

Annual Report of
Municipal Authorities
(DCED-CLGS-04)

December 31,
2024

Glen Rock Sewer Authority

INDEPENDENT AUDITOR'S REPORT

Members of the Authority
Glen Rock Sewer Authority, York County
Glen Rock, Pennsylvania

Opinion

We have audited the accompanying modified cash basis statement of net position of Glen Rock Sewer Authority, York County, Pennsylvania, a component unit of Glen Rock Borough, as of December 31, 2024, and the related modified cash basis statement of revenues, expenses and changes in net position, and debt statement for the year then ended, and the related notes to the financial statements in the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Glen Rock Sewer Authority, York Pennsylvania, as of December 31, 2024 and the changes in financial position and the debt statement for the year then ended, in accordance with the financial reporting provisions of the modified cash basis of accounting within the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Glen Rock Sewer Authority, York Pennsylvania and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting within the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting within the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Glen Rock Sewer Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Glen Rock Sewer Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Restriction on Use

This report is intended solely for the information and use of the Authority Members, management of Glen Rock Sewer Authority, and the Department of Community and Economic Development of the Commonwealth of Pennsylvania and is not intended to be and should not be used by anyone other than those specified parties.

Notes to Financial Statements

December 31, 2024

NOTE 1 BASIS OF ACCOUNTING

The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The underlying basis of accounting used to record transactions is similar to that prescribed by accounting principles generally accepted in the United States of America, however the financial data is presented within the accompanying annual report which is prepared for the purpose of complying with rules and regulations of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, does not include supporting disclosures or cash flow statements, and is not intended to be a complete presentation of Glen Rock Sewer Authority's assets, liabilities, revenues and expenses.

NOTE 2 FINANCIAL STATEMENTS

The Authority reports under the modified cash basis. As such, principal associated with long term debt is not shown on the balance sheet.
