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Report on the Audit of the Annual Audit and Financial Report

Opinion

We have audited the accompanying annual audit and financial report (the financial report) of the Borough of Bridgeport, Montgomery County, Pennsylvania as of and for the year ended December 31, 2024.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial report referred to above presents fairly, in all material respects, the financial position of the Borough of Bridgeport as of December 31, 2024, and the results of its operations for the year then ended, in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania (DCED), as described below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial report referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Borough of Bridgeport as of December 31, 2024, or the results of operations for the year then ended.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are required to be independent of Borough of Bridgeport and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The financial report is prepared by the Borough of Bridgeport on the modified cash basis of accounting, whereby revenues are recognized when received rather than earned and expenditures are recognized when paid rather than incurred. This is a basis of accounting prescribed and permitted by DCED to meet the financial reporting provision requirements of DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The financial reporting provisions of DCED do not require footnote disclosures. The effects on the financial report of the variances between regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable are presumed to be material and pervasive.

Responsibilities of Management for the Financial Report

Management is responsible for the preparation of the financial report in accordance with the reporting provisions of DCED. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial report that is it is free from material misstatement, whether due to error or fraud.

Auditors' Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the annual audit and financial report.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the annual audit and financial report, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial report.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough of Bridgeport's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial report.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough of Bridgeport's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we have identified during the audit.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year ended December 31, 2024

(1) GENERAL INFORMATION

The accompanying schedule of expenditures of federal awards presents the activities in all the federal financial assistance programs of the Borough of Bridgeport. All financial assistance received directly from federal agencies, as well as financial assistance passed through other governmental agencies, if any, are included on the schedule.

(2) BASIS OF ACCOUNTING

The accompanying schedule of expenditures of federal awards is prepared in conformity with the accounting practices prescribed or permitted by the Department of Community and Economic Development ("**DCED**") of the Commonwealth of Pennsylvania, which practices differ from accounting principles generally accepted in the United States of America.

(3) INDIRECT COSTS

Borough of Bridgeport. has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF THE ANNUAL AUDIT
AND FINANCIAL REPORT PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Borough Council
Borough of Bridgeport
Bridgeport, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the annual audit and financial report of Borough of Bridgeport, Bridgeport, Pennsylvania, as of and for the year ended December 31, 2024, and have issued our report thereon dated **October XX, 2025**.

Internal Control Over Financial Reporting

In planning and performing our audit of the annual audit and financial report, we considered Borough of Bridgeport's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the annual audit and financial report, but not for the purpose of expressing an opinion on the effectiveness of Borough of Bridgeport's internal control. Accordingly, we do not express an opinion on the effectiveness of Borough of Bridgeport's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's annual audit and financial report will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Borough of Bridgeport's annual audit and financial report are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the annual audit and financial report. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

Borough Council
Borough of Bridgeport
Bridgeport, Pennsylvania

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Borough of Bridgeport's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Borough of Bridgeport's major federal program for the year ended December 31, 2024. Borough of Bridgeport's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Borough of Bridgeport complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal program for the year ended December 31, 2024.

Basis for Opinion on Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Borough of Bridgeport and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Borough of Bridgeport's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Borough of Bridgeport's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Borough of Bridgeport's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Borough of Bridgeport's compliance with the requirements of its major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Borough of Bridgeport's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Borough of Bridgeport's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Borough of Bridgeport's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Borough Council
Borough of Bridgeport

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Borough of Bridgeport
Montgomery County, Pennsylvania

We have audited the annual audit and financial report (financial report) of the Borough of Bridgeport, Montgomery County, Pennsylvania, as of and for the year ended December 31, 2024 and have issued our report thereon dated REPORT DATE which contained an unmodified opinion on the financial report on the regulatory basis of accounting and an adverse opinion on the financial report under accounting principles generally accepted in the United States of America. Our audit was performed for the purpose of forming an opinion on the financial report. The condensed annual audit and financial report (condensed report) is presented for the purpose of additional analysis and is not a required part of the financial report. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial report. The information has been subjected to the auditing procedures applied in the audit of the financial report and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial report or to the financial report itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial report as a whole.

Basis of Accounting

The condensed report is prepared by the Borough of Bridgeport, on the cash basis of accounting, whereby revenues are recognized when received rather than earned and expenditures are recognized when paid rather than incurred. This is a basis of accounting prescribed and permitted by the Department of Community and Economic Development of the Commonwealth of Pennsylvania (DCED) to meet the financial reporting provision requirements of DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
