INDEPENDENT AUDITOR'S REPORT

To the Borough Council
Glen Rock Borough
Glen Rock, Pennsylvania

Opinion

We have audited the accompanying financial information included in the Form DCED-CLGS-30, Commonwealth of Pennsylvania Municipal Annual Audit and Financial Report ("Annual Financial Report") of Glen Rock Borough (the Borough), York County, Pennsylvania, as of and for the year then ended December 31, 2020.

In our opinion, the Annual Financial Report referred to above presents fairly, in all material respects, the regulatory basis financial position of Glen Rock Borough, York County, Pennsylvania, as of December 31, 2020, and the respective changes in the regulatory basis financial position thereof for the year then ended in accordance with the financial reporting provisions described in the instructions provided by the Department of Community and Economic Development (DCED) of the Commonwealth of Pennsylvania.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Report section of our report. We are required to be independent of the Borough and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of a Matter

Basis of Accounting

The Borough prepares its Annual Financial Report using accounting practices prescribed and permitted by the rules and regulations of the DCED of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the DCED. As a result, the Annual Financial Report may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

COVID-19 Pandemic

The Borough is operating in an environment that has been economically impacted by the COVID-19 pandemic. The full impact of the pandemic on the Borough is not known as of the release of this report. However, management is monitoring the current conditions and their potential impact. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Annual Financial Report

Management is responsible for the preparation and fair presentation of this Annual Financial Report in accordance with the financial reporting provisions prescribed and permitted by the rules and regulations of the DCED. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of this Annual Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Annual Financial Report

Our objectives are to obtain reasonable assurance about whether the Annual Financial Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Annual Financial Report.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Annual Financial Report, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts in the Annual Financial Report.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Annual Financial Report.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Restriction on Use

This report is intended solely for the information and use of the Borough Council and management of Glen Rock Borough, York County, Pennsylvania and for filing with the various state and local departments or offices and is not intended to be and should not be used by anyone other than these specified parties.

2020 MUNICIPAL ANNUAL AUDIT AND FINANCIAL REPORT

City of: _____ County: _____

Borough of: Glen Rock County: York

Township of: _____ County: _____

Municipality of: _____ County: _____

Section I – Introduction

Statutory Requirements

- State law, under the provisions of the Borough Code, First Class Township Code and Second Class Township Code, requires that either the borough controller, elected auditors or appointed auditors file an Annual Audit and Financial Report.
- State law, under the provisions of the Third Class City Code, requires a city's Director of Accounts and Finance to file an Annual Audit and Financial Report.
- The state's Administrative Code requires home rule municipalities to file an Annual Audit and Financial Report.
- The Annual Audit and Financial Report forms, supplied by the Pennsylvania Department of Community and Economic Development (DCED), were developed and approved by a Uniform Forms Committee composed of representatives of the respective municipal associations.
- Form DCED-CLGS-30 (See Section IV) is the form adopted by the Committee for use by all municipalities in Pennsylvania to fulfill their statutory reporting requirements.

One Form

All municipalities are required to submit forms electronically to the DCED. The online form contains the same categories as in previous years: assets, liabilities, revenues and expenditures. Enter data only for those funds that your municipality uses. Leave the remaining columns blank. The online form will automatically calculate the amounts in the "Total" column.

Submitting the Report

- File one copy by the designated date at each of the places listed on page 9.
- DO NOT submit a paper copy of this report to the DCED. Reports must be submitted online at: munstats.pa.gov/forms (Please see the e-filing instructions on page 7.)
- The online system will automatically round all figures to the nearest whole dollar. The system will also add all rows and columns, following basic accounting principles.
- Appointed independent auditors should attach their own opinion in the "Final Review" step of the online form. Additionally, appointed independent auditors should place a checkmark in Section II at the bottom of the "Final Review" step, then choose the "Appointed Auditor/CPA" title from the dropdown and provide a name and contact number in order to submit the form online.
- Elected controllers should place a checkmark in the box in Section I at the bottom of the "Final Review" step of the online form, then choose the "Controller" title from the dropdown and provide a name and contact number in order to submit the form online.
- Elected Auditors must place a check mark in the box in Section 1 of the "Final Review" step of the online form, then choose the "Elected Auditor" title from the dropdown and provide the name and phone number for **at least 2 of the 3 elected auditors**. If you appointed an auditor to fill an elected auditor position, please choose the "Elected Auditor" title, not the "Appointed Auditor/CPA" title when submitting online.
- If you need assistance or have any questions when completing this report, please contact the Governor's Center for Local Government Services (GCLGS) toll-free at 888-223-6837.

2020 MUNICIPAL ANNUAL AUDIT AND FINANCIAL REPORT**Types of Fund Groups Used in Governmental Accounting**

Following is a listing of the types of "fund groups" that are used in governmental accounting. Please report information on those funds used in your municipality.

FUND OR ACCOUNT	DESCRIPTION
Governmental Funds	
1. General Fund	Accounts for all financial resources except those required to be accounted for in another fund. Includes transactions for general governmental services provided by the executive, legislative and judicial operations of the governmental entity, public safety, public works, codes enforcement/zoning and parks and recreation.
2. Special Revenue Funds (includes state liquid fuels)	Accounts for the proceeds of revenue sources that are restricted for specified purposes. Includes resources and expenditures for operations such as public libraries, recreation, fire houses and equipment and pensions when a separate tax or a portion of the real estate tax is specifically designated by ordinance/resolution.
3. Capital Projects Funds	Accounts for financial resources for the acquisition or construction of major capital projects that benefit many citizens such as municipal buildings, roads and water/sewer and storm water systems.
4. Debt Service Funds	Accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest. This fund is used for servicing the long-term debt of the government.
Proprietary Funds	
5. Enterprise Funds	Accounts for operations of government units that charge for services provided to the general public. Includes those activities financed in a manner similar to private business enterprises where the intent of the governing body is to recover the costs of providing goods or services to the general public on a continuing basis through user charges. Examples include water systems, sewer systems, refuse operations, convention center, sports arenas, municipal electric utilities and municipal bus companies.
6. Internal Service Funds	Accounts for the financing of goods or services provided by one department or agency to other departments or agencies of the government unit. The services are usually provided on a cost-reimbursement basis and are offered only to other government agencies, not the general public. Examples are municipal motor vehicle pools, city print shops and central purchasing operations.
Fiduciary Funds	
7. Trust Funds	Accounts for assets held in a trustee capacity. Examples of a trust fund are a trust created from a citizen's gift for the use in the development of a city park system and pension funds that are held either by the local government or a third party on behalf of employees. (Please see "Pension Reporting" under "Other Information" for additional information.)
8. Agency Funds	An Agency Fund is used to report resources held by the reporting government in a purely custodial capacity. An Agency Fund typically involves only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments.
Account Groups (Balance Sheet Only)	
9. General Fixed Assets Account Group	This account group maintains a record of fixed assets acquired by the governmental-type funds. Proprietary funds maintain their own fixed assets in their account.
10. General Long-Term Debt Account Group	This account group maintains a record of the unmatured, general long-term liabilities of the governmental-type funds.

Section II – Instructions for Completing the Annual Audit and Financial Report

General Directions

Reporting Entity. Include only the principal municipal government and its integral boards and commissions. Do not include any authorities created under the Municipality Authority Act of 1945 or Authorities created under special legislation. Under Pennsylvania law, these must be reported separately. However, do include lease rental debt incurred by the municipality when it undertakes to pay authority debt through annual lease rental payments.

Dollar Amounts. Round all figures to the nearest dollar amount.

Account Code Numbers. Code numbers that are located in the far-left column correspond to the account code numbers found in the Chart of Accounts for Pennsylvania Municipalities issued by the DCED.

Balance Sheet

Balance Sheet. A summary of the financial position of the municipal government at the end of the year. Elected auditors who wish to balance funds should use the Balancing Worksheet at the end of the instructions. If your municipality operates on a cash basis and does not account for its fixed assets, enter only the cash balance amounts.

Cash. Checking, savings account balances, certificates of deposit and petty cash.

Investments. Long-term investments of reserve funds and investments of pension funds under control of the municipality.

Liabilities. Amounts owed, but not yet paid, by the municipality as of December 31.

Fund Balance/Retained Earnings. The positive (or negative) net worth of the fund. Equals assets minus liabilities.

Revenues

Taxes. Include all taxes levied directly by the municipality for its own use. Include in each category of tax revenues current and delinquent taxes. If the municipality levies a tax not already listed, include the name of the tax and the amount collected in the spaces provided.

Residence Taxes. Only taxes for Cities of the Third Class are to be placed in account number 308.00. All other municipalities that collect such a tax should place the information in the Per Capita Taxes line (310.00).

Assign county sales tax allocations to account number 357.00.

Assign assessments for streetlights to account number 383.00.

Assign fees for garbage collection to account number 364.30.

Assign assessments for fire hydrants to account number 383.00.

Do not include taxes collected for other governments, such as the school district.

Real Estate Taxes. Includes all general purpose and special millages including, but not limited to, debt service, fire and library taxes. Do not place special assessments here. Special assessments belong in account number 383.00

305.00 Occupation Taxes/Levied under Municipal Code. Applies only to boroughs and first class townships.

309.00 Regional Asset District Sales Tax. This applies only to municipalities within Allegheny County.

310.30 Business Gross Receipts Taxes. This includes Mercantile and Business Privilege Taxes, formerly reported on line 310.30 and 308.00, respectively.

310.40 Occupation Taxes/Act 511. These are flat rate or millage occupation taxes billed directly to residents of the municipality. Do not include the Emergency & Municipal Services Tax withheld by employers.

310.50 Local Services Tax (formerly Emergency & Municipal Services/Occupational Privilege Tax). This tax is levied on all persons working within the municipality and withheld by the employer at the place of work.

310.60 Amusement/Admission Taxes. Includes amusement taxes.

320-322 Licenses and Permits. Payments for municipal authorizations, including business licenses, bicycle licenses and junkyard permits. This does not include mechanical device tax revenues.

321.80 Cable Television Franchise Fees. These fees are reported separately from other Licenses and Permits earned by the municipality.

330-332 Fines and Forfeits. Penalties imposed for violation of municipal ordinances. Do not include interest and penalties for delinquent taxes or utility services. Include deposits or escrow funds forfeited for nonperformance of obligations.

341.00 Interest Earnings. Interest paid on bank deposits or other investments, including gains from sale of investments.

342.00 Rents and Royalties. Charges for use of municipal property or equipment. Do not include sewer or water user fees here.

2020 MUNICIPAL ANNUAL AUDIT AND FINANCIAL REPORT

Culture and Recreation. Expenditures for activities to improve the quality of life in the community. The three accounts listed below have been added to the Chart of Accounts:

452.00 Participant Recreation. Include expenditures for recreation centers, playgrounds, swimming pools, golf course, etc.

453.00 Spectator Recreation. Include expenditures for botanical gardens, museums, art galleries, zoos, etc.

457.00 Civil and Military Celebrations. Include expenditures for holiday decorations, community specific celebrations, parades, etc.

Community Development.

461.00 Conservation of Natural Resources. Include expenditures for purchase of open space development rights, etc.

462.00 Community Development and Housing. Expenditures for housing rehabilitation, assistance to low-cost housing projects, allocations to community development corporations and other nonprofit groups for community development projects.

463.00 Economic Development. Include expenditures for Main Street programs, tourist promotion, allocations to industrial development corporations and other nonprofit groups for economic development projects.

2020 MUNICIPAL ANNUAL AUDIT AND FINANCIAL REPORT

Debt Service. Expenditures to pay down debt obligations.

471.00 Debt Principal. The portion of the payment that reduces the outstanding principal of the debt for those municipalities that do not record the debt as a liability. The category includes principal paid on both short-term debt (for example: Tax Anticipation Revenue Note) and long-term debt. Where the municipality makes a single payment for capital leases or lease rental payments to a municipal authority and is unable to divide between principal and interest, enter the entire amount here.

Employer Paid Benefits and Withholding Items. Include expenditures only when the municipal accounting system does not permit their allocation to particular departments. If possible, the employee benefits and employer share of the withholding taxes should be shown for each functional area for which personnel costs are incurred.

Insurance. Include expenditures for all insurance costs except those for employee health benefits. The employee health insurance is reported on line 487.00, if not allocated to the particular department for which the health insurance cost is incurred.

Unclassified Operating Expenditures

488.00 Fiduciary Fund Benefits and Refunds Paid. Expenditures made by the pension plan for benefits paid out or refunds given. The amount will only appear in the Fiduciary Fund Type column and not in any other column.

489.00 All Other Unclassified Expenditures. Include Management/Administrative Fees or any other account which does not closely fit the expenditure categories. The amount reported on **this line should not be more than 1% of Total Expenditure within each fund.** Use of this account should be kept to a minimum.

Other Financing Uses. These are other uses of municipal funds that are not considered expenditures.

491.00 Refund of Prior Year Revenues. Include only refunds of revenues in a prior year(s). Can include tax refunds.

492.00 Interfund Operating Transfers. Shifting financial resources from one fund to another. **The total on line 492.00 must equal the total reported on line 392.00.**

Excess/Deficit of Revenue over Expenditures. On a fund-by-fund basis, subtract total expenditures from total revenues. This figure will reflect your operating position for the year.

Other Information

Because the Commonwealth of Pennsylvania is a cooperating state with the United States Bureau of the Census, certain information is requested on this form to meet the needs of the Census Bureau in gathering information nationwide. This cooperative program prevents the submission of duplicative financial report forms from both the state and local governments.

Debt Statement. Enter the appropriate information for each separate bond, note or capital lease. Show municipal liability for authority debt guaranteed by the municipal government through a lease rental agreement. Do not include compensated absences. The Maturity Year is required. The Current Year Accretion on Compound Interest Bonds will not be used by most municipalities.

Pension Reporting. The following chart serves as a guide for the treatment of pension reporting.

General Fund Reporting

This fund shows the pension activity at the municipal level. It includes pension money received from the State, which flows through your General Fund.

355.05 Act 205 State disbursed pension revenue. i.e., Act 147 (Ad-Hoc), Act 205, Act 64.

483.00 Outgoing transfer to the financial institution that manages your pension fund. This amount includes the State pension revenue as well as any additional employer/employee contributions to the pension plan.

As an alternative to using line 483.00, a municipality may show the pension expense under the appropriate employee account (police, fire, administrative staff, etc.).

Fiduciary Fund (Trust and Agency) Reporting*

This fund shows the pension activity by the financial institution that manages your pension fund. This data is obtained from the annual financial statement provided to your municipality by that institution. If your pension is managed by PMRS, note that they are generally a year behind the reporting year of the audit. If this is the case, please identify this via the "Efiler Notes" at the bottom of the online "Annual Financial Report" screen.

388.00 Incoming pension revenue from all sources received by the financial institution. i.e., State pension revenue from the municipality's General Fund (reported on line 355.05), plus any additional employer/employee contributions to the pension fund.

341.00 Any kind of investment gain

482.00 Any kind of investment loss

488.00 Pension payout to retirees, including refunds to former employees

489.00 Pension fund management fees & miscellaneous expenses/deductions

*The year-end balance (value) of the pension fund should be shown in the Fiduciary Fund (Trust & Agency) on line 100-120 of the Balance Sheet.

Statement of Capital Expenditures. The Statement of Revenues and Expenditures in the main portion of the Report includes both capital and operating expenditures together. However, in order to provide needed data to the Census Bureau, please isolate and restate capital expenditures here. List by principal functional category. To identify capital expenditures, use the municipality's own definition. **Capital expenditures are generally considered to be those which result in additions to the value of fixed assets (land, buildings and other structures, machinery and equipment).**

Employee Compensation. Total W-2 wages, salaries, commissions and other compensation paid during the year to municipal officers and employees, including elected officials. Include compensation paid to the elected tax collector. **Note: These are personnel costs already shown in a different manner in the Statement of Revenues and Expenditures. Use data from the W-3 statement.**

Borrowing Base Certificate. The Borrowing Base Certificate is being provided as a management tool and will assist you in determining your borrowing capacity. **Completion of this form is optional.**

Management Letter. It is suggested that the elected auditor take an advisory role in the improvement of the municipal financial procedures, especially as they relate to internal controls as defined by Generally Acceptable Accounting Principles as deemed appropriate, and that any findings and recommendations be submitted in a separate management letter accompanying the Annual Audit and Financial Report. This letter, which should be addressed to the local governing body, should indicate its purpose and reference the Annual Financial Report. **This letter is optional and should not be submitted with the Annual Audit and Financial Report to the Governor's Center for Local Government Services.**

New Keystone Login Service

The Commonwealth's login service is changing. Beginning with the 2020 municipality forms filing period, every *Municipal Statistics* e-filer will be required to register in the new *PA Keystone Login* service. **To learn more, please click the link titled, "PA Keystone Login Service Guide" under the General News section of the Municipal Statistics website (munstats.pa.gov/forms).**

Please Note – In order to function correctly, the Municipal Statistics website requires the following:

Microsoft Internet Explorer 9 or later (also compatible with Microsoft Edge and Google Chrome web browsers)

You may e-file from any computer with Microsoft Edge, Internet Explorer or Google Chrome web browsers.

Call with Questions – Should you have any question, please contact the Municipal Statistics Office at 1-888-223-6837.

Section III – Balancing Worksheet

Cash Basis - Elected Auditors Only

	Special Revenue					Fiduciary	Total
	General Fund	(Including State Liquid Fuels)	Capital Projects	Debt Service	Proprietary		
1 Opening Cash/Investments Balance January 1 (Accounts: 100-120)							
2 Revenues							
3 Total Available (sum 1+2)							
4 Expenditures							
5 *Ending Cash/Investments Balance December 31 (Accounts 100-120)							

* This figure should match your ending cash on line 100-120 (pages 10 and 11) in the respective funds.

DCED verifies that the ending cash/investments balance (accounts 100-120) agrees to the calculated balance taking last year's ending cash/investments balance and adding the current year's revenues and subtracting the current year's expenditures.

Note: If a prior period adjustment has occurred, please include an explanation in the online form via the ADD E-FILER NOTES button.

Section IV – Annual Audit and Financial Report Form

This section contains the Annual Audit and Financial Report form. For your convenience, the form may be photocopied as often as necessary.

State law requires that every municipality and home rule community annually complete and submit the Annual Audit and Financial Report in its entirety (including the cover page) via e-filing online at munstats.pa.gov/forms

Following is a listing of the entities that are required to file the Annual Audit and Financial Report:

- Cities: Director of Accounts and Finance
- Boroughs: Elected Auditors, Independent Auditor, or Controller
- First Class Townships: Elected Auditors, Independent Auditor, or Controller
- Second Class Townships: Elected Auditors or Independent Auditor
- Home Rule Communities: In accordance with charter

Following is a listing of where these entities, as well as the deadlines, must file the Annual Audit and Financial Report:

Entity	Where Report Must Be Filed	Filing Deadline
Cities	DCED (munstats.pa.gov/forms) City Council	March 1 Stated Meeting during March

Section V – Borrowing Base Certificate – Section 8002

The borrowing base is the arithmetic average of total revenues received for the three proceeding fiscal years as set forth in a certificate stating the total revenues for each year and stating the average. Any authorized official of the local government unit or an independent accountant may execute the certificate. The computation of the borrowing base must be done in accordance with the definition of revenues in Section 8002. The following method may be used:
