

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and court decisions, interest on the Bonds will not be includible in the gross income of the holders thereof for federal income tax purposes, assuming continuing compliance by DelVal and the Participants with the requirements of the Internal Revenue Code of 1986, as amended. Interest on the Bonds will not be a specific preference item for purposes of computing the federal alternative minimum tax on individuals. Under laws of the Commonwealth of Pennsylvania, as enacted and construed on the date hereof, interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax. See "CERTAIN TAX MATTERS" herein.

\$140,000,000 Local Government Revenue Bonds, 2025 Series B (Weekly Rate Bonds)

Dated: Date of Issuance

Due: December 1, as shown on the inside front cover

The Delaware Valley Regional Finance Authority ("DelVal") is issuing \$200,000,000 aggregate principal amount of its Local Government Revenue Bonds, 2025 Series A and B (collectively, the "Bonds") pursuant to the Pennsylvania *Municipality Authorities Act*, a Resolution adopted on May 12, 2025, by the DelVal Board of Directors, and the Master Trust Indenture dated as of June 28, 2007, as previously supplemented, amended and restated, and as amended and restated as of May 13, 2024 (the "Master Indenture"), and the Thirteenth Supplemental Indenture dated December 17, 2025 (the "Thirteenth Supplement" and, collectively with the Master Indenture, the "Indenture"), between DelVal and TD Bank, N.A. (the "Trustee"). The Bonds will be the ninth series issued and outstanding under and secured by the Master Indenture. Bonds issued by DelVal prior to 2007 were not issued under the Master Indenture and are not secured thereby. DELVAL MAY ISSUE ADDITIONAL SERIES OF BONDS UNDER THE MASTER INDENTURE, AND ALL BONDS ISSUED UNDER THE MASTER INDENTURE ARE AND WILL BE SECURED EQUALLY AND RATABLY TO THE EXTENT PROVIDED THEREIN BY ALL OF THE ASSETS AND RECEIPTS OF THE TRUST ESTATE OF THE MASTER INDENTURE.

THE BONDS ARE SOLELY AND EXCLUSIVELY LIMITED, SPECIAL OBLIGATIONS OF DELVAL. DELVAL SHALL NOT BE OBLIGATED TO PAY THE PRINCIPAL, INTEREST OR REDEMPTION PRICE OF THE BONDS EXCEPT FROM THE TRUST ESTATE (HEREIN DEFINED) IN THE MANNER PROVIDED IN THE MASTER INDENTURE AND TO THE EXTENT PROVIDED IN THE COVENANT AGREEMENT (HEREIN DEFINED), AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE COMMONWEALTH OF PENNSYLVANIA (THE "COMMONWEALTH") OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING DELVAL, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL AMOUNT, INTEREST OR REDEMPTION PRICE OF THE BONDS. DELVAL HAS NO TAXING POWER.

DelVal will issue the Bonds in fully registered, book-entry-only form in denominations and with interest payable on the dates as shown on the inside front cover. The Local Government Revenue Bonds, 2025 Series A (the "2025 A Bonds") will be issued at a Fixed Rate (herein defined). The Local Government Revenue Bonds, 2025 Series B (the "2025 B Bonds") will be issued at a Weekly Rate (herein defined) and will be supported by an Irrevocable Transferrable Direct-Pay Letter of Credit (the "Credit Facility") issued by Bank of America, N.A. (the "Bank"), with an initial expiration date of December 1, 2030, under which draws can be made to make payment of principal, purchase price, and redemption price of and interest on the 2025 B Bonds. The 2025 B Bonds are subject to optional redemption and optional and mandatory tender as provided herein. The 2025 A Bonds are **not** secured by the Credit Facility. See "THE BONDS" and "THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT". THE OPTIONAL REDEMPTION, OPTIONAL TENDER, MANDATORY TENDER, AND EXTRAORDINARY MANDATORY REDEMPTION PROVISIONS APPLICABLE TO THE BONDS ARE SUMMARIZED ON THE INSIDE FRONT COVER.

The proceeds of the Bonds will fund: (i) the origination of new Loans to Participants (herein defined), (ii) the acquisition of Loans from DelVal's Local Government Revenue Bonds, 2007 Series B (the "2007 B Series") and Local Government Revenue Bonds, 2022 Series B (the "2022 B Series"), (iii) a deposit to the Debt Service Reserve Fund, and (iv) payment of the costs of issuance of the Bonds. DelVal expects to optionally redeem all the outstanding \$50,000,000 2007 B Series and \$75,000,000 2022 B Series on December 17, 2025, with: (i) proceeds from the acquisition of Loans by the Bonds and (ii) other available funds. See "THE BONDS – PLAN OF FINANCE".

DelVal expects to execute interest rate swap transactions related to the Bonds, from time to time, under master swap agreements (each a "Swap Agreement") to hedge its exposure to interest rate risk. THE PRINCIPAL, PURCHASE PRICE, AND REDEMPTION PRICE OF AND INTEREST ON THE BONDS AND PERIODIC INTEREST RATE SWAP PAYMENTS (THE "SWAP PAYMENTS") UNDER THE SWAP AGREEMENTS WILL BE EQUALLY AND RATABLY SECURED UNDER THE INDENTURE BY THE TRUST ESTATE. Any termination payment (a "Termination Payment") under a Swap Agreement, will be subordinate to: (i) the payment of principal, purchase price, and redemption price of and interest on the Bonds and all other DelVal bond series issued under the Master Indenture then due and payable and (ii) Swap Payments then due and payable. Termination Payments are payable solely from moneys available in the Discretionary Fund or from Excess Funds available under the Covenant Agreement. See "INTEREST RATE SWAP AGREEMENTS".

Each Loan to a Participant will be evidenced by a loan agreement (each a "Loan Agreement") and a promissory note (each a "Participant Note"). Each Loan to a Local Government Unit (as herein defined) must be secured by the pledge of its full faith, credit, and taxing power. DelVal may also require a Loan to a Local Government Unit to be additionally secured by a financial guaranty policy (each a "Participant Credit Enhancement") with DelVal as the beneficiary issued by an insurer (each a "Participant Credit Enhancer") with a rating of "Aa3" or higher from Moody's Investors Service ("Moody's") or "AA-" or higher from S&P Global Ratings ("S&P"). THE PARTICIPANT CREDIT ENHANCEMENTS WILL **NOT** GUARANTEE THE PAYMENT OF THE PRINCIPAL, REDEMPTION PRICE, OR INTEREST ON THE BONDS. See "SECURITY FOR THE BONDS".

Each Loan to an Authority or other Political Subdivision (as herein defined) must be: (i) secured by a guaranty (each a "Guaranty") with the pledge of the full faith, credit, and taxing power of a Local Government Unit or the Commonwealth, (ii) secured by a Participant Credit Enhancement, (iii) secured by a written agreement (a "Security Agreement") with the Commonwealth or one or more Local Government Units that agree to pay all amounts necessary to repay the Loan, or (iv) rated "Aa3" or higher by Moody's or "AA-" or higher by S&P, subject to credit approval by DelVal. See "LOAN AGREEMENT AND PARTICIPANT NOTES". In addition, any Loan to an Authority or other Political Subdivision not secured by a Guaranty, a Security Agreement, or Participant Credit Enhancement must include a covenant by such Participant to secure a Guaranty, Security Agreement, or Participant Credit Enhancement if its rating is reduced below "Aa3" by Moody's or "AA-" by S&P. In the Master Indenture, DelVal has covenanted to restrict Loans to Authorities and other Political Subdivisions that are approved solely on the basis of ratings to an aggregate principal amount not in excess of 20% of the total funding for Loan origination under the Master Indenture at the time the Loan is originated.

The Trust Estate created under the Indenture, which secures all Bonds issued thereunder, includes assets and amounts receivable from: (i) Participant Notes and Loan Agreements, (ii) Participant Credit Enhancements, (iii) Swap Agreements, (iv) Investment Agreements, (v) any moneys deposited in the funds and accounts created by the Indenture, and (vi) Credit Facilities. See "SECURITY FOR THE BONDS". Pursuant to the Covenant Agreement dated as of April 9, 2001, and amended and restated as of August 3, 2009, DelVal has pledged certain funds from all DelVal bond series, including bonds not issued under the Master Indenture, if available, to transfer to any other DelVal bond series, including bonds not issued under the Master Indenture, that does not have sufficient available funds to: (i) replenish any deficiency of a debt service reserve fund, (ii) pay any debt service payments and Swap Payments, (iii) pay any administrative expenses, including amounts necessary to maintain liquidity, and (iv) pay any Termination Payment. See "SECURITY FOR THE BONDS - COVENANT AGREEMENT".

Local Government Revenue Bonds, 2025 Series A and B

INTRODUCTION

This Official Statement, including the cover page and Appendices hereto, is provided to furnish certain information in connection with the issuance by the Delaware Valley Regional Finance Authority (“DelVal”) of its \$200,000,000 Local Government Revenue Bonds, 2025 Series A and B (the “Bonds”). DelVal is a body corporate and politic organized and duly existing under the Pennsylvania *Municipality Authorities Act*, 53 Pa. C.S. Ch. 56, as supplemented and amended (the “*Authorities Act*”), by Bucks, Chester, Delaware, and Montgomery Counties (the “Counties”). DelVal received a Certificate of Incorporation from the Department of State of the Commonwealth of Pennsylvania (the “Commonwealth”) on December 23, 1985.

DelVal will issue the Bonds on December 17, 2025, pursuant to the provisions of: (i) the *Authorities Act*, (ii) the resolution adopted by the Board of Directors of DelVal on May 12, 2025 (the “Resolution”), (iii) a Master Indenture dated as of June 28, 2007, amended and restated as of August 3, 2009, amended and restated as of September 12, 2011, amended and restated as of April 9, 2012, amended and restated as of June 9, 2014, amended and restated as of December 8, 2014, amended and restated as of August 13, 2018, amended and restated as of December 14, 2020, amended and restated as of January 10, 2022, and amended and restated as of May 13, 2024 (the “Master Indenture”), and (iv) a Thirteenth Supplemental Indenture dated December 17, 2025 (the “Thirteenth Supplement”, and collectively with the Master Indenture, as previously supplemented, amended, and restated, the “Indenture”), between DelVal and TD Bank, N.A., acting as trustee, registrar, paying agent, and tender agent (collectively, the “Trustee”) for the series of bonds issued under the Indenture. The corporate trust office of the Trustee is located at 9000 Atrium Way, Mt. Laurel, New Jersey 08054.

The Local Government Revenue Bonds, 2025 Series A (the “2025 A Bonds”) will be issued at a Fixed Rate (herein defined). The Local Government Revenue Bonds, 2025 Series B (the “2025 B Bonds”) will be issued at a Weekly Rate (herein defined) and will be supported by an Irrevocable Transferrable Direct-Pay Letter of Credit (the “Letter of Credit”) issued by Bank of America, N.A. (the “Bank”), with an initial expiration date of December 1, 2030, under which draws can be made to make payment of principal, purchase price, and redemption price of and interest on the 2025 B Bonds. The 2025 B Bonds are subject to optional redemption and optional and mandatory tender as provided herein. The 2025 A Bonds are not secured by the Letter of Credit.

THE BONDS ARE SUBJECT TO EXTRAORDINARY MANDATORY REDEMPTION. See “THE BONDS –REDEMPTION – Extraordinary Mandatory Redemption”.

The Counties created DelVal to provide loans (each, a “Loan”) to political subdivisions (each a “Political Subdivision”) of the Commonwealth including: (i) boroughs, townships, cities, school districts, counties, and other governmental entities with taxing power, each a “Local Government Unit” as defined in the *Local Government Unit Debt Act*, 53 Pa. C.S.A. §8001 et. seq. (the “*Debt Act*”), (ii) authorities created by one or more Local Government Units or the Commonwealth under the *Authorities Act* or Commonwealth Law (as herein defined), and (iii) other political subdivisions created under Commonwealth Law. The primary objectives for creating DelVal were (i) to provide Loans at lower costs than borrowers (each, a “Participant”) could achieve with other financing options, (ii) to provide fixed and variable rate funding options, and (iii) to improve the ability of Participants to manage their debt. DelVal established the program (the “Loan Program”) to provide funds, establish credit criteria, and administer the Loans. See “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY”.

The Loans fund projects (each, a “Project”), as authorized in the *Debt Act*, the *Authorities Act*, or other Commonwealth Law, that include, but are not limited to: (i) construction, acquisition, maintenance, or repair of

facilities, (ii) preliminary studies, testing, planning, or design, (iii) acquisition of land or rights in land, (iv) furnishings, machinery, and equipment, (v) revision of assessment of real property, (vi) funding of all or a portion of a reserve for liability insurance and self-insurance, (vii) funding of an unfunded actuarial liability, (viii) funding or refunding of debt incurred for any or all of the foregoing purposes, and (ix) funding a deficit or creating a revolving fund for improvements. Each Loan to a Participant will be evidenced by a loan agreement (each a “Loan Agreement” and collectively, “Loan Agreements”) and a promissory note (each a “Participant Note”). See “SECURITY FOR THE BONDS – LOAN AGREEMENT AND PARTICIPANT NOTE”.

DelVal periodically issues bonds (each a “DelVal Series”) to fund the Loan Program. Eleven DelVal Series issued under four indentures are currently outstanding in the aggregate principal amount of \$1,081,450,000. DelVal Series issued prior to 2007 were each issued under separate indentures with separate trust estates. All DelVal Series issued since 2007 were issued under the Master Indenture and a supplemental indenture. DelVal anticipates it will, from time to time in the future, issue additional parity bonds, including the Bonds, under the Master Indenture. DelVal adopted an agreement (the “Covenant Agreement”) dated as of April 9, 2001, and amended and restated as of August 3, 2009, to improve the security of bondholders. Under the provisions of the Covenant Agreement, DelVal has pledged to transfer certain funds (“Excess Funds” as herein defined), if any, under the trust estate of any DelVal Series to any other DelVal Series that has experienced a deficiency. See “SECURITY FOR THE BONDS – COVENANT AGREEMENT” and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY”.

DelVal has entered into interest rate swap agreements (each, a “Swap Agreement”) with multiple counterparties (each a “Swap Counterparty”), and DelVal has executed multiple interest rate swap transactions (each, a “Swap Transaction”) to hedge its exposure to interest rate and basis risks of the DelVal Series, Loans, and investments. Periodic, scheduled payments due on the Swap Transactions (each, a “Swap Payment”) are secured on a parity basis with payments of principal, purchase price, and redemption price of and interest on such related DelVal Series (the “Debt Service”) then due and payable. Any termination payment (each, a “Termination Payment”) due for the termination of a Swap Transaction is subordinate to Debt Service and Swap Payments of the related DelVal Series, and any Termination Payment must be paid from Excess Funds. DelVal expects to execute multiple Swap Transactions, from time to time, related to the Bonds and the Loans and investments pledged under or acquired by the Bonds. See “INTEREST RATE SWAP AGREEMENTS” and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY”.

The proceeds of the DelVal Series and all other moneys held under the trust estates of the DelVal Series, including the Bonds, are or may be invested in guaranteed investment contracts (each, a “GIC”) and other investments permitted under the respective trust indentures of the DelVal Series. See “INVESTMENTS” and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY”.

The DelVal administrator (the “Administrator”) calculates the monthly interest due on each Loan to pay its allocable share of (i) Debt Service, (ii) Swap Payments, and (iii) DelVal’s administrative costs, including the provision of liquidity for operations. See “SECURITY FOR THE BONDS – LOAN AGREEMENT” and “TAXING POWERS OF LOCAL GOVERNMENT UNITS”.

The proceeds of the Bonds will fund: (i) the origination of new Loans to Participants, (ii) the acquisition of Loans from DelVal’s Local Government Revenue Bonds, 2007 Series B (the “2007 B Bonds”), (iii) the acquisition of Loans from DelVal’s Local Government Revenue Bonds, 2022 Series B (the “2022 B Bonds”), (iv) a deposit to the Debt Service Reserve Fund, and (v) payment of the costs of issuance of the Bonds. DelVal expects to optionally redeem the outstanding \$50,000,000 2007 B Bonds and \$75,000,000 2022 B Bonds on December 17, 2025, with: (i) proceeds of the Bonds used to acquire Loans and (ii) other available funds. See “THE BONDS – PLAN OF FINANCE”.

The Bonds will be issued in book-entry-only form and registered in the name of Cede & Co., as nominee for The Depository Trust Company (the “DTC”). So long as the Bonds are held in the book-entry system, DTC or its nominee will be the registered owner of the Bonds, and purchasers will acquire beneficial ownership interests in the Bonds. For purposes of this Official Statement, DTC or its nominee, and its successors and assigns, are referred to as the “Securities Depository”. See “BOOK-ENTRY-ONLY SYSTEM”.

DelVal expects that the Bonds, other funds of DelVal, and the related Swap Transactions will allow DelVal to provide variable interest rate Loans and fixed interest rate Loans at an All-In True Interest Cost (an internal rate of

return calculation that includes costs of issuance and interest payments) that will be competitive with the cost Participants would pay if they issued their own debt. See “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY” and “APPENDIX II: FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024” for more information.

THE BONDS ARE SUBJECT TO EXTRAORDINARY MANDATORY REDEMPTION. See “THE BONDS –REDEMPTION – Extraordinary Mandatory Redemption”.

2025 B Bonds

The 2025 B Bonds will be issued in denominations of \$100,000 or integral multiples of \$5,000 in excess thereof, in book-entry only form, and the DTC shall be the securities depository. The 2025 B Bonds will be issued bearing interest at a Weekly Rate from the Issuance Date and mature in the amounts and on the dates as set forth on the inside cover of this Official Statement.

The Weekly Rate shall be determined by the Remarketing Agent by no later than 11:00 A.M., New York City time, on Wednesday of each week, or if such day shall not be a Business Day, then on the next preceding Business Day. The Weekly Rate for the first Weekly Rate Period shall be determined on or prior to the Issuance Date, and the first Weekly Rate Period shall begin on the Issuance Date and shall end on the next succeeding Tuesday (whether or not a Business Day). Thereafter, each Weekly Rate shall apply to the period commencing on the first Wednesday on or after the date of determination thereof (whether or not a Business Day) and ending on the next succeeding Tuesday (whether or not a Business Day), unless such Weekly Rate Period shall end on a day other than Tuesday, in which event the last Weekly Rate for such Weekly Rate Period shall apply to the period commencing on the Wednesday (whether or not a Business Day) preceding the last day of such Weekly Rate Period and ending on the last day of such Weekly Rate Period.

The Weekly Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by the 2025 B Bonds, would enable the Remarketing Agent to sell such 2025 B Bonds at the time of such determination at a price (without regarding accrued interest) equal to the principal amount thereof. In the event that the Remarketing Agent fails to establish a Weekly Rate for any week, then the Weekly Rate for such week shall be the same as the Weekly Rate for the immediately preceding week. In the event that the Weekly Rate for the immediately preceding week was not determined by the Remarketing Agent, or in the event that the Weekly Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to 110% of the Securities Industry and Financial Markets Association's Municipal Swap Index (the "SIFMA Index") on the day such Weekly Rate would otherwise be determined as provided herein for such Weekly Rate Period. **THE 2025 B BONDS SHALL NOT BEAR INTEREST IN EXCESS OF THE MAXIMUM RATE, AS SET FORTH IN THE INDENTURE.**

Interest Payment Dates of the 2025 B Bonds will be monthly on the first Business Day of each month commencing on January 2, 2026, until the Maturity Date or, if applicable, the earlier Extraordinary Mandatory Redemption Date, Optional Redemption Date, or Purchase Date. Principal of the 2025 B Bonds is payable on the Maturity Date or, if applicable, the earlier Extraordinary Mandatory Redemption Date, Optional Redemption Date, or Purchase Date. If the applicable Interest Payment Date, Maturity Date, Extraordinary Mandatory Redemption Date, Optional Redemption Date, or Purchase Date is not a Business Day, the interest on or principal of the 2025 B Bonds shall be paid on the succeeding Business Day.

Interest Accrual Dates of the 2025 B Bonds will be the Issuance Date and, thereafter, on the first Business Day of each month prior to the Maturity Date or, if applicable, Extraordinary Mandatory Redemption Date or Optional Redemption Date. Monthly interest payments to holders of the 2025 B Bonds shall be calculated by multiplying the principal amount outstanding by (i) the weighted average Weekly Rate for the applicable period, rounded to the seventh significant digit and by (ii) the actual number of days elapsed divided by the actual number of days in the year.

Redemption

Optional Redemption of the Bonds

The 2025 B Bonds are subject to optional redemption prior to their stated maturity, at the option of DelVal with the prior written consent of the Credit Facility Provider, if any, in whole or in part (in such amounts as may be specified by DelVal), on any date at the Optional Redemption Price.

Extraordinary Mandatory Redemption

The Bonds, in such maturities and order as DelVal may elect, are subject to Extraordinary Mandatory Redemption prior to maturity, in whole or in part, as applicable on an Extraordinary Mandatory Redemption Date, as follows:

- 1) On any date that DelVal determines that it no longer reasonably expects to originate or acquire Loans from the proceeds of the Bonds or Repayments or
- 2) On any date that DelVal, as a result of direction received from Bond Counsel, is required to take remedial action so that interest on the Bonds shall remain excluded from gross income for federal income tax purposes, and in the amount determined to be necessary so that interest on the Bonds shall remain excluded from gross income for federal income tax purposes.

Bonds subject to Extraordinary Mandatory Redemption shall be redeemed at the Extraordinary Mandatory Redemption Price.

The occurrence of an Extraordinary Mandatory Redemption of the Bonds may result in early termination of one or more Swap Agreements requiring Termination Payments to be made by or to DelVal. Any Termination Payments received by DelVal would be applied to the Extraordinary Mandatory Redemption of the Bonds and any Termination Payments made by DelVal would be paid from moneys in the Discretionary Fund or from moneys, if available, under the Covenant Agreement.

IF DELVAL FAILS TO ORIGINATE SUFFICIENT LOANS FROM PROCEEDS OF THE BONDS, DELVAL MAY BE REQUIRED TO REDEEM ALL OR A PORTION OF THE BONDS.

Notice of Redemption

Notice of each redemption shall be mailed to each Bondholder whose Bonds are being redeemed, and to the Administrator by first-class mail at least 15 days but not more than 30 days before each redemption date and shall contain the information required by the Indenture. As long as DTC, or its nominee, is the sole registered owner of the Bonds under the book-entry-only system, redemption notices will be sent to Cede & Co.

Failure by the Trustee to give any notice of redemption shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure has occurred. Any notice mailed as provided in the Bonds shall be conclusively presumed to have been given whether or not actually received by any Bondholder.

In the event that any Bonds are called for redemption and the amounts required for payment of the redemption thereof are not on deposit with the Trustee on the redemption date, the Trustee shall notify the registered owners of such Bonds that the redemption has been rescinded and shall return any Bonds surrendered for redemption to the registered owners thereof, and DelVal, the Trustee, and the registered owners shall be restored to their prior position.

Selection of Bonds to Be Redeemed

Whenever provision is made for the redemption of less than all the Bonds, DelVal shall select the Bonds to be redeemed by Series, by lot, or in any other manner which DelVal in its sole discretion shall deem appropriate; provided, however that with respect to redemption of the 2025 B Bonds, any Credit Facility Bonds shall be redeemed before any other 2025 B Bonds.

Optional and Mandatory Tender of the 2025 B Bonds

The 2025 B Bonds may be optionally tendered for purchase (each, an “Optional Tender”) by the Bondholders of the 2025 B Bonds on any Business Day at the Purchase Price. The 2025 B Bonds are also subject to mandatory tenders for purchase under certain circumstances (each, a “Mandatory Tender”) at the Purchase Price.

In all cases of Optional Tender or Mandatory Tender, funds for the payment of such purchase price shall be derived solely from the following sources and applied in the order of priority indicated:

- 1) Proceeds of the remarketing of such 2025 B Bonds by the Remarketing Agent,
- 2) Moneys provided to the Trustee pursuant to the Letter of Credit, and
- 3) Other available funds of DelVal, as defined in the Indenture, if DelVal makes such funds available.

Optional Tender of 2025 B Bonds

During any Weekly Rate Period for the 2025 B Bonds, any Eligible Bond shall be purchased from its Holder at the option of the Holder on any Business Day at a Purchase Price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Accrual Date immediately preceding the date of purchase through and including the day immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date in which case at a Purchase Price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the Tender Agent at its corporate trust office for delivery of notices and to the Remarketing Agent of an irrevocable written notice which states the name and Series designation of the 2025 B Bond, the principal amount and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to the Tender Agent. Any notice delivered to the Tender Agent after 4:00 P.M., New York City time, shall be deemed to have been received on the next succeeding Business Day. For payment of such Purchase Price on the date specified in such notice, such 2025 B Bond must be delivered, at or prior to 10:00 A.M., New York City time, on the date specified in such notice, to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Holder thereof or by the Holder’s duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of The New York Stock Exchange. The Tender Agent shall pay to the Holder of each 2025 B Bond (or portion thereof) properly tendered for purchase an amount equal to the Purchase Price.

Mandatory Tender for Purchase of the 2025 B Bonds

The 2025 B Bonds shall be subject to Mandatory Tender for purchase not less than one (1) Business Day prior to the Expiration Date for any Credit Facility and on the date of delivery of a Replacement Credit Facility, at the Purchase Price, payable in immediately available funds. The Purchase Price of any 2025 B Bond so purchased shall be payable only upon surrender of such 2025 B Bond to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Bondholder thereof or by the Bondholder’s duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of The New York Stock Exchange, at or prior to 9:30 A.M., New York City time, on the date specified for such delivery in a notice provided to the Bondholders by the Trustee. The Tender Agent shall draw on the Credit Facility to be replaced to pay the Purchase Price. Upon the Expiration Date for any Credit Facility or upon delivery of a replacement for any Credit Facility (each a “Replacement Credit Facility”), the Trustee shall deliver written notice thereof to S&P and Moody’s.

Notice of Mandatory Tender

Notice of a Mandatory Tender shall be mailed to each Bondholder and to the Administrator by first-class mail at least 15 days but not more than 30 days before each Mandatory Tender Date. As long as DTC or its nominee is the sole registered owner of the Bonds under the book-entry-only system, Mandatory Tender notices will be sent to Cede & Co.

BOOK-ENTRY-ONLY SYSTEM

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and neither DelVal nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Bonds (the "DTC Bonds"). The DTC Bonds will be issued as fully-registered securities, registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for each maturity of each Series of the Bonds as set forth on the inside front cover of this Official Statement, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the *Securities Exchange Act of 1934*. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the SEC. More information about DTC can be found at www.dtcc.com.

Purchases of DTC Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Bonds on DTC's records. The ownership interest of each actual purchaser of each DTC Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the DTC Bonds, except in the event that use of the book-entry system for the DTC Bonds of a series is discontinued.

To facilitate subsequent transfers, all DTC Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the DTC Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Bonds, DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of DTC Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the DTC Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Indenture, as applicable. For example, Beneficial Owners of DTC Bonds may wish to ascertain that the nominee holding the DTC Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the

alternative, Beneficial Owners may wish to provide their names and addresses to the bond registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the DTC Bonds of a series within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the DTC Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, purchase price, premium, if any, and interest payments on the DTC Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the Paying Agent on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or DelVal, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, purchase price, premium, if any, and interest on the DTC Bonds, as applicable, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the DTC Bonds at any time by giving reasonable notice to DelVal or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

DelVal may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, applicable Bonds certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE DTC BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDER OF THE DTC BONDS OR REGISTERED OWNERS OF THE DTC BONDS SHALL MEAN DTC AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE APPLICABLE DTC BONDS.

DelVal and the Paying Agent do not have any responsibility or obligation to the Direct Participants, Indirect Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Direct Participant or Indirect Participant; (b) the payment by DTC or any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal, purchase price and redemption price of and interest on the DTC Bonds; (c) the delivery or timeliness of delivery by DTC or any Direct Participant or Indirect Participant of any notice to any Beneficial Owner, which is required or permitted under the terms of the Indenture to be given to Bondholders; or (d) any consent given or other action taken by DTC, or its nominee, Cede & Co., as Bondholders.

NEITHER DELVAL NOR THE TRUSTEE SHALL HAVE ANY OBLIGATION WITH RESPECT TO ANY DEPOSITORY PARTICIPANT OR BENEFICIAL OWNER OF THE DTC BONDS DURING SUCH TIME AS THE DTC BONDS ARE REGISTERED IN THE NAME OF A SECURITIES DEPOSITORY PURSUANT TO A BOOK-ENTRY ONLY SYSTEM OF REGISTRATION.

SECURITY FOR THE BONDS

The Master Indenture

The Bonds will be issued under the Master Indenture and the Thirteenth Supplement, and will be equally and ratably secured, to the extent provided therein, together with all Master Series issued under the Indenture by the Trust Estate (the “Trust Estate”). The Trust Estate of the Indenture includes:

- 1) The Revenues, the Participant Notes, the Loan Agreements (other than the rights of DelVal to indemnification or payment of expenses under the Loan Agreements) for Loans pledged under or assigned to the Indenture,
- 2) All right, title and interest of DelVal in and under the Swap Agreements and the Swap Receipts (other than the rights of DelVal to indemnification or payment of expenses under the Swap Agreements) for Swap Transactions related to the Master Series or Loans pledged under or assigned to the Indenture,
- 3) All right, title and interest of DelVal under the Investment Agreements (other than DelVal’s rights to indemnification or payment of expenses under the Investment Agreements) for moneys invested from accounts or funds created under the Indenture,
- 4) The right, title and interest of DelVal in any Participant Credit Enhancement for Loans pledged under or assigned to the Indenture,
- 5) All moneys and securities (including investment income therefrom) and all other property of every kind and of every name and nature which are now or from time to time hereafter, pledged, assigned or transferred as security to the Trustee under the Indenture by DelVal or by anyone on its behalf, and all cash and securities now or hereafter held in the Funds under the Indenture (excluding the Revenue Fund and the Discretionary Fund to the extent of Excess Funds as provided in the Covenant Agreement), and
- 6) All right, title and interest of DelVal in all Credit Facilities securing any Master Series.

Any amounts credited to the Rebate Fund and the Discretionary Fund of a Master Series to the extent provided in the Covenant Agreement shall be free and clear of any lien under the Indenture.

Under the Master Indenture, the Swap Payments to be made by DelVal pursuant to Swap Agreements, but not Termination Payments, and the Swap Transactions pledged under or assigned to the Master Indenture are equally and ratably secured by the Trust Estate. Termination Payments due from DelVal under Swap Agreements are payable only from the Discretionary Fund, and Termination Payments are subject and subordinate to payment of the principal and redemption price of and interest due and owing on the Master Series and the Swap Payments due and owing under any Swap Agreement.

Funds and Accounts

The Master Indenture creates the following Funds and Accounts:

- 1) Revenue Fund and within the Revenue Fund, a Principal Account, an Interest Account, a Capitalized Interest Account, and a Program Administration Account,
- 2) Acquisition Fund,
- 3) Recycling Fund;
- 4) Redemption Fund,
- 5) Rebate Fund,
- 6) Discretionary Fund,
- 7) Debt Service Reserve Fund, and
- 8) Costs of Issuance Fund.

The Indenture authorizes the Trustee to create additional accounts and subaccounts in the Funds at the direction of the Administrator in order to segregate moneys or to accomplish any other administrative purpose and to comply with the provisions of any Supplemental Indenture authorizing issuance of a new Master Series.

Acquisition Fund and Recycling Fund

The Indenture provides that all Loans will be initially originated or acquired from the Acquisition Fund. When Loans are amortized or prepaid, the repayments of Loan Principal will be deposited into the Recycling Fund.

When the Acquisition Fund is depleted, the Recycling Fund will be used to originate or acquire Loans. DelVal is required to obtain a Favorable Opinion of Bond Counsel prior to making Loans from the Acquisition Fund or Recycling Fund.

Revenue Fund

The Master Indenture requires the following to be deposited into the Revenue Fund, as and when received:

- 1) All Repayments received from Participants, Guarantors, and Participant Credit Enhancers;
- 2) All Swap Receipts and Termination Payments received from a Swap Counterparty;
- 3) All earnings on Funds invested under the Indenture;
- 4) Moneys transferred from other Funds under the Indenture;
- 5) Moneys received in connection with a Participant Default and the exercise of remedies under a Loan Agreement or Guarantee;
- 6) All moneys contributed by DelVal and all moneys transferred pursuant to the Covenant Agreement at the direction of the Administrator;
- 7) To the extent and as provided in a Supplemental Indenture, moneys representing a draw on any Credit Facility to make payment of the principal of and interest on any Master Series for which a Credit Facility has been provided, deposited in a separate account and not commingled with any other funds; and
- 8) Subsidy Payments.

The Master Indenture requires that moneys in the Revenue Fund shall be used for the following payments and transfers on the following dates and in the following order of priority; provided, however, that draws on any Credit Facility to pay principal of or interest on a Master Series shall be paid directly to the Bondholders or as provided in a Supplemental Indenture and Subsidy Payments shall be used as set forth in the Master Indenture:

- 1) On each Interest Payment Date and each Swap Payment Date that is also an Interest Payment Date, to pay interest on the Master Series or, if interest on the Master Series has been paid from a draw on a Credit Facility, to reimburse the Credit Facility Provider, and to pay any Swap Payments due under any Swap Agreements;
- 2) On each Swap Payment Date that is not an Interest Payment Date, to make the Swap Payments due under any Swap Agreements;
- 3) On each Principal Payment Date, to pay the principal due on the Master Series or, if the principal due on the Master Series has been paid from a draw on a Credit Facility, to reimburse the Credit Facility Provider;
- 4) On each Loan Payment Date and Loan Prepayment Date, to the Recycling Fund (and the applicable sub-account thereof), Repayments (from whomever paid) constituting Loan Principal on Participant Notes pursuant to the Loan Agreements;
- 5) On each Loan Payment Date and Loan Prepayment Date, to the Discretionary Fund, Termination Charges received;
- 6) As necessary, to pay Administrative Expenses;
- 7) As necessary, to the Debt Service Reserve Fund, to the extent required to replenish any deficiency therein;
- 8) If DelVal shall have received notice of an early termination under any Swap Agreement and notice that a Termination Payment will be due to a Swap Counterparty, the Administrator shall direct the Trustee to transfer to the Discretionary Fund, if necessary, an amount sufficient to make the Termination Payment; and
- 9) From time to time, to the Discretionary Fund in such amounts as may be directed by the Administrator.

Redemption Fund

Funds will be transferred to the Redemption Fund from the Acquisition Fund or the Recycling Fund in the event of an Optional Redemption or an Extraordinary Mandatory Redemption as (i) the proceeds are no longer required for the Loan Program or (ii) redemption of Bonds is necessary to comply with the provisions of the *Code*.

Rebate Fund

A Rebate Analyst will calculate the amount necessary to be deposited in the Rebate Fund to make rebate payments and/or Yield Reduction Payments to the United States, pursuant to Section 148 of the *Code* not later than

60 days after each fifth bond year for each Master Series and not later than 60 days after the payment in full of all outstanding Master Series. Each Participant will be notified of the amount required to be deposited in the Rebate Fund applicable to each Loan and the amount then on deposit in the Rebate Fund applicable to such Loan, and each Participant will be required to pay any deficiency to the Trustee. If such amount is not paid within five days after receipt of such notice by a Participant, the Administrator shall direct the Trustee to immediately transfer to the Rebate Fund that amount, first from the Discretionary Fund, second from the Acquisition Fund, and third from the Recycling Fund, to the extent of moneys available therein. Rebate amounts and/or Yield Reduction Amounts with respect to amounts not loaned or otherwise attributable to Participants will also be transferred from the foregoing funds, to the extent available. Amounts credited to the Rebate Fund will be free and clear of any lien under the Indenture.

Discretionary Fund

Termination Charges received from a Participant, Guarantor, or Participant Credit Enhancer pursuant to a Loan Agreement, and amounts received pursuant to the Covenant Agreement for a Termination Payment to a Swap Counterparty, shall be deposited in the Discretionary Fund. Termination Payments shall be subject and subordinate to payments of interest, principal or redemption price of the Master Series then due and owing and to Swap Payments then due and owing. Amounts in the Discretionary Fund shall be applied to the following:

- 1) Transfers to the Revenue Fund to pay interest, principal, or redemption prices on Bonds then due (or to reimburse the provider of a Credit Facility which secures a Series of Bonds and which has made a payment thereon) and to make Swap Payments when other moneys available to the Trustee are insufficient;
- 2) Termination Payments then due to Swap Counterparties;
- 3) Deposits to the Rebate Fund or Extraordinary Payments;
- 4) Transfers to the Revenue Fund to pay any Administrative Expenses under the Indenture when other moneys available to the Trustee are insufficient;
- 5) Transfers to the Revenue Fund to pay the costs or expenses related to origination of any Loan funded by any Master Series;
- 6) Transfers to make a payment under the Covenant Agreement at the direction of the Administrator, provided (A) that a Termination Payment is not then due and owing and (B) that the payment will not cause the total liabilities to exceed the total assets under the Indenture; and
- 7) Transfers to DelVal, provided (A) that a Favorable Opinion of Bond Counsel is given, (B) that no Termination Payment is then due and owing, and (C) that the payment will not cause the total liabilities to exceed the total assets under the Indenture.

Debt Service Reserve Fund

A portion of the proceeds of the Bonds will be deposited into the Debt Service Reserve Fund. When, and only when, sufficient funds are not available for such purposes in the Revenue Fund or Discretionary Fund, moneys in the Debt Service Reserve Fund shall be applied (i) to make payments of principal and interest on all Master Series issued pursuant to the Master Indenture and (ii) to make Swap Payments related to the Master Series. Earnings on the Debt Service Reserve Fund are to be retained in that fund to the extent necessary for the fund to equal the Reserve Requirement, and thereafter such earnings are to be transferred to the Revenue Fund. The Reserve Requirement for the Master Series is the maximum amount permitted under the *Code*: the least of (i) 10% of the par amount of the Master Series, (ii) the maximum annual debt service payment of the Master Series, and (iii) 125% of the average annual debt service payment of the Master Series. After the issuance of the Bonds, the Reserve Requirement for the Master Series will be \$47,187,000.

Letter of Credit Securing the 2025 B Bonds

The 2025 B Bonds will be supported by the Letter of Credit issued by the Bank. The Letter of Credit will expire on December 1, 2030 (the “Stated Expiration Date”), unless extended or otherwise terminated. See “THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT – THE REIMBURSEMENT AGREEMENT”. The Letter of Credit will be issued in favor of the Trustee and will permit the Trustee to make drawings up to the principal, purchase price, or redemption price of and interest on the 2025 B Bonds in the amounts therein specified. Upon the expiration, substitution, replacement, or termination of the Letter of Credit, the 2025 B Bonds will be subject to mandatory tender for purchase as described in this Official Statement. See “THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT”.

Loan Agreement and Participant Note

The Bonds are secured by the Trust Estate including all Loan Agreements and Participant Notes. Each Participant receives the entire amount of its Loan upon the execution of its Loan Agreement and the issuance of its Participant Note.

Each Loan to a Local Government Unit must be secured by the pledge of its full faith, credit, and taxing power. Pledges of the full faith, credit, and taxing power are payable from the revenues of the Local Government Unit from whatever source derived, which revenues at the time of issuance of the Bonds include ad valorem taxes within limits provided by applicable law, levied upon all the taxable property within the boundaries of the Local Government Unit. School districts no longer have unlimited power to increase ad valorem taxes or levy additional taxes. See “TAXING POWERS OF LOCAL GOVERNMENT UNITS”. DelVal may also require a Loan to a Local Government Unit to be additionally secured by a Participant Credit Enhancement, with DelVal as the beneficiary, issued by a Participant Credit Enhancer with a rating of “Aa3” or higher from Moody’s or “AA-” or higher from S&P. The issuance of each Participant Note to a Local Government Unit will not occur until the Department of Community and Economic Development of the Commonwealth (“DCED”), pursuant to the *Debt Act*, has approved the debt evidenced by the Loan Agreement and Participant Note.

Each Loan to an Authority or other Political Subdivision must meet at least one of the following conditions: (i) secured by a Guaranty with the pledge of the full faith, credit, and taxing power of the Commonwealth or one or more Local Government Units, (ii) secured by a Participant Credit Enhancement, (iii) secured by a Security Agreement with the Commonwealth or one or more Local Government Units that agree to pay all amounts necessary to enable the Participant to repay the Loan, or (iv) rated “Aa3” or higher by Moody’s or “AA-” or higher by S&P, subject to credit approval by the Administrator and DelVal Board of Directors.

The Loan Agreement with an Authority or other Political Subdivision based solely upon ratings shall contain the written agreement of the parties thereto that if, while the Loan remains outstanding, the published rating of such entity is reduced below “Aa3” from Moody’s or “AA-” from S&P, or otherwise withdrawn by either of Moody’s or S&P (a “Rating Event”) such entity shall, within one hundred eighty (180) days of the occurrence of such Rating Event or within one such additional ninety (90) day period as DelVal may agree, in its sole discretion: (i) procure a Participant Credit Enhancement from a Participant Credit Enhancer; (ii) provide a Guaranty under the provisions of the *Debt Act* or other Commonwealth Law, (iii) provide a Security Agreement that shall remain in effect for the so long as the of the Loan Agreement and Participant Note remain outstanding and pursuant to which one or more Local Government Units or the Commonwealth shall agree to pay on a current obligation basis, or otherwise, all amounts necessary to enable such entity to pay, *inter alia*, in each fiscal year thereof all debt service on indebtedness incurred in connection with a Project of such entity for which the Loan was made, or (iv) such entity shall prepay the Loan in such amount and on such terms and conditions as are acceptable to DelVal, in its sole discretion, taking into account the structure of the Loan and the date of prepayment.

DelVal has covenanted in the Master Indenture not to originate Loans to Authorities and other Political Subdivisions that are based solely upon ratings an aggregate principal amount greater than 20% of the total available funding for Loans under the Master Series (the “Available Funding”). Currently, all Loans to Authorities and other Political Subdivisions are secured by Guaranties, Security Agreements, or Participant Credit Enhancements.

THE PARTICIPANT CREDIT ENHANCEMENTS WILL **NOT** GUARANTEE THE PAYMENT OF THE PRINCIPAL, REDEMPTION PRICE, OR INTEREST ON THE BONDS. See “SECURITY FOR THE BONDS”.

Repayments

The schedule of Loan Principal payments due on each Loan is set forth in each Participant Note. The Indenture and each Loan Agreement provide that the Administrator shall calculate the Loan Interest. For such purpose, the Administrator shall include each Participant’s allocable share of: (i) the payments of principal of and interest on the related Bonds, (ii) receipts and payments under any Swap Agreements, and (iii) administrative expenses (“Administrative Expenses”). Administrative Expenses include any expenditures of DelVal reasonably and necessarily incurred by reason of its issuance of the DelVal Series or for the Loan Program, as determined by the Administrator, including, without limitation, charges for compliance (the “Compliance Charges”) with the *Code*, auditing fees and expenses, non-asset bond costs, the fees and expenses of the Trustee, the Administrator and all other

legal, financial and administrative expenses incurred by DelVal with respect to the Loan Program, the maintenance of prudent levels of liquidity to provide sufficient levels of operating cash flow, as determined by the Administrator and any expenses incurred by DelVal or the Trustee to compel full and punctual performance of all the provisions of this Indenture, the Loan Agreements or the Participant Notes. As directed by the Administrator, the Trustee bills each Participant for the amounts of the Loan Principal and Loan Interest (collectively, the “Repayments”) due.

Participant Credit Enhancement

The Administrator requires certain Loans to be secured by a Participant Credit Enhancement in order to maintain the credit quality of the Loan portfolio and to comply with rating tests of the Covenant Agreement. The provider of the Participant Credit Enhancer controls the repayment of the applicable Loan if a Participant defaults on a Loan secured by a Participant Credit Enhancement. As long as the Participant Credit Enhancer is not in default on its payment obligations to DelVal, the Loan cannot be accelerated or the related Swap Transactions terminated without the consent of the Participant Credit Enhancer. The Participant Credit Enhancer would seek to enforce the remedies available under *Debt Act*.

Termination Charges

In the event that DelVal incurs a Termination Payment due to the early termination of a Swap Transaction, the Administrator may calculate and assess a Termination Charge equal to the Participant’s allocable share of the Termination Payment, payable on the date directed by the Administrator. Under the Loan Agreement, the Participant has a contractual obligation to pay the Termination Charge, but the payment of the Termination Charge is not secured by the pledge of the full faith, credit and taxing power of the Local Government Unit Participant or Guarantor. If funds to pay the Termination Charge are not available for appropriation in its current fiscal year budget, the Participant covenants in the Loan Agreement and, if applicable, the Guarantor covenants, to include the Termination Charge in its budget in the next fiscal year. The *Debt Act* permits a Local Government Unit to treat the Termination Charge as “unfunded debt” (as such term is defined in the *Debt Act*) and to issue debt to fund payment of the Termination Charge.

Sinking Funds of the Participants

The *Debt Act* requires that each Local Government Unit create an account to deposit payments for any debt incurred under the *Debt Act*. This account, or sinking fund, shall be maintained by a bank, trust company, or a bank and trust company, appointed by the Local Government Unit, located and lawfully conducting business in Pennsylvania (a “Sinking Fund Depository”). The ordinance or resolution that authorizes the incurrence of a Loan by each Participant will appoint the Trustee as its Sinking Fund Depository. The Sinking Fund Depository shall transfer the Repayments received from each Participants from its sinking fund to DelVal’s Revenue Fund.

Remedies under the *Debt Act*

The *Debt Act* provides that if a Local Government Unit with general taxing powers fails or refuses to make adequate provision in its budget for any fiscal year for the sums payable in receipt of bonds in that year (which for such purpose includes payments of Loan Principal and Loan Interest under the Loan Agreement) (i) then at the suit of the holder of any bond, the Court of Common Pleas shall, after a hearing held upon such notice to the Local Government Unit as the Court may direct and a finding of such failure or neglect, by order of mandamus require the treasurer of the Local Government Unit to pay into the sinking fund the first tax moneys or other available revenues or moneys thereafter received in the fiscal year by the treasurer, equally and ratably for each series for which provision has not been made, in proportion to debt service for the year on each series then outstanding and (ii) further, if a Local Government Unit fails or neglects to pay such interest and principal as the same becomes due and payable and the failure continues for 30 days, the holder thereof may, subject to certain priorities set forth in the *Debt Act*, recover the amount due in an action in the Court of Common Pleas and the judgment recovered shall have an appropriate priority upon the moneys next coming into the treasury of the Local Government Unit.

Under the *Debt Act*, if a Local Government Unit fails or refuses to budget for any fiscal year a periodic scheduled payment due in that year pursuant to the provisions of a Qualified Interest Rate Management Agreement and payable from the general revenues of the Local Government Unit, the other party to the Qualified Interest Rate Management Agreement may bring an enforcement action in a court of common pleas. After a hearing held upon notice to the Local Government Unit, if the court finds such a failure or refusal, the court may, by order of mandamus, require the treasurer of the Local Government Unit to pay to the other party out of the first tax money or other available revenue or money thereafter received in the fiscal year by the treasurer the periodic scheduled payments due pursuant to the provisions of the Qualified Interest Rate Management Agreement (subject to the *Debt Act* priority for tax

anticipation notes) and § 8281(c)(8) of the *Debt Act* (relating to Qualified Interest Rate Management Agreements). In addition, if a Local Government Unit fails to pay any amount due under a Qualified Interest Rate Management Agreement when it becomes due and payable, and such failure continues for 30 days, the other party to the Qualified Interest Rate Management Agreement may bring an action in a court of common pleas to recover the amount due, subject to certain priorities set forth in the *Debt Act* and any limitations upon rights of action properly provided in the Qualified Interest Rate Management Agreement.

Loan Agreements with School Districts

Under the provisions of § 6-633 of the *Public School Code*, if any school district fails to make its required debt service payments with respect to indebtedness (such as a school district's debt under the Participant Note and the Loan Agreement), the Secretary of Education of the Commonwealth shall notify the board of directors of its obligation and withhold, subject, in the event of certain circumstances when the Commonwealth has not adopted a budget for the fiscal year, to compliance by the subject school district with *Act No. 85 of 2016* (P.L. 664, No. 85), from such school district, out of any Commonwealth appropriation due such school district by the Commonwealth, an amount equal to the debt service payments owed by such school district. These withholding provisions are not part of any contract with DelVal, or with the holders of DelVal's bonds, and future legislation may amend or repeal the provisions for the withholding of debt service payments. Other withholding provisions of the *Public School Code* (e.g., the provision for the withholding of unpaid teachers' salaries) may limit the effectiveness of the withholding provisions for debt service in § 6-633. The enforcement of § 6-633 may also be limited by bankruptcy, insolvency, or other laws or equitable principles affecting the enforcement of creditors' rights generally. No assurance can be given that any debt service payments subject to § 6-633 withholding provisions will be received on the date that the debt service payments are due.

Under the provisions of the *Debt Act*, if the board of directors of a school district fails to pay or provide for the payment of periodic scheduled payments, due pursuant to a Qualified Interest Rate Management Agreement, the Secretary of Education of the Commonwealth (if the Secretary finds that the amount due and payable by the school district has not been paid) is required to withhold out of any state appropriation due the school district an amount equal to the amount so due and pay that amount over to the party to whom it is due. Under the *Debt Act*, a Qualified Interest Rate Management Agreement is defined as an agreement entered into by a Local Government Unit fulfilling certain requirements and which, in the judgment of the Local Government Unit, is designed to manage interest rate risk or interest cost on any debt the Local Government Unit is authorized to incur under the *Debt Act*. Each Loan Agreement is intended to constitute a Qualified Interest Rate Management Agreement with respect to Repayments, contains the provisions required by the *Debt Act*, and requires the Participant to take all steps necessary to qualify the Loan Agreement as such.

The *Debt Act*, as it applies to the general obligation debt of school districts, prescribes certain other remedies in the event of a failure to make timely debt service payments. If a school district fails to pay debt service on a general obligation debt for a period of 30 days from the date when payment becomes due and payable, the holder of that debt shall have the right to recover the amount due by bringing an action in assumpsit in the Court of Common Pleas in the county in which the school district is located. The *Debt Act* also provides that any judgment shall have an appropriate priority upon moneys next coming into the treasury of the school district. The *Debt Act* further provides that upon default in the payment of principal and interest, which continues at least 30 days, holders of at least 25% of such defaulted debt may appoint a trustee to represent them. The *Debt Act* provides certain other remedies and further qualifies the remedies described above in "Remedies under the *Debt Act*".

All public school subsidies in the Commonwealth are subject to appropriation by the General Assembly. The Constitution of the Commonwealth provides that "...[t]he General Assembly shall provide for the maintenance and support of a thorough and efficient system of public education to service the needs of the Commonwealth...". However, the General Assembly is not legally obligated to appropriate such subsidies and no assurance can be given that it will do so in the future. The allocation formula pursuant to which the Commonwealth distributes such subsidies to the various school districts throughout the Commonwealth may be amended at any time by the General Assembly. Moreover, the Commonwealth's ability to make such disbursements depends upon its own financial condition. At various times in the past, the enactment of budget and appropriation laws by the Commonwealth has been delayed, resulting in interim borrowing by school districts pending the authorization and payment of state aid. Consequently, no assurance can be given that financial support from the Commonwealth to school districts, for either capital projects or education programs in general, will continue at present levels or that moneys will be payable to a school district if

indebtedness of such school districts is not paid when due. In addition, under the *Taxpayer Relief Act*, such school districts may not increase the rate of taxes levied for the support of schools above an inflation index in order to pay the interest and principal on debt without voter approval unless the tax has been approved by the voters in a referendum or one of the other limited exemptions to such voter approval is utilized. See “TAXING POWERS OF LOCAL GOVERNMENT UNITS - *Taxpayer Relief Act of 2006*”.

Participant Tax Compliance Agreement

The Indenture requires, as a condition of closing a Loan, that each Participant enter into a written undertaking to comply with certain covenants (each, a “Participant Tax Compliance Agreement”), which, based upon the advice of Bond Counsel, are believed to be sufficient in order that the interest on the Bonds remain excludible from the gross income of the holders thereof under the *Code*.

Covenant Agreement

DelVal adopted the Covenant Agreement on April 9, 2001, to improve the security of the bondholders of all DelVal Series. The Covenant Agreement was amended and restated on April 23, 2002, April 12, 2004, June 28, 2007 and August 3, 2009. Under the terms of the Covenant Agreement, DelVal pledges to use, in accordance with the provisions of each Trust Indenture, any available unrestricted funds (the “Excess Funds”) to:

- 1) Replenish any deficiency of a debt service reserve fund or
- 2) Pay any debt service payments, periodic interest rate swap payments, administrative expenses, and interest rate swap termination payments.

See “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY – COVENANT AGREEMENT” and “APPENDIX II: FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024” for more information.

Payments to Bondholders and Swap Counterparties

DelVal’s pledge to make scheduled interest rate swap payments to Swap Counterparties is on parity with its pledge to make debt service payments to Bondholders. The priority of payments for debt service on the Bonds and Swap Payments to Swap Counterparties is from:

- 1) The Revenue Fund,
- 2) The Discretionary Fund,
- 3) Moneys provided pursuant to the Covenant Agreement,
- 4) Any moneys available in the Debt Service Reserve Fund, and
- 5) Any other moneys in the Trust Estate available to the Trustee.

Termination Payments shall be paid only from Excess Funds, moneys in the Discretionary Fund or provided pursuant to the Covenant Agreement, and only after payment in full of all Debt Service and all Swap Payments then due and payable.

See “INTEREST RATE SWAP AGREEMENTS”, “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY– INTEREST RATE SWAP TRANSACTIONS” and “APPENDIX II: FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024 – NOTE 6. DERIVATIVE TRANSACTIONS” for more information.

Investments

The funds held by DelVal, pending the origination of Loans and otherwise, are invested in GIC’s and other investments that satisfy the requirements of the respective indentures of the DelVal Series. DelVal’s short-term investments are generally restricted to instruments with ratings of “P-1” from Moody’s or “A-1” or higher from S&P, and DelVal’s long-term investments are generally restricted to instruments with ratings of “Aa3” or higher from Moody’s or “AA-” or higher from S&P. See “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY– INVESTMENTS” for more information.

Special Limited Obligations

THE BONDS ARE SOLELY AND EXCLUSIVELY LIMITED, SPECIAL OBLIGATIONS OF DELVAL. DELVAL SHALL NOT BE OBLIGATED TO PAY THE PRINCIPAL, INTEREST OR REDEMPTION PRICE OF THE BONDS EXCEPT FROM THE TRUST ESTATE IN THE MANNER PROVIDED IN THE INDENTURE AND TO THE EXTENT PROVIDED IN THE COVENANT AGREEMENT, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING DELVAL, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL AMOUNT, INTEREST OR REDEMPTION PRICE OF THE BONDS. DELVAL HAS NO TAXING POWER.

THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT

The following description summarizes certain provisions of the Reimbursement Agreement and the Letter of Credit only and does not purport to be complete or definitive, does not constitute a complete summary thereof and is qualified in its entirety by reference to the complete provisions of the Reimbursement Agreement and the Letter of Credit. Investors should obtain and review a copy of the Reimbursement Agreement and the Letter of Credit in order to understand all of the terms of those documents. The terms and provisions of any Replacement Credit Facility for the 2025 B Bonds and its related agreement may be different from those summarized below. All capitalized terms used under this caption but not otherwise defined in this Official Statement have the respective meanings given to such terms in the Reimbursement Agreement or the Letter of Credit, as applicable.

The Letter of Credit

The Letter of Credit is an irrevocable obligation of the Bank to pay to the Trustee upon a demand of payment made with respect to the 2025 B Bonds in accordance with the terms of the Letter of Credit, a maximum aggregate amount not exceeding \$142,589,042 (the “Original Stated Amount”), which is comprised of (i) an amount not exceeding \$140,000,000 with respect to the payment of the principal amount of the 2025 B Bonds (the “Principal Portion”), plus (ii) an amount not exceeding \$2,589,042, representing 45 days of interest accrued at the maximum rate of 15%, calculated on the basis of a 365 day year (the “Interest Portion”).

The Letter of Credit is issued pursuant to the terms of the Reimbursement Agreement. The Trustee, upon compliance with the terms of the Letter of Credit, will be authorized to draw on the Letter of Credit to pay (i) the principal amount of the 2025 B Bonds when due upon scheduled maturity, optional redemption (subject to prior written consent of the Bank), mandatory redemption or acceleration, (ii) the purchase price (par plus accrued interest, if any) of the 2025 B Bonds purchased or deemed purchased pursuant to an optional or mandatory tender for purchase, and (iii) the interest due on the 2025 B Bonds.

The Letter of Credit will expire at the close of business on the Stated Expiration Date, unless earlier terminated in accordance with its terms. The Letter of Credit will terminate on the earliest to occur of (i) the Stated Expiration Date (as may be extended from time to time), (ii) the earlier of (A) the date which is one (1) Business Day following the date of receipt by the Bank from the Trustee of a certificate (the “Termination Certificate”) to the effect the Letter of Credit is being terminated due to the fact that (x) no 2025 B Bonds remain outstanding under the Indenture, (y) all Drawings required to be made under the Indenture and available under the Letter of Credit have been made and honored, or (z) a Replacement Credit Facility has been issued to replace the Letter of Credit in accordance with the Indenture or (B) the date on which the Bank honors a drawing under the Letter of Credit on or after the date of receipt of the Termination Certificate, (iii) the date on which an acceleration drawing or a stated maturity drawing is honored by the Bank and (iv) the fifteenth day following receipt by the Trustee of notice from the Bank specifying the occurrence of an event of default under the Reimbursement Agreement and directing the Trustee to cause an acceleration of the 2025 B Bonds.

The amount available for drawings (the “Available Amount”) under the Letter of Credit will be reduced to the extent of any drawing that is not reinstated thereunder. With respect to a drawing by the Trustee solely to pay the principal of and accrued interest on the 2025 B Bonds due at maturity or upon redemption or upon acceleration, the Letter of Credit shall not be reinstated in the amount of such drawing. With respect to a drawing by the Trustee solely to pay the purchase price of the 2025 B Bonds purchased or deemed purchased, the principal amount as a result of tender and the amount of accrued and unpaid interest thereon shall be automatically reduced by the amount of the liquidity drawing and reinstated upon the Bank’s receipt of reimbursement for amounts drawn on the liquidity facility (including accrued interest to the date of reimbursement). With respect to a drawing by the Trustee solely to pay interest due and payable on the 2025 B Bonds, the interest amount shall be automatically reinstated effective the fifth (5th) calendar day from the date of such drawing, provided, however, such amount shall not be reinstated if within four (4) calendar days following such drawing, the Trustee shall have received from the Bank a notice to the effect that the Bank has not been reimbursed in full for any such drawing or any other Event of Default under the Reimbursement Agreement has occurred and directing the Trustee to accelerate the 2025 B Bonds.

The Reimbursement Agreement

- 8) DelVal shall fail to pay when due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) principal or interest on any Debt, with an outstanding principal amount of \$5,000,000 or more, and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation of or concerning

- such Debt; or any other default under any indenture, contract or instrument providing for the creation of or concerning such Debt, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to accelerate, or to permit the acceleration of, the maturity of such Debt; or pursuant to the provisions of any such indenture, contract or instrument the maturity of any Debt of DelVal in a principal amount in excess of \$5,000,000 shall have been or may be accelerated or shall have been or may be required to be prepaid prior to the stated maturity thereof; or
- 9) One or more judgments or court orders for the payment of money in an aggregate amount (a) in excess of \$5,000,000 and not covered by insurance and payable from any portion of the Trust Estate shall be rendered or (b) in excess of \$5,000,000 and not covered by insurance shall be rendered against DelVal (and not payable from any portion of the Trust Estate), and in either case such judgment or court order shall continue unsatisfied and in effect for a period of 60 consecutive days without being vacated, discharged, satisfied, or stayed or bonded pending appeal; or
 - 10) Moody's or S&P (to the extent that any such Rating Agency rates any unenhanced Master Series) shall have downgraded the rating on the unenhanced Master Series to below "Baa2" (or its equivalent) or "BBB" (or its equivalent), respectively or shall have withdrawn or suspended their rating on the unenhanced Master Series for any credit related reason; or
 - 11) Any amounts on deposit in, or otherwise to the credit of any funds or accounts established under the Indenture shall become subject to any writ, judgment, warrant or attachment, execution or similar process; or

Remedies Upon Event of Default

- 1) Declare the principal of and interest on all amounts payable under the Reimbursement Agreement to be immediately due and payable,
- 2) By written notice to DelVal require that DelVal immediately prepay to the Bank in immediately available funds an amount equal to the Available Amount (such amounts to be held by the Bank as collateral security for the Obligations);
- 3) Give notice of the occurrence of an Event of Default to the Trustee, directing the Trustee to cause an acceleration of the 2025 B Bonds, thereby causing the Letter of Credit to expire 15 days thereafter; and/or
- 4) Proceed to enforce all other remedies available under the Related Documents and under applicable law and in equity; provided that if any event specified in paragraphs (7) or (14) in "THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT – THE REIMBURSEMENT AGREEMENT - Events of Default" occurs, the consequences of the Bank's notice described in paragraphs (1) and (2) immediately above shall result automatically upon the occurrence of such event without notice from the Bank.

Except as expressly described in “THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT – THE REIMBURSEMENT AGREEMENT – Remedies Upon Event of Default”, presentment, demand, protest and all other notices of any kind are expressly waived.

TAXING POWERS OF LOCAL GOVERNMENT UNITS

A Local Government Unit may levy an annual ad valorem tax on all taxable real estate to pay debt service on indebtedness, such as Repayments under a Loan Agreement, incurred pursuant to the *Debt Act*. Under the *Local Tax Enabling Act*, certain Local Government Units may also assess other taxes that can be used to pay debt service. However, under the *Taxpayer Relief Act*, school districts are not permitted to increase ad valorem taxes in excess of an inflation index or impose any new tax without voter approval in a referendum. See “SECURITY FOR THE BONDS – LOAN AGREEMENT AND PARTICIPANT NOTE – Loan Agreements with School Districts”.

Local Tax Enabling Act

Under the *Local Tax Enabling Act*, additional taxes may be levied by cities of the second class, cities of the second class A, cities of the third class, boroughs, towns, townships of the first class, townships of the second class, school districts of the second, third and fourth classes (subject to division among political subdivisions authorized to levy similar taxes on the same person, subject, business, transactions or privilege) subject to the following limitations:

Limitations of Local Tax Enabling Act

<u>Type of Tax</u>	<u>Limit</u>
Per Capita Tax	\$ 10.00
Earned income tax on wages, salaries, commissions, and other income	1.00%
Sales tax on transfer of real property	1.00%
Local Services Tax	\$ 52.00
Flat rate occupation and occupational privilege tax	\$ 10.00
Admissions tax (1)	10.00%
Tax on occupations (millage or percentage basis)	No limit (2)

(1) Except to motion picture theaters in cities other than of the second class.

(2) Subject to the overall limit set by the *Local Tax Enabling Act*.

The aggregate amount of taxes under the *Local Tax Enabling Act* shall not, in the case of any political subdivision, exceed an amount equal to the product obtained by multiplying 12 mills by the latest market value of real estate as determined by the board for the assessment and revision of taxes or any similar board established by the assessment laws which determine market values of real estate within the political subdivision, or, if no such board has determined such values, then the values as certified by the State Tax Equalization Board of the Commonwealth of Pennsylvania shall be used. The limitation for certain independent school districts is an amount equal to the product obtained by multiplying 15 mills by the latest market value of real estate determined as described above.

Taxpayer Relief Act of 2006

Under Pennsylvania *Act No. 1 of the Special Session of 2006*, as amended by *Act 25 of 2011* (together “*The Taxpayer Relief Act*” or “*Act 1*”), a school district (other than Philadelphia, Pittsburgh and Scranton) may not levy any tax for the support of the public schools which was not levied in the previous fiscal year, raise the rate of any earned income and net profits tax if already imposed under the authority of the *Local Tax Enabling Act*, or increase the rate of any tax for school purposes by more than the Index (defined below), unless in each case either (a) such increase is approved by the voters in the school district at a public referendum or (b) one of the exceptions summarized below is applicable and the use of such exception is approved by Pennsylvania Department of Education (“PDE”):

- 1) to pay interest and principal on indebtedness incurred (i) prior to September 4, 2004, in the case of a school district which had elected to become subject to the provisions of the prior *Homeowner Tax Relief Act, Act 72 of 2004* (“*Act 72*”), or (ii) prior to June 27, 2006, in the case of a school district which had not elected to become subject to *Act 72*; to pay interest and principal on any indebtedness approved by the voters at referendum (electoral debt); and to pay interest and principal on debt refunding or refinancing debt for which one of the above exceptions is permitted, as long as the refunding or refinancing incurs no additional debt other than for costs and expenses related to the refunding or refinancing and the funding of appropriate debt service reserves;

- 2) to pay costs incurred in providing special education programs and services to students with disabilities, under specified circumstances; and
- 3) to make payments into the State Public School Employees' Retirement System when the increase in the estimated payments between the current year and the upcoming year is greater than the Index, as determined by PDE in accordance with the provisions of *Act 1* (described below).

Any revenue derived from an increase in the rate of any tax allowed under the exception numbered i) above may not exceed the anticipated dollar amount of the expenditure, and any revenue derived from an increase in the rate of any tax allowed pursuant to any other exception enumerated above may not exceed the rate increase required, as determined by PDE. If a school district's petition or request to increase taxes by more than the Index pursuant to one or more of the allowable exceptions is not approved, the school district may submit the proposed tax increase to a referendum.

The Index (to be determined and reported by PDE by September of each year for application to the following fiscal year) is the average of the percentage increase in the statewide average weekly wage, as determined by the State Department of Labor and Industry for the preceding calendar year, and the employment cost index for elementary and secondary schools, as reported by the federal Bureau of Labor Statistics for the preceding 12-month period beginning July 1 and ending June 30.

The requirement of voter approval for tax increases by school districts may adversely impact the ability of those school districts to increase taxes, irrespective of the actual level of state funding made available to that school district. School districts no longer have the power to levy taxes in an unlimited amount. However, the *Taxpayer Relief Act* does not alter the provisions of the *Debt Act* that provide remedies upon the failure of a Local Government Unit (including a school district) to meet its payment obligations under a Loan Agreement with DelVal or the provisions of the *Public School Code* requiring the withholding of state appropriations for payment of defaulted school district loan payments.

THE SUMMARY OF ACT 1 ABOVE IS NOT INTENDED TO BE AN EXHAUSTIVE DISCUSSION OF THE PROVISIONS OF ACT 1 NOR A LEGAL INTERPRETATION OF ANY PROVISIONS OF ACT 1. A PROSPECTIVE PURCHASER OF THE BONDS SHOULD REVIEW THE FULL TEXT OF ACT 1 AS A PART OF ANY DECISION TO PURCHASE THE BONDS.

INTEREST RATE SWAP AGREEMENTS

DelVal has entered into interest rate swap transactions after the issuance of each series of DelVal Bonds since 1997. DelVal entered into the swap agreements to hedge its exposure to future changes in long-term interest rates and to provide Fixed Rate Loans to Participants. DelVal has executed Swap Agreements with six Swap Counterparties:

- 1) Bank of America, N.A.,
- 2) Barclays Bank PLC,
- 3) Citibank, N.A.,
- 4) PNC Bank, National Association,
- 5) The Royal Bank of Canada, and
- 6) The Toronto-Dominion Bank.

Early Termination

Each Swap Agreement specifies certain events of default and certain other events related to or affecting the performance or financial condition of DelVal, a Participant, a Guarantor, a Participant Credit Enhancer, or the Swap Counterparty, that could precipitate the termination of all or a portion of the Swap Agreement prior to its scheduled termination date (an “Early Termination”). In the event of an Early Termination, either DelVal or the Swap Counterparty could be obligated to make a Termination Payment, which could be substantial, based upon the replacement cost or gain of the portion of the Swap Agreement being terminated. Events that may cause Early Termination under the Swap Agreement include, but are not limited to:

- 1) Failure to pay or other breach of obligations by a Swap Counterparty, DelVal, or a Participant or its Guarantor;
- 2) Certain events of bankruptcy, insolvency or dissolution of a Swap Counterparty, DelVal, a Participant or its Guarantor;
- 3) Merger of a Swap Counterparty, DelVal, or any Participant or its Guarantor, or transfer of substantially all of the assets of such entity, where the resulting, surviving or transferee entity fails to assume the obligations of its predecessor or is of materially weaker creditworthiness;
- 4) Failure by DelVal to meet rating tests of the Loans to Participants;
- 5) Withdrawal, suspension or reduction of the credit rating below certain thresholds of a Swap Counterparty or DelVal;
- 6) Failure of a Swap Counterparty or DelVal to post collateral when required; and
- 7) Failure of DelVal to originate Loans.

THE FOREGOING DESCRIPTION OF EARLY TERMINATION IS NOT EXHAUSTIVE. THE SWAP AGREEMENTS ARE ON FILE AT THE OFFICES OF DELVAL AND POSTED AT WWW.DELVAL.US, BUT NOT INCORPORATED HEREIN. THE ABOVE ORDER OF EVENTS WHICH COULD CAUSE EARLY TERMINATION IS NOT INTENDED TO SUGGEST ANY LEVEL OF IMPORTANCE OF ONE EVENT OVER ANOTHER, AND NO INFERENCE SHOULD BE DRAWN TO THAT EFFECT.

Payments Under Interest Rate Swap Agreements

Under the Indenture, Swap Receipts are pledged to the payment of the Bonds and any Swap Payments (as well as the payment of any other Master Series) and shall be deposited in the Revenue Fund. Any Termination Payment that is paid by a Swap Counterparty related to an Early Termination shall be deposited in the Revenue Fund. Notwithstanding the foregoing, the agreement by a Swap Counterparty under a Swap Agreement to pay certain amounts to DelVal will not affect the obligation of DelVal under the Indenture to pay the principal or purchase price of, interest on, and premium, if any, on the Bonds. Neither the holders of the Bonds nor any other person other than DelVal will have any rights under any Swap Agreement or against any Swap Counterparty.

The obligation of DelVal to make Swap Payments to a Swap Counterparty is secured by the Trust Estate on a parity basis with the Bonds and is payable from the Revenue Fund. All other payment obligations of DelVal to a Swap Counterparty, including any Termination Payment related to an Early Termination, are payable solely from moneys available in the Discretionary Fund or from Excess Funds available under the Covenant Agreement and are subject and subordinate to the payment of principal, purchase price, and redemption price of and interest on the Bonds

then due and payable and Swap Payments. The obligation of DelVal to make Swap Payments will not be secured by credit enhancement.

The (i) principal, purchase price, and redemption price of and interest on the Bonds and all other Master Series, (ii) all amounts owing to a Credit Facility Provider on the Bonds and all other Master Series, and (iii) periodic interest rate swap payments under Swap Agreements related to the Bonds and all other Master Series, will be equally and ratably secured under the Master Indenture by all right, title, and interest of DelVal in and under (i) the Revenues, the Participant Notes, and Loan Agreements; (ii) the Swap Agreements and the Swap Receipts; (iii) the Investment Agreements; (iv) all Participant Credit Enhancements; (v) all moneys and securities (including the investment income therefrom) and all other property of every kind and of every name and nature pledged to the Trustee as security under the Indenture (excluding the Rebate Fund and the Discretionary Fund to the extent provided in the Covenant Agreement; and (vi) all right, title, and interest of DelVal in all Credit Facilities. Termination Payments under Swap Agreements are secured by moneys in the Discretionary Fund, subject and subordinate to the payment of principal, purchase price, and redemption price of and interest on the Bonds and all other Master Series then due and payable and Swap Payments, except as otherwise provided in connection with the issuance of any additional Master Series issued under the Master Indenture.

IN THE EVENT OF AN EARLY TERMINATION, NO ASSURANCE CAN BE GIVEN THAT (i) DELVAL WILL RECEIVE A TERMINATION PAYMENT PAYABLE TO IT BY A SWAP COUNTERPARTY, (ii) DELVAL WILL HAVE SUFFICIENT AMOUNTS IN THE DISCRETIONARY FUND OR AVAILABLE UNDER THE COVENANT AGREEMENT TO MAKE A TERMINATION PAYMENT PAYABLE TO A SWAP COUNTERPARTY, OR (iii) DELVAL WILL BE ABLE TO NOVATE SWAP TRANSACTIONS TO A DIFFERENT SWAP COUNTERPARTY OR TO OBTAIN A REPLACEMENT SWAP AGREEMENT ON COMPARABLE TERMS.

INVESTMENT CONSIDERATIONS

The purchase of the Bonds involves certain investment considerations that are described in this Official Statement. Each prospective purchaser of any Bonds should read this Official Statement in its entirety and consult such prospective purchaser's own investment and/or legal advisor for a more complete explanation of the risks associated with the purchase of investments such as the Bonds. Certain of these investment considerations are set forth in this section for convenience and are not intended to substitute for an independent evaluation of the information presented in this Official Statement.

Limited Obligations. The Bonds are solely and exclusively limited, special obligations of DelVal, payable from and secured solely by the Trust Estate. See "SECURITY FOR THE BONDS". DELVAL HAS NO TAXING POWER.

Loan Origination. DelVal and the Administrator reasonably expect that Loans will be originated with a portion of the proceeds of the Bonds; however, neither DelVal nor the Administrator can give any assurance that such Loans will be originated. See "THE BONDS – REDEMPTION – Extraordinary Mandatory Redemption" and "APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY".

Swap Agreements. DelVal reasonably expects to make Swap Payments and to receive Swap Receipts as provided in the Swap Transactions and Swap Agreements, and DelVal reasonably expects to execute other Swap Transactions in the future with respect to the Bonds and the Loans. DelVal can give no assurance that any Swap Counterparty will not default on its obligations thereunder or that any Swap Transaction or any Swap Agreement will not be subject to Early Termination and the payment by DelVal of a Termination Payment in connection therewith. See "INTEREST RATE SWAP AGREEMENTS".

Cyber Security. DelVal, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations and finances. As a recipient and provider of private or other electronically sensitive information, DelVal is potentially subject to cyber threats and attacks including, but not limited to, hacking, viruses, malware, ransomware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to DelVal's systems with the objectives and for the purposes of misappropriating assets or information or causing operational disruption or damage. DelVal has never had a material cyber breach or a cyber breach that resulted in a financial loss.

No assurances can be given that the security and operational control measures of DelVal will be successful in guarding against any and each cyber threat or breach or that a cyber threat or breach will not adversely affect DelVal's operations or the timely payment of principal and interest on the Bonds and its other obligations. The cost of remedying damage or disruption caused by cyber-attacks could be substantial and in excess of any applicable insurance coverage.

Environmental Risks. Communities in Southeastern Pennsylvania are subject to flooding damages and electric power outages in the aftermath of hurricanes and severe rainstorms. Potable water supplies from the Delaware River, Schuylkill River, and other tributaries and wells may be constrained during periods of extreme drought. DelVal cannot predict the timing, extent, or severity of extreme weather events on the operations and finances of the Participants or the concomitant impact on DelVal.

Social Risks. The Participants in the Loan Program are subject to demographic and economic changes due to development or the lack thereof, migration to and from the Participants, and broader shifts in societal norms. DelVal cannot predict the timing or impact of such changes on the operations and finances of the Participants or the concomitant impact on DelVal.

Governance Risks. The Participants that are Local Government Units are governed by Boards of Supervisors, Borough Councils, Boards of School Directors, Boards of Commissioners, and County Council that are popularly elected. Authorities and other Political Subdivisions are governed by Boards of Directors appointed by the governing Boards or Councils of Local Government Units or by the Commonwealth. In nearly all instances, the Participants are operated by managers appointed by their governing Boards or Councils. The Boards, Councils, and managers may change as a result of new elections and appointments, and the operations and finances of the Participants may

deteriorate as a result. DelVal cannot predict the timing or impact of such changes on the operations and finances of the Participants or the concomitant impact on DelVal.

Participant Credit Enhancement and Ratings of Participants. Under the Swap Agreements, the failure to comply with certain thresholds based upon the ratings of the Participants and Participant Credit Enhancers may be an Early Termination event. The Indenture and the Covenant Agreement require DelVal to secure Participant Credit Enhancements or published ratings for Participants or Guarantors to satisfy the Ratings Test. No assurance can be given that DelVal will be able to secure the requisite Participant Credit Enhancements or published ratings of Participants or Guarantors necessary to satisfy the Ratings Test. See “SECURITY FOR THE BONDS – COVENANT AGREEMENT”, “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY – LOAN PORTFOLIO”, and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY – COVENANT AGREEMENT”.

Participants and Guarantors. This Official Statement is not intended to, and does not, contain sufficient information with respect to any Participant or Guarantor that would enable a purchaser of the Bonds to make a judgment about the creditworthiness of any such Participant or Guarantor. DelVal reasonably expects a Participant (or Guarantor, if applicable) to make all Repayments due under its Loan Agreement and to comply with all covenants in the Loan Agreement; however, DelVal can give no assurance that a Participant (or Guarantor, if applicable) will not default or breach the covenants under the Loan Agreement or pay timely the principal and interest on a Participant Loan. See “SECURITY FOR THE BONDS” and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY – LOAN PORTFOLIO”.

GIC's and Investments. DelVal reasonably expects to receive all payments of principal of and interest on its investments and GIC's; however, DelVal can give no assurance that an obligor or guarantor of an investment or GIC will not default on its obligations thereunder. See “INVESTMENTS” and “APPENDIX I: THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY – INVESTMENTS”.

Tax Compliance. In order for the interest on the Bonds to remain excludible from the gross income of the holders thereof under the *Code*, DelVal must comply with the relevant tax covenants in the Indenture and the Participants (and Guarantors, if applicable) must comply with the relevant tax covenants in their respective Participant Tax Compliance Agreements. Failure of DelVal or any Participants (or Guarantors, if applicable) to comply with the tax covenants could jeopardize the tax-exempt status on the Bonds, possibly on a retroactive basis. See “SECURITY FOR THE BONDS – LOAN AGREEMENT AND PARTICIPANT NOTE” and “CERTAIN TAX MATTERS”.

IN MAKING AN INVESTMENT DECISION, INVESTORS MUST RELY ON THEIR OWN EXAMINATION OF THE TERMS OF THE OFFERING, INCLUDING THE MERITS AND RISKS INVOLVED. INVESTORS MUST READ THE ENTIRE OFFICIAL STATEMENT, INCLUDING APPENDICES, TO OBTAIN INFORMATION ESSENTIAL TO THEIR MAKING OF AN INFORMED INVESTMENT DECISION. THESE SECURITIES HAVE NOT BEEN RECOMMENDED BY ANY FEDERAL OR STATE SECURITIES COMMISSION OR REGULATORY AUTHORITY. FURTHERMORE, THE FOREGOING AUTHORITIES HAVE NOT CONFIRMED THE ACCURACY OR DETERMINED THE ADEQUACY OF THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

CERTAIN TAX MATTERS

Federal

Exclusion of Interest from Gross Income

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and court decisions, interest on the Bonds will not be includible in gross income of the holders thereof for federal income tax purposes, assuming continuing compliance by DelVal and the Participants with the requirements of the *Code*. Interest on the Bonds will not be a specific preference item for purposes of computing the federal alternative minimum tax on individuals.

In rendering its opinion, Bond Counsel has assumed compliance by DelVal with its covenants contained in the Indenture, the covenants of Participants in the Loan Agreements, and the representations and covenants in the Tax Compliance Agreement executed by DelVal on the date of issuance of the Bonds relating to actions to be taken or caused to be taken, by DelVal or by the Participants after the issuance of the Bonds necessary to effect or maintain the exclusion from gross income of the interest on the Bonds for federal income tax purposes. These covenants and representations relate to, *inter alia*, the use and investment of proceeds of the Bonds and the rebate to the United States Department of Treasury of specified arbitrage earnings, if any. Failure to comply with such covenants could result in the interest on the Bonds becoming includible in gross income for federal income tax purposes from the date of issuance of the Bonds.

Other Federal Tax Matters

Ownership or disposition of the Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, holders of an interest in a financial asset securitization investment trust, property and casualty insurance companies, individuals who otherwise qualify for the earned income credit and taxpayers who have an initial basis in the Bonds greater or less than the principal amount thereof, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers, including banks, thrift institutions and other financial institutions subject to § 265 of the *Code*, who may be deemed to have incurred or continued indebtedness to purchase or to carry the Bonds. In addition, ownership or disposition of the Bonds may result in other federal tax consequences to “applicable corporations” (within the meaning of Section 59(k) of the Code enacted as part of the Inflation Reduction Act of 2022) for tax years beginning after December 31, 2022, in that interest on the Bonds may be included in the calculation of the alternative minimum tax imposed on applicable corporations under Section 55(b) of the Code.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described under the caption “Exclusion of Interest from Gross Income” above and expressly stated in the Proposed Form of Opinion of Bond Counsel included as APPENDIX III to this Official Statement. Purchasers of the Bonds should consult their independent tax advisors with regard to all federal tax matters.

Pennsylvania

In the opinion of Bond Counsel, under the laws of the Commonwealth as enacted and construed on the date hereof, interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax; however, under the laws of the Commonwealth, as enacted and construed on the date hereof, any profits, gains or income derived from the sale, exchange or other disposition of the Bonds will be subject to Pennsylvania taxes and local taxes within the Commonwealth.

Other

The Bonds and the interest thereon may be subject to state or local taxes in jurisdictions other than the Commonwealth of Pennsylvania under applicable state or local tax laws.

Purchasers of the Bonds should consult their independent tax advisors with regard to all state and local tax matters that may affect them.

[Remainder of page intentionally left blank]

LEGAL MATTERS

The issuance of the Bonds will be subject to approval of legality by Eckert Seamans Cherin & Mellott, LLC, Philadelphia, Pennsylvania, Bond Counsel. Certain legal matters will be passed upon for DelVal by Carmen P. Belefonte, Esq., Media, Pennsylvania, Solicitor to DelVal; and for the Underwriter by Dilworth Paxson LLP, Philadelphia, Pennsylvania.

Legality for Investment

Applicable laws of the Commonwealth of Pennsylvania provide that the Bonds are legal investments for funds held by, among others, banks, savings banks, trust companies, insurance companies or associations and fiduciaries. The Bonds are authorized security for deposits of funds of the Commonwealth of Pennsylvania and any political subdivision thereof.

Limitation of Remedies under the Federal Bankruptcy Laws

Enforcement of the rights of the holders of the Bonds may be limited by and subject to the provisions of Federal bankruptcy laws, as now or hereafter enacted, or to other laws or equitable principles which may affect enforcement of creditors' rights.

No Litigation Affecting the Bonds

No litigation or legal proceeding of any nature is now pending or, to the knowledge of DelVal, threatened that (i) seeks to restrain or enjoin the issuance of the Bonds, (ii) contests the validity of the Bonds or any actions of DelVal with respect to the remarketing of the Bonds, (iii) contests the pledge or application of any moneys or security provided for the payment of the Bonds, or (iv) contests the existence of DelVal or the powers of DelVal to accomplish the purposes for which the Bonds are being issued.

REMARKETING AGENT OF THE 2025 B BONDS

BofA Securities, Inc. has initially been appointed remarketing agent (the “Remarketing Agent”) for the 2025 B Bonds under the terms of a Remarketing Agreement, dated as of December 17, 2025 (the “Remarketing Agreement”), by and between DelVal and BofA Securities, Inc. BofA Securities, Inc. is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”), a member of the Financial Industry Regulatory Authority (“FINRA”), a member of the Municipal Securities Rulemaking Board (“MSRB”) and the Securities Investors Protection Corporation (“SIPC”). FINRA has responsibility for SEC, MSRB, and self-regulatory organizations related requirements and examines BofA Securities, Inc.’s activities on an annual basis. The principal office of the Remarketing Agent is:

BofA Securities, Inc.
Attention: Municipal Money Markets
One Bryant Park, Ninth Floor
New York, NY 10036

Below are considerations relating to the remarketing.

The Remarketing Agent is Paid by DelVal

The responsibilities of the Remarketing Agent include determining the interest rates from time to time and remarketing the 2025 B Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Remarketing Agreement and the Indenture), all as further described in this Official Statement. The Remarketing Agent is appointed by DelVal and is paid by DelVal for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of the 2025 B Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Accounts

The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, may routinely purchase such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered 2025 B Bonds for its own account and, in its sole discretion, may routinely acquire such tendered 2025 B Bonds in order to achieve a successful remarketing of the 2025 B Bonds or for other reasons; however, the Remarketing Agent is not obligated to purchase 2025 B Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the 2025 B Bonds by routinely purchasing and selling 2025 B Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par; however, the Remarketing Agent is not required to make a market in the 2025 B Bonds. The Remarketing Agent may also sell any 2025 B Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure on the 2025 B Bonds. The purchase of 2025 B Bonds by the Remarketing Agent may create the appearance that a greater third party demand for the 2025 B Bonds exists in the market than is actually the case. The practices described above also may result in fewer 2025 B Bonds being tendered in a remarketing.

Bonds May be Offered at Different Prices on Any Date Including an Interest Rate Determination Date

Pursuant to the Indenture and the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the 2025 B Bonds bearing interest at the Weekly Rate at par plus accrued interest, if any, on and as of the applicable date of determination of the Weekly Rate (the “Rate Determination Date”). The interest rate will reflect, among other factors, the level of market demand for the 2025 B Bonds (including whether the Remarketing Agent is willing to purchase 2025 B Bonds for its own account). The Remarketing Agent may or may not be able to remarket any 2025 B Bonds tendered for purchase on any optional tender date, and the Remarketing Agent may sell 2025 B Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the 2025 B Bonds at the remarketing price. In the event the Remarketing Agent owns 2025 B Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such 2025 B Bonds on any date, including the Rate Determination Date, at a discount to par to some investors.

The Ability to Sell the Bonds other than through Tender Process May Be Limited

The Remarketing Agent may buy and sell 2025 B Bonds other than through the tender process; however, it is not obligated to do so and may cease doing so at any time without notice and may require Bondholders that wish to tender their 2025 B Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the 2025 B Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their 2025 B Bonds other than by optionally tendering the 2025 B Bonds.

Under Certain Circumstances, a Remarketing Agent May Be Removed, Resign or Cease Remarketing the Bonds

Under certain circumstances the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, subject to the terms of the Remarketing Agreement and the Thirteenth Supplement. In the event there is no Remarketing Agent for the 2025 B Bonds, the Trustee may assume such duties as described in the Indenture.

PROGRAM ADMINISTRATOR

DelVal has retained Calhoun Baker Inc. (“CBI”) to serve as its Program Administrator. CBI is an independent financial consulting firm, and it is not owned by or affiliated with any broker-dealer, investment bank, commercial bank, or other consulting firm. CBI does not trade or distribute securities. CBI is registered as a “Municipal Advisor” by the Securities and Exchange Commission and the Municipal Securities Rulemaking Board. CBI serves as the “qualified independent representative” (as such term is defined in the Business Conduct Standards for Swap Dealers with Swap Counterparties promulgated by the Commodity Futures Trading Commission) to advise DelVal on its Swap Agreements and Swap Transactions.

RATINGS AND OUTLOOKS

Moody’s has assigned a rating of “A1” with a stable outlook to the 2025 A Bonds as of November 21, 2025. S&P has assigned a rating of “A+” with a stable outlook to the 2025 A Bonds as of November 24, 2025.

Moody’s assigned a rating of “Aa2/VMIG 1” to the 2025 B Bonds as of November 25, 2025, and an underlying rating of “A1” with a stable outlook to DelVal as of November 21, 2025. S&P assigned a rating of “AA+/A-1+” to the 2025 B Bonds and an underlying rating of “A+” with a stable outlook to DelVal as of November 24, 2025. The Moody’s ratings of the 2025 B Bonds are based solely upon the Letter of Credit issued by the Bank and the evaluation of the creditworthiness of the Bank. The S&P short-term rating of the 2025 B Bonds is based solely upon the Letter of Credit and the evaluation of the creditworthiness of the Bank; the S&P long-term rating of the 2025 B Bonds is based upon the “jointly supported obligation” criteria that evaluates the creditworthiness of both the Bank and DelVal.

Any explanation of these ratings may only be obtained from the rating agencies. Generally, rating agencies base their ratings on such information and on their own investigations, studies and assumptions. No assurance can be given that such ratings will be maintained for any given period of time or that they may not be lowered or withdrawn entirely by the rating agencies if, in their judgment, circumstances so warrant. Any such downward change in or withdrawal of such ratings may have an adverse effect on the Bonds.

UNDERWRITING

BofA Securities, Inc. (the “Underwriter”) has agreed to purchase from DelVal the 2025 A Bonds at a purchase price of \$61,968,607.76, representing the aggregate par amount of the 2025 A Bonds, plus original issue premium of \$2,215,800, less an underwriter’s discount of \$247,192.24. The Underwriter will be obligated to purchase all 2025 A Bonds if any are purchased.

The Underwriter has agreed to purchase from DelVal the 2025 B Bonds at a purchase price of \$139,752,210.74, (representing the par amount of the 2025 B Bonds, less an underwriter’s discount of \$247,789.26). The Underwriter will be obligated to purchase all 2025 B Bonds if any are purchased.

BofA Securities, Inc., as underwriter of the Bonds, has entered into a distribution agreement with its affiliate Merrill Lynch, Pierce, Fenner & Smith Incorporated (“MLPF&S”). As part of this arrangement, BofA Securities, Inc. may distribute securities to MLPF&S, which may in turn distribute such securities to investors through the financial advisor network of MLPF&S. As part of this arrangement, BofA Securities, Inc. may compensate MLPF&S as a dealer for their selling efforts with respect to the Bonds.

The initial public offering prices of the Bonds set forth on the inside front cover page of this Official Statement may be changed from time to time by BofA Securities, Inc. without any requirement of prior notice. The Underwriter reserve the right to join with other dealers in offering the Bonds to the public. The Bonds may be offered and sold to other dealers at prices other than the public offering prices stated on the inside front cover page of this Official Statement.

The Underwriter and its affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and/or brokerage services. The Underwriter and its affiliates, from time to time, have performed and may perform various commercial banking and investment banking services for DelVal, for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Underwriter and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities, which may include credit default swaps) and financial instruments (including bank loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of DelVal.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

DelVal has recommended and the Underwriter has engaged Dilworth Paxson LLP as counsel to the Underwriter in connection with the issuance of the Bonds.

During the five years ending November 25, 2025, DelVal has complied with the provisions of its outstanding Continuing Disclosure Agreements.

PARTICIPANT CONTINUING DISCLOSURE

THE DELAWARE VALLEY REGIONAL FINANCE AUTHORITY

INTRODUCTION

Bucks, Chester, Delaware, and Montgomery Counties, Pennsylvania (the “Counties”) formed the Delaware Valley Regional Finance Authority (“DelVal”) under the provisions of the Pennsylvania *Municipality Authorities Act* (the “*Authorities Act*”) on December 23, 1985. The Counties created DelVal to provide loans for capital projects (the “Loan Program”) to political subdivisions (each a “Political Subdivision”) in Pennsylvania, created and organized under Pennsylvania statutes (collectively, “Commonwealth Law”), including: (i) townships, boroughs, cities, school districts, and counties (each a “Local Government Unit”), (ii) authorities (each an “Authority”) created under the *Authorities Act* or other Commonwealth Law by or on behalf of one or more Local Government Units or the Commonwealth of Pennsylvania (the “Commonwealth”), and (iii) other Political Subdivisions created under Commonwealth Law by or on behalf of one or more Local Government Units or the Commonwealth. As of October 31, 2025, DelVal has originated 636 loans (each a “Loan”) with an aggregate principal amount of \$4.06 billion to 214 different Political Subdivisions (each a “Participant”) in 16 counties of Pennsylvania since its creation in 1985.

Cumulative Loans Originated since 1985

Each Loan to a Local Government Unit must be secured by the pledge of its full faith, credit, and taxing power as provided in the Pennsylvania *Local Government Unit Debt Act* (the “*Debt Act*”). DelVal may also require a Loan to a Local Government Unit to be additionally secured by a financial guaranty policy (each a “Participant Credit Enhancement”) with DelVal as the beneficiary issued by an insurer (each a “Participant Credit Enhancer”) rated “AA-” or higher by S&P Global Ratings (“S&P”) or “Aa3” or higher by Moody’s Investors Service (“Moody’s”).

Each Loan to an Authority or other Political Subdivision must meet at least one of the following conditions: (i) secured by a guaranty (each a “Guaranty”) with the pledge of the full faith, credit, and taxing power of the Commonwealth or one or more Local Government Units, (ii) secured by a Participant Credit Enhancement, (iii) secured by a written agreement (a “Security Agreement”) with the Commonwealth or one or more Local Government Units that agree to pay all amounts necessary to enable the Participant to repay the Loan, or (iv) rated “Aa3” or higher by Moody’s or “AA-” or higher by S&P. In addition, any Loan to an Authority or other Political Subdivision based solely on its rating must include a covenant by the Participant to secure a Guaranty, Security Agreement, or Participant Credit Enhancement if its rating is reduced below “Aa3” by Moody’s or “AA-” by S&P. DelVal has covenanted to restrict Loans to Authorities or other Political Subdivisions that are secured solely by their ratings to an aggregate principal amount not in excess of 20% of the total funding for Loan origination at the time such Loans are originated. Currently, all Loans to Authorities and other Political Subdivisions are secured by a Guaranty, Security Agreement, or Participant Credit Enhancement.

The governing body of DelVal consists of a Board of Directors (the “Board”) of five members appointed by the Counties. Each year, one of the Counties appoints a member to a five-year term. The Board meets monthly.

The Board oversees the operations of DelVal and appoints the Administrator, the Solicitor, the Bond Counsel, and the trustees (collectively, the “Trustee”) of the DelVal bond issues to conduct the Loan Program. The Administrator, Calhoun Baker Inc., is responsible for the credit review and approval of Loan applications, the investment of DelVal’s funds, the calculation of the Loan rates, the management of debt issuance, and the execution of interest rate swap transactions. The Solicitor, Carmen P. Belefonte, Esq., directs DelVal’s legal affairs. Bond Counsel (principally, Eckert Seamans Cherin & Mellott, LLC) renders opinions related to the issuance of bonds, the execution of interest rate swap agreements, and the closings of Loans. Computershare Corporate Trust, as co-Trustee, invoices and collects the Loan repayments, principally through Automated Clearing House (“ACH”) debits of the Participants’ demand deposit accounts. TD Bank, N.A. as trustee (the “Trustee”) holds all DelVal funds and makes all disbursements. Each disbursement must be authorized by the Board and directed by the Administrator.

Loans from DelVal are limited to funding capital projects permitted under the *Debt Act*, the *Authorities Act*, or other Commonwealth Law. DelVal’s charter prohibits any Loan that would constitute a “Tax and Revenue Anticipation Note” under the *Debt Act* and any Loan to health or higher education

institutions. The Board of DelVal and the Administrator must approve any new Loan. Generally, the Administrator requires any Participant, Guarantor, or Security Provider that does not have a published rating, applying for a Loan of \$1,000,000 or more, to secure a published rating of the Loan of “A-”, “A3”, or higher or to obtain a commitment of a Participant Credit Enhancement.

The primary objectives of the Loan Program are to:

- 1) Provide funding with a lower all-in true interest cost (taking into consideration costs of issuance, interest costs, and annual administrative costs) than the Participants could achieve on their own,
- 2) Offer variable rate and fixed rate funding options, and
- 3) Improve the ability and flexibility of Participants to manage their debt.

DelVal issues bonds or notes (each a “DelVal Series” and collectively the “DelVal Bonds”), from time to time, generally in aggregate principal amounts greater than \$100 million in order to fund multiple Loans. By issuing in large principal amounts, DelVal realizes lower costs of issuance than would have been realized if each of the Participants issued a separate bond issue. When Loans are repaid, the repayments are used to originate new Loans. This revolving loan structure further reduces the necessity to issue new series of bonds and the incurrence of new costs of issuance to fund the new Loans. Eleven series issued by DelVal, in the aggregate par amount of \$1,081,450,000, were outstanding as of October 31, 2025.

DelVal has entered into interest rate swap agreements (collectively, the “Swap Agreement”) with six different counterparties (each a “Counterparty”). DelVal executes interest rate swap transactions under the Swap Agreement to hedge the interest rate and basis risks of the DelVal Bonds, fixed rate Loans, and investments.

The DelVal Loan rates are set by the Administrator each month at levels sufficient to fund:

- 1) Debt service payments on the DelVal Bonds,
- 2) Net payments due under the Swap Agreement, and
- 3) Administrative costs and liquidity requirements necessary for the operation of the Loan Program.

FINANCING ACTIVITIES

DelVal accesses the capital markets periodically to fund the Loan Program. DelVal's objective with each issuance is to create a pool of funds with a net cost to DelVal that is comparable to the cost of a weekly variable rate demand bond (a "Weekly VRDB"). If DelVal cannot achieve that cost, it will not issue. The DelVal Board annually adopts a Post Issuance Compliance Policy, and under that policy, the Administrator monitors and reports any compliance issues with Treasury regulations or rules of the Municipal Securities Rulemaking Board.

DelVal has outstanding issues of: (i) fixed rate bonds, (ii) floating rate bonds indexed to the Securities Industry and Financial Market Association's Municipal Swap Index (the "SIFMA Index"), Secured Overnight Financing Rate ("SOFR") published by the New York Federal Reserve Bank, and 3-Month Term SOFR published by the CME Group Benchmark Administration ("CME"), (iii) Weekly VRDB's, and (iv) daily variable rate demand bonds ("Daily VRDB's"). Eleven DelVal Series in the aggregate par amount of \$1,081,450,000 are currently outstanding:

- 1) \$6,550,000 Local Government Revenue Bonds, 1997 Series C (the "1997 C Series"),
- 2) \$139,800,000 Local Government Revenue Bonds, 1998 Series A (the "1998 Series"),
- 3) \$125,000,000 Local Government Revenue Bonds, 2002 Series C (the "2002 Series"),
- 4) \$110,000,000 Local Government Revenue Bonds, 2007 Series A, B and C (the "2007 A Series", "2007 B Series", and "2007 C Series", respectively, and collectively, the "2007 Series"),
- 5) \$10,000,000 Local Government Revenue Bonds, 2018 Series A (the "2018 A Series"),
- 6) \$75,000,000 Local Government Revenue Bonds, 2020 Series D (the "2020 D Series"),
- 7) \$45,000,000 Local Government Revenue Bonds, 2021 Series A (the "2021 A Series"),
- 8) \$155,000,000 Local Government Revenue Bonds, 2022 Series A, B and C (the "2022 A Series", "2022 B Series", and "2022 C Series", respectively, and collectively, the "2022 ABC Series"),
- 9) \$97,000,000 Local Government Revenue Bonds, 2022 Series D and E (the "2022 D Series" and "2022 E Series", respectively, and collectively, the "2022 DE Series"),
- 10) \$141,030,000 Local Government Revenue Bonds, 2023 Series A (the "2023 Series"), and
- 11) \$177,070,000 Local Government Revenue Bonds, 2024 Series A and B (the "2024 A Series" and "2024 B Series", respectively, and collectively, the "2024 Series").

The 1997 Series, 1998 Series, and 2002 Series (collectively, the "Indenture Series") were issued under separate indentures with separate trust estates. DelVal executed an agreement in 2001 (the "Covenant Agreement") to enhance the security of the bondholders by pledging to transfer any excess funds ("Excess Funds") held under any DelVal Series to cure any deficiency under any other DelVal Series. The indentures of all DelVal Series incorporate the Covenant Agreement. See "COVENANT AGREEMENT" for more information.

All DelVal Series issued since 2007 and all parity debt that may be issued in the future (collectively, the "Master Series") were or will be issued under the Master Trust Indenture and supplemental indentures (collectively, the "Master Indenture"). The Master Series are and will be secured with all other Master Series equally and ratably by all the assets under the trust estate of the Master Indenture.

Below is a summary of the uses of proceeds, ratings, option dates, maturities, mandatory purchase dates, and Letter-of-Credit termination dates of the DelVal Series that are currently outstanding.

Composition of the Funding of the DelVal Loan Program as of October 31, 2025

Source: Calhoun Baker Inc.

All DelVal Bonds are subject to Extraordinary Mandatory Redemption under certain circumstances. The principal reasons for an Extraordinary Mandatory Redemption would be the inability of DelVal to lend proceeds or the necessity to comply with Treasury regulations. DelVal extraordinarily redeemed all \$1,660,000 of the outstanding Local Government Revenue Bonds, 1997 B Series (the “1997 B Series” and, collectively with the 1997 C Series, the “1997 Series”) and \$3,450,000 of the 1997 C Series on July 1, 2025, and DelVal extraordinarily redeemed \$40,085,000 of the 1998 Series on August 1, 2025. See “EXTRAORDINARY MANDATORY REDEMPTIONS OF THE 1997 SERIES AND 1998 SERIES” for more information.

The 1997 C Series, 1998 Series, 2002 Series, 2007 A Series, 2018 A Series, 2021 Series, 2022 A Series, and 2022 D Series are all fixed rate bonds that are not subject to optional redemption. The 2023 Series are fixed rate bonds that are subject to optional redemption six months prior to each principal maturity. The 2024 A Series are fixed rate bonds that are subject to optional redemption on or after September 1, 2034. All these DelVal Series are rated “A1” by Moody’s with a stable outlook. The 1997 Series and 1998 Series were originally rated by S&P based upon municipal bond insurance policies issued by Ambac Assurance Corporation (“Ambac”). S&P withdrew the ratings for the 1997 Series and 1998 Series when Ambac filed for reorganization. All other outstanding fixed rate bonds issued by DelVal are rated “A+” with a stable outlook by S&P.

The interest rates on the 2007 C Series are set at spreads to 67% of 3-Month Term SOFR, adjusted and payable quarterly. The 2007 C Series may be optionally redeemed at par on or after June 1, 2017. The 2007 C Series is rated “A1” with a stable outlook by Moody’s and “A+” with a stable outlook by S&P.

The \$50 million 2007 B Series is remarketed by PNC Capital Markets as a Weekly VRDB, secured by a Letter of Credit issued by PNC Bank, National Association (the “PNC LOC”). The PNC LOC is scheduled to terminate on May 19, 2026. The 2007 B Series is rated “AA+/A-1” by S&P, “A1/VMIG 1” by Moody’s, and “A+/F1” by Fitch Ratings (“Fitch”). The short-term ratings are all based solely on PNC’s short-term ratings. The long-term ratings of Moody’s and Fitch are also based solely on the long-term ratings of PNC. The S&P long-term rating is based on the joint probability of a default by both DelVal and PNC. DelVal expects to redeem the 2007 B Series with: (i) proceeds from the acquisition of Loans from the 2007 B Series with proceeds from the Local Government Revenue Bonds, 2025 Series (the “2025 Series”) to be issued in December of 2025 and (ii) other available funds.

The \$75 million 2020 D Series and \$75 million 2022 E Series are remarketed by TD Securities as Weekly VRDB’s, and the \$105 million 2024 B Series is remarketed by TD Securities as Daily VRDB’s. The 2020 D Series, 2022 E Series, and 2024 B Series are secured by Letters of Credit issued by TD Bank, N.A. (collectively, the “TD LOCs”). The TD LOC for the 2020 D Series is scheduled to terminate on June 1, 2026, the TD LOC for the 2022 E Series is scheduled to terminate on July 14, 2027, and the TD LOC for the 2024 B Series is scheduled to terminate on September 4, 2029. The 2020 D Series, 2022 E Series, and 2024 B Series are rated “A1/VMIG 1” by Moody’s and “AA+/A-1” by S&P. The short-term ratings are based solely on TD Bank’s short-term ratings. The Moody’s long-term ratings are based solely on TD Bank’s long-term rating. The S&P long-term ratings are based on the joint probability of a default by both DelVal and TD Bank. On November 10, 2025, the DelVal Board of Directors approved an amendment to the TD LOC that secures the 2020 D Series, to be effective as of December 1, 2025, that will extend the termination date to December 1, 2028.

The interest rates on the 2022 B Series are set at spreads to the SIFMA Index, adjusted and payable monthly. The 2022 C Series rates are set at spreads to 67% of SOFR, adjusted and payable monthly. The 2022 B and C Series are subject to mandatory purchase on March 1, 2026, and March 1, 2027, respectively, and they may be optionally redeemed at par beginning one year prior to their respective purchase dates. The 2022 B and 2022 C Series are rated “A1” with a stable outlook by Moody’s and “A+” with a stable outlook by S&P. DelVal expects to optionally redeem the 2022 B Series prior to its mandatory purchase date in December of 2025 with: (i) proceeds from the acquisition of Loans from the 2022 B Series with proceeds from the 2025 Series and (ii) other available funds.

DelVal expects to increase the funding available for the origination of new Loans from proceeds of the 2025 Series. The estimated debt service payments of the DelVal Bonds outstanding after the redemption of the 2007 B Series, the redemption of the 2022 B Series, and the issuance of the 2025 Series are shown on the following page. Interest rates on variable rate debt are assumed to be the levels as of October 31, 2025. The estimates are preliminary and subject to change. See “STRESS TESTS” for additional information.

EXTRAORDINARY MANDATORY REDEMPTIONS OF THE 1997 SERIES AND 1998 SERIES

The 1997 Series and 1998 Series are both insured by Ambac, and Ambac is currently in run-off operations. Under the terms of the 1997 Series and 1998 Series indentures and the respective bond insurance policies, Ambac, in its sole discretion, must consent to the use of any proceeds from the 1997 Series and the 1998 Series to originate or acquire Loans. Consents of a third party are not required to originate or acquire Loans from proceeds of any other DelVal Series.

DELVAL CAN GIVE NO ASSURANCE THAT AMBAC WILL CONSENT IN THE FUTURE TO DELVAL'S REQUESTS FOR THE ORIGATION OR ACQUISITION OF LOANS FROM THE 1997 SERIES OR 1998 SERIES.

Loans originated or acquired with proceeds of the 1997 Series or 1998 Series must have maturity dates on or before July 1, 2027, for the 1997 Series and on or before August 1, 2028, for the 1998 Series. Most outstanding and prospective Loans have longer maturity dates. The maturity constraints of the 1997 Series and the 1998 Series have made origination or acquisition difficult. The 1997 Series Indenture and the 1998 Series Indenture provide that if DelVal does not have a reasonable expectation to use funds that have been deposited in the Recycling Accounts of the 1997 Series or the 1998 Series for more than one year, those funds must be used for an Extraordinary Mandatory Redemption.

The DelVal Board of Directors has authorized the Extraordinary Mandatory Redemptions, of the 1997 Series and 1998 Series, from time to time, as required by their respective Trust Indentures. DelVal redeemed \$5,110,000 of the outstanding 1997 Series on July 1, 2025, and DelVal redeemed \$40,085,000 of the outstanding 1998 Series on August 1, 2025.

ADDITIONAL EXTRAORDINARY MANDATORY REDEMPTIONS OF THE 1997 SERIES AND THE 1998 SERIES THAT REMAIN OUTSTANDING MAY OCCUR IN THE FUTURE; HOWEVER, NO ASSURANCE CAN BE GIVEN AS TO THE AMOUNT, IF ANY, AND THE TIMING OF ANY FUTURE REDEMPTION. THE EXTRAORDINARY MANDATORY REDEMPTION PRICES OF THE 1997 SERIES AND THE 1998 SERIES MAY BE LOWER THAN THE FAIR MARKET VALUE OF THOSE BONDS.

The foregoing discussion is subject to change, and DelVal undertakes no obligation to update or supplement the foregoing information.

LOAN PORTFOLIO

DelVal has been most active lending within Bucks, Chester, Delaware, and Montgomery Counties. The Counties encompass an area of approximately 2,060 square miles and a population of approximately 2.6 million people. More than 420 Political Subdivisions are located within the Counties. As a matter of policy of the Board, DelVal limited its lending activities to Participants located within the Counties until 2002. Then, to provide geographic diversification to its portfolio, DelVal began lending outside the Counties, principally in the eastern half of the Commonwealth. As of October 31, 2025, 220 Loans, in the aggregate principal amount of approximately \$883 million, were outstanding to 96 Participants located in nine different counties. Approximately, 97.79% of the outstanding Loan principal has been originated to Participants located within the Counties.

DelVal is the beneficiary of Participant Credit Enhancements issued by Assured Guaranty Inc. (“AG”) and Build America Mutual Company (“BAM”) that secured 14.15% of the Loan principal outstanding as of October 31, 2025. AG is rated “A1” with a stable outlook by Moody’s, “AA” with a stable outlook by S&P, and “AA+” with a stable outlook by Kroll Bond Rating Agency (“Kroll”). BAM is rated “AA” with a stable outlook by S&P.

Loans to school districts benefit from the provisions of the *Public School Code* and the *Debt Act* that authorize an intercept of state funding (the “Intercept”) if any school district fails to make its required debt service payments. The Secretary of Education of the Commonwealth is required to withhold, from any subsidy payment of any type due to the school district by the Commonwealth, an amount equal to the debt service payments owed. The withholding provisions are not part of any contract with DelVal, and future legislation may amend or repeal the provisions of the *Public School Code* or the *Debt Act*. Enforcement may also be limited by bankruptcy, insolvency, or other laws of equitable principles affecting the enforcement of creditors’ rights generally. Currently, Moody’s assigns a rating of “Aa3” to debt issued that is subject to the Intercept.

As of October 31, 2025, approximately 6.76% of the principal of the Loans outstanding was originated to Participants that had no published underlying ratings, and 0.28% of the principal of the Loans outstanding was originated to Participants with published underlying ratings below “A3” or “A-”. Approximately, 82.57% of the Loan principal was originated to Participants with published underlying ratings of “Aa3”, “AA-”, or higher. The median underlying rating was “Aa/AA”.

As of October 31, 2025, taking into consideration the Participant Credit Enhancements and the Intercept, 2.23% of the Loan principal outstanding was unenhanced and unrated, 0.05% was rated below “A3/A-”, and 93.23% was rated “Aa3/AA-” or higher. The median enhanced rating was “Aa2/AA”.

DelVal operates as one Loan Program. Funding for Loans is often split among two or more DelVal Series. Periodically, DelVal assigns Loans from one DelVal Series to another to facilitate the origination of new Loans and to provide for the payment of principal on the DelVal Bonds. Loans are amortized over a period that approximates the useful life of the projects funded from the Loans. The amortization period cannot exceed the maturity of the related DelVal Series used to fund the Loan. A schedule of the projected annual amortization of the Loans outstanding is set forth below.

COVENANT AGREEMENT

The Covenant Agreement was adopted on April 9, 2001, and amended and restated on August 3, 2009, to improve the security of the bondholders of the DelVal Bonds. Under the terms of the Covenant Agreement, DelVal pledges to use, in accordance with the provisions of each Trust Indenture, any available unrestricted funds (the “Excess Funds”) to cure any deficiency in any trust estate. The Excess Funds may only be used to benefit the Loan Program to:

- 1) Replenish any deficiency of a debt service reserve fund or
- 2) Pay any debt service payments, interest rate swap payments, administrative expenses, and interest rate swap termination payments.

Below is a schedule of the annual trend of Excess Funds. The Statement of Excess Funds differs from the Balance Sheet in that the amortization of non-cash items (such as original issue premium and bond insurance premiums) are not included. Investments and restricted investments are shown at their fair market values, and DelVal Bonds and Loans are shown at their par amounts. The Recycling Funds, the funds held by DelVal to originate new Loans, were over-collateralized by approximately \$50.0 million. The fair market values of DelVal’s interest rate swap transactions, as of December 31 of each year, are also shown on the schedule, but they are not included in the calculation of Excess Funds.

The Covenant Agreement requires the Participant (or its Guarantor or Surety Provider) of a new Loan, not secured by a Participant Credit Enhancement, to have a published rating of “A3” or “A-” or higher (the “Rating Threshold”) unless the proportion of: (i) the principal amounts of uninsured and unrated Loans outstanding plus the principal amounts of Loans to Participants (or their Guarantors or Surety Providers) that are rated below the Rating Threshold to (ii) the total DelVal funds available to originate Loans (the “Loan Funds”) will not exceed 10% (the “Ratings Test”). The Ratings Test gives equal weight to the ratings of the rating agencies. If the Participant, Guarantor, or Surety Provider has only one published rating, the analysis gives full weight to the published rating. If a Loan is enhanced, the analysis gives full weight to the higher of the rating of: (i) the Participant Credit Enhancement or Intercept and (ii) the underlying rating of the Participant, Guarantor, or Surety Provider.

Below is a chart that shows the Ratings Test as of October 31, 2025. The chart shows the percentage of the Loan principal outstanding in each rating category. Approximately, 1.89% of the Loan Funds were committed to Participants that were uninsured and unrated or rated below the Rating Threshold. The “Available Funds” are deposits in the Recycling Funds that are available to originate new Loans or to redeem bonds.

Generally, the Administrator requires a published rating at or above the Rating Threshold or a Participant Credit Enhancement for any new Loan of \$1 million or more, even if the Ratings Test is satisfied. DelVal does not normally require a rating or Participant Credit Enhancement for a Loan less than \$1 million or for a Loan that will be repaid from grant reimbursements if the Ratings Test is satisfied and the credit is approved by the Administrator.

ECONOMICS OF THE LOAN PROGRAM

The DelVal Loan Program has been successful due to the low cost of funds and the flexibility of the Loan Program. DelVal utilizes interest rate swap transactions (each a “Loan Swap”) to hedge its risk of providing fixed rate Loans. This ability to hedge allows DelVal to provide any structure a Participant requests. All or a portion of a Loan can be variable rate or fixed rate; a fixed rate can be set for a period shorter than the maturity date of the Loan; and Loans can be divided into tranches with fixed rates for different terms. Even the smallest Participants can reduce their interest costs, avoid unnecessary refunding costs, and manage their exposure to future changes of interest rates. A chart of the trend of certain DelVal fixed rates for level-debt amortization over the past year is shown below.

The DelVal variable rate is linked to the SIFMA Index. In normal markets, the variable rate is the lowest of the Loan rates. The variable rate is typically volatile due to seasonal spikes for outflows from money market funds, fiscal year-end window dressing of balance sheets, and reactions to headlines on inflation and employment data. As of October 31, 2025, 2.40% of the Loan principal outstanding was variable rate. Most of these Loans were essentially grant anticipation notes that will be prepaid when reimbursements from grants are received. A chart of the variable rate for the past year is shown below.

The Administrator tracks the tax-exempt bond issues sold in eastern Pennsylvania, excluding Philadelphia (the “Market Area”), and calculates the All-In True Interest Cost (the “All-In TIC”) of each issue. The calculations of All-In TIC incorporate all costs of issuance and interest payments. The Administrator then compares the yields of the maturities of each issue to a comparable issue sold at the yields of the Bloomberg AAA General Obligation Bonds Callable Indices (the “AAA Indices”) at par and to a comparable DelVal Loan on the date of each sale. The comparable DelVal Loan includes estimated bond insurance premiums, if insurance would be required by the Administrator, rating fees, and the same option provisions as the bond issue. A summary of the comparison for the past year is shown below. This comparison does not take into account the additional costs of issuance that the bond issuers would pay to issue refunding bonds, approximately 1.5% of the par amount of the refunding. DelVal Loans do not need to be refunded to exercise an option and reset to a lower rate, effectively a refunding with no fees. The DelVal advantage throughout this period is due to both the lower costs of issuance and lower interest rates.

Bonds rated in the “AA” categories constituted approximately 92% of the number and 89% of the par amount of the bond issues sold in the Market Area for the year ended October 31, 2025. A pro forma comparison of the All-In TIC of a 20-year level debt structure with a 10-year option for the past year of a DelVal Loan and the average of all “AA” rated bond issues sold in the Market Area (the “Average “AA” Bond”), is shown in the chart below. The Average “AA” Bond is based on actual sales of bonds in the Market Area and assumes costs of issuance equal to the rolling 30-day average of actual costs of issuance and coupons at par equal to the rolling 30-day average of actual spreads over the AAA Indices at par. The DelVal Loan includes a 10-year option and is based on actual end-of-day rates and costs of issuance.

DEMAND FOR LOANS

Below is a chart of the principal amounts of Loans originated each year from 2016 to 2025, as of October 31, 2025. Loan origination was restricted in 2016 and 2017 due to large maturities of the 1997 Series and 2002 Series in 2017 and the 1998 Series in 2018. Origination increased after the issuance of new DelVal Series beginning in 2018. Fiscal year 2020 was the most active period for origination in the past decade due to the historically low interest rates following the COVID outbreak and the Federal Reserve Bank's quantitative easing program to restore liquidity to the repurchase agreement, leveraged loan, and collateralized loan markets. Origination declined sharply beginning in 2023 due to: (i) inflation that increased construction and acquisition costs, (ii) higher interest rates, and (iii) the availability of grants from the \$2.2 trillion *Coronavirus Aid, Relief and Economic Security Act* ("CARES") and the \$1.9 trillion *American Rescue Plan Act* ("ARPA").

Source: Calhoun Baker Inc.

Loan origination has averaged approximately \$96 million per year over the past decade. Historically, origination has averaged approximately \$102 million per year. Origination has fluctuated from year-to-year due to economic conditions and the availability of funds for new Loans.

During the year ending October 31, 2025, DelVal originated seven Loans with an aggregate principal amount of approximately \$28 million.

The Administrator annually conducts surveillance interviews with the Participants to discuss market conditions, the option provisions of their Loans, their obligations under their Participant Continuing Disclosure Agreements, and their capital improvement programs. As of November 25, 2025, the Administrator interviewed 44 Participants who account for 91.65% of the outstanding Loan principal. The Participants who were interviewed project capital expenditures of more than \$200 million in 2026 and 2027. Based on the experience of the Loan Program, some of these expenditures may be delayed to following years, some of these expenditures may be partially funded with grants, and some Participants may choose to finance with public bond issues or bank loans.

STRESS TESTS

DelVal periodically prepares projections of operating results for the rating agencies to test the ability of DelVal to withstand changes of future market conditions. The schedules project Loan principal and interest payments and operating revenues and expenses. The coverage of available funds over the bond principal and interest payments is calculated, including debt service reserve funds, but ignoring accumulated fund balances. The stress tests are based upon certain assumptions, including, but not limited to, changes of interest rates and Loan origination, which may or may not occur, and actual results will differ from those of the stress tests. The purpose of the analysis is not to predict the actual results of DelVal, but to identify potential weaknesses in the structure of the Loan Program, particularly vulnerabilities to interest rate shocks.

The projections analyze three scenarios based on the Loans, debt, investments, and swaps projected to be outstanding as of December 31, 2025.

- 1) Financing Plan: New DelVal Series, including the estimated 2025 Series, are issued to permit DelVal to originate its historical average of \$100 million of new Loans each year over the next decade. The DelVal Series are redeemed on their maturity or mandatory purchase dates, except the estimated Extraordinary Mandatory Redemptions of the 1997 C Series and the 1998 Series.
- 2) Scheduled Maturities: DelVal Series, including the estimated 2025 Series, are repaid on their respective maturity or mandatory purchase dates, except the estimated Extraordinary Mandatory Redemptions of the 1997 C Series and the 1998 Series. New DelVal Series are not issued; and new Loans are originated consistent with the scheduled maturities and mandatory purchase dates of the DelVal Series.
- 3) Run-Off: DelVal Series, including the estimated 2025 Series, are run-off as quickly as permitted by Loan repayments. New DelVal Series are not issued, and new Loans are not originated. The fixed rate DelVal Series with options are redeemed on the option dates as permitted by Loan repayments. Variable rate DelVal Series are optionally redeemed when sufficient funds from Loan repayments are accumulated.

Each scenario is analyzed to test the effects of rising and falling interest rates. The SIFMA Index has averaged approximately 2.723% for the year ending October 31, 2025. For these scenarios, the SIFMA Index is assumed to average 2.75% in 2026. The average SIFMA Index is assumed to change in straight line increments from 2026 to 2036 and to remain constant after 2036. The assumed rates in 2036 are listed below:

- 1) 1.50%,
- 2) 3.00%,
- 3) 5.00%, and
- 4) 8.00%.

Coverage of debt service is tightest in the years with large bond principal payments. The projections show that coverage of debt service in these years is not sensitive to changes in the interest rate assumptions. The results reflect that: (i) the Loan Program is over-collateralized by approximately \$50 million, (ii) each DelVal Series has a Debt Service Reserve Fund funded from proceeds, and (iii) the amortization of Loans is structured to ensure that sufficient funds from Loan principal payments will be available to pay principal on the DelVal Series when the payments are due. The test of the adequacy of the cash flows of Loan principal repayments is required under the Trust Indentures and the Covenant

Agreement. If sufficient funds would not be available for principal repayments of a DelVal Series after origination of a new Loan, the new Loan would not be originated.

The dollar amount of the coverage in excess of the funds available from the Debt Service Reserve Funds exceeds more than one year of net revenues from Loan repayments, investments, and interest rate swaps under all permutations of the stress tests. In most years, the coverage in excess of the Debt Service Reserve Funds exceeds two years of net revenues. The principal circumstances under which coverage would be inadequate would be: (i) a cataclysmic market failure that would cause DelVal's swap or investment counterparties to default on their obligations for a prolonged period or (ii) a cataclysmic economic disruption in Pennsylvania that would cause a large number of Participants to simultaneously default on their debt obligations for a prolonged period.

Summaries of the three scenarios are shown in the schedules on the following pages. Detail for the three scenarios is shown assuming the SIFMA Index rises to 3.00% in 2036. The schedules also show comparisons of the coverage to the other interest rate assumptions. The coverage analyses are heuristic, not projections, but they do demonstrate the resilience of the structure of the Loan Program.

INVESTMENTS

The funds held by DelVal are invested in Guaranteed Investment Contracts (“GIC’s”), floating rate notes, weekly VRDB’s, and Treasury money market funds that satisfy the rating requirements of the respective Trust Indentures. DelVal’s GIC’s and long-term investments are generally restricted to providers and instruments with ratings of “Aa3” or higher from Moody’s or “AA-” or higher from S&P on the dates of execution or purchase. DelVal’s short-term investments are generally restricted to instruments with ratings of “P-1” from Moody’s or “A-1” or higher from S&P on the dates of purchase. Money market investments are restricted to “AAA” rated funds. DelVal treats the GIC’s, weekly VRDB’s, and money market deposits as cash equivalents because the interest rates adjust daily or weekly and DelVal can deposit or withdraw funds with no more than seven days of written notice.

DelVal has executed GIC’s with Natixis Funding Corp. (“Natixis”) guaranteed by Caisse des Dépôts et Consignations (“CDC”), Bayerische Landesbank (“BayernLB”) guaranteed by the State of Bavaria and the Association of Bavarian Savings Banks, BayernLB without guaranties, and Citigroup Financial Products Inc. (“CFPI”) guaranteed by Citigroup Inc. DelVal may require the providers of the GIC’s to post collateral of cash, Treasury obligations, or certain agency obligations to secure the principal invested, plus accrued interest, if they are downgraded below certain thresholds.

CFPI has posted collateral with Bank of New York Mellon to secure its GIC since August 10, 2009, following the downgrade of Citigroup Inc. below “Aa3/AA-”. On October 21, 2025, S&P reduced the sovereign rating of France and the rating of CDC from “AA-” with a negative outlook to “A+” with a stable outlook. CDC and France are rated “Aa3” with a negative outlook by Moody’s and “AA-” with a negative outlook by Fitch Ratings. S&P, Moody’s, and Fitch view CDC as a government related entity that would receive support from France in the event of any financial distress. At this time, neither DelVal nor Ambac (as credit enhancer of the 1997 Series) have requested the collateralization or termination of the Natixis GIC’s that are secured by CDC guaranties.

Restricted funds have been invested in floating rate notes, indexed to SOFR, and weekly VRDB’s. The SOFR investments are recorded at fair value. DelVal has executed interest rate swaps related to the SOFR floating rate notes to hedge the SOFR basis risk. Proceeds of the 2024 Series are held in a Treasury money market fund.

A summary of the cash equivalents and investments is shown on the following page.

INTEREST RATE SWAP TRANSACTIONS

DelVal executes interest rate swap transactions to hedge the interest rate and basis risks of the DelVal Bonds, fixed rate Loans, and investments. DelVal has entered into Swap Agreements with six different Counterparties:

- 1) Bank of America, N.A.,
- 2) Barclays Bank PLC,
- 3) Citibank, N.A.,
- 4) PNC Bank, National Association,
- 5) The Toronto-Dominion Bank, and
- 6) The Royal Bank of Canada

DelVal has executed interest rate swap transactions (each a “Bond Swap”) to hedge its interest rate and basis risk of the DelVal Series. For each fixed rate DelVal Series, DelVal executed a Bond Swap under which it receives a fixed rate and pays the SIFMA Index to hedge the risk that future market fixed rates to the maturity date of that Series would be lower than the fixed rate of that Series, which would make that Series uncompetitive with other financing options. For each SOFR or Term SOFR indexed Series, DelVal executed a Bond Swap under which it receives the SOFR or Term SOFR rate and pays the SIFMA Index. This eliminates the basis risk of changes in the ratio of tax-exempt rates to the SOFR or Term SOFR rates. DelVal does not hedge the DelVal Series that are Weekly VRDB’s or Daily VRDB’s or that have interest rates based on the SIFMA Index.

DelVal utilizes Loan Swaps to hedge the interest rate risk of providing fixed rate Loans. For each fixed rate Loan, DelVal executes a Loan Swap under which DelVal receives the SIFMA Index and pays a fixed rate. The notional reduction of the Loan Swap matches the amortization of the related Loan. The Participant has flexibility to choose option provisions, set fixed rates for periods shorter than the maturity date, and split the Loan into tranches with multiple fixed rates or a combination of variable and fixed rates.

DelVal has also executed interest rate swaps (each an “Investment Swap”) to eliminate the basis risk of investments in SOFR indexed floating rate notes. Under these transactions, DelVal pays SOFR and receives the SIFMA Index. This locks the investment rate to a spread over the SIFMA Index.

All the Bond Swaps, Loan Swaps, and Investment Swaps are effective hedges under the “consistent critical terms” and “quantitative methods” standards of the Governmental Accounting Standards Board Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*.

The DelVal Board annually adopts an Interest Rate Swap Management Policy (the “Swap Policy”). Any exceptions to Swap Policy must be explicitly authorized by a Resolution of the Board. The Swap Policy restricts DelVal’s swaps to hedging transactions, prohibits speculative transactions, prohibits transactions that are constructively working capital loans, and prohibits any remuneration by a Counterparty to the advisors or law firms representing DelVal or the Participant.

Below is a chart that depicts the cash flows for the DelVal Loan program.

Cash Flows of Debt Service, Loan Payments, Investments, and Swap Transactions

- (1) Transactions executed to create a pool of funds with a net cost comparable to a Weekly VRDB and hedge long-term interest rate risk and basis risk.
- (2) Transactions executed to hedge the interest rate risk of providing fixed rate Loans.
- (3) Loan rates are set monthly by the Administrator at levels sufficient to pay (i) debt service on the DeVal Bonds, (ii) net payments on interest rate swap transactions, and (iii) administrative costs.
- (4) Transactions executed to hedge the SOFR basis risk of floating rate investments.

OUTLOOK

Demand has been constrained from 2023 to 2025 principally due to: (i) higher construction costs, (ii) higher interest rates, (iii) reduced refunding opportunities, and (iv) the \$4.1 trillion *CARES* and *ARPA* grant programs. DelVal expects interest rates to decline in 2026 and anticipates that the reduction of interest rates will create refunding opportunities and dampen resistance to new capital projects. Inflation of construction and acquisition costs will continue to be an impediment to new capital projects, but the rate of inflation should be lower than it has been for the past three years. The *CARES* and *ARPA* programs have ended, and future capital projects will now need to be financed through conventional means. These factors augur an increase in demand for Loans.

Interviews with Participants in the DelVal Loan Program show expectations of significant capital improvement programs within the inner ring of suburbs around Philadelphia to replace aging facilities and in the outer ring of suburbs to provide infrastructure for anticipated growth. DelVal has also increased its efforts to raise the visibility of the Loan Program in the rapidly growing counties in the ring around Bucks, Chester, Delaware, and Montgomery Counties. DelVal expects, but cannot give assurance, that Loan origination will return to its historic average over the next three years.

DELAWARE VALLEY REGIONAL FINANCE AUTHORITY

REQUIRED SUPPLEMENTARY INFORMATION MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

INTRODUCTION

Bucks, Chester, Delaware, and Montgomery Counties, Pennsylvania (the "Counties") formed the Delaware Valley Regional Finance Authority ("DelVal") under the provisions of the Pennsylvania *Municipality Authorities Act* (the "*Authorities Act*") on December 23, 1985. The Counties created DelVal to provide loans for capital projects (the "Loan Program") to political subdivisions (each a "Political Subdivision") in Pennsylvania, created and organized under Pennsylvania statutes (collectively, "Commonwealth Law"), including: (i) townships, boroughs, cities, school districts, and counties (each a "Local Government Unit"), (ii) authorities (each an "Authority") created under the *Authorities Act* or other Commonwealth Law by or on behalf of one or more Local Government Units or the Commonwealth of Pennsylvania (the "Commonwealth"), and (iii) other Political Subdivisions created under Commonwealth Law by or on behalf of one or more Local Government Units or the Commonwealth. DelVal has originated 631 loans (each a "Loan") with an aggregate principal amount of \$4.05 billion to 213 different Political Subdivisions (each a "Participant") in 16 counties of Pennsylvania since its creation in 1985.

Cumulative Loans Originated since 1985

Source: Calhoun Baker Inc.

Each Loan to a Local Government Unit must be secured by the pledge of its full faith, credit, and taxing power as provided in the Pennsylvania *Local Government Unit Debt Act* (the “*Debt Act*”). DelVal may also require a Loan to a Local Government Unit to be additionally secured by a financial guaranty policy (each a “Participant Credit Enhancement”) with DelVal as the beneficiary issued by an insurer (each a “Participant Credit Enhancer”) rated “Aa3” or higher by Moody’s Investors Service (“Moody’s”) or “AA-” or higher by S&P Global Ratings (“S&P”).

Each Loan to an Authority or other Political Subdivision must meet at least one of the following conditions: (i) rated “Aa3” or higher by Moody’s or “AA-” or higher by S&P, (ii) secured by a guaranty (each a “Guaranty”) with the pledge of the full faith, credit, and taxing power of the Commonwealth or one or more Local Government Units, (iii) secured by a Participant Credit Enhancement, or (iv) secured by a written agreement (a “Security Agreement”) with the Commonwealth or one or more Local Government Units that agree to pay all amounts necessary to enable the Participant to repay the Loan. In addition, any Loan to an Authority or other Political Subdivision not secured by a Guaranty, Security Agreement, or Participant Credit Enhancement must include a covenant by the Participant to secure a Guaranty, Security Agreement, or Participant Credit Enhancement if its rating is reduced below “Aa3” by Moody’s or “AA-” by S&P. DelVal has covenanted to restrict Loans to Authorities or other Political Subdivisions that are not secured by a Guaranty, Security Agreement, or Participant Credit Enhancement, to an aggregate principal amount not in excess of 20% of the total funding for Loan origination at the time the Loan is originated. Currently, all Loans to Authorities and other Political Subdivisions are secured by a Guaranty, Security Agreement, or Participant Credit Enhancement.

The governing body of DelVal consists of a Board of Directors (the “Board”) of five members appointed by the Counties. Each year, one of the Counties appoints a member to a five-year term. The Board meets monthly.

The Board oversees the operations of DelVal and appoints the Administrator, the Solicitor, the Bond Counsel, and the trustees (collectively, the “Trustee”) of the DelVal bond issues to conduct the Loan Program. The Administrator, Calhoun Baker Inc., is responsible for the credit review and approval of Loan applications, the investment of DelVal’s funds, the calculation of the Loan rates, the management of debt issuance, and the execution of interest rate swap transactions. The Solicitor, Carmen P. Belefonte, Esq., directs DelVal’s legal affairs. Bond Counsel (principally, Eckert Seamans Cherin & Mellott, LLC) renders opinions related to the issuance of bonds, the execution of interest rate swap agreements, and the closings of Loans. Computershare Corporate Trust, a Trustee, invoices and collects the Loan repayments, principally through Automated Clearing House (“ACH”) debits of the Participants’ demand deposit accounts. TD Bank, N.A. (“TD”), as Trustee, holds all DelVal funds and makes all disbursements. Each disbursement must be authorized by the Board and directed by the Administrator.

Loans from DelVal are limited to funding capital projects permitted under the *Debt Act*, the *Authorities Act*, or other Commonwealth Law. DelVal's charter prohibits any Loan that would constitute a "Tax and Revenue Anticipation Note" under the *Debt Act* and any Loan to health or higher education institutions. The Board of DelVal and the Administrator must approve any new Loan. Generally, DelVal requires any Participant or Guarantor that does not have a published rating, applying for a Loan of \$1,000,000 or more, to secure a published rating of the Loan of "A-", "A3", or higher or a commitment of a Participant Credit Enhancement.

The primary objectives of the Loan Program are to:

- 1) Provide funding with a lower all-in true interest cost (taking into consideration costs of issuance, interest costs, and annual administrative costs) than the Participants could achieve on their own,
- 2) Offer variable rate and fixed rate funding options, and
- 3) Improve the ability and flexibility of Participants to manage their debt.

DelVal issues bonds or notes (collectively, the "DelVal Series"), from time to time, generally in aggregate principal amounts greater than \$100 million in order to fund multiple Loans. By issuing in large principal amounts, DelVal realizes lower costs of issuance than would have been realized if each of the Participants issued a separate bond issue. When Loans are repaid, the repayments are used to originate new Loans. This revolving loan structure further reduces the necessity to issue new series of bonds and the incurrence of new costs of issuance to fund the new Loans. Eleven series issued by DelVal, in the aggregate par amount of \$1,126,645,000, were outstanding as of December 31, 2024:

- 1) \$11,660,000 Local Government Revenue Bonds, 1997 Series B and C (the "1997 B Series" and "1997 C Series", respectively, and collectively, the "1997 Series"),
- 2) \$179,885,000 Local Government Revenue Bonds, 1998 Series A (the "1998 Series"),
- 3) \$125,000,000 Local Government Revenue Bonds, 2002 Series C (the "2002 Series"),

- 5) \$10,000,000 Local Government Revenue Bonds, 2018 Series A (the "2018 A Series"),
- 6) \$75,000,000 Local Government Revenue Bonds, 2020 Series D (the "2020 D Series"),

- 10) \$141,030,000 Local Government Revenue Bonds, 2023 Series A (the "2023 A Series"), and
- 11) \$177,070,000 Local Government Revenue Bonds, 2024 Series A and B (the "2024 A Series" and "2024 B Series", respectively, and collectively, the "2024 Series").

The 1997 Series, 1998 Series, and 2002 Series (collectively, the "Indenture Series") were issued under separate indentures with separate trust estates. DelVal executed an agreement in 2001 (the "Covenant Agreement") to enhance the security of the bondholders by pledging to transfer any excess funds held under any DelVal Series to cure any deficiency under any other DelVal Series. The indentures of all DelVal Series incorporate the Covenant Agreement.

All DelVal Series issued since 2007 and that will be issued in the future (collectively, the "Master Series") were or will be issued under the Master Trust Indenture and supplemental indentures (collectively,

the “Master Indenture”). The Master Series are and will be secured with all other Master Series equally and ratably by all the assets under the trust estate of the Master Indenture.

DelVal has executed interest rate swap transactions to hedge its interest rate and basis risk. DelVal has entered into interest rate swap agreements (collectively, the “Swap Agreement”) with six different counterparties (each a “Counterparty”):

- 1) Bank of America, N.A.,
- 2) Barclays Bank PLC,
- 3) Citibank, N.A.,
- 4) PNC Bank, National Association,
- 5) The Toronto-Dominion Bank, and
- 6) The Royal Bank of Canada.

DelVal has executed interest rate swap transactions related to the DelVal Series (each a “Bond Swap”) to hedge its exposure to changes of fixed interest rates and to basis risk of floating interest rates. Under the Bond Swaps, DelVal pays the Securities Industry and Financial Markets Association (“SIFMA”) Municipal Swap Index (the “SIFMA Index”), and DelVal receives a fixed rate or floating rate with same basis as the related DelVal Series. DelVal’s net cost of funds is equal to the SIFMA Index plus a spread. DelVal also executes interest rate swap transactions that offset the Bond Swaps to hedge the interest rate risk of providing fixed rate Loans (each a “Loan Swap”) requested by Participants. Under these transactions, DelVal receives the SIFMA Index and pays a fixed interest rate that hedges the fixed rate of the Loan. DelVal has also executed swaps to eliminate basis risk of investments (each an “Investment Swap”). Under these transactions, DelVal pays a floating rate with the same basis as the related investment and receives the SIFMA Index.

The DelVal Loan rates are set by the Administrator each month at levels sufficient to fund:

- 1) Debt service payments on the DelVal Series,
- 2) Net payments due under the Swap Agreement, and
- 3) Administrative costs and liquidity requirements necessary for the operation of the Loan Program.

SUMMARIES OF THE 2024 FINANCIAL STATEMENTS

The net position of DelVal increased by \$3.58 million to \$34.75 million in 2024. Revenues and expenses declined 4.16% and 4.46%, respectively from 2023 levels, principally due to lower interest rates. The excess of revenues over expenses was approximately \$3.59 million, \$69,000 higher than 2023.

Trend of Net Position

Source: Calhoun Baker Inc.

Loan interest revenues increased by only 2.11% because most Loans are fixed rate. Investment earnings increased by 6.24% due to higher average investment balances. Interest rate swap revenues decreased by 9.56% due to reductions of the notional amounts of Bond Swaps related to bond redemptions.

Trend of Operating Revenues

Source: Calhoun Baker Inc.

Bond interest expenses declined by 2.72% due to bond redemptions. Interest rate swap expenses decreased by 9.33% principally due to reductions of the notional amount of Bond Swaps related to the bond redemptions. Issuance costs and credit facility fees increased by 8.01% principally due to the issuance of the 2024 Series and the credit facility expenses of the 2024 B Series. Administrative costs decreased by 5.79% due to the reduction of legal expenses.

LOAN PORTFOLIO

DelVal has been most active lending within the Counties. The Counties encompass an area of approximately 2,060 square miles and a population of approximately 2.6 million people. More than 420 Political Subdivisions are located within the Counties. As a matter of policy of the Board, DelVal limited its lending activities to Participants located within the Counties until 2002. Then, to provide geographic diversification to its portfolio, DelVal began lending outside the Counties, principally in the eastern half of the Commonwealth. As of December 31, 2024, 234 Loans, in the aggregate principal amount of approximately \$960 million, were outstanding to 101 Participants located in nine different counties. Approximately, 96.687% of the outstanding Loan principal has been originated to Participants located within the Counties.

Percentage of Loan Principal Outstanding by County as of December 31, 2024

Source: Calhoun Baker Inc.

As of December 31, 2024, approximately 6.990% of the principal of the Loans outstanding was originated to Participants that had no published underlying ratings, and 0.357% of the principal of the Loans outstanding was originated to Participants with published underlying ratings below “A3” or “A-”. Approximately, 81.64% of the Loan principal was originated to Participants with published underlying ratings of “Aa3”, “AA-”, or higher. The median underlying rating is “Aa/AA”.

DelVal is the beneficiary of Participant Credit Enhancements issued by Assured Guaranty Municipal Corp. (“AGM”) and Build America Mutual Company (“BAM”) that secured 13.71% of the Loan principal outstanding as of December 31, 2024. AGM merged into its affiliate Assured Guaranty Inc. (“AG”) on August 1, 2024, and the policies issued by AGM were assumed by AG. AG is rated “A1” with a stable outlook by Moody’s, “AA” with a stable outlook by S&P, and “AA+” with a stable outlook by Kroll Bond Rating Agency (“Kroll”). BAM is rated “AA” with a stable outlook by S&P.

Loans to school districts benefit from the provisions of the *Public School Code* and the *Debt Act* that authorize an intercept of state funding (the “Intercept”) if any school district fails to make its required debt service payments. The Secretary of Education of the Commonwealth is required to withhold, from any subsidy payment of any type due to the school district by the Commonwealth, an amount equal to the debt service payments owed. The withholding provisions are not part of any contract with DelVal, and future legislation may amend or repeal the provisions of the *Public School Code* or the *Debt Act*. Enforcement may also be limited by bankruptcy, insolvency, or other laws of equitable principles affecting the enforcement of creditors’ rights generally. Currently, Moody’s assigns a rating of “Aa3” to debt issued by school districts that are subject to the Intercept.

As of December 31, 2024, taking into consideration the Participant Credit Enhancements and the Intercept, 2.657% of the Loan principal outstanding was unenhanced and unrated, 0.047% was rated below “A3/A-”, and 92.96% was rated “Aa3/AA-” or higher. The median enhanced rating was “Aa2/AA”.

DelVal operates as one Loan Program. Funding for Loans is often split among two or more DelVal Series. Periodically, DelVal assigns Loans from one DelVal Series to another to facilitate the origination of new Loans and to provide for the payment of principal on the DelVal Series. Loans are amortized over a period that approximates the useful life of the projects funded from the Loans. The amortization period cannot exceed the maturity of the related DelVal Series used to fund the Loan. A schedule of the projected annual amortization of the Loans outstanding is set forth below.

COVENANT AGREEMENT

The Covenant Agreement was adopted on April 9, 2001, and amended and restated on August 3, 2009, to improve the security of the bondholders of the DelVal Series. Under the terms of the Covenant Agreement, DelVal pledges to use, in accordance with the provisions of each Trust Indenture, any available unrestricted funds (the “Excess Funds”) to cure any deficiency in any trust estate. The Excess Funds may only be used to benefit the Loan Program to:

- 1) Replenish any deficiency of a debt service reserve fund or
- 2) Pay any debt service payments, interest rate swap payments, administrative expenses, and interest rate swap termination payments.

Below is a schedule of the annual trend of Excess Funds. The Statement of Excess Funds differs from the Balance Sheet in that the amortization of non-cash items (such as original issue premium and bond insurance premiums) are not included. Investments and restricted investments are shown at their fair market values, and bonds and Loans are shown at their par amounts. The Recycling Funds, the funds held by DelVal to originate new Loans, were over-collateralized by approximately \$50.0 million as of December 31, 2024. The fair market values of DelVal’s interest rate swap transactions, as of December 31 of each year, are also shown on the schedule, but they are not included in the calculation of Excess Funds.

The Covenant Agreement requires the Participant (or its Guarantor) of a new Loan, not secured by a Participant Credit Enhancement, to have a published rating of “A3” or “A-” or higher (the “Rating Threshold”) unless the proportion of (i) the principal amounts of uninsured Loans outstanding plus the principal amounts of Loans to Participants (or their Guarantors) that are rated below the Rating Threshold to (ii) the total DelVal funds available to originate Loans (the “Loan Funds”) will not exceed 10% (the “Ratings Test”). The Ratings Test gives equal weight to the ratings of the rating agencies. If the Participant or Guarantor has only one published rating, the analysis gives full weight to the published rating. If a Loan is enhanced, the analysis gives full weight to the higher of the rating of: (i) the Participant Credit Enhancement or Intercept and (ii) the underlying rating of the Participant or Guarantor.

Below is a chart that shows the Ratings Test as of December 31, 2024. The chart shows the percentage of the Loan principal outstanding in each rating category. Approximately, 2.254% of the Loan Funds were committed to Participants that were uninsured and unrated or rated below the Rating Threshold. The “Available Funds” are deposits in the Recycling Funds that are available to originate new Loans.

Generally, DelVal requires a published rating at or above the Rating Threshold or a financial guaranty policy for any new Loan of \$1 million or more, even if the Ratings Test is satisfied. DelVal does not normally require ratings or insurance for Loans less than \$1 million if the Ratings Test is satisfied and the credit is approved by the Administrator.

All future bonds issued by DelVal will be issued under the Master Indenture and will be equally and ratably secured by all the assets under the trust estate of the Master Indenture. The Ratings Test provisions are incorporated in the Master Indenture.

ECONOMICS OF THE LOAN PROGRAM

The DelVal Loan Program has been successful due to the low cost of funds and the flexibility of the Loan Program. DelVal utilizes interest rate swap transactions (each a “Loan Swap”) to hedge its risk of providing a fixed rate Loan. This ability to hedge allows DelVal to provide any structure a Participant requests. All or a portion of a Loan can be variable rate or fixed rate; a fixed rate can be set for a period shorter than the maturity date of the Loan; and Loans can be divided into tranches with fixed rates for different terms. Even the smallest Participants can reduce their interest costs, avoid unnecessary refunding costs, and manage their exposure to future changes of interest rates.

A chart of the trend of certain DelVal fixed rates for level-debt amortization over the past year is shown below. Rates vacillated with changing sentiments on the resolve of the Federal Reserve Bank to cut or maintain rates. Interest rates increased in the last quarter when expectations of stubborn inflation became conventional wisdom.

The DelVal variable rate is linked to the SIFMA Index. In normal markets, the variable rate is the lowest of the Loan rates. The variable rate was abnormally high in 2024 due to the inversion of the yield curve. The variable rate is typically volatile due to seasonal spikes for outflows from money market funds, fiscal year-end window dressing of balance sheets, and reactions to headlines on inflation and employment data. As of December 31, 2024, 2.04% of the Loan principal outstanding was variable rate. Most of these Loans were essentially grant anticipation notes that will be prepaid when the grant funds are received. A chart of the variable rate for the past year is shown below.

The Administrator tracks the tax-exempt bond issues sold in eastern Pennsylvania, excluding Philadelphia (the “Market Area”), and calculates the All-In True Interest Cost (the “All-In TIC”) of each issue. The calculations of All-In TIC incorporate all costs of issuance and interest payments. The Administrator then compares the yields of the maturities of each issue to a comparable issue sold at the yields of the Bloomberg AAA General Obligation Bonds Callable Indices (the “AAA Indices”) at par and to a comparable DelVal Loan on the date of each sale. The comparable DelVal Loan includes estimated bond insurance premiums, if insurance would be required by the Administrator, rating fees, and the same option provisions as the bond issue. A summary of the comparison for the past five years is shown below. This comparison ignores the additional costs of issuance that the bond issuers would pay to issue refunding bonds, typically 1-2% of the par amount of the refunding. DelVal Loans do not need to be refunded to exercise an option and reset to a lower rate, effectively a refunding with no fees.

The DelVal advantage throughout this period is due to both the lower costs of issuance and lower interest rates. During the past year, the weighted average of DelVal’s All-In TIC was 0.202% below the weighted average of all bonds issued in the Market Area. DelVal’s costs of issuance averaged approximately 60% less than the average costs of issuance of bonds in the Market Area.

A pro forma comparison of the All-In TIC of a 20-year level debt structure of the average “AA” rated bond issue sold in the Market Area (the “Average “AA” Bond”), a “AAA” Bond Issue, and a DelVal Loan is shown in the chart below. The Average “AA” Bond is based on actual sales of bonds in the Market Area with published ratings in the “AA” category and assumes costs of issuance equal to the rolling 30-day average of actual costs of issuance and coupons at par equal to the rolling 30-day average of actual spreads over the AAA Indices at par. The “AAA” Bond Issue assumes costs of issuance equal to the Average “AA” Bond and 5% coupons with a 10-year option and yields equal to the AAA Indices. The DelVal Loan includes a 10-year option and is based on actual end-of-day rates and costs of issuance.

DEMAND FOR LOANS

Below is a chart of the principal amounts of Loans originated each year from 2015 to 2024. Loan origination was restricted in 2016 and 2017 due to large maturities of the 1997 Series and 2002 Series in 2017 and the 1998 Series in 2018. Origination increased after the issuance of new DelVal Series beginning in 2018. Fiscal year 2020 was the most active period for origination in the past decade due to the historically low interest rates following the COVID-19 outbreak. Origination declined sharply in 2023 due to: (i) inflation that increased construction and acquisition costs, (ii) higher interest rates, and (iii) the availability of grants from the \$2.2 trillion *Coronavirus Aid, Relief and Economic Security Act* (“*CARES*”) and the \$1.9 trillion *American Rescue Plan Act* (“*ARPA*”). Origination increased in 2024 as borrowers began to adapt to the new market and economic conditions.

Based upon requests for pro forma debt service schedules for new capital projects that DelVal has received, DelVal expects the demand for new Loans in 2025 to continue to rebound from the low levels of 2023, but DelVal expects demand to remain constrained due to: (i) higher construction costs, (ii) reduced refunding opportunities, (iii) higher interest rates, and (iv) lingering effects of the \$2.2 trillion *CARES* and the \$1.9 trillion *ARPA* programs. A listing of Loan closings and Loans in process as of April 30, 2025, is shown below.

FINANCING ACTIVITIES

DeIVal accesses the capital markets periodically to fund the Loan Program. DeIVal issues the type of debt that will minimize its cost of funds at that time. The DeIVal Board annually adopts a Post Issuance Compliance Policy, and under that policy, the Administrator monitors and reports any compliance issues with Treasury regulations or rules of the Municipal Securities Rulemaking Board.

DeIVal's objective with each issuance is to create a pool of funds with a net cost to DeIVal that is comparable to the cost of a 7-day variable rate demand bond ("VRDB") at that time. If DeIVal cannot achieve that cost, it will not issue. DeIVal has outstanding issues of: (i) fixed rate bonds, (ii) floating rate bonds indexed to the Secured Overnight Financing Rate ("SOFR") published by the New York Federal Reserve Bank and 3-Month Term SOFR published by the CME Group Benchmark Administration ("CME"), (iii) weekly remarketed VRDBs, and (iv) daily remarketed VRDBs.

DeIVal extraordinarily redeemed \$5,155,000 of the 1997 B Series on July 1, 2024, and \$39,650,000 of the 1998 A Series on August 1, 2024 (See "Extraordinary Mandatory Redemptions of the 1997 Series and 1998 Series" for additional information.). DeIVal purchased the \$30,000,000 outstanding 2018 D Series and optionally redeemed the \$75,000,000 outstanding 2018 E Bonds on September 3, 2024, from: (i) the proceeds of the acquisition of Loans of the 2018 Series from the proceeds of the 2024 Series and other DeIVal Series and (ii) other available funds. The \$50,000,000 2020 B Bonds matured on November 1, 2024. DeIVal expects to issue one or more new DeIVal Series over the next two years to replace the funding lost from redemptions, maturities, and mandatory purchases of the outstanding DeIVal Series.

Below is a summary of the DeIVal Series that are currently outstanding.

All DelVal Series are subject to Extraordinary Mandatory Redemption under certain circumstances. The principal reasons for an Extraordinary Mandatory Redemption would be the inability of DelVal to lend proceeds or the necessity to comply with Treasury regulations.

The 1997 Series, 1998 Series, 2002 Series, 2007 A Series, 2018 A Series, 2021 Series, 2022 A Series, and 2022 D Series are all fixed rate bonds that are not subject to optional redemption. The 2023 Series are fixed rate bonds that are subject to optional redemption six months prior to each principal maturity. The 2024 A Series are fixed rate bonds that are subject to optional redemption on or after September 1, 2034. All these Series are rated “A1” by Moody’s with a stable outlook. The 1997 Series and 1998 Series were originally rated by S&P based upon municipal bond insurance policies issued by Ambac Assurance Corporation (“Ambac”). S&P withdrew the ratings for the 1997 Series and 1998 Series when Ambac filed for reorganization. All other outstanding fixed rate bonds issued by DelVal are rated “A+” with a stable outlook by S&P.

The interest rates on the 2007 C Series are set at spreads to 67% of 3-Month Term SOFR, adjusted and payable quarterly. The 2007 C Series may be optionally redeemed at par on or after June 1, 2017. The 2007 C Series is rated “A1” by Moody’s and “A+” by S&P.

The \$50 million 2007 B Series are remarketed by PNC Capital Markets as a weekly VRDB, secured by a Letter of Credit issued by PNC Bank, National Association (the “PNC LOC”). The PNC LOC is scheduled to terminate on May 19, 2026. The 2007 B Series is rated “AA+/A-1” by S&P, “A1/VMIG 1” by Moody’s, and “A+/F1” by Fitch Ratings (“Fitch”). The short-term ratings are all based solely on PNC’s short-term ratings. The long-term ratings of Moody’s and Fitch are also based solely on the long-term rating of PNC. The S&P long-term rating is based on the joint probability of a default by both DelVal and PNC. The remarketing rate has averaged 3.347% for the year ended December 31, 2024, 0.0015% below the average SIFMA Index.

The \$75 million 2020 D Series and \$75 million 2022 E Series are remarketed by TD Securities as weekly VRDB’s, and the \$105 million 2024 B Series is remarketed by TD Securities as daily VRDB’s. The 2020 D Series, 2022 E Series, and 2024 B Series are secured by Letters of Credit issued by TD Bank, N.A. (collectively, the “TD LOCs”). The TD LOC for the 2020 D Series is scheduled to terminate on June 1, 2026, the TD LOC for the 2022 E Series is scheduled to terminate on July 14, 2027, and the TD LOC for the 2024 B Series is scheduled to terminate on September 4, 2029. Upon issuance, the 2020 D Series, 2022 E Series, and 2024 B Series were rated “Aa3/VMIG 1” by Moody’s and “AA+/A-1+” by S&P. S&P and Moody’s subsequently downgraded TD and all VRDB’s secured by a TD Letter of Credit on October 18, 2024, and October 30, 2024, respectively. The 2020 D Series, 2022 E Series, and 2024 B Series are now rated “A1/VMIG 1” by Moody’s and “AA+/A-1” by S&P. The short-term ratings are based solely on TD’s short-term ratings. The Moody’s long-term ratings are based solely on TD’s long-term rating. The S&P long-term ratings are based on the joint probability of a default by both DelVal and TD. The remarketing rates of the 2020 D Series and 2022 E Series averaged 3.361% over the year ending December 31, 2024, 0.0117% above the average SIFMA Index. The remarketing rates of the 2024 B Series averaged 3.141% since September 3, 2024, 0.0993% below the average SIFMA Index during that period.

The interest rates on the 2022 B Series are set at spreads to the SIFMA Index, adjusted and payable monthly. The 2022 C Series rates were set at spreads to 67% of the Secured Overnight Financing Rate (“SOFR”), adjusted and payable monthly. The 2022 B and C Series are subject to mandatory purchase on March 1, 2026, and March 1, 2027, respectively, and they may be optionally redeemed at par beginning one year prior to their respective purchase dates. The 2022 B and C Series are rated “A1” by Moody’s and “A+” by S&P.

EXTRAORDINARY MANDATORY REDEMPTIONS OF THE 1997 SERIES AND 1998 SERIES

The 1997 Series and 1998 Series are both insured by Ambac, and Ambac is currently in runoff operations. Under the terms of the 1997 Series and 1998 Series indentures and the respective bond insurance policies, Ambac, in its sole discretion, must consent to the use of any proceeds from the 1997 Series and the 1998 Series to originate or acquire Loans. Consents of a third party are not required to originate or acquire Loans from proceeds of any other DelVal Series.

DELVAL CAN GIVE NO ASSURANCE THAT AMBAC WILL CONSENT IN THE FUTURE TO DELVAL'S REQUESTS FOR THE ORIGATION OR ACQUISITION OF LOANS FROM THE 1997 SERIES OR 1998 SERIES.

Loans originated or acquired must have maturity dates on or before July 1, 2027, for the 1997 Series and on or before August 1, 2028, for the 1998 Series. Most outstanding and prospective Loans have much longer maturity dates. The maturity constraints and the magnitude of the funds of the 1997 Series and the 1998 Series have made origination or acquisition difficult. The 1997 Series Indenture and the 1998 Series Indenture provide that if DelVal does not have a reasonable expectation to use funds that have been deposited in the Recycling Accounts of the 1997 Series or the 1998 Series for more than one year, those funds must be used for an Extraordinary Mandatory Redemption.

On April 8, 2024, the DelVal Board of Directors authorized the Extraordinary Mandatory Redemptions, of the 1997 Series and 1998 Series, from time to time, as required by their respective Trust Indentures. DelVal redeemed \$5,155,000 of the \$16,815,000 outstanding 1997 B Series on July 1, 2024, and DelVal redeemed \$39,650,000 of the \$219,535,000 outstanding 1998 A Series on August 1, 2024.

ADDITIONAL EXTRAORDINARY MANDATORY REDEMPTIONS OF THE 1997 SERIES AND THE 1998 SERIES THAT REMAIN OUTSTANDING MAY OCCUR IN THE FUTURE; HOWEVER, NO ASSURANCE CAN BE GIVEN AS TO THE AMOUNT, IF ANY, AND THE TIMING OF ANY FUTURE REDEMPTION. THE EXTRAORDINARY MANDATORY REDEMPTION PRICES OF THE 1997 SERIES AND THE 1998 SERIES MAY BE LOWER THAN THE FAIR MARKET VALUE OF THOSE BONDS.

The foregoing discussion is subject to change, and DelVal undertakes no obligation to update or supplement the foregoing information.

INVESTMENTS

The funds held by DelVal are invested in Guaranteed Investment Contracts (“GIC’s”) and other investments that satisfy the requirements of the respective Trust Indentures. DelVal treats the GIC’s as cash equivalents because the interest rates on the GIC’s adjust weekly and DelVal can deposit or withdraw funds from the GIC’s with no more than seven days of written notice. Under the terms of the GIC’s, DelVal may require the providers to post collateral of cash, Treasury obligations, or certain agency obligations to secure the principal invested, plus accrued interest, if they are downgraded below certain thresholds. Citigroup Financial Products Inc. (“CFPI”) currently posts collateral to secure its GIC.

DelVal’s short-term investments are generally restricted to instruments with ratings of “P-1” from Moody’s or “A-1” or higher from S&P, and DelVal’s long-term investments are generally restricted to instruments with ratings of “Aa3” or higher from Moody’s or “AA-” or higher from S&P. Investments are recorded at fair value. The funds not invested in GIC’s have been invested in floating rate notes, indexed to SOFR, or weekly VRDB’s. DelVal has executed interest rate swaps related to the SOFR floating rate notes to eliminate the SOFR basis risk; DelVal pays SOFR and receives the SIFMA Index. A summary of the cash equivalents and investments is shown on the following page.

STRESS TESTS

DelVal periodically prepares projections of operating results for the rating agencies to test the ability of DelVal to withstand changes of future market conditions. The schedules project Loan principal and interest payments and operating revenues and expenses. The coverage of available funds over the bond principal and interest payments is calculated, including debt service reserve funds, but ignoring accumulated fund balances. The stress tests are based upon certain assumptions, including, but not limited to, changes of interest rates and Loan origination, which may or may not occur, and actual results will differ from those of the stress tests. The purpose of the analysis is not to predict the actual results of DelVal, but to identify potential weaknesses in the structure of the Loan Program, particularly vulnerabilities to interest rate shocks.

The projections analyze three scenarios based on the Loans, debt, investments, and swaps outstanding as of December 31, 2024.

- 1) Financing Plan: New DelVal Series are issued annually from 2025 to 2029 to replace funding lost from extraordinary mandatory redemptions, mandatory purchases, and maturities of the DelVal Series, and new Loans are originated as permitted by the availability of Loan Funds and maturities of DelVal Series.
- 2) Scheduled Maturities: DelVal Series are repaid on their respective maturity dates, new DelVal Series are not issued, and new Loans are originated as permitted by the scheduled maturities of the DelVal Series.
- 3) Run-Off: DelVal Series are run-off as quickly as permitted by Loan repayments. New DelVal Series are not issued, and new Loans are not originated. The extraordinary mandatory redemptions of the 1997 Series and 1998 Series are accelerated. The fixed rate DelVal Series with options are redeemed on the option dates, and those without options are redeemed at maturity. Variable rate DelVal Series are optionally redeemed when sufficient funds from Loan repayments are accumulated.

Each scenario is analyzed to test the effects of rising and falling interest rates. The SIFMA Index averaged 3.356% in 2024. For these scenarios, the SIFMA Index is assumed to average 3.00% in 2025, principally due to the return to a more normally shaped yield curve with little or no inversion of short-term rates. The average SIFMA Index is assumed to change in straight line increments from 2025 to 2035 and to remain constant after 2035. The assumed rates in 2035 are listed below:

- 1) 1.50%,
- 2) 3.00%,
- 3) 5.00%, and
- 4) 8.00%.

Coverage of debt service is tightest in the years with large bond principal payments. The projections show that coverage of debt service in these years is not sensitive to changes in the interest rate assumptions. The results are robust because (i) the Loan Program is over-collateralized by \$49,993,250, (ii) each DelVal Series has a Debt Service Reserve Fund funded from proceeds, and (iii) the amortization of Loans is structured to ensure that sufficient funds from Loan principal payments will be available to pay principal on the DelVal Series when the payments are due. The test of the adequacy of the cash flows of Loan principal repayments is required under the Trust Indentures and the Covenant Agreement. If sufficient funds would not be available for principal repayments of the DelVal Series, the Loan would not be originated.

The dollar amount of the coverage in excess of the funds available from the Debt Service Reserve Funds exceeds more than one year of net revenues from Loan repayments, investments, and interest rate swaps under all permutations of the stress tests. In most years, the coverage in excess of the Debt Service Reserve Funds exceeds two years of net revenues. The principal circumstances under which coverage would be inadequate would be: (i) a cataclysmic market failure that would cause DelVal's swap or investment counterparties to default on their obligations for a prolonged period or (ii) a cataclysmic economic disruption in Pennsylvania that would cause a large number of Participants to simultaneously default on their debt obligations for a prolonged period.

Summaries of the three scenarios are shown in the schedules on the following pages. Detail for the three scenarios is shown assuming the SIFMA Index remains constant at 3.00%. The schedules also show comparisons of the coverage to the other interest rate assumptions. The coverage analyses are heuristic, not projections, but they do demonstrate the resilience of the structure of the Loan Program.

INTEREST RATE SWAP AGREEMENTS

DelVal utilizes Bond Swaps to hedge its interest rate and basis risk of the DelVal Series. For each fixed rate DelVal Series, DelVal executed a Bond Swap under which it receives a fixed rate and pays the SIFMA Index to hedge the risk that future market fixed rates to the maturity date of that Series would be lower than the fixed rate of that Series, which would make that Series uncompetitive with other financing options. For each SOFR or Term SOFR indexed Series, DelVal executed a Bond Swap under which it receives the SOFR or Term SOFR rate and pays the SIFMA Index. This eliminates the basis risk of changes in the ratio of tax-exempt rates to the SOFR or Term SOFR rates. DelVal does not hedge the DelVal Series that are weekly or daily VRDB's or that have interest rates based on the SIFMA Index.

DelVal utilizes Loan Swaps to hedge the interest rate risk of providing fixed rate Loans. For each fixed rate Loan, DelVal executes a Loan Swap under which DelVal receives the SIFMA Index and pays a fixed rate. The Loan Swap SIFMA Index receipt offsets the related Bond Swap SIFMA Index payment. The fixed rate of the Loan Swap hedges the risk of providing the fixed rate on the Loan. The notional reduction of the Loan Swap matches the amortization of the related Loan. The Participant has flexibility to choose option provisions, set fixed rates for periods shorter than the maturity date, and split the Loan into tranches with multiple fixed rates or a combination of variable and fixed rates.

DelVal has also executed interest rate swaps (each an "Investment Swap") to eliminate the basis risk of investments in SOFR indexed floating rate notes. Under these transactions, DelVal pays SOFR and receives the SIFMA Index. This locks the investment rate to a spread over the SIFMA Index.

All the Bond Swaps, Loan Swaps, and Investment Swaps are effective hedges under the "consistent critical terms" and "quantitative methods" standards of the Governmental Accounting Standards Board Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*.

The DelVal Board annually adopts an Interest Rate Swap Management Policy (the "Swap Policy"). Any exceptions to Swap Policy must be explicitly authorized by a Resolution of the Board. The Swap Policy restricts DelVal's swaps to hedging transactions, prohibits speculative transactions, prohibits transactions that are constructively working capital loans, and prohibits any remuneration by a Counterparty to the advisors or law firms representing DelVal or the Participant.

Cash Flows of Debt Service, Loan Payments, Investments, and Swap Transactions

- (1) Transactions executed to create a pool of funds with a net cost comparable to a VRDB and hedge long-term interest rate risk and basis risk.
- (2) Transactions executed to hedge the interest rate risk of providing a fixed rate Loan.
- (3) Loan rates are set monthly by the Administrator at levels sufficient to pay (i) debt service on the DeVal Series, (ii) net payments on Bond Swaps, Loan Swaps, and Investment Swaps, and (iii) administrative costs.
- (4) Transactions executed to hedge the SOFR basis risk of floating rate investments.

OUTLOOK

DelVal expects to originate \$65 to \$120 million of new Loans in 2025 based upon the requests it has received for pro forma debt service schedules for new capital projects. DelVal expects demand to continue to be constrained due to: (i) higher construction costs, (ii) reduced refunding opportunities, (iii) higher interest rates, and (iv) lingering effects of the \$2.2 trillion *CARES* and the \$1.9 trillion *ARPA* programs.

DelVal will continue to monitor the market for opportunities to augment funding for Loans and to restructure its debt obligations in 2025.

Independent Auditors' Report

To the Board of Directors of
Delaware Valley Regional Finance Authority

Opinion

We have audited the accompanying financial statements of Delaware Valley Regional Finance Authority (DeVal), as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise DeVal's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Delaware Valley Regional Finance Authority as of December 31, 2024, and the changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DeVal and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeVal's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DelVal's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DelVal's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

NOTES TO FINANCIAL STATEMENTS, AS OF DECEMBER 31, 2024

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Delaware Valley Regional Finance Authority (“DelVal”) was formed in 1985 by Bucks, Chester, Delaware, and Montgomery Counties in Pennsylvania (the “Counties”). The purpose of DelVal is to provide funds for capital projects (the “Loan Program”) to political subdivisions (each a “Political Subdivision”) within the Commonwealth of Pennsylvania (the “Commonwealth”). Eligible borrowers (each a “Participant”) include school districts, townships, boroughs, cities, and counties (each a “Local Government Unit”) and authorities (each an “Authority”) and other Political Subdivisions created by one or more Local Government Units and/or the Commonwealth. Since its inception, DelVal has originated 631 loans (each a “Loan”) in the aggregate principal amount of approximately \$4.045 billion to 213 different Participants located in 16 counties of Pennsylvania. As of December 31, 2024, 234 Loans in the aggregate principal amount of approximately \$960 million were outstanding to 101 Participants located in nine counties.

Each Loan to a Local Government Unit is secured by the pledge of its full faith, credit, and taxing power. DelVal may also require a Loan to a Local Government Unit to be additionally secured by a financial guaranty policy (each a “Participant Credit Enhancement”) issued by an insurer (each a “Participant Credit Enhancer”) with a rating of “Aa3” or higher from Moody’s Investors Service (“Moody’s”) or “AA-” or higher from S&P Global Ratings (“S&P”). DelVal is the beneficiary of the Participant Credit Enhancements; the Participant Credit Enhancements do not secure the repayment of debt service on any bonds issued by DelVal.

Each Loan to an Authority or other type of Political Subdivision must meet at least one of the following conditions: (i) rated “Aa3” or higher by Moody’s or “AA-” or higher by S&P, (ii) secured by a guaranty (each a “Guaranty”) with the pledge of the full faith, credit, and taxing power of a Local Government Unit (each a “Guarantor”), (iii) secured by a Participant Credit Enhancement, or (iv) secured by a written agreement (a “Security Agreement”) with the Commonwealth or one or more Local Government Units that agree to pay all amounts necessary to enable the Participant to repay the Loan. Any such Loan not secured by a Guaranty, Security Agreement, or Participant Credit Enhancement must include a covenant by the Participant to secure a Guaranty, Security Agreement, or Participant Credit Enhancement if its rating is reduced below “Aa3” by Moody’s or “AA-” by S&P.

DelVal has covenanted to restrict Loans to Authorities or other Political Subdivisions that are not secured by a Guaranty, Security Agreement, or Participant Credit Enhancement, to an aggregate principal amount not in excess of 20% of the total funding for Loan origination at the time the Loan is originated. All Loans to Authorities or other Political Subdivisions outstanding as of December 31, 2024, were either secured by a Guaranty, Security Agreement, or a Participant Credit Enhancement.

The Board of Directors of DelVal is comprised of five members appointed by the Counties. Each year, on a rotating basis, one of the Counties appoints one Director to a term of five years. The Board appoints the administrator (the “Administrator”), solicitor, bond counsel, remarketing agents, credit facility providers, and trustees who manage the daily operations of DelVal and its Loan Program.

Eleven series of bonds (each a “DelVal Series”) in the aggregate par amount of \$1,126,645,000 were outstanding to fund the Loan Program as of December 31, 2024:

- 1) \$11,660,000 Local Government Revenue Bonds, 1997 Series B and C (the “1997 B Series” and “1997 C Series”, respectively, and collectively, the “1997 Series”),
- 2) \$179,885,000 Local Government Revenue Bonds, 1998 Series A (the “1998 Series”),
- 3) \$125,000,000 Local Government Revenue Bonds, 2002 Series C (the “2002 Series”),
- 4) \$110,000,000 Local Government Revenue Bonds, 2007 Series A, B and C (the “2007 A Series”, “2007 B Series”, and “2007 C Series”, respectively, and collectively, the “2007 Series”),
- 5) \$10,000,000 Local Government Revenue Bonds, 2018 Series A (the “2018 A Series”),
- 6) \$75,000,000 Local Government Revenue Bonds, 2020 Series D (the “2020 D Series”),
- 7) \$45,000,000 Local Government Revenue Bonds, 2021 Series A (the “2021 A Series”),
- 8) \$155,000,000 Local Government Revenue Bonds, 2022 Series A, B and C (the “2022 A Series”, “2022 B Series”, and “2022 C Series”, respectively, and collectively, the “2022 ABC Series”),
- 9) \$97,000,000 Local Government Revenue Bonds, 2022 Series D and E (the “2022 D Series” and “2022 E Series”, respectively, and collectively, the “2022 DE Series”),
- 10) \$141,030,000 Local Government Revenue Bonds, 2023 Series A (the “2023 A Series”), and
- 11) \$177,070,000 Local Government Revenue Bonds, 2024 Series A and B (the “2024 A Series” and “2024 B Series”, respectively, and collectively the “2024 AB Series”).

The 1997, 1998, and 2002 Series (collectively, the “Indenture Series”) are secured separately by the Loans and other assets held under their respective indentures (the “1997 Indenture”, “1998 Indenture”, and “2002 Indenture”, respectively). All DelVal Series issued since 2007 (collectively, the “Master Series”) were issued under a master indenture (the “Master Indenture”, and collectively with the 1997 Indenture, 1998 Indenture, and 2002 Indenture, the “Indenture”), and they are equally and ratably secured by all Loans and other assets under the Master Indenture. Bondholders of the DelVal Series are also secured by the Covenant Agreement. Under the Covenant Agreement, DelVal is obligated to transfer any available unrestricted funds (the “Excess Funds”) from any DelVal Series to cover any deficiency of any other DelVal Series. The Covenant Agreement also restricts the ability of DelVal to lend to any Participant that is unrated, uninsured, or rated below “A3” by Moody’s Investors Service (“Moody’s”) or “A-” by S&P Global Ratings (“S&P”).

DelVal executes interest rate swap transactions to hedge: (i) its interest rate and basis risk of the DelVal Series (the “Bond Swaps”), (ii) its interest rate and basis risk of providing fixed rate Loans (the “Loan Swaps”), and (iii) its basis risk of investments (the “Investment Swaps”). As of December 31, 2024, DelVal has executed approximately \$1.87 billion notional amount of swap transactions under master interest rate swap agreements with six counterparties (each a “Counterparty”):

- 1) Bank of America, N.A. (“BANA”),
- 2) Citibank, N.A. (“Citibank”),
- 3) Barclays Bank PLC (“Barclays”),
- 4) PNC Bank, National Association (“PNC”),
- 5) The Toronto-Dominion Bank (“T-D”), and
- 6) The Royal Bank of Canada (“RBC”).

Basis of Accounting

Operations of DelVal are intended to be self-supporting, primarily from Loan repayments, investment earnings, and interest rate swap revenues. Accordingly, DelVal is accounted for as a special-purpose government, business-type activity and utilizes the accrual basis of accounting in which revenues are recognized when earned and expenses are recognized when incurred. DelVal maintains its accounting in accordance with generally accepted accounting principles in the United States of America (“GAAP”) as applied to governmental units. The accepted standard-setting body for establishing governmental accounting and financial reporting principles is the Governmental Accounting Standards Board (“GASB”).

Subscription Based Information Technology Arrangements

DelVal adopted GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, for the year ended December 31, 2023. This Statement defines a subscription-based information technology arrangement (“SBITA”) as a contract that conveys control of the right to use another party's information technology software, alone or in combination with tangible capital assets, as specified in the contract for a period of time in an exchange or exchange-like transaction. The Statement requires the recognition of a right-to-use subscription asset - an intangible asset - and a corresponding subscription liability. The amortization of the subscription asset is then recognized as an outflow of resources over the subscription term. The adoption of this statement did not have a significant impact on DelVal's financial statements for 2023 or 2024, as DelVal was not involved in any material SBITAs during fiscal 2023 or 2024.

Cash, Cash Equivalents, Restricted Cash Equivalents, Investments, and Restricted Investments

DelVal considers all highly liquid debt instruments purchased with original maturities of 90 days or less to be cash equivalents or restricted cash equivalents. DelVal also considers guaranteed investment contracts (each a “GIC”) and debt instruments that can be redeemed or tendered at par within 90 days or less of the balance sheet date to be highly liquid debt instruments and cash equivalents or restricted cash equivalents. Investments and restricted investments purchased that mature in more than 90 days and cannot be redeemed or tendered at par within 90 days of the balance sheet date are recorded at fair value.

Loans to Local Governments

Loans, which DelVal has the intent and ability to hold for the foreseeable future or until maturity or early redemption, are stated at their outstanding unpaid principal balances. DelVal assesses an origination fee, currently 0.10% of the principal amount, at the closing of the Loans. The origination fees are recognized as Loan interest income when the fees have been received. Given the credit quality of the Loan portfolio and the historical rarity of any payment defaults, DelVal has not provided an allowance for non-performing Loans.

Bonds Payable

The DelVal Series are stated at their unpaid principal balances less the unamortized bond insurance premiums plus the unamortized original issue premium. Bond issuance costs (consisting of underwriting fees, professional fees, and all other costs except bond insurance premiums incurred in connection with issuance of the various DelVal Series) are recognized as an expense when the costs are paid. Bond insurance premiums and original issue premiums are amortized to bond interest expense using the straight-line method over the terms of the related DelVal Series, which approximates the effective interest method.

Estimated Rebate Liability

The *Internal Revenue Code* obligates DelVal to yield restrict or to rebate to the United States Treasury investment earnings in excess of the bond yield of each respective DelVal Series. The estimated excess investment earnings are recorded as a liability, and the annual change in the estimated excess investment earnings is recorded as an expense or revenue. The Administrator is responsible for the calculations. No rebate or yield reduction payments were required in 2024. The estimated current rebate liability of the outstanding DelVal Series as of December 31, 2024, was \$200,000, and the estimated noncurrent rebate liability was \$400,000.

Derivative Financial Instruments

Effective January 1, 2010, DelVal adopted the GASB Statement No. 53 ("GASB 53"), *Accounting and Financial Reporting for Derivative Instruments*, which requires the fair value of interest rate swap agreements to be reported on the balance sheet. DelVal utilizes the accrual method to record interest rate swap expenses and revenues. Prepaid swap expenses are amortized using the straight-line method over the terms of the related swap transactions. Swap revenues and expenses and the amortization of prepaid swap expenses for the year ended December 31, 2024, are reflected in the statement of revenues, expenses, and changes in net position. Changes in the fair value of the swap transactions are shown in "NOTE 6. DERIVATIVE FINANCIAL INSTRUMENTS", but they are not reflected as income or expense in the financial statements because the transactions meet the definition of hedging derivative transactions under GASB 53.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. CASH, CASH EQUIVALENTS, INVESTMENTS, RESTRICTED CASH EQUIVALENTS, AND RESTRICTED INVESTMENTS

DelVal's cash, cash equivalents, and investments deposited in the Recycling Funds were originally funded from the proceeds of the DelVal Series. The remaining cash, cash equivalents, and investments principally, deposits in the Revenue Funds, were funded from the operations of the Loan Program. The restricted cash, restricted cash equivalents, and restricted investments deposited in the Debt Service Reserve Funds were originally funded from the proceeds of the DelVal Series. All cash, cash equivalents, investments, restricted cash, restricted cash equivalents, and restricted investments are held by the Trustee under the Trust Estates of the DelVal Series as security for debt service payments on the DelVal Series for the benefit of the bondholders. Under the terms of the trust indentures of all DelVal Series and the Covenant Agreement, the deposits may only be used in DelVal's Loan Program as long as any DelVal Series remains outstanding.

DelVal's cash equivalents and restricted cash equivalents are comprised of: (i) securities with original maturities of 90 days or less, (ii) securities that may be tendered at par with notice of 90 days or less, and (iii) GIC's that can be drawn at par with notice of 90 days or less. Cash receipts and bond proceeds held by the Trustee are invested in a U.S. Treasury money market fund until such funds are deposited in a GIC or used to purchase VRDB's or FRN's. Deposits in the money market fund are treated as cash equivalents because DelVal can withdraw deposits at par at any time. The VRDB's are treated as cash equivalents because DelVal can tender the VRDB's at par with 7 days of notice. The GIC's are treated as cash equivalents and restricted cash equivalents because DelVal can withdraw deposits at par with no more than 7 days of notice. Interest rates of the money market fund are adjusted daily, and interest rates of the VRDB's and GIC's are adjusted weekly. The restricted investments consist of floating rate notes (each an "FRN") with interest rates indexed to the Secured Overnight Financing Rate ("SOFR") published by the New York Federal Reserve Bank, adjusted daily. DelVal's cash equivalents, restricted cash equivalents, and restricted investments on December 31, 2024, are set forth below.

Cash Equivalents, Restricted Cash Equivalents, and Restricted Investments as of December 31, 2024

	<u>1997 Series</u>	<u>1998 Series</u>	<u>2002 Series</u>	<u>Master Series</u>	<u>Total</u>

Restricted cash equivalents	\$ 1,166,000	\$ 17,988,500	\$ 12,500,000	\$ 19,431,000	\$ 51,085,500
Restricted investments (1)	-	-	-	21,752,814	21,752,814

(1) Recorded at fair value.

The DelVal Board of Directors has not adopted a formal investment policy; however, Indenture provisions that define eligible investments serve the same purpose. Eligible investments under the Indenture must, at the time of the purchase or execution, meet the following rating thresholds: (i) for investments with a maturity or option to tender of 360 days or less, a rating of "A-1" or "A-1+" by S&P, "P-1" or "VMIG 1" by Moody's, "F1" or "F1+" by Fitch Ratings ("Fitch"), or an equivalent rating by any other Nationally Recognized Statistical Rating Organization (each an "NRSRO") and (ii) for investments with a maturity or option to tender greater than 360 days, counterparty or equivalent ratings of "Aa3" or higher by Moody's, "AA-" or higher by S&P or Fitch, or an equivalent rating by any other NRSRO. Eligible investments include the following:

- 1) Cash,
- 2) Direct obligations of the U.S. Treasury,
- 3) U.S. dollar denominated deposit accounts, federal funds and bankers' acceptances with domestic commercial banks,
- 4) Commercial paper,
- 5) Investments in a money market fund rated "AAAm" or "AAAm-G" or better by S&P, "Aaa-mf" by Moody's, "AAAmmf" by Fitch, or an equivalent rating by any other NRSRO with a published rating on the Bonds (without regard to whether the Trustee controls such money market fund),
- 6) Bonds or notes issued by federal agencies, state or local governments, or financial institutions or other corporations,
- 7) Investment agreements with providers approved in writing by the Administrator, and
- 8) Other forms of investments, including repurchase agreements, approved in writing by the Administrator.

The Indenture requires the Administrator to approve any investment and requires the Trustee to hold the investment. The cash, cash equivalents, investments, restricted cash, restricted cash equivalents, and restricted investments are not collateralized by the Trustee and are not insured by the Federal Deposit Insurance Corporation.

Ambac Assurance Corporation ("Ambac") issued a bond insurance policy that secures the 1997 Series, and Ambac requires DelVal to invest all funds under the trust estate of the 1997 Series in GIC's approved by Ambac. Natixis Funding Corp. ("Natixis"), owned by Groupe Caisse d'Epargne and Groupe Banque Populaire, provides the two GIC's for the 1997 Series, one for the Debt Service Reserve Fund and one for the other operating funds. The Natixis GIC's are guaranteed by Caisse des Dépôts et Consignations ("CDC"). Natixis pays DelVal an investment rate equal to a spread over the Securities Industry and Financial Markets Association Municipal Swap Index (the "SIFMA Index"). If the ratings applicable to the Natixis GIC's drop below "Aa3" or "AA-", Ambac may direct Natixis to: (i) collateralize its obligations under the respective GIC with cash, U.S. Treasury obligations, or certain Agency securities or (ii) terminate the respective GIC and pay DelVal the principal and accrued interest due. If Ambac directs collateralization, the collateral must be held by a third party, segregated, and marked to market at least weekly. On December 31, 2024, the Natixis obligations guaranteed by CDC were rated "Aa3" by Moody's, "AA-" by S&P, and "AA-" by Fitch. The Natixis GIC terminates on June 28, 2027, three business days prior to the scheduled maturity date of the 1997 Series.

Ambac issued a bond insurance policy that secures the 1998 Series, and Ambac requires DelVal to invest all funds under the trust estates of the 1998 Series in GIC's approved by Ambac. Bayerische Landesbank ("BayernLB") provides two GIC's for the 1998 Series, one for the Debt Service Reserve Fund and one for the other operating funds. The obligations of BayernLB under the GIC's are guaranteed by the Free State of Bavaria and the Association of Bavarian Savings Banks. BayernLB pays DelVal an investment rate equal to a spread over the the SIFMA Index. If the ratings applicable to BayernLB GIC's drop below "Aa3" or "AA-", Ambac may direct BayernLB to: (i) collateralize its obligations under the respective GIC with cash, U.S. Treasury obligations, or certain Agency securities or (ii) terminate the respective GIC and pay DelVal the principal and accrued interest due. If Ambac directs collateralization, the collateral must be held by a third party, segregated, and marked to market at least weekly. On December 31, 2024, the BayernLB obligations with the guaranty of the Free State of Bavaria were rated "Aaa" by Moody's and "AAA" by Fitch. S&P rates the Free State of Bavaria as "AAA", but S&P does not rate any BayernLB obligations. The BayernLB GIC terminates on July 27, 2028, three business days prior to the scheduled maturity date of the 1998 Series.

The funds of the 2002 Series are invested in two GIC's, one for the Debt Service Reserve Fund and one for the other operating funds, provided by Natixis and guaranteed by CDC. Natixis pays DelVal an investment rate equal to a spread over the SIFMA Index. If the ratings of CDC drop below "Aa3" by Moody's or "AA-" by S&P, DelVal may direct Natixis to provide collateral to secure its obligations under the GIC's with cash, U.S. Treasury obligations, or certain Agency securities. If the ratings of CDC drop below "A3" or "A-" by Moody's and S&P, respectively, DelVal may terminate the GIC's and require Natixis to pay DelVal the principal and accrued interest due. The collateral must be held by a third party, segregated, and marked to market at least weekly. On December 31, 2024, the Natixis obligations guaranteed by CDC were rated "Aa3" by Moody's, "AA-" by S&P, and "AA-" by Fitch. The Natixis GIC terminates on June 28, 2032, three business days prior to the scheduled maturity date of the 2002 Series.

The Debt Service Reserve Funds under the Master Series are held in FRN's, VRDB's, and a GIC provided by BayernLB. The BayernLB GIC will terminate on July 1, 2026. BayernLB is rated "Aa2" by Moody's and "AA-" by Fitch. The BayernLB GIC pays DelVal a spread over the SIFMA Index. If BayernLB is downgraded below "A1" by Moody's, BayernLB may assign the GIC to another provider rated "A1" or higher, secure a guaranty rated "A1" or higher, execute a repurchase agreement acceptable to DelVal, or take any other action mutually acceptable to DelVal and BayernLB. If BayernLB is downgraded below "A3" by Moody's, DelVal may terminate the GIC or take any other action mutually acceptable to DelVal and BayernLB.

The remaining funds of the Master Series are deposited in a U.S. Treasury money market fund or a GIC provided by Citigroup Financial Products Inc. ("CFPI"). The obligations of CFPI are secured by a guaranty of Citigroup Inc. ("Citigroup"). CFPI pays DelVal an investment rate equal to a spread over the SIFMA Index. If the ratings of Citigroup are reduced below "Aa3" by Moody's or "AA-" by S&P, DelVal may require CFPI to post collateral with a third party, and if the ratings of Citigroup are reduced below "A3" by Moody's or "A-" by S&P, DelVal may terminate the CFPI GIC. Citigroup was downgraded below the "AA" threshold in 2009, and DelVal has required CFPI to post collateral of cash, U.S. Treasury obligations, or certain Agency securities with the Bank of New York Mellon to secure its obligations under the GIC. As of December 31, 2024, Citigroup was rated "A3" by Moody's, "BBB+" by S&P, and "A" by Fitch. The CFPI GIC terminates on May 28, 2042, three business days prior to the scheduled maturity date of the 2007 Series.

Funds held to originate new Loans in the Recycling Funds were provided originally from the proceeds of the DelVal Series. Deposits in other funds, principally the Revenue Funds, were provided from the net receipts of DelVal's operations. DelVal uses the Revenue Fund of the 1998 Series to clear most operating payments and receipts. DelVal's cash equivalents as of December 31, 2024, are set forth below.

3. LOANS TO LOCAL GOVERNMENTS

DelVal originates Loans to Participants to fund various capital projects pursuant to the terms, conditions, covenants and restrictions contained in the Indenture, Promissory Notes, and Loan Agreements. Principal repayments of the Loans are paid in accordance with amortization schedules established at closing. The interest rates on variable rate Loans vary with market conditions, linked to the SIFMA Index. The average interest rate on a variable rate Loan during 2024 was 3.892%, and interest rates on fixed rate Loans ranged from 0.640% to 5.827% for periods of one to thirty years.

Participants may prepay their Loans in whole or part with 30 days of notice to DelVal. Participants with fixed rate Loans may incur a prepayment penalty if they prepay prior to the option date or scheduled termination date of the interest rate swap transaction executed by DelVal to hedge the fixed rate. If DelVal incurs a cost to terminate the transaction, that cost would be passed onto the Participant as a prepayment penalty. Variable rate Loans can be prepaid with no penalty.

As of December 31, 2024, 234 Loans in the aggregate principal amount of \$960 million were outstanding to 101 different Participants located in nine counties. Loans to Delaware County accounted for 28.614% of the total principal outstanding.

A Participant pays an origination fee at the closing of the Loan, currently 0.50% of the principal amount, to pay the professional fees for preparation of advertisements, ordinances, resolutions, and closing documents. From this origination fee, DelVal retains an amount equal to 0.10% of the principal amount, less a \$500 fee for the Trustee, that is recognized as Loan interest income at the closing of the Loan.

A schedule of the Loan principal outstanding as of December 31, 2024, is shown below.

Interest on the Loans is payable monthly. Principal of the Loans is paid according to an amortization schedule established at the closing of each Loan, typically annual payments to provide level annual debt service. Interest rates of fixed and variable rate Loans are calculated monthly by the Administrator to provide funds sufficient to pay (i) debt service due on the DelVal Series, (ii) amounts due under interest rate swap agreements, and (iii) administrative expenses, including liquidity requirements, incurred to operate the Loan Program.

The minimum payments of the principal outstanding due from Loans to Participants are set forth below.

Covenant Agreement

DelVal adopted the Covenant Agreement in 2001 to improve the security of the bondholders of the DelVal Series. Under the terms of the Covenant Agreement, DelVal pledged to use any Excess Funds to cure any deficiency in any trust estate. Excess Funds can only be used for the Loan Program as long as any DelVal Series remains outstanding.

The Covenant Agreement was amended and restated in 2009 to further improve the security of the bondholders. The amendment requires the Participant (or its Guarantor) of a new Loan to have a published rating of “A3” or “A-” or higher (the “Rating Threshold”) unless the proportion of the principal amounts of uninsured Loans outstanding to Participants that are rated below the Rating Threshold to the total DelVal funds available to originate Loans (the “Loan Funds”) will not exceed 10% (the “Ratings Test”). Generally, DelVal requires a published rating at or above the Rating Threshold or a Participant Credit Enhancement for any new Loan of \$1 million or more, even if the Ratings Test is satisfied. DelVal does not normally require ratings or insurance for Loans less than \$1 million if the Ratings Test is satisfied and the credit is approved by the Administrator.

Assured Guaranty Municipal Corp. (“AGM”) and Build America Mutual Corp. (“BAM”) have issued financial guaranty policies with DelVal as the beneficiary, for the repayment of 13.71% of the Loan principal outstanding as of December 31, 2024. AGM merged into its affiliate Assured Guaranty Inc. (“AG”) on August 1, 2024, and the policies issued by AGM were assumed by AG. AG is rated “A1” with a stable outlook by Moody’s, “AA” with a stable outlook by S&P, and “AA+” with a stable outlook by Kroll Bond Rating Agency (“Kroll”). BAM is rated “AA” with a stable outlook by S&P.

The Ratings Test shown in the chart below gives equal weight to the ratings of the Rating Agencies. The Administrator monitors the published rating of each Participant and Guarantor. If the Participant or Guarantor has only one published rating, the analysis gives full weight to the published rating. If a Loan is insured, the analysis gives full weight to the higher of the rating of (i) the insurer or (ii) the Participant or Guarantor. As of December 31, 2024, 2.704% of the Loan Funds had been originated without insurance to Participants who were unrated or rated below the Rating Threshold. The chart below shows the Loan principal outstanding in each rating category as a percentage of the Loan Funds. The “Available Funds” are deposits in the Recycling Funds that are available to originate new Loans.

4. BONDS PAYABLE

DelVal has issued bonds periodically to provide funds to: (i) lend to Participants to finance and refinance the costs of projects; (ii) fund Debt Service Reserve Funds; and (iii) pay all or a portion of the costs of issuance of the bonds. Currently, no direct placements or borrowings are outstanding; all outstanding bond series have been issued through public sales. DelVal has no taxing power. The Indenture Series (the 1997, 1998, and 2002 Series) are limited obligations of DelVal, payable from and secured solely by the assets and revenues of each respective trust estate. The trust estates consist of the assets and revenues derived from proceeds of the bonds, Loans, interest rate swap transactions, and investments held under each Indenture Series. The Covenant Agreement and the Indenture provides additional security by pledging any Excess Funds to cure any deficiency of any DelVal Series.

On June 28, 2007, DelVal executed the Master Indenture under which all future parity bonds would be issued. Any series issued under the Master Indenture is secured equally and ratably by all assets and revenues held under the trust estate of the Master Indenture. Eight series outstanding as of December 31, 2024, were issued under the Master Indenture and a supplemental indenture. The 2007 Series was issued under the First Supplemental Indenture on June 28, 2007; the 2018 A Series was issued under the Fifth Supplemental Indenture on June 27, 2018; the 2020 D Series was issued under the Seventh Supplemental Indenture on November 2, 2020; the 2021 A Series was issued under the Eighth Supplemental Indenture on February 3, 2021; the 2022 ABC Series was issued under the Ninth Supplemental Indenture on February 10, 2022; the 2022 DE Series was issued under the Tenth Supplemental Indenture on July 14, 2022; the 2023 A Series was issued under the Eleventh Supplemental Indenture on February 22, 2023, and the 2024 AB Series was issued under the Twelfth Supplemental Indenture on September 3, 2024.

The DelVal Series fund a revolving loan pool program. When Loans are repaid, the principal repayments are deposited in the Recycling Fund and used to fund new Loans to Participants. DelVal

operates its Loan Program as one program. Loans may be assigned from one trust estate to another, or the funding may be split among two or more trust estates to facilitate the origination of new Loans and to match Loan repayments with maturities of the DelVal Series.

1997 Series

The 1997 Series was issued in the original par amount of \$140,000,000. The 1997 Series is secured by a municipal bond insurance policy issued by Ambac. The \$70,000,000 Local Government Revenue Bonds, 1997 Series A were redeemed on June 28, 2007, with a portion of the proceeds of the 2007 Series. The 1997 B Series was issued with a \$42,000,000 maturity on July 1, 2017, and an \$18,000,000 maturity, with a 5.70% coupon, maturing on July 1, 2027. The \$10,000,000 1997 C Series was issued with a 7.75% coupon, maturing on June 1, 2027. Interest on the 1997 Series is payable semiannually. The 1997 C Series was issued at an original issue premium of \$2,842,400.

Moody's and S&P originally rated the 1997 Series based solely upon the municipal bond insurance policy of Ambac. Following the filing by Ambac Financial Group, Inc. (Ambac's parent) for relief under Chapter 11 of the *United States Bankruptcy Code*, S&P withdrew its rating of the 1997 Series, and Moody's assigned a rating based solely upon the long-term rating of DelVal. As of December 31, 2024, Moody's had assigned a rating of "A1" with a stable outlook to the 1997 Series.

The 1997 B Series and the 1997 C Series are not subject to optional or mandatory redemption. Under certain circumstances defined in the 1997 Series Indenture, principally the inability to originate Loans for a protracted period of time, the 1997 Series may be subject to an Extraordinary Mandatory Redemption. In the event of such an extraordinary redemption, the Trust Indenture requires the 1997 B Series to be redeemed before the 1997 C Series. The 1997 B Series would be redeemed at par; the 1997 C Series would be redeemed at the premiums set forth in the 1997 Series Indenture.

The consent of Ambac for the funding of Loans from the 1997 Series is a requirement of the 1998 Series Indenture. To date, Ambac has cooperated in providing consents when necessary to fund loans from the 1997 Series; however, Ambac has been in run-off operations since 2009, and the future staffing and policies of Ambac are uncertain. If Ambac is unable or unwilling to approve the funding of Loans from the 1997 Series, DelVal may be obligated under the 1997 Series Indenture to apply the idle repayments to fund an Extraordinary Mandatory Redemption of the 1997 Series.

Loans originated or acquired by the 1997 Series must mature on or before July 1, 2027. The maturity constraint of the 1997 Series restricts the ability of DelVal to utilize deposits in the Recycling Fund of the 1997 Series accumulated from Loan repayments. The DelVal Board authorized the Extraordinary Mandatory Redemption of the 1997 Series as necessary to comply with the 1997 Series Indenture. On July 1, 2023, \$11,185,000 of the 1997 B Series was redeemed, and on July 1, 2024, \$5,155,000 of the 1997 B Series was redeemed.

DelVal entered into a master interest rate swap agreement related to the 1997 Series and executed interest rate swap transactions for each maturity of the 1997 Series. Under the terms of the interest rate swap transactions, DelVal pays a rate indexed to the SIFMA Index and receives fixed rate payments for the 1997 B Series and 1997 C Series. The interest rate swap transactions related to the 1997 B Series and 1997 C Series terminate on their respective maturity dates. The interest rate swap transactions allow DelVal to hedge its exposure to changes of long-term interest rates. See "Note 6. Derivative Financial Instruments" for additional information.

1998 Series

The 1998 Series was issued in the par amount of \$300,000,000. The 1998 Series is secured by a municipal bond insurance policy issued by Ambac. The \$25,000,000 Local Government Revenue Bonds, 1998 Series B and the \$25,000,000 Local Government Revenue Bonds, 1998 Series C matured on August

1, 2018. The coupon on the \$250,000,000 Local Government Revenue Bonds, 1998 Series A (the “1998 A Series”) is set at 5.50%, and interest is paid semiannually. The 1998 A Series mature on August 1, 2028. The 1998 A Series was issued at an original issue premium of \$18,060,000.

Moody’s and S&P originally rated the 1998 Series solely upon the municipal bond insurance policy of Ambac. Following the filing by Ambac Financial Group, Inc. (Ambac’s parent) for relief under Chapter 11 of the *United States Bankruptcy Code*, S&P withdrew its rating of the 1998 Series. Moody’s assigned a rating to the 1998 Series based solely upon the long-term rating of DelVal. As of December 31, 2024, Moody’s had assigned a rating of “A1” with a stable outlook to the 1998 Series.

The 1998 Series is not subject to optional or mandatory redemption. Under certain circumstances defined in the 1998 Series Indenture, principally the inability to originate Loans for a protracted period of time, the 1998 Series may be subject to an Extraordinary Mandatory Redemption at the premiums set forth in the 1998 Series Indenture.

The consent of Ambac for the funding of Loans from the 1998 Series is a requirement of the 1998 Series Indenture. To date, Ambac has cooperated in providing consents when necessary to fund loans from the 1998 Series; however, Ambac has been in run-off operations since 2009, and the future staffing and policies of Ambac are uncertain. If Ambac is unable or unwilling to approve the funding of Loans from the 1998 Series, DelVal may be obligated under the 1998 Series Indenture to apply the idle repayments to fund an Extraordinary Mandatory Redemption of the 1998 Series.

Loans originated or acquired by the 1998 Series must mature on or before August 1, 2028. The maturity constraint of the 1998 Series restricts the ability of DelVal to utilize deposits in the Recycling Fund of the 1998 Series accumulated from Loan repayments. On June 12, 2023, the DelVal Board authorized the Extraordinary Mandatory Redemption of the 1998 Series as necessary to comply with the 1998 Series Indenture. On August 1, 2023, \$30,465,000 of the 1998 Series was redeemed.

DelVal entered into a master interest rate swap agreement related to the 1998 Series and executed interest rate swap transactions for each maturity of the 1998 Series; the transactions terminate on the maturity dates of the related 1998 Series. Under the terms of the interest rate swap transactions, DelVal pays amounts indexed to the SIFMA Index and receives fixed payments. The interest rate swap transactions allow DelVal to hedge its exposure to changes of long-term interest rates. See “Note 6. Derivative Financial Instruments” for additional information.

The 2002 Series is not subject to optional or mandatory redemption. Under certain circumstances defined in the 2002 Series Indenture, principally the inability to originate Loans for a protracted period of time, the 2002 Series may be subject to an Extraordinary Mandatory Redemption at the premiums set forth in the 2002 Series Indenture.

DelVal entered into a master interest rate swap agreement related to the 2002 Series and executed interest rate swap transactions related to each maturity of the 2002 Series. Interest on the 2024 B Series is paid monthly on the first business day. The interest rates of the 2024 B Series are set at the minimum rate of interest, in the opinion of the remarketing agent, necessary to remarket the bonds in a secondary market transaction at par. The maximum interest rate, as defined in the Twelfth Supplemental Indenture, is 15%. Holders of the 2024 B Series may daily tender the bonds to the remarketing agent at par.

5. CREDIT FACILITIES

1997 Series and 1998 Series

The payments of interest on and principal of the 1997 Series and the 1998 Series are secured by municipal bond insurance policies issued by Ambac Assurance Corporation. The bond insurance is in effect to the maturity dates of the 1997 Series and 1998 Series. The bond insurance premiums paid to Ambac at closing are amortized on a straight-line basis over the 30-year terms. As of December 31, 2024, Moody's, S&P, and Fitch had all withdrawn their ratings of Ambac.

2007 B Series

DelVal, as required by the First Supplemental Indenture, maintains a direct draw letter of credit in the amount of \$50,924,658 as security for the payment of principal of and accrued interest on the 2007 B Series. DelVal entered into an agreement with PNC Bank, National Association, on May 1, 2017, to provide the requisite letter of credit. On May 19, 2022, the agreement was amended to extend the termination date to May 19, 2026. During 2024, DelVal paid \$152,774 to PNC for facility fees and \$3,000 for draw fees. As of December 31, 2024, PNC was assigned letter-of-credit ratings of "A1/P-1" by Moody's, "A/A-1" by S&P, and "A+/F1+" by Fitch.

2020 D Series

Pursuant to the Seventh Supplemental Indenture, a direct draw letter of credit in the amount of \$76,386,987 secures the payment of principal of and accrued interest on the 2020 D Series. DelVal entered into an agreement with TD Bank, N.A. as of November 1, 2020, to provide the requisite letter of credit. The agreement was amended on July 14, 2022, and the scheduled termination date was extended to June 1, 2026. During 2024, DelVal paid \$198,606 of facility fees and \$3,000 of draw fees to TD. On October 18, 2024, S&P downgraded TD's credit rating from "AA-/A-1+" to "A+/A-1". Moody's downgraded TD's rating from "Aa3/P-1" to "A1-P-1" on October 30, 2024.

2022 E Series

Pursuant to the Tenth Supplemental Indenture, a direct draw letter of credit in the amount of \$76,386,987 secures the payment of principal of and accrued interest on the 2022 E Series. DelVal entered into an agreement with TD Bank, N.A. as of July 14, 2022, to provide the requisite letter of credit. The scheduled termination date of the TD letter of credit is July 14, 2027. During 2024, DelVal paid \$213,884 of facility fees and \$3,000 of draw fees to TD. On October 18, 2024, S&P downgraded TD's credit rating from "AA-/A-1+" to "A+/A-1". Moody's downgraded TD's rating from "Aa3/P-1" to "A1-P-1" on October 30, 2024.

2024 B Series

Pursuant to the Twelfth Supplemental Indenture, a direct draw letter of credit in the amount of \$106,941,781 secures the payment of principal of and accrued interest on the 2024 B Series. DelVal entered into an agreement with TD Bank, N.A. as of September 3, 2024, to provide the requisite letter of credit. The scheduled termination date of the TD letter of credit is September 4, 2029. During 2024, DelVal paid \$91,163 of facility fees and \$750 of draw fees to TD. Bank counsel fees and an issuance fee of \$30,580 were paid from proceeds of the bonds at closing. On October 18, 2024, S&P downgraded TD's credit rating from "AA-/A-1+" to "A+/A-1". Moody's downgraded TD's rating from "Aa3/P-1" to "A1-P-1" on October 30, 2024.

Participant Credit Enhancers

Certain Loans are secured by Participant Credit Enhancements, financial guaranty policies, with DelVal as the beneficiary. Premiums for the policies were paid from DelVal's origination fees or Loan proceeds at the closing of each Loan. As of December 31, 2024, approximately 13.09% of the Loan principal outstanding, approximately \$131.7 million, was insured by AG or BAM. As of December 31, 2024, AG was rated "A1" by Moody's, "AA" by S&P, and "AA+" by Kroll, and BAM was rated "AA" by S&P. Participant Credit Enhancers have never been required to make any payments to DelVal under the financial guaranty policies.

6. DERIVATIVE FINANCIAL INSTRUMENTS

One of the primary objectives of the DelVal Loan Program is to provide variable rate and fixed rate Loans with interest rates competitive with private placement and public sale options under any market conditions. To achieve this goal, DelVal began hedging the interest rate and basis risks of the DelVal Series by executing Bonds Swap transactions under which DelVal receives a payment with the same basis as the related DelVal Series, and DelVal pays the SIFMA Index. In addition to hedging interest rate and basis risks, the use of Bond Swaps allowed DelVal to diversify the types of fixed and floating rate debt it could issue and to select the type of debt that minimized its net cost of funds. The result is a cost of funds equal to the SIFMA Index plus a spread that is comparable to the cost of funds DelVal realizes with the weekly VRDB DelVal Series.

The use of Bond Swaps also enabled DelVal to provide a competitive fixed rate Loan to Participants. By executing Loan Swaps, under which DelVal pays a fixed rate and receives the SIFMA Index, DelVal could hedge the interest rate risk of providing a fixed rate Loan.

DelVal has also used Investment Swap transactions to eliminate the basis risk of restricted investments in FRN's that are based on SOFR. Under these transactions, DelVal pays a rate based on SOFR and receives a rate based on the SIFMA Index.

DelVal has executed Master Agreements (collectively, the "Swap Agreement") with six Counterparties. All the Master Agreements are secured on a parity basis with bondholders. A listing of the Counterparties is shown below.

- 1) Bank of America, N.A. ("BANA"),
- 2) Citibank, N.A. ("Citibank"),
- 3) Barclays Bank PLC ("Barclays"),
- 4) PNC Bank, National Association ("PNC"),
- 5) The Toronto-Dominion Bank ("T-D"), and
- 6) The Royal Bank of Canada ("RBC").

The Administrator sets Loan rates at levels sufficient to pay (i) debt service on the DelVal Series, (ii) any related Bond Swap or Loan Swap payments, and (iii) DelVal's administrative costs. Below is a chart that depicts the cash flows.

Cash Flows of Debt Service, Loan Payments, Investments, and Swap Transactions

- (1) Transactions executed to create a pool of funds with a net cost comparable to a VRDB and hedge long-term interest rate risk and basis risk.
- (2) Transactions executed to hedge the interest rate risk of providing a fixed rate Loan.
- (3) Loan rates are set monthly by the Administrator at levels sufficient to pay (i) debt service on the DelVal Series, (ii) net payments on Bond Swaps, Loan Swaps, and Investment Swaps, and (iii) administrative costs.
- (4) Transactions executed to hedge the SOFR basis risk of floating rate investments.

As of December 31, 2024, Bond Swap transactions in the notional amount of \$901,695,000, Loan Swap transactions in the notional amount of \$943,302,600, and Investment Swaps in the notional amount of \$21,700,000 were outstanding. Effectiveness of the Swap Agreements

All Bond Swaps, Loan Swaps, and Investment Swaps are effective hedges under the “consistent critical terms” and “quantitative methods” standards of the Governmental Accounting Standards Board Statement No. 53 (“GASB 53”).

The Bond Swaps are effective under both the consistent critical terms and the quantitative methods standards of GASB 53:

- 1) The transactions hedge exposure to changes of long-term interest rates,
- 2) The transactions hedge exposure to basis risk,
- 3) The transactions allow DelVal to reduce the dependence on credit facilities to secure variable rate DelVal Series,
- 4) The transactions enable DelVal to diversify the types of debt instruments it issues to fund the Loan Program, and
- 5) The transactions enable DelVal to realize all-in costs comparable to a weekly VRDB.

As of December 31, 2024, 253 Loan Swap transactions in the notional amount of \$943,302,600 were executed with BANA, Barclays, PNC, RBC, and T-D to provide fixed rate loans to 101 Participants. These Loan Swaps were effective hedges under both the consistent critical terms and the quantitative standards of GASB 53:

- 1) The transactions allow DelVal to provide fixed rate Loans without incurring the costs of issuance to remarket a series of fixed rate bonds.
- 2) The transactions allow DelVal to hedge the interest rate risk of providing fixed rate Loans and allow DelVal to provide fixed rate Loans that are competitive with bank loans and bond issues.

Below is a summary of the fixed rate Loan repayments, the related Loan Swap receipts and payments, and the related Bond Swap payments in 2024.

Below is a summary of the provisions and risks of the interest rate swap agreements.

LIBOR Indices

Bond Swap transactions with floating rate payments based on LIBOR were converted to SOFR based rates as of June 30, 2023, when publication of representative LIBOR was terminated.

Interest Rate Risk

The principal interest rate risk of a revolving loan program is the risk that the costs of funds will not be competitive with financing options in the future. If DelVal issued fixed rate bonds to fund the Loan Program, the risk would be that fixed rates could decline making DelVal's cost of funds uncompetitive with other financing options. DelVal has executed swap transactions for all DelVal Series that are fixed rate to receive a fixed rate and to pay the SIFMA Index. DelVal's cost of funds moves with the benchmark SIFMA Index and is always aligned with the current market conditions. This allows DelVal to offer variable rate loans at market levels. By entering into Loan Swap transactions, under which DelVal pays a fixed rate and receives the SIFMA Index, DelVal can always be on the market for fixed rate Loans.

Basis Risk

A basis risk occurs when payments received under a swap transaction are based on a different index or type of interest rate than the related debt obligation. If DelVal issued bonds indexed to SOFR or some other taxable index rate, the risk would be that the ratio of tax-exempt rates to the taxable rate could decrease making DelVal's cost of funds uncompetitive. DelVal has executed swap transactions for all DelVal Series based on SOFR or Term SOFR to receive a payment of SOFR or Term SOFR and to pay the SIFMA Index. This eliminates the basis risk and allows DelVal to execute Loan Swaps to provide fixed rate Loans.

None of the swap transactions executed by DelVal entails a basis risk. Transactions with basis risk are not permitted under DelVal's Interest Rate Swap Management Policy. The basis of Bond Swaps and Loans Swaps matches the basis of the DelVal Series and Loans.

Termination Risk

Termination risk is the risk that certain events occur that allow the Counterparty to a swap transaction to terminate that transaction. All or a portion of the transactions under the DelVal Swap Agreement may be terminated with the mutual consent of DelVal and the respective Counterparty. A termination of transactions could also be triggered in the event of: (i) large payment defaults by one or more Participants, (ii) a payment default by DelVal or the Counterparty under the DelVal Swap Agreement, (iii) the occurrence of events that may precipitate a payment default by DelVal or the Counterparty, or (iv) the downgrading of the long-term, unsecured, senior debt ratings of the Counterparty or DelVal (See "CREDIT RISK" below.). None of the DelVal Swap Agreements have ever been terminated.

In all instances of termination, except a Loan Swap termination due to a payment default by a Participant, DelVal would seek to replace the terminated transaction with new transactions on similar terms and conditions or novate the affected transactions to a different Counterparty. The payment or receipt of the terminated or novated transactions should largely offset the receipts or payments to replace or novate the transactions. Under the terms of the Loan Agreements, each Participant is obligated to pay the termination fee of the portion of the Bond Swap and Loan Swap transactions allocable to the Participant's Loan.

The most likely causes for termination of Loan Swap transactions are under the control of the Participants: (i) a Participant elects to prepay its Loan before the termination or option date of the Loan Swap transaction executed to hedge the fixed rate or (ii) a Participant defaults on its payments due under a fixed rate Loan. All or a portion of a Bond Swap may be terminated with the mutual consent of DelVal and the Counterparty. This would normally occur if DelVal were redeeming a portion of the DelVal Series, restructuring the Bond Swaps, or replacing the Counterparty, and in these instances DelVal would be unlikely to consent if it would incur a Termination Payment. A global termination of the DelVal Swap Agreement without replacement or novation of the transactions would only occur if: (i) a cataclysm in the interest rate swap market precipitated a default by the Counterparty and a replacement Counterparty could not be secured or (ii) an economic cataclysm triggered defaults by a large number of Participants.

Credit Risk

Rating downgrades by Moody's and S&P can precipitate a requirement to post collateral or to terminate under the DelVal Swap Agreement. The failure to post collateral when it is required constitutes an event of default under the DelVal Swap Agreement and may result in termination.

The BANA Agreements require BANA to post collateral equal to the market value of each of the swap agreements executed with DelVal if the long term, unsecured, senior debt ratings of BANA are reduced below "A2" by Moody's or "A" by S&P. DelVal is not obligated to post collateral to BANA. If the long-term, unsecured, senior debt ratings of BANA or DelVal are downgraded below "Baa2" by Moody's or "BBB" by S&P, the respective counterparty may terminate the BANA Agreements.

The Citibank Agreement requires Citibank to post collateral equal to the market value if the ratings of Citibank are reduced below "A2" by Moody's and "A" by S&P. If the ratings of DelVal are downgraded below "A3" by Moody's or "A-" by S&P, DelVal would be obligated to post collateral equal to the market

value. If the long-term, unsecured, senior debt ratings of Citibank, or DelVal are downgraded below “Baa3” by Moody’s or “BBB-” by S&P, the respective counterparty may terminate the Citi Agreement.

The Barclays Agreement, PNC Agreement, T-D Agreement, and RBC Agreement allow DelVal or the Counterparty to terminate the agreement if the other counterparty is downgraded below “Baa1” by Moody’s or “BBB+” by S&P. Neither these Counterparties nor DelVal are obligated to post collateral.

A summary of the Counterparty ratings and the market values of the DelVal Swap Agreement are shown below.

Market Access

Market access risk is the risk that bonds or Loans that are related to swap transactions cannot be issued or remarketed. DelVal does not execute Bond Swaps until the related DelVal Series has been issued or remarketed, and DelVal does not execute Loan Swaps until the Loan has been authorized.

Rollover Risk

Rollover risk is the risk that the termination dates of Bond Swaps do not match the scheduled maturity or remarketing dates of the related DelVal Series or Loans and that, due to market disruptions or deterioration of credit quality, execution of new swap transactions or remarketing of the DelVal Series is not possible. The scheduled termination dates of the Bond Swaps match the maturity dates or are structured to terminate on or after the mandatory purchase date of the related DelVal Series. The DelVal Series that are subject to mandatory purchase have staggered remarketing dates. If a new Bond Swap were necessary to hedge DelVal’s interest rate risks for a remarketing and if such a hedge could not be secured, DelVal would not remarket that series. The cash flow from Loan repayments and deposits in the Debt Reserve Funds would be sufficient to redeem any tranche that could not be remarketed. If the Bond Swap bridged the mandatory purchase date, depending on the economics of the transaction, DelVal would terminate, amend, or transfer the transaction to a different DelVal Series.

7. FAIR VALUE OF INVESTMENTS AND RESTRICTED INVESTMENTS

The carrying value of investments and restricted investments is the fair value of those investments. Investments and restricted investments are valued using pricing models that maximize the use of observable inputs of transactions of those investments and restricted investments and observable inputs of similar securities.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

The schedule below shows the level of the fair value hierarchy of investments and restricted investments at fair value as of December 31, 2024. The floating rate notes are valued at Level 2 because the notes and similar notes are traded and quoted in the market, but trading is sporadic and often in small lots. The valuation is based on valuation models that incorporate the observed trades and other market parameters.

Floating rate notes	\$ -	\$ 21,752,814	\$ -	\$ 21,752,814

[PROPOSED FORM OF BOND COUNSEL OPINION]

December __, 2025

Re: Delaware Valley Regional Finance Authority
(Bucks, Chester, Delaware and Montgomery Counties, Pennsylvania)
\$60,000,000 Local Government Revenue Bonds, 2025 Series A and
\$140,000,000 Local Government Revenue Bonds, 2025 Series B

To The Purchasers of the Within-Described Bonds:

We have served as bond counsel in connection with the issuance by the Delaware Valley Regional Finance Authority (the “Authority”) of \$60,000,000 Local Government Revenue Bonds, 2025 Series A and \$140,000,000 Local Government Revenue Bonds, 2025 Series B (collectively, the “Bonds”). The Authority is a body corporate and politic, existing under the laws of the Commonwealth of Pennsylvania (the “Commonwealth”) pursuant to the Municipality Authorities Act, 53 Pa. C.S. Ch. 56, as supplemented and amended (the “Act”), having been organized by the Council of Delaware County, and the Boards of County Commissioners of Bucks, Chester and Montgomery Counties, Pennsylvania (the “Counties”). Capitalized terms used herein and not otherwise defined, shall have the meanings set forth in the Indenture (as defined below).

The Bonds are issued under and pursuant to: (i) the Act; (ii) a Resolution adopted by the Board of Directors of the Authority (the “Board”) on May 12, 2025 (the “Resolution”); and (iii) a Master Trust Indenture, dated as of June 28, 2007, as amended and restated as of May 13, 2024 (the “Master Indenture”), as supplemented by the Thirteenth Supplemental Indenture dated December 17, 2025 (the “Thirteenth Supplemental Indenture”, and together with the Master Indenture, the “Indenture”), each by and between DelVal and TD Bank, N.A. (as successor to Commerce Bank, N.A.), as Trustee, for the purpose of funding: (i) the origination of new loans to Participants; (ii) the acquisition of loans from DelVal’s Local Government Revenue Bonds, 2007 Series B (the “2007 B Bonds”) and DelVal’s Local Government Revenue Bonds, 2022 Series B (the “2022 B Bonds”) in order to optionally redeem the 2007 B Bonds and the 2022 B Bonds; (iii) a deposit to the Debt Service Reserve Fund; and (iv) the payment of costs related to the issuance of the Bonds.

As Bond Counsel for the Authority, we have examined the Act, applicable provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder or made applicable with respect thereto (collectively, the “Code”), the Debt Act, original counterparts or certified copies of the Resolution, the Master Indenture, the Thirteenth Supplemental Indenture, a certificate of the Authority dated the date hereof (the “Tax Compliance Certificate”) relating to the Bonds intended to satisfy certain provisions of the Code, opinions as to various matters delivered by the Solicitor to the Authority and such other documents, certifications, instruments and records listed in the Index of Closing Documents in respect of the Bonds filed this date with the Trustee. We have also examined the fully executed and authenticated Bonds, or a true copy thereof.

In rendering the opinion set forth below, we have relied upon the genuineness, accuracy and completeness of all documents, records, certifications and other instruments we have examined, including, without limitation, the authenticity of all signatures appearing thereon. We have also relied, in the opinion set forth below, upon the opinion of the Solicitor to the Authority as to all matters of fact and law set forth therein.

Except with respect to paragraph 6 below, our opinion is given only with respect to the internal laws of the Commonwealth as enacted and construed on the date hereof. With respect to paragraph 6 below, our opinion is given only with respect to the federal laws of the United States of America as enacted and construed on the date hereof.

Based on the foregoing, we are of the opinion that:

1. The Authority is a body corporate and politic, validly existing under the laws of the Commonwealth and the Act, and at all relevant times had and has full power and authority thereunder to execute and deliver the Indenture and to issue the Bonds pursuant to the Act and the Indenture.

2. The Thirteenth Supplemental Indenture has been duly authorized, executed and delivered by the Authority and the Indenture is the legal, valid and binding obligation of the Authority enforceable in accordance with the terms thereof, except to the extent enforcement thereof may be affected by bankruptcy, insolvency, reorganization, moratorium or other similar laws or legal or equitable principles affecting the enforcement of creditors' rights ("Creditors' Rights Limitations").

3. The Bonds have been duly authorized, executed and issued by the Authority and are the legal, valid and binding special, limited obligations of the Authority, payable solely from the sources described in the Indenture, and enforceable in accordance with the terms thereof, except to the extent enforcement thereof may be affected by Creditors' Rights Limitations, and the Bonds are entitled to the benefit and security of the Indenture to the extent provided therein.

4. All conditions precedent to the issuance and delivery of the Bonds contained in the Indenture and the Act have been fulfilled.

5. Under the laws of the Commonwealth as enacted and construed on the date hereof, interest on the Bonds is exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax; however, under the laws of the Commonwealth as enacted and construed on the date hereof, any profits, gains or income derived from the sale, exchange or other disposition of the Bonds will be subject to Commonwealth taxes and local taxes within the Commonwealth.

6. Under existing statutes, regulations, rulings and court decisions, interest on the Bonds will not be includible in gross income of the holders thereof for federal income tax purposes,

assuming continuing compliance by the Authority and the Participants, respectively, with the requirements of the Code. Interest on the Bonds will not be a specific preference item for purposes of computing the federal alternative minimum tax on individuals.

In rendering this opinion, we have assumed compliance by the Authority with its covenants contained in the Indenture, the covenants of Participants in the Loan Agreements, and the representations and covenants in the Tax Compliance Agreement executed by the Authority on the date of issuance of the Bonds relating to actions to be taken or caused to be taken, by the Authority or by the Participants after the issuance of the Bonds necessary to effect or maintain the exclusion from gross income of the interest on the Bonds for federal income tax purposes. These covenants and representations relate to, *inter alia*, the use and investment of proceeds of the Bonds and the rebate to the United States Department of Treasury of specified arbitrage earnings, if any. Failure to comply with such covenants could result in the interest on the Bonds becoming includible in gross income for federal income tax purposes from the date of issuance of the Bonds.

We express no opinion on any matter not set forth in the numbered paragraphs herein. This opinion is given as of the date hereof and we assume no obligation to supplement this opinion to reflect any changes in fact or law that may hereafter occur or changes in facts or circumstances that may hereafter come to our attention. Without limiting the generality of the foregoing, we express no opinion herein with respect to and assume no responsibility for, the accuracy, adequacy or completeness of the Preliminary Official Statement or the Official Statement prepared in respect of the Bonds, and make no representation that we have independently verified the contents thereof.

Very truly yours,

ECKERT SEAMANS CHERIN & MELLOTT, LLC

If DelVal does not receive the Annual Report for any Material Participant by the deadline established in the Material Participant Disclosure Agreement entered into by such Material Participant, DelVal agrees to send a notice of such failure to the Dissemination Agent within ten (10) Business Days of the deadline.

(e) If the Dissemination Agent receives such notice from DelVal and is unable to verify that such Annual Report has been provided to the Repository, the Dissemination Agent shall send a notice to the Repository in substantially the form attached hereto as Exhibit B.

SECTION 4. Content of Annual Financial Information from DelVal and each Material Participant. Each Annual Report shall contain or incorporate by reference the following:

(a) For DelVal, audited financial statements prepared in accordance with generally accepted accounting principles (“GAAP”), including a “Management’s Discussion and Analysis” section that updates such information under the heading “APPENDIX I – DELAWARE REGIONAL FINANCE AUTHORITY” of the Official Statement relating to the Bonds which DelVal determines is material to the holders of the Bonds; and

(b) For each Material Participant, audited financial statements for such Material Participant prepared in accordance with GAAP, or in accordance with the reporting requirements of the Department of Community and Economic Development of the Commonwealth of Pennsylvania if GAAP statements are not prepared in accordance with GAAP or otherwise as may be provided to DelVal by the Material Participant.

Any or all of the items listed above may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Obligated Person is an “obligated person” (as defined in the Rule), which have been filed with the Repository. If the document incorporated by reference is a final official statement, it must be available from the MSRB. DelVal shall clearly identify each such document so incorporated by reference.

DelVal reserves the right to modify from time to time the specific types of information provided and the format of the presentation of such information, to the extent necessary or appropriate in the judgment of DelVal; provided that DelVal agrees that any such modification will be done in a manner consistent with the Rule. DelVal may, at its option, satisfy this obligation by providing an official statement for one or more series of bonds or by specific reference, in accordance with the Rule, to one or more official statements previously provided and available from the MSRB.

The foregoing 16 Listed Events are quoted from the Rule.

(b) Upon the occurrence of one of the Listed Events, DelVal through the Disclosure Representative shall file, or cause the Dissemination Agent to file, a notice of such occurrence with the MSRB via the Repository in a timely manner not in excess of ten (10) business days after the occurrence of such event.

(c) Nothing in this Disclosure Agreement is intended to modify or limit the right of TD Bank, N.A. in its capacity as Trustee under the Indenture to provide notices and other information to Bondholders and such other parties as it deems appropriate in the performance of its duties as Trustee.

(d) Each notice of occurrence of a Listed Event filed pursuant to Section 5(b) shall contain on the cover page in bold face type the following: “The information contained herein is being filed by the Delaware Valley Regional Finance Authority for the purpose of complying with its obligations under Securities and Exchange Commission Rule 15c2-12. The information contained herein is as of the date set forth below. TD Bank, N.A. as Dissemination Agent has not

participated in the preparation of this notice, has not examined its contents and makes no representation concerning the accuracy and completeness of the information contained herein.

SECTION 6. Termination of Reporting Obligation. DelVal's obligations under this Disclosure Agreement shall terminate (1) upon the defeasance, prior redemption or payment in full of all of the Bonds, (2) upon repeal or rescission of Section (b)(5) of the Rule or (3) upon a final determination that Section (b)(5) of the Rule is invalid or unenforceable.

SECTION 7. Amendment: Waiver. DelVal and the Dissemination Agent may amend this Disclosure Agreement only in a manner which is consistent with the Rule. Prior to executing any amendment, DelVal or the Dissemination Agent may request that an opinion be provided by counsel, knowledgeable in federal securities laws and acceptable to DelVal and the Dissemination Agent, as to consistency of the amendment with the Rule. The Disclosure Representative shall provide notice of any amendment to the Dissemination Agent and the Dissemination Agent shall promptly file such notice with the Repository.

SECTION 8. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent DelVal from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If DelVal chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, DelVal shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 9. Default. In the event of a failure of DelVal or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Bondholders' sole remedy shall be to institute an action against DelVal or the Dissemination Agent for specific performance of their obligations hereunder, and such failure shall not constitute an Event of Default under the Indenture.

SECTION 10. Duties, Immunities and Liabilities of Disclosure Representative and Dissemination Agent.

(a) DelVal hereby appoints TD Bank, N.A. to serve as Dissemination Agent under this Agreement. DelVal may discharge the Dissemination Agent, with or without appointing a successor to it. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by DelVal pursuant to this Disclosure Agreement. If at any time there is not a designated Dissemination Agent, DelVal shall perform all duties and obligations of the "Dissemination Agent" under this Agreement.

(b) The Dissemination Agent accepts and agrees to perform the duties imposed upon it by this Agreement, but only upon the terms and conditions set forth herein. To the extent that TD Bank, N.A.'s duties as Dissemination Agent conflict with its duties as Trustee under the Indenture, the duties of TD Bank, N.A. as Trustee shall take precedence.

(c) The Disclosure Representative and the Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and DelVal (i) releases the Disclosure Representative and the Dissemination Agent from any claim arising out of the discharge of any duties hereunder and (ii) agrees to indemnify and defend and save the Disclosure Representative, the Dissemination Agent, their respective officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but as to the foregoing (i) and (ii) excluding liabilities due to the gross negligence or willful misconduct of the Disclosure Representative or the Dissemination Agent. The obligations of DelVal under this Section shall survive the resignation or removal of the Disclosure Representative and/or the Dissemination Agent and payment of the Bonds.

(d) The Dissemination Agent shall be under no obligation to institute any suit, or to take any proceeding under this Disclosure Agreement, or to enter any appearance or in any way defend in any suit in which it may be made a defendant, or to take any steps in the execution of the duties hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and expenses and other reasonable disbursements, and against all liability. The Dissemination Agent may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Dissemination Agent, without indemnity, and in such case DelVal shall reimburse the Dissemination Agent upon demand for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred and against all liabilities in connection therewith.

(e) If at any time it shall be necessary or desirable for the Dissemination Agent to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Dissemination Agent, and in any case in which this Disclosure Agreement provides for permitting or taking any action, the Dissemination Agent may rely upon any certificate required or permitted to be filed with it under the provisions of this Disclosure Agreement, and any such certificate shall be evidence of such fact to protect the Dissemination Agent in any action that it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Disclosure Agreement, any request, notice or other instrument from DelVal to the Dissemination Agent shall be deemed to have been signed by the proper party or parties if signed by the Chairman or Vice-Chairman, and the Dissemination Agent may accept a certificate signed by an individual who represents to the Dissemination Agent in writing that he or she is an authorized officer of DelVal as to any action taken by DelVal.

(f) The Dissemination Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably believed by it to be in accordance with the terms of this Disclosure Agreement, or upon any resolution, order, notice, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Disclosure Agreement, or upon the written opinion of any attorney or accountant, and the Dissemination Agent shall be under no duty to make any investigation or inquiry as to statements

contained or matters referred to in any such instrument or opinion, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Dissemination Agent may execute any of the powers hereof and perform the duties required of it hereunder by or through attorneys, agents, receivers or employees, and shall be entitled to advice of counsel concerning all matters of law and its duty hereunder, and the Dissemination Agent shall not be answerable for any act or omission of any such attorney, agent or employee selected by it with reasonable care. The Dissemination Agent shall not be answerable for the exercise of any discretion or power under this Disclosure Agreement or for anything whatever in connection with the performance of its duties hereunder, except only for its own willful misconduct or gross negligence. For purposes of this Disclosure Agreement, matters shall not be deemed to be known to the Dissemination Agent unless they are known by a responsible officer in the Dissemination Agent's corporate trust group with responsibility for the Bonds.

(g) The Dissemination Agent may resign and thereby become discharged from the duties as such under this Disclosure Agreement by notice in writing mailed, postage prepaid, to DelVal, such resignation to become effective on the tenth (10th) Business Day following DelVal's receipt of notice thereof (or at such different date and time as stated in such notice). Any such resignation shall take effect immediately upon the appointment of a new Dissemination Agent hereunder, if such new Dissemination Agent shall be appointed before the time stated in such notice (if any) and shall then accept the duties of Dissemination Agent hereunder.

SECTION 11. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 12. Notices. Any notice or communication to or among the parties to this Disclosure Agreement may be given as follows:

SECTION 13. Electronic Notice. If and to the extent electronic filing with a central repository is authorized by the Securities and Exchange Commission pursuant to the Rule, the obligations of DelVal and the Dissemination Agent shall be deemed satisfied hereunder by following the procedures so authorized.

SECTION 14. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of DelVal, the Dissemination Agent, the Underwriter and the Bondholders and shall create no rights in any other person or entity.

SECTION 15. No Personal Recourse. No personal recourse shall be had for any claim based on this Disclosure Agreement against any member, officer, or employee, past, present or future, of DelVal or the Disclosure Representative, or of any successor thereto.

SECTION 16. Governing Law. This Disclosure Agreement and all matters arising out of or related to this Disclosure Agreement shall be governed by and construed in accordance with the laws of the Commonwealth, without regard to its conflict of laws principles.

THIS MASTER TRUST INDENTURE (the “Indenture”) is dated as of June 28, 2007, amended pursuant to a First Supplemental Indenture as of June 28, 2007, amended pursuant to a Second Supplemental Indenture as of August 1, 2009, amended and restated as of August 3, 2009, amended and restated as of September 12, 2011, amended and restated as of April 9, 2012, amended and restated as of June 9, 2014, amended and restated as of December 8, 2014, amended and restated as of August 13, 2018, amended and restated as of December 14, 2020, amended and restated as of January 10, 2022, and amended and restated as of May 13, 2024, by and between the DELAWARE VALLEY REGIONAL FINANCE AUTHORITY (the “DelVal”), a body corporate and politic organized and existing under the laws of the Commonwealth of Pennsylvania, and TD BANK, N.A. (as successor to Commerce Bank, N.A.), a national banking association, and any Co-Trustee appointed by the Trustee or DelVal under Section 11.10 herein, as trustee (the “Trustee”).

Background

A. DelVal is a body corporate and politic organized and existing under the laws of the Commonwealth of Pennsylvania pursuant to the *Municipality Authorities Act, 53 Pa. C.S. Ch. 56*, (the “*Authorities Act*”), having been duly organized by the Council of Delaware County and the Boards of County Commissioners of Bucks, Chester and Montgomery Counties (collectively, the “Counties”), all in the Commonwealth of Pennsylvania.

B. DelVal was formed to undertake projects for (i) “Local Government Units,” as such term is defined in the *Local Government Unit Debt Act*, approved July 12, 1972, P.L. 781, as re-enacted on April 28, 1978, P.L. 124 and December 19, 1996, P.L. 1158 (the “*Debt Act*”), (ii) other political subdivisions whose obligations to DelVal are guaranteed, and (iii) authorities organized under the *Authorities Act* or any other Commonwealth Law (as herein defined) by or on behalf of the Commonwealth, any Local Government Unit or jointly by any one or more of the foregoing, any such project undertaken by DelVal to constitute a “Project” as such term is defined herein.

C. Pursuant to the *Authorities Act*, DelVal may issue its bonds in furtherance of projects for, on behalf of, or guaranteed by, Participants (as defined herein), and, as security for the payment of the principal of, and the interest on any such bonds so issued, to pledge the revenues from any such Projects or from any loans made by DelVal.

D. In order to establish a program (the “Pooled Loan Program” or “Program”) to assist Participants in financing or refinancing the acquisition, erecting, extending, improving, equipping or repairing of Projects, DelVal is entering into this Indenture which shall be for equal benefit, protection and security of Bondholders of any and all Bonds from time to time issued pursuant to the terms of this Indenture, all of which, without regard to the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any Series of Bonds over any other Series thereof, except as otherwise expressly provided in or permitted by this Indenture or any Supplemental Indenture.

E. The proceeds of the sale of any Series of Bonds shall be used, as provided in a Supplemental Indenture with respect to such Series to, inter alia: (i) provide funds for Loans to

Participants for the purpose of, and in order to assist the Participants in, financing or refinancing the acquisition, erecting, extending, improving, equipping or repairing of Projects; (ii) refund any prior series of Bonds issued under this Indenture or any other outstanding bonds issued by DelVal under any other indenture; (iii) fund a portion of the Debt Service Reserve Fund; and (iv) pay certain fees and costs incurred in connection with the foregoing and the issuance of the Series of Bonds.

F. DelVal has determined that in order to achieve the lowest borrowing costs for Participants and to meet the management objectives of the Participants, the Loans may be either Variable Rate Loans or Fixed Rate Loans.

G. In order to achieve its programmatic objects of providing variable interest rate and fixed interest rate loans to Participants at the lowest possible cost, DelVal may, on such dates as is designated by DelVal, enter into one or more Swap Agreements with a Swap Counterparty.

H. Until the proceeds of any Series of Bonds deposited with the Trustee for the purpose of acquiring Loans are disbursed for such purposes, such proceeds shall be invested as directed herein or by a Supplemental Indenture.

I. All Bonds shall be issued under and secured by this Indenture, and DelVal is empowered to execute and deliver this Indenture, all Supplemental Indentures and the Loan Agreements.

J. Bonds and the authentication certificates thereon shall be in such forms as are set forth in each Supplemental Indenture executed in connection with the issuance of a Series of Bonds.

K. All things necessary to make Bonds, when authenticated by the Trustee and issued as provided in this Indenture, the valid, binding and legal obligations of DelVal according to the terms thereof, and to constitute this Indenture a valid assignment and pledge of the Revenues (as hereinafter defined) pledged to the payment of the principal and redemption price of and interest on Bonds and a valid assignment and pledge of the rights of DelVal in the Swap Agreements, the Investment Agreements, and the Loan Agreements, and the creation, execution and delivery of this Indenture, and the creation, execution and issuance of Bonds, subject to the terms hereof, have in all respects been duly authorized.

NOW, THEREFORE, THIS INDENTURE OF TRUST WITNESSETH:

of such Bonds, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

Section 2.05 Authentication.

No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond, substantially in the form set forth in the Supplemental Indenture authorizing such Bond, has been duly executed and dated by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture as of the date of authentication shown thereon. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed and dated by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign and date the certificate of authentication on all of the Bonds.

(a) If any Bond is mutilated, lost, stolen or destroyed, DelVal shall execute and the Trustee shall authenticate a new Bond of the same Series, maturity and denomination as that Bond mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to DelVal and the Trustee evidence of such loss, theft or destruction satisfactory to DelVal and the Trustee, together with an indemnity satisfactory to them. DelVal and the Trustee may charge the owner of such Bond for their reasonable fees and expenses in connection with replacing any Bond mutilated, lost, stolen or destroyed.

(b) Every new Bond issued pursuant to this Section shall (i) constitute the same contractual obligation of DelVal as the mutilated, lost, stolen or destroyed Bond, and (ii) be entitled to all of the benefits of this Indenture, equally and proportionally with any and all other Bonds issued and outstanding hereunder.

(c) All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and, to the extent permitted by law, shall preclude any and all other rights and remedies with respect to the replacement or payment of negotiable instruments or other investment securities without their surrender, notwithstanding any law or statute to the contrary now existing or enacted hereafter.

Section 2.07 Transfer and Exchange of the Bonds; Persons Treated as Bondholders; Book Entry System.

(a) DelVal shall cause to be kept at the corporate trust office of the Trustee a register for the registration, exchange and transfer of Bonds (the “Bond Register”). DelVal hereby appoints the Trustee its registrar and transfer agent to keep such Bond Register and to make such registrations, exchanges and transfers as set forth herein and in the form of Bonds issued hereunder. DelVal, the Trustee and any other paying agent of DelVal may treat and consider the registered Bondholder of any Bond as the absolute owner thereof for all purposes, any notice to the contrary notwithstanding.

(b) Bonds may be transferred upon delivery to the Trustee of the Bond or Bonds to be transferred, accompanied by a written instrument of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered Bondholder of such Bond or Bonds or his duly authorized representative, containing written instructions of transfer. No transfer of any Bond shall be effective until entered in the Bond Register. Bonds may be exchanged for Bonds of the same Series and maturity and of authorized denomination or denominations in the same aggregate principal amount and bearing the same rate of interest. No exchange or transfer shall be required to be made (i) during a period beginning 15 days prior to the date of mailing of any notice of redemption of Bonds and ending on the day of such redemption or (ii) for any Bonds so selected for redemption in whole or in part.

In all cases of the transfer of Bonds, the Trustee shall enter the transfer of ownership in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of Authorized Denominations of the same Series and maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive. No transfer of any Bond shall be effective until entered on the registration books.

(c) (i) Notwithstanding the foregoing provisions of this Article II, each Series of Bonds shall initially be issued in the form of one or more fully-registered bonds for the aggregate principal amount of the Bonds of each Series and maturity, which Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Except as provided in Subparagraph (vii) below, all of the Bonds shall be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Trustee shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from DelVal or the Trustee either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books maintained by the Trustee, in connection with discontinuing the book entry system as provided in Subparagraph (vii) below or otherwise.

(ii) So long as the Bonds or any Series thereof are registered in the name of DTC, the principal or redemption price of and interest on such Bonds shall be paid to DTC or

its nominee in accordance with the provisions of DelVal's "Letter of Representations" on file with DTC, on the dates provided for such payments under this Indenture. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of DelVal or the Trustee with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds Outstanding of any Series or maturity, the Trustee shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificates as to the amount of such partial redemption; provided that DTC shall deliver to the Trustee, in each case, a written confirmation of such partial redemption and thereafter the records maintained by the Trustee shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(iii) DelVal and the Trustee shall treat DTC (or its nominee) as the sole and exclusive Bondholder registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither DelVal nor the Trustee shall be affected by any notice to the contrary. Neither DelVal nor the Trustee shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Trustee as being a Bondholder, with respect to: (A) the Bonds; or (B) the accuracy of any records maintained by DTC or any such participants; or (C) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (D) any notice which is permitted or required to be given to Bondholders under this Indenture; or (E) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds; or (F) any consent given or other action taken by DTC as a Bondholder.

(iv) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Bondholders under this Indenture shall be given to DTC as provided in the Letter of Representations.

(v) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by DelVal or the Trustee with respect to any consent or other action to be taken by Bondholders, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that DelVal or the Trustee may establish a special record date for such consent or other action. DelVal or the Trustee shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(vi) Any successor Trustee shall, in its written acceptance of its duties under this Indenture, agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(vii) The book-entry-only system for registration of the ownership of the Bonds or any Series may be discontinued at any time if either: (A) after notice to DelVal and the Trustee, DTC determines to resign as securities depository for the or any Series Bonds; or (B) after notice to DTC and the Trustee, DelVal determines that continuation of the system of book-entry-only transfers through DTC (or through a successor securities depository) for the Bonds or any Series is not in the best interest of DelVal. In either of such events, unless DelVal appoints a successor securities depository, the Bonds or any Series shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated in writing by DTC, but without any liability on the part of DelVal or the Trustee for the accuracy of such designation. Whenever DTC requests DelVal and the Trustee to do so, DelVal and the Trustee shall cooperate with DTC in taking appropriate action after reasonable written notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 2.08 Cancellation of the Bonds.

All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Trustee when such payment, redemption or purchase is made, and except as otherwise provided herein, shall be canceled. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, upon payment of the principal amount thereof or for replacement pursuant to Section 2.06 or for transfer or exchange pursuant to Section 2.07 the Trustee shall safeguard such Bond for such period of time as may be required by governmental regulations and thereafter promptly cancel the Bond in accordance with the Trustee's customary procedure.

Section 2.09 Temporary Bonds.

Pending the preparation of definitive Bonds, DelVal may execute and the Trustee shall thereupon authenticate and deliver temporary Bonds. Temporary Bonds shall be issuable as registered Bonds of any Authorized Denomination, and substantially in the form of the definitive Bonds but with such omissions, insertions and variations as may be appropriate for temporary Bonds, all as may be determined by DelVal. Every temporary Bond shall be executed by DelVal and authenticated by the Trustee upon the same conditions, and with like effect, as the definitive Bonds. As promptly as practicable, DelVal shall execute and furnish definitive Bonds and thereupon temporary Bonds may be surrendered in exchange therefor without charge at the principal corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds a like aggregate principal amount of definitive Bonds. Until so exchanged the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds. It shall not be necessary to prepare definitive Bonds so long as all Bonds are held under the book-entry system described in Section 2.07(c).

Section 2.10 Nonpresentment of the Bonds.

In the event any Bond shall not be presented for payment when the principal or redemption price thereof becomes due, either at maturity, at the date fixed for redemption, or otherwise, or if an interest check shall not be cashed, if funds sufficient to pay such Bond or interest shall have been made available to the Trustee for the benefit of the owner thereof, all liability of DelVal to the owner thereof for the payment of the principal or redemption price of or interest on such Bond, as the case may be, shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds, without liability to any Bondholder, any beneficial owner, or any other Person for interest thereon, solely for the benefit of the owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond, the principal or redemption price thereof or such interest thereon, as the case may be; provided that any money deposited with the Trustee for the payment of the principal or redemption price of or interest on any Bond and remaining unclaimed for 24 months after such principal or redemption price has become due and payable shall, at the written request of DelVal, be paid to DelVal, and the Bondholder of such Bond or interest, as the case may be, shall thereafter look solely to DelVal for the payment of such moneys; and all liability of the Trustee with respect to such trust money shall also thereupon cease.

Section 2.11 Bonds Limited Obligations; Source and Security for Payment.

The Bonds shall be limited and special obligations of DelVal, payable solely from the Trust Estate (and the Covenant Agreement to the extent provided therein), including amounts paid by the Participants pursuant to the Loan Agreements and Participant Notes, Revenues and moneys available under the terms hereof and investments under the Investment Agreements. The Bonds and the payment thereof shall be solely secured, equally and ratably by the pledge of the Trust Estate set forth in the granting clauses hereof, upon the terms and conditions set forth herein. There shall be no other recourse against DelVal or any incorporator, member, director or officer of DelVal, past, present or future, or any other property now or hereafter owned by it, except the Trust Estate. The Bonds are entitled to the benefits of this Trust Indenture equally and ratably both as to principal and interest with all other Bonds issued hereunder.

The obligation of DelVal under the Credit Facility Agreements, if any, and Swap Agreements, if any, to make Swap Payments shall also be secured by a pledge of the Trust Estate, pari-passu with the Bonds.

No recourse shall be had for the payment of the principal, interest or redemption price of Bonds, or for any claim based thereon or on the Swap Agreements, if any, or on this Indenture, against any incorporator, member, officer or employee, past, present or future, of DelVal or of any successor body as such, either directly or through DelVal or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being by the acceptance hereof and, as a material part of the consideration for the issuance of Bonds, expressly waived and released.

DelVal shall not be obligated to pay the principal, interest, or redemption price of Bonds except from the Trust Estate in the manner provided herein and to the extent provided in the Covenant Agreement, and neither the faith and credit nor the taxing power of the Commonwealth of Pennsylvania or any Political Subdivision thereof, including DelVal, is pledged to the payment of the principal amount, interest, or redemption price of the Bonds. Neither the Commonwealth of Pennsylvania nor any Political Subdivision thereof nor DelVal nor any Participant shall be obligated to (a) exercise its taxing power to pay the principal or interest on Bonds or the redemption price thereof, or other costs incident thereto, or (b) to pay the same from any other funds except from the Trust Estate in the manner provided herein. It is further agreed between DelVal and the registered owner of each Bond that such Bond and the indebtedness evidenced thereby shall not constitute a lien on any property of DelVal but shall constitute a lien only on the Trust Estate in the manner provided in this Indenture. THE BONDS ARE SOLELY AND EXCLUSIVELY LIMITED, SPECIAL OBLIGATIONS OF DELVAL AND DO NOT CREATE AN OBLIGATION OR DEBT OF DELVAL, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF OR GOVERNMENTAL AGENCY EXISTING UNDER THE LAWS THEREOF WITHIN THE MEANING OF ANY STATUTORY OR CONSTITUTIONAL PROVISION WHATSOEVER.

ARTICLE III REDEMPTION OF THE BONDS

Section 3.01 Privilege of Redemption and Redemption. Bonds of a Series shall be subject to redemption prior to maturity as provided in the Supplemental Indenture authorizing such Series of Bonds. The provisions of this Article III shall govern each redemption, unless otherwise provided in the Supplemental Resolution authorizing a Series of Bonds.

Section 3.02 Provisions Applicable to Redemption of the Bonds.

In the event of an extraordinary mandatory redemption, moneys in the Acquisition Fund or the Recycling Fund, as applicable, representing proceeds of the Series of Bonds being redeemed, shall be transferred to the Redemption Fund and shall be applied to redeem Bonds of the Series to be redeemed in Authorized Denominations in the largest principal denomination that is less than or equal to the amount of such moneys; provided that the unrefunded amount of such Bonds is less than \$5,000.

Upon deposit of moneys in the Redemption Fund, the Trustee shall provide notice thereof to the Administrator and request that the Administrator determine the redemption price, on the redemption date, of an original principal amount of the Series of Bonds to be redeemed equal to such deposit.

Except as provided in a Supplemental Indenture, if less than all of a Series Bonds are to be redeemed, DelVal shall determine the maturities of the Series of Bonds to be redeemed, unless applicable law requires a different method of determination in which event such law shall apply to the method of determination.

DelVal shall provide for a partial termination of the applicable Swap Agreements, if any, in the notional amount equal to the principal amount of a Series of Bonds to be redeemed, and shall apply any Termination Payment received by the Trustee in respect thereto to the extraordinary mandatory redemption of such Series of Bonds on the redemption date.

Section 3.03 Notice of Redemption.

For Bonds being redeemed, upon written direction of DelVal, the Trustee shall prepare and send notice of each redemption to each Bondholder whose Bonds are being redeemed, and to the Administrator by first-class mail at least 15 days but not more than 30 days before each redemption date. Each notice shall identify the Bonds or portions thereof to be redeemed and shall state (a) the redemption date, (b) the redemption price, (c) that the Bonds called for redemption must be surrendered to collect the redemption price, (d) the address at which the Bonds must be surrendered, (e) that interest on the Bonds called for redemption ceases to accrue on the redemption date, (f) the CUSIP number of the Bonds and (g) any condition to the redemption.

A copy of each notice of redemption shall also be sent by the Trustee by overnight delivery, telecopy, electronic mail, or certified or registered mail to each securities depository (a "Depository") registered with the Securities and Exchange Commission under the *Securities Exchange Act of 1934*, as amended, two Business Days prior to mailing notice to other

Bondholders, and to two national information services that disseminate redemption notices, provided that the Trustee may, in the alternative, provide for overnight, telecopied or other form of notice to a Depository acceptable to or requested by such Depository; provided further, that any failure to give the notice required by this paragraph shall not affect the validity of any proceeding for the redemption of Bonds.

The particular Bonds to be called for redemption will be selected by DTC in accordance with its Rules of Procedure so long as DTC or its nominee is the sole registered Bondholder, or if DTC, or its nominee, is not the registered owner, by lot or such other method as the Trustee deems fair and appropriate.

With respect to any Bonds to be redeemed that have not been presented for redemption within 60 days after the redemption date, the Trustee shall prepare and the Trustee shall give a second notice of redemption to the Bondholder of any such Bonds that have not been presented for redemption by first class mail, within 30 days of the end of such 60-day period; provided further, that any failure to give the notice required by this paragraph shall not affect the validity of any proceeding for the redemption of Bonds.

Failure by the Trustee to give any notice of redemption as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure has occurred. Any notice mailed as provided in the Bonds shall be conclusively presumed to have been given whether or not actually received by any Bondholder.

In the event that any Bonds are called for redemption and the amounts required for payment of the redemption prices thereof are not on deposit with the Trustee on the date set for redemption, the Trustee shall notify the registered owners of such Bonds that such redemption has been rescinded, and shall return any Bonds surrendered for redemption to the registered owners thereof; and DelVal, the Trustee and the registered owners shall be restored to their prior position.

Section 3.04 Bonds Due and Payable on Redemption Date; Interest Ceases to Accrue.

On the redemption date, the redemption price of each Bond to be redeemed hereof shall become due and payable; and from and after such date, notice having been given and amounts having been made available and set aside for such redemption, notwithstanding that any Bonds called for redemption shall not have been surrendered, no further interest shall accrue on any Bonds called for redemption. From and after such date of redemption (such notice having been given and such amounts having been made available and set aside for such redemption) the Bonds to be redeemed shall no longer be deemed to be Outstanding hereunder, and DelVal shall be under no further liability in respect thereof.

- (x) from time to time, to the Discretionary Fund in such amounts as may be directed by the Administrator.

(c) The Trustee shall notify DelVal (and the Administrator) by 3:30 p.m. on any day on which a Credit Facility Provider fails to honor a draw on a Credit Facility securing the principal or interest on a Series of Bonds and in such case the Trustee shall make any required payments as set forth in Section 5.05 hereof.

(d) The Trustee shall notify DelVal (and the Administrator) on any Interest Payment Date or Principal Payment Date if insufficient moneys are on deposit in the Revenue

Fund to make the payments of interest or principal, as the case may be, on Bonds and in such case the Trustee shall make any required payments as set forth in Section 5.05 hereof.

Section 5.05 Payment of Bonds; Payments to Swap Counterparties.

The Trustee shall make payments when due of principal of and interest on Bonds, and amounts due as Swap Payments, as follows and in the order of priority set forth within each category, as applicable:

(a) FIRST, from the Revenue Fund; provided that any payment of principal and interest on Bonds secured by a Credit Facility shall be made first, from the proceeds provided by such Credit Facility and thereafter from other moneys in the Revenue Fund;

(b) SECOND, from the Discretionary Fund,

(c) THIRD, from moneys provided pursuant to the Covenant Agreement;

(d) FOURTH, from any moneys available in the Debt Service Reserve Fund;
and

(e) LAST, from any other moneys in the Trust Estate available to the Trustee for such purposes.

Payments of Termination Payments shall be paid only from moneys in the Discretionary Fund or provided pursuant to the Covenant Agreement and only after payment in full of all amounts then due on Bonds and as Swap Payments.

Section 5.06 Payments into, and Use of Moneys in, the Redemption Fund.

Amounts transferred pursuant to Section 5.03(b)(iii) and 5.03(b)(v) hereof shall be promptly deposited in the Redemption Fund and applied to the redemption of the applicable Series of Bonds.

Section 5.07 Payments into, and Use of Moneys in, the Rebate Fund.

(a) Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. In accordance with Treasury Regulation §1.148-7(b)(6)(ii), DelVal hereby elects to apply the spending exceptions under Section 148(f)(2) of the *Code* separately to each Loan.

(b) DelVal shall, at the expense of each Participant, engage and furnish information to the Rebate Analyst to calculate, not later than sixty (60) days after the end of each fifth Bond Year for a Series of Bonds and not later than sixty (60) days after the payment in full of all Outstanding Bonds, the allocable portion of the Rebate Amount and/or Yield Reduction Amount, if any, on a Loan by Loan basis as of the end of each such fifth Bond Year or the date of such final payment. Any Participant exempt from rebate pursuant to Treasury Regulation § 1.148-8 determined by the Administrator shall be excused from the rebate requirements of this paragraph.

Based on information available to and provided to the Rebate Analyst, the Rebate Analyst shall notify each Participant, as applicable, in writing of that amount and of the amount then on deposit in the Rebate Fund applicable to each Loan. If the amount then on deposit in the Rebate Fund is less than such Rebate Amount and/or Yield Reduction Amount, if any, allocable to the Participant, DelVal shall cause the Participant, within five (5) days after receipt of the aforesaid notice from the Rebate Analyst, to pay to the Trustee for deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to such Rebate Amount and/or Yield Reduction Amount, if any, attributable to such Participant. If the Participant does not pay the required amount within five days after receipt of the aforesaid notice from the Rebate Analyst, the Administrator shall direct the Trustee to immediately transfer to the Rebate Fund, that amount, first, from the Discretionary Fund, second, from the Acquisition Fund and third, from the Recycling Fund, to the extent of moneys available therein.

(c) DelVal shall furnish information to the Rebate Analyst to calculate not later than sixty (60) days after the end of each fifth Bond Year for any Series of Bonds and not later than sixty (60) days after the payment in full of all Outstanding Bonds, the Rebate Amount and/or Yield Reduction Amount with respect to amounts not loaned or otherwise attributable to Participants as of the end of such fifth Bond Year or the date of such final payment. Based on information provided by the Rebate Analyst, DelVal shall immediately instruct the Trustee to deposit in the Rebate Fund, such Rebate Amount, first from the Discretionary Fund, second, from the Acquisition fund and third, from the Recycling Fund, to the extent of moneys available therein.

(d) Within 60 days after the end of the fifth Bond Year and every fifth Bond Year thereafter, the Trustee, acting on behalf of, and at the written direction of, DelVal, shall pay to the United States in accordance with § 148(f) of the *Code*, to the extent of moneys then on deposit in the applicable account in the Rebate Fund, an amount equal to 90% of the Rebate Amount and/or Yield Reduction Amount, if any, earned from the date of the original delivery of a Series of Bonds to the end of such fifth Bond Year (less the amount of Rebate Amounts, if any, previously paid to the United States pursuant to this Section). Within 60 days after the payment in full of all Outstanding Bonds, the Trustee shall pay to the United States in accordance with § 148(f) of the *Code*, to the extent of moneys then on deposit in the applicable accounts in the Rebate Fund, at the written direction of DelVal, an amount equal to 100% of the Rebate Amounts and/or Yield Reduction Amount, if any, earned from the date of the original delivery of the Bonds to the date of such payment (less the Rebate Amounts and/or Yield Reduction Amount, if any, previously paid to the United States pursuant to this Section). All computations of Rebate Amounts pursuant to this section shall treat the amount or amounts, if any, previously paid to the United States pursuant to this Section as amounts on deposit in the Rebate Fund.

(e) The Rebate Analyst shall provide DelVal with records of the computations made pursuant to this Section and DelVal shall maintain such records for six (6) years following receipt thereof.

(f) Notwithstanding anything to the contrary contained herein, annually, as of each December 31, the Rebate Analyst shall calculate the estimated amount (the “Annual Rebate Estimate”) that shall be required to be paid to the United States of America in order to preserve the exclusion of interest on Bonds from gross income of the Bondholders thereof for federal

income tax purposes. To the extent the Annual Rebate Estimate exceeds the amount then on deposit in the Discretionary Fund, the Administrator, subject to the next sentence, shall transfer from the Revenue Fund amounts constituting Administrative Expenses to the Discretionary Fund sufficient to cure such deficiency.

(g) Neither the Administrator nor the Trustee shall have any duty or responsibility to independently verify any of the calculations or instructions with respect to transfers by the Trustee to the Rebate Fund (or related assessments of the Participants) or withdrawals from the Rebate Fund, and both the Administrator and the Trustee shall be fully protected in relying solely upon the direction of DelVal in this regard. Under no circumstances whatsoever shall the Trustee be liable to DelVal, any Participant, any Bondholder or any other person for any loss of tax-exempt status of the Bonds, or any claims, demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way connected therewith, so long as the Trustee acts only in accordance with the Indenture and the direction of DelVal.

Section 5.08 Use of Moneys in the Cost of Issuance Fund.

Moneys in the Cost of Issuance Fund shall be used to pay the costs of issuing a Series of Bonds, including any fees charged by DelVal. Such costs shall be paid on the date of original authentication and delivery of a Series of Bonds or not later than the 180th day thereafter, upon the submission of a closing statement or requisitions to the Trustee by an Authorized Officer of DelVal stating the amount to be paid, to whom it is to be paid and the reason for such payment, each such requisition to include a certificate signed by an Authorized Officer of DelVal stating that the amount of such closing statement or requisition is due and owing and has not been the subject of another requisition which was paid and is a proper expense of issuing such Bonds. Moneys in the Cost of Issuance Fund shall be invested in the Investment Agreement and all earnings on moneys in the Cost of Issuance Fund shall be credited to the Revenue Fund as received. Any funds remaining in the Cost of Issuance Fund for more than 180 days following the issuance of a Series of Bonds shall be transferred to the Acquisition Fund.

Section 5.09 Amounts in the Debt Service Reserve Fund.

(a) DelVal shall direct the Trustee to deposit into the Debt Service Reserve Fund such portions of the proceeds of the sale of a Series of Bonds, if any, as shall be provided in the Supplemental Indenture authorizing the issuance thereof, and any moneys which may be made available to DelVal for the purposes of the Debt Service Reserve Fund from any other sources.

A Supplemental Indenture may provide that the Debt Service Reserve Fund Requirement, if any, may be funded in whole or in part by a letter of credit, insurance policy, surety, guaranty or other security arrangement upon which DelVal may make a draw to provide funds as needed for the Debt Service Reserve Fund.

(b) The amounts in the Debt Service Reserve Fund shall be applied to pay the principal and interest on Bonds (or to reimburse any Credit Facility Provider for payment of principal and interest on Bonds secured by a Credit Facility) and to make Swap Payments as the same become due, only when the amounts available for such purposes in the Revenue Fund in

accordance herewith are insufficient to make such payments. If the Debt Service Reserve Fund is funded partly in cash and partly otherwise, as provided above, drawings shall be made as provided in a Supplemental Indenture.

(c) Earnings on the Debt Service Reserve Fund shall be retained therein until the amount on deposit in the Debt Service Reserve Fund is equal to the Reserve Requirement; thereafter, such earnings shall be transferred to the Revenue Fund.

Section 5.10 Payments into, and Use of Moneys in the Discretionary Fund.

Termination Charges received from a Participant, Guarantor, or Participant Credit Enhancer pursuant to a Loan Agreement, and amounts received pursuant to the Covenant Agreement, shall be deposited in the Discretionary Fund. Termination Payments shall be subject and subordinate to payments of interest, principal or redemption price of Bonds then due and owing, any obligations then due to any Credit Facility Provider and to Swap Payments then due and owing. Amounts in the Discretionary Fund shall be applied to the following, in the following order of priority:

(a) To make deposits to the Revenue Fund to pay interest, principal, or redemption prices on Bonds then due (or to reimburse the provider of a Credit Facility which secures a Series of Bonds which has made payment thereon) and to make Swap Payments then due, when the other moneys available to the Trustee are insufficient therefor.

(b) To pay Termination Payments then due to Swap Counterparties.

(c) To make deposits to the Rebate Fund or to make an Extraordinary Payment.

(d) To make deposits to the Revenue Fund to pay any Administrative Expenses, to the extent the same are not paid from other sources and available to the Trustee.

(e) To make deposits to the Revenue Fund to pay the costs or expenses related to the making or funding of any Loan, or the issuance of any Participant Note.

(f) To make payments under the Covenant Agreement at the direction of the Administrator provided (A) that a Termination Payment is not then due and owing and (B) that the payments will not cause total liabilities to exceed total assets under the Indenture.

(g) To make payments to DelVal; provided that (A) a Favorable Opinion of Bond Counsel is given with respect to such payments; (B) that no payment to DelVal shall be made if a Termination Payment is then due and owing, and (C) that the payments will not cause total liabilities to exceed total assets under the Indenture.

Section 5.11 Application of Bond Proceeds and DelVal Money.

Promptly upon the issuance, sale and delivery of any Series of Bonds, DelVal shall deposit the proceeds of such Series of Bonds together with any moneys provided by DelVal to the Funds

and accounts as determined in the Supplemental Indenture executed in connection with the issuance of such Series of Bonds.

Section 5.12 [Reserved.]

Section 5.13 Moneys to Be Held in Trust.

All moneys required to be deposited with or paid to the Trustee for the account of any Fund established under any provision of this Indenture shall be held by the Trustee in trust, and except for moneys deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, or held pursuant to Section 2.10, or held in the Rebate Fund, shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the security interest created hereby.

Section 5.14 Payment of Excess Moneys.

Subject to Section 2.10 and Article IX, any amounts remaining in any Fund created pursuant to Section 5.02 after full payment of all Bonds (including any rebate and/or yield reduction liability and the reasonable fees, charges and expenses with respect to the issuance of Bonds under Section 5.08), full payment of amounts owed to any Credit Facility Provider, full payment of all Swap Agreements (and termination of all interest rate swaps), if any, and full payment of the fees, charges and expenses of the Trustee, DelVal, the Administrator, and the Rebate Analyst, shall be paid to DelVal.

Section 5.15 Reports from the Trustee; Examination of Books.

The Trustee shall furnish to DelVal, the Administrator and the Rebate Analyst within two (2) weeks following the end of each Bond Year, statements of the activity and assets held in the Funds created pursuant to Section 5.02. The Trustee shall, at the written request of the Administrator, DelVal or the Rebate Analyst, permit representatives of such parties to examine the books and records of the Trustee relating to the Funds.

Section 5.16 Certain Verifications.

DelVal, the Trustee, the Administrator and/or the Rebate Analyst from time to time may cause a firm of Accountants or consultants to supply DelVal, the Trustee, the Administrator and the Rebate Analyst with such information as DelVal, the Trustee, the Administrator or the Rebate Analyst may request in order to determine in a manner reasonably satisfactory to DelVal, the Trustee, the Administrator and the Rebate Analyst all matters relating to (a) any audits of DelVal, if and to the extent such audits relate to Bonds, (b) the sufficiency of projected cash flow receipts and disbursements on the Loan Agreements, the Swap Agreements, if any, the Investment Agreements and Funds described herein to pay the principal and redemption price of and interest on the Bonds, the Swap Payments, if any, and Swap Receipts, if any; and (c) the actuarial yields on the Loan Agreements, the investments held under the Indenture, and on the Bonds, as the same may relate to any data or conclusions necessary to verify that none of the Bonds are arbitrage bonds within the meaning of § 148 of the *Code* or to permit investment of amounts in the Funds in compliance with the *Code* and this Indenture. Payment for costs and expenses incurred in

connection with supplying the foregoing information shall be paid from moneys in the Discretionary Fund. Any and all such reports shall be delivered by the Administrator to the Trustee.

Section 5.17 Effect of Certain Loan Agreement Defaults under Loan Agreements; Assignment of Loan Agreements.

Upon the occurrence of a Loan Agreement Default of which it has knowledge, the Trustee shall immediately notify DelVal, the Administrator, the Guarantor, if any, each Swap Counterparty, and the Participant Credit Enhancer, if any. Upon written direction of the Participant Credit Enhancer, unless payment has been made by the Guarantor, and if the Participant Credit Enhancer is not in default on the Participant Credit Enhancement for the Loan, the Trustee shall take all action available to it as owner of the Participant Note in its representative capacity, to make demand for, and enforce, collect, settle and recoup all payments due under the Participant Note.

If, as a result of any such payment default by a Participant, the amounts on deposit in the Revenue Fund or Discretionary Fund are insufficient to make the payments required to be made therefrom, and payments are not made by the Guarantor, if any, or the Participant Credit Enhancer, the Trustee shall draw upon the Debt Service Reserve Fund for the amount necessary to pay principal or interest on Bonds unless DelVal provides moneys therefor pursuant to the Covenant Agreement or directs transfer from the Discretionary Fund, and shall take all action available to it as owner of the Participant Note in its representative capacity, to make demand for, and enforce, collect, settle and recoup all payments due under the Participant Note.

ARTICLE VI LOAN AGREEMENTS

Section 6.01 Terms and Conditions.

Moneys in the Acquisition Fund and the Recycling Fund shall be used to purchase Participant Notes to provide funds to Participants to finance the Cost of Projects, under Loan Agreements setting forth the terms and conditions, and upon submission of the documents, contained in this Article VI, and not otherwise. Loans may be made as either the Variable Rate Loans or at Fixed Rate Loans and may be made from one or more Series of Bonds. In connection with any Fixed Rate Loan, DelVal may enter into subsequent Swap Agreements. The Administrator shall provide to DelVal, the Trustee and a Participant recommendations concerning the terms and provisions it believes should be included in the details of each Loan Agreement.

Section 6.02 Restrictions on Program.

The following restrictions shall apply to all Loan Agreements:

(a) Each Loan Agreement shall be in substantially the form attached as Exhibit “A” hereto as it may be modified pursuant to Section 6.08 hereof, or in a Supplemental Indenture authorizing this issuance of a Series of Bonds.

(b) No Closing shall occur unless DelVal, the Trustee, and, if applicable, the Credit Facility Provider, Participant Credit Enhancer, and Swap Counterparty have received all of the executed Loan Documents and all conditions established by the Administrator for such Loan have been satisfied.

(c) Loan principal shall be scheduled to mature so as to provide sufficient funds to pay Bonds issued to fund such Loans on their respective maturity dates, all as may be determined by the Administrator.

(d) DelVal shall not originate a Loan to a Participant with a rating below “A3” by Moody’s or “A-” by S&P unless the Rating Agencies previously confirmed that the ratings on the Outstanding Bonds at that time would not be downgraded as a consequence of originating such Loan or Loans without Participant Credit Enhancement.

(e) DelVal shall secure a Participant Credit Enhancement to secure any Loan to a Participant whose rating is downgraded below “A3” by Moody’s and “A-” by S&P subsequent to the closing of the Loan unless the Rating Agencies confirm that the ratings on the Outstanding Bonds at that time would not be downgraded as a consequence of not securing the Participant Credit Enhancement.

(f) DelVal shall only originate a Loan to a Participant under subparagraph (iv) of the definition thereof if the requirements of such subparagraph (iv) are met.

Section 6.03 Disbursement Period.

The Trustee shall fund Loans from the proceeds in the Acquisition Fund or the Recycling Fund, as the case may be, by purchasing Participant Notes from Participants to finance or reimburse the Cost of Projects on such basis as shall be determined from time to time by the Administrator in the order that all necessary requirements are met, until such date as there are no longer any unloaned funds on deposit in the Acquisition Fund or the Recycling Fund, or until an Acquisition Fund Termination Date or a Recycling Fund Termination Date, respectively. The Administrator and DelVal shall not take any action, or direct the Trustee to take any action, or omit to take any action, or permit any action, except actions required hereunder and under the Loan Agreements, which is within each of its respective control to be taken or omitted, which would to the actual knowledge of the respective officers of each, impair the exclusion of interest on Bonds (to the extent such Bonds were issued as tax exempt Bonds) from gross income of the Bondholders thereof for federal income tax purposes.

ARTICLE VIII INVESTMENT OF MONEYS

Section 8.01 Investment of Moneys in Funds.

(a) Subject to the provisions of each Tax Compliance Certificate, all Bond proceeds and other moneys deposited in any Funds (other than the Rebate Fund) shall be initially invested pursuant to the Investment Agreements or other Eligible Investments. Proceeds of a draw on a Credit Facility or from the remarketing of any Series of Bonds shall be invested only in cash or Eligible Investments meeting the requirements of Section (a)(ii) of the definition thereof, which, if invested, shall mature on the earlier of: (i) as required pursuant to this Indenture or (ii) thirty days following the investment thereof.

(b) The Trustee is hereby directed to enter into the Investment Agreements and to invest amounts thereunder in accordance with the terms of such Investment Agreements and is hereby instructed to give all notices and to take all other actions necessary (i) to make withdrawals from such Investment Agreements in order to make timely payments of principal or redemption price and interest on the Bonds and fees and expenses due hereunder and (ii) to make timely deposits or redeposits of proceeds as required hereunder.

Eligible Investments acquired as an investment of moneys in any Fund created by this Indenture shall be credited to such Fund. For the purpose of determining the amount in any Fund at any time in accordance with this Indenture, except as otherwise provided herein, all Eligible Investments credited to such Fund shall be valued at fair market value. The value of Eligible Investments in each Fund shall be determined upon acquisition and annually thereafter as of each Anniversary Date. The value of Eligible Investments so determined as of any such date shall constitute the "Value of Eligible Investments" for purposes of this Indenture until the next date of valuation.

All interest, profits and other income earned, net of any losses suffered (herein called the "net earnings from investment of moneys"), in any Fund created by this Indenture shall be deposited as set forth in Article V.

Subject to the provisions hereof, investments in any and all Funds created by this Indenture may be commingled for purposes of making, holding and disposing of investments. Notwithstanding provisions herein for transfer to or holding in particular Funds amounts received, or such commingling, the Trustee shall at all times account for such investments in the Funds to which they are credited and otherwise as provided in this Indenture. The Trustee may act as principal or agent in the acquisition or disposition of any Eligible Investment. The Trustee may sell, or present for redemption, any Eligible Investment to the credit of any Fund created by this Indenture whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund, and the Trustee shall not be liable for any loss resulting from such investment.

All moneys required to be deposited with or paid to the Trustee for the account of any Fund (other than the Rebate Fund) established under any provision of this Indenture shall be held by the

Trustee in trust and shall constitute part of the Trust Estate while held by the Trustee; provided, however, that moneys deposited with or held by the Trustee for the purchase of a Series of Bonds on or after any date on which such Series of Bonds are required to be purchased, for the redemption of such Series of Bonds on or after the redemption date of such Series of Bonds, or for the payment of the principal or redemption price of or interest on a Series of Bonds on or after the date on which such amounts shall have become due, shall be held and applied solely for the purchase, redemption or payment of such Series Bonds or the payment of such interest, as the case may be.

The Trustee shall not invest any funds held by it for the payment of the principal or redemption price of a Series Bonds after the date established for maturity or redemption thereof.

Notwithstanding any provision to the contrary contained herein, all moneys subject to investment under this Indenture shall be invested in Eligible Investments.

The Trustee shall promptly send to DelVal and the Administrator monthly trust statements of the investments held under the Indenture, including the balances on deposit in each Fund and Account, the investment income for such month, and the maturities and interest rates then in effect for such investments. The Administrator shall review such reports and advise the Trustee and DelVal of any discrepancies or concerns regarding such investments.

Section 8.02 Federal Tax Laws.

(a) DelVal covenants that it will make no investment or other use of the proceeds of Bonds which are tax exempt Bonds which would cause the Bonds which are tax exempt Bonds to be “arbitrage bonds” as that term is defined in Section 103(b)(2) and Section 148(a) of the Code, and that it will comply with the requirements of the Code sections and regulations and with the Tax Compliance Certificate throughout the term of the Bonds. In the event that at any time DelVal is of the opinion that for the purposes of this Section 8.02 it is necessary to restrict or limit the yield on the investment of any moneys held by the Trustee, DelVal shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

Without limiting the generality of the foregoing, DelVal agrees that there shall be paid from time to time all amounts required to be paid to the United States Treasury pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bonds which are tax exempt Bonds from time to time. This covenant shall survive payment in full or defeasance of all Outstanding Bonds which are tax exempt Bonds. DelVal specifically covenants to pay or cause to be paid to the United States Treasury the Rebate Amounts and Yield Reduction Amounts, as set forth in the Tax Compliance Certificate.

Notwithstanding any provision of this Section, if DelVal shall provide to the Trustee a Favorable Opinion of Bond Counsel to the effect that any action required under this section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds which are tax exempt Bonds pursuant to Section 103 of the Code, DelVal and the Trustee may rely conclusively on such opinion in complying with the provisions hereof or such matters as are set forth in the Favorable Opinion of Bond Counsel.

(b) DelVal covenants that so long as Bonds which are tax exempt Bonds remain Outstanding it will comply with the requirements of the *Code* so that the interest on the Bonds which are tax exempt Bonds shall be excluded from gross income for federal income tax purposes, and will comply with the information reporting requirements imposed by federal tax laws as they relate to the Bonds which are tax exempt Bonds by, *inter alia*, filing any statement required thereby in a complete and timely manner.

(c) DelVal hereby covenants for the benefit of the Bondholders of the Bonds which are tax exempt Bonds that it will cause the Participants to not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the Bondholders of the Bonds of the interest on the Bonds which are tax exempt Bonds under Section 103 of the Code. DelVal also covenants that it will cause the Participants to not directly or indirectly use or permit the use of any of the proceeds of the Bonds which are tax exempt Bonds or any other funds or take or omit to take any action which would cause the Bonds which are tax exempt Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and to comply will all requirements of Section 148 of the Code to the extent applicable to the Bonds. DelVal shall comply with the covenants in this paragraph (c) by requiring each Participant to enter into a Participant Tax Compliance Agreement.

(d) DelVal recognizes that the provisions of this Section 8.02 are intended to comply with the provisions of the Code applicable to the Bonds which are tax exempt Bonds and if as a result of a change in an applicable section of the Code or in the interpretation thereof, change in this Section 8.02 shall be permitted or necessary to assure continued compliance with provisions of the Code, then DelVal shall be empowered without further action or consent, to amend this Section 8.02 and DelVal may require a written opinion of Bond Counsel satisfactory to DelVal to the effect that either (i) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds which are tax exempt Bonds, or (ii) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds which are tax exempt Bonds.

ARTICLE IX DISCHARGE OF INDENTURE

Section 9.01 Discharge of Indenture.

If DelVal shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to or for the Bondholders, the principal of and interest due or to become due thereon at the times and in the manner stipulated therein, shall have paid all amounts owing to any Credit Facility Provider (and such Credit Facility shall have been returned and marked “cancelled”), shall have paid all Swap Payments and Termination Payments due or to become due under the Swap Agreements and shall pay or cause to be paid all sums of money due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to DelVal such instruments in writing as shall be requisite to cancel and discharge the lien hereof, and release, assign and deliver unto DelVal any and all of the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee or otherwise subject to the lien of this Indenture.

Notwithstanding the foregoing, those provisions of this Indenture relating to the maturity of Bonds, interest payments and dates thereof, redemption provisions, exchange and transfer of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, nonpresentment of Bonds, the holding of moneys in trust, the rights afforded any Swap Counterparty herein and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Bondholders notwithstanding the release and discharge of the lien of this Indenture.

Any Bond shall be deemed to be paid within the meaning of this Article when payment of the principal of such Bond, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either

(a) shall have been made or caused to have been made in accordance with the terms thereof, or

(b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (i) moneys sufficient to make such payment, (ii) non-callable direct general obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, maturing as to principal and interest in such amounts and at such times as shall insure the availability of sufficient moneys to make such payments, or (iii) a combination of such moneys and obligations, and all necessary and proper fees and expenses of and other amounts owing to the Trustee, the Administrator or DelVal, with respect to which such deposit is made shall have been paid or deposited with the Trustee. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, and all liability of DelVal with respect to such Bond shall cease, terminate, and be completely discharged and extinguished except for the purposes of registration and exchange of Bonds, and replacement of mutilated, lost, stolen or destroyed Bonds,

and the Bondholders thereof shall be entitled to payment solely out of the moneys or securities so deposited.

Notwithstanding the foregoing, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid unless:

(a) the Trustee has received a letter from each Rating Agency then rating the Bonds that such deposit shall not cause the rating then assigned to such Bonds by such Rating Agency to be lowered or eliminated; and

(b) DelVal shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

- (i) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted or required by this Indenture);
- (ii) to call for redemption pursuant to this Indenture any Bonds to be redeemed prior to maturity pursuant to (i) hereof, and
- (iii) to mail, as soon as practicable, in the manner prescribed by Article III hereof, a notice to the Bondholders of such Bonds that such deposit has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, of said Bonds as specified in Clause (i) of this paragraph.

Any moneys so deposited with the Trustee as provided in this Article may at the direction of DelVal also be invested and reinvested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Article which is not required, as evidenced by a report of an Accountant, for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be used as otherwise permitted by this Indenture.

No such deposit under this Article shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an Opinion of Bond Counsel to the effect that such deposit and use would not cause Bonds which are tax exempt Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Code.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or obligations have been so set aside in trust.

Anything in Article XII to the contrary notwithstanding, if moneys or obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Bondholder of each Bond affected thereby.

ARTICLE X
DEFAULT PROVISIONS AND REMEDIES OF
TRUSTEE AND BONDHOLDERS

Section 10.01 Defaults; Events of Default.

The following events shall constitute an “Event of Default” or “Events of Default”:

(a) A failure to pay when the same shall become due and payable, interest on or principal of any Bond (whether at maturity, by acceleration, redemption or otherwise) or the payment of any Swap Payment; or

(b) Any other default in the payment or default in the performance or observance of any covenant, agreement or condition on the part of DeVal contained in this Indenture or in Bonds (other than defaults mentioned in Section 10.01(a) and other than the failure to pay a Termination Payment unless moneys sufficient therefor are available in the Discretionary Fund) and failure to remedy the same after notice of the default pursuant to Section 10.11.

Section 10.02 Acceleration.

Upon the occurrence of an Event of Default described in Section 10.01(a), the Trustee shall, by notice to DeVal, the Bondholders, the Administrator and the provider of any Credit Facility, except to the extent limited in a Supplemental Indenture, declare the entire unpaid principal of and interest on all Bonds Outstanding immediately due and payable; thereupon, the entire unpaid principal of and interest on all Bonds Outstanding shall forthwith become immediately due and payable and the Trustee shall immediately draw on any Credit Facility which secures any Series of Bonds.

Upon the occurrence of an Event of Default described in Section 10.01(b), the Trustee shall, upon the written request of the Bondholders of 50% in aggregate principal amount of all Bonds Outstanding, by notice to DeVal, the Administrator, the Bondholders and the provider of any Credit Facility, except to the extent limited in a Supplemental Indenture, declare the entire unpaid principal of and interest on all Bonds Outstanding immediately due and payable and, thereupon, the entire unpaid principal of and interest on the Bonds shall forthwith become due and payable.

If the Bonds are accelerated, DeVal shall forthwith pay pro-rata to the Bondholders of the Bonds, any provider of a Credit Facility and the Swap Counterparty, the entire unpaid principal of and accrued interest on the Bonds (or to reimburse a Credit Facility Provider for amounts drawn on a Credit Facility to pay the Bonds) and the Swap Payments, but only from the Revenues herein specifically pledged for such purpose. Interest on any Series of Bonds secured by a Credit Facility on which the Credit Facility Provider has honored a draw, shall cease to accrue on the date of the declaration of the acceleration. In the event the Trustee fails to accelerate as required by this Section 10.02, the Bondholders of a majority in aggregate principal amount of Bonds Outstanding shall have the right to take such action. Following payment of the entire unpaid principal of and accrued interest on the Bonds, all amounts owing to any Credit Facility Provider and the Swap Payments, the Trustee shall pay the Termination Payments from the sources as provided herein.

Section 10.03 [Reserved].

Section 10.04 Remedies; Rights of Bondholders.

Upon the occurrence of an Event of Default, the Trustee shall have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on Bonds then Outstanding, including enforcement of any rights of DelVal or the Trustee hereunder or under the Loan Agreements or any documents securing them, or to enforce the rights of any Swap Counterparty to the payment of Swap Payments under any Swap Agreement.

(b) The Trustee may by action or suit in equity require DelVal to account as if it were the trustee of an express trust for the Bondholders and shall then take such action with respect to the Loan Agreements as the Trustee shall deem necessary or appropriate and in the best interest of the Bondholders, subject to the terms of the Loan Agreements, including the sale or assignment of part or all of the Loan Agreements.

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred, the Trustee may except as otherwise provided in a Supplemental Indenture, and if requested so to do by the Bondholders of 50% or more in aggregate principal amount of all Bonds then Outstanding, except as otherwise provided in a Supplemental Indenture and in either case indemnified as provided in Section 11.01(l), shall be obligated to exercise such one or more of the rights and powers conferred by this section as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Bondholders.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders hereunder as now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or exercise of any other right or remedy.

No delay or omission in exercising any right or remedy accruing upon any default or Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 10.05 [Reserved].

Section 10.06 Appointment of Receivers.

Upon the occurrence of an Event of Default and the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 10.07 Application of Moneys.

Subject to the provisions of Section 7.02 hereof, all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including fees and expenses of its Counsel) or DelVal, be deposited in the Revenue Fund, along with any other moneys available for such purposes:

(a) Unless the principal of all Bonds shall have become due and payable, all such moneys shall be applied equally and ratably, to the payment to the persons entitled thereto of all amounts payable pursuant to Section 5.04(b)(i) and Section 5.04(b)(ii), provided that if the amount available shall not be sufficient to pay in full any particular installment of interest and any Swap Payment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege.

(b) If the principal amount of all Bonds shall have become due, all such moneys shall be applied, equally and ratably, to the payment to the persons entitled thereto of amounts payable pursuant to Section 5.04(b)(i), Section 5.04(b)(ii) and Section 5.04(b)(iii), without preference or priority of principal, interest or Swap Payments or of interest and Swap Payments over principal, or of any installment of interest or Swap Payments over any other installment of interest or Swap Payments, according to the amounts due respectively for principal, interest and Swap Payments, without any discrimination or privilege.

(c) Termination Payments shall be paid from moneys in the Discretionary Fund subject and subordinate to the payment of principal and redemption price of and interest on the Bonds, amounts owing to any Credit Facility Provider and Swap Payments.

Except as to Series of Bonds secured by a Credit Facility, whenever the Trustee shall apply funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of Bonds to be paid on such dates shall cease to accrue. The Trustee shall by first class mail, postage prepaid, notify Bondholders of the Record Date and the time and place at which defaulted principal and interest is to be paid. Such notice shall be mailed to the persons in whose name the Bonds are registered at the close of business on the fifth day preceding the date of mailing. The Trustee shall not be required to make payment of principal to the Bondholder of

any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal or redemption prices on all Bonds, amounts owing to any Credit Facility Provider and all Swap Payments and Termination Payments have been paid under the provisions of this Section (and all interest rate swaps have been terminated) and all expenses and charges of and other amounts payable to the Trustee, the Administrator and DelVal have been paid, any balance remaining in the Funds shall be paid to DelVal as provided in Section 5.14 hereof.

Notwithstanding the foregoing, no fees, expenses, liabilities and advances incurred or made by the Trustee (including fees and expenses of its Counsel) or DelVal shall be paid with the proceeds of a draw on a Credit Facility or proceeds from the remarketing of any Series of Bonds.

Section 10.08 Remedies Vested in the Trustee.

All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs any Bondholders, and any recovery of judgment shall be for the equal and ratable benefit of the Bondholders of all the Outstanding Bonds, any Credit Facility Provider and any Swap Counterparty in accordance with their respective interests in the Trust Estate.

Section 10.09 Termination of Proceedings.

In case the Trustee, or any Bondholder shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case DelVal, the Trustee, the Swap Counterparty, if any, the provider of any Credit Facility and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and with regard to the property herein subject to this Indenture, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceedings had been taken.

Section 10.10 Waivers of Events of Default.

The Trustee may, at its discretion, waive any Event of Default hereunder and its consequences and may rescind any declaration of acceleration of all the Bonds, and shall do so upon the written request of the Bondholders of (a) a majority in aggregate principal amount of Bonds then Outstanding in respect of which default in the payment of principal and/or interest exists, or (b) a majority in aggregate principal amount of all Bonds then Outstanding in the case of any other default; provided, however, that there shall not be waived without the consent of the Bondholders of all Bonds then Outstanding (i) any default in the payment of the principal of any Outstanding Bond at the date of maturity specified therein or date of prior redemption or (ii) any default in the payment when due of the interest on any Outstanding Bond, unless prior to such waiver all arrears of interest or all arrears of payments of principal or redemption price then due

(other than accelerated principal), as the case may be, with interest on overdue principal and redemption price and interest at the rate borne by such Bond and all expenses of the Trustee in connection with such default, shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case DelVal, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any consequent right thereon. No waiver hereunder shall affect the rights of third parties to payment of amounts provided for hereunder.

Section 10.11 Notice of Defaults under Section 10.01(b); Opportunity of DelVal to Cure Such Defaults.

Anything herein to the contrary notwithstanding, no default under Section 10.01(b) shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to DelVal and the Administrator by the Trustee or the Bondholders of not less than 50% in aggregate principal amount of all Bonds then Outstanding, and DelVal (other than the failure to pay a Termination Payment if moneys sufficient therefor are available in the Discretionary Fund) shall have had 60 days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by DelVal within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice is given to DelVal under the provisions of this section, DelVal hereby grants the Trustee full power and authority, on behalf of DelVal, to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of DelVal, with full power to do any and all things and acts to the same extent that DelVal could do and perform any such things and acts and with power of substitution.

Notwithstanding anything to contrary contained in Sections 10.10 or 10.11, an Event of Default shall not be waived following a draw on Credit Facility unless the Trustee receives evidence that the Credit Facility has been reinstated in full and the Credit Facility Provider has not directed the Trustee to accelerate the Bonds secured by such Credit Facility.

Section 10.12 Consent by Credit Facility Provider.

If a Credit Facility is provided for all or a portion of a Series of Bonds, the Credit Facility Provider shall be deemed to be the Holder of such Bonds for the following:

(a) the right to make requests of, direct or consent to the actions of the Trustee or to otherwise direct proceedings all as provided in Article X of this Indenture to the same extent and in place of the Owners of the Series of Bonds which are secured by the Credit Facility;

(b) the right to act in place of the Owners of the Series of Bonds which are secured by the Credit Facility for purposes of removing a Trustee or appointing a Trustee under Article XI hereof; and

(c) the right to act in place of the Owners of the Series of Bonds to consent to Supplemental Indentures, which would otherwise require the consent of the Holders of not less than 50% in aggregate Principal Amount of the Bonds, entered into pursuant to Section XII, and of this Indenture.

The rights granted to any such Credit Provider, with respect to the provisions of Articles XI and XII hereof shall be disregarded and be of no effect if the Credit Facility Provider is in default of its payment obligations under its Credit Facility.

ARTICLE XI THE TRUSTEE

Section 11.01 Acceptance of the Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to serve as trustee for all Bonds issued hereunder and to perform said trusts, but only upon and subject to the following express terms and conditions and agrees to serve as Tender Agent for all Bonds (the Trustee and the Tender Agent shall at all times be the same entity so long as a Credit Facility is outstanding):

(a) The Trustee, prior to the occurrence of an Event of Default hereunder or under a Loan Agreement of which the Trustee has actual notice and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the Loan Agreements. In case an Event of Default hereunder or under a Loan Agreement of which the Trustee has actual notice has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Trustee would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, or receivers, but the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder, and the Trustee shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder and under the Loan Agreements, and may in all cases pay such reasonable compensation to all such attorneys, agents, and receivers as may reasonably be employed in connection with the trusts hereof and under the Loan Agreements. The Trustee may act upon the opinion or advice of any attorneys (who may but need not be the attorney or attorneys for DelVal or a Participant), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein (except recitals of the Trustee), or in the Bonds (except in respect to any certificate of authentication endorsed on the Bonds by the Trustee) or in the Loan Agreements, or for the validity of the execution by DelVal of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the Bondholder secured hereby with the same rights which it would have if not the Trustee.

(e) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder or under a Loan Agreement or Participant Note, except a failure by a Participant to make payments when due under a Loan Agreement or on a Participant Note, or a failure by DelVal to cause to be made any of the payments of principal or redemption prices of, or

interest on, the Bonds when due unless the Trustee shall be specifically notified in writing of such default by DelVal or by any Bondholder or a state or federal court. All notices or other instruments required by this Indenture or by a Loan Agreement to be delivered to the Trustee must, in order to be effective, be delivered at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, until such time as a different address may be provided by the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no default except as aforesaid.

(f) The Trustee shall be protected in acting upon and shall be conclusively entitled to rely upon any notice, request, consent, certificate (including the certificates of the officials of the Participants required pursuant to Section 6.07 hereof and under the Loan Agreements), order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons including any such documents signed by an Authorized Officer of DelVal. The Trustee shall not unreasonably withhold its consent, approval or action to any reasonable request of DelVal. Any action taken by the Trustee pursuant to this Indenture upon the request of DelVal or upon the consent of any person who at the time of making such request or giving such consent is the Bondholder shall be conclusive and binding upon all future Bondholders of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(g) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled in good faith to rely upon a Certificate signed by an Authorized Officer of DelVal as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has notice or is deemed to have notice pursuant to Section 11.01(e) hereof, shall also be at liberty to accept a similar Certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a Certificate of the Chairman or the Secretary of DelVal under its seal to the effect that a resolution in the form therein set forth has been adopted by DelVal as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(h) The permissive right of the Trustee to do things enumerated in this Indenture or in the Loan Agreements shall not be construed as a duty and it shall not be answerable for other than its gross negligence or willful misconduct.

(i) At any and all reasonable times, the Trustee, the Administrator and the duly authorized agents, attorneys, experts, engineers, accountants and representatives of any of said Persons shall have the right to inspect any and all of the books, papers and records of DelVal pertaining to the revenues and receipts under the Loan Agreements and the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises granted herein.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication

of any Bonds, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, by the Trustee deemed desirable for the purpose of establishing the right of DelVal to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Indenture, other than drawing under the provisions of a Credit Facility or, if applicable, directing a mandatory tender of a Series of Bonds secured by a Credit Facility, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses which it may incur and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct, by reason of any action so taken, but the Trustee may not require indemnity as a condition to declaring the principal of or interest on the Bonds to be due immediately under Section 10.02 hereof.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds, except to the extent required herein or by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

Section 11.02 Fees, Charges and Expenses of the Trustee.

The Trustee shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, Counsel fees and other expenses reasonably and/or necessarily made or incurred by the Trustee in connection with such services, but solely from moneys deposited in the Revenue Fund (other than the proceeds of a draw on a Credit Facility and proceeds from the remarketing of any Series of Bonds) and available therefor pursuant to Sections 5.04(b) and 10.07 hereof. Upon an Event of Default, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal or redemption price of or interest on any Bond upon the Trust Estate (other than the proceeds of a draw on a Credit Facility and proceeds from the remarketing of any Series of Bonds) for the foregoing fees, charges and expenses incurred by it.

Section 11.03 Notice to Certain Persons If Default Occurs.

If the Trustee becomes aware of an Event of Default, then the Trustee shall promptly give written notice thereof by first-class mail to the Bondholders of all Bonds then Outstanding, shown by the registration books kept at the designated corporate trust office of the Trustee, and to the Administrator, DelVal and the Swap Counterparty.

Section 11.04 Intervention by the Trustee.

In any judicial proceeding to which DelVal is a party and which, in the opinion of the Trustee and its Counsel, has a substantial bearing on the interests of Bondholders, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the Bondholders of at least 50% of the aggregate principal amount of the Bonds then Outstanding.

Section 11.05 Resignation by the Trustee.

The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by first-class mail to DelVal, the Administrator and the Bondholder of each Bond; provided, however, that in no event shall such resignation take effect until the appointment of a successor Trustee and the acceptance of such appointment by such successor as provided in Sections 11.08 and 11.09 hereof. Upon receiving such notice of resignation, DelVal shall promptly appoint a successor Trustee. If no successor Trustee shall have been so appointed and accepted such appointment within 60 days of mailing the notice of such resignation to the Bondholders, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, or the Bondholders of at least 50% of the aggregate principal amount of the Bonds may petition any such court for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor Trustee as provided in Sections 11.08 and 11.09 hereof.

Section 11.06 Removal of the Trustee.

The Trustee may be removed at any time for just cause, by an instrument or concurrent instruments in writing delivered to DelVal, the Trustee, and the Administrator and signed by the Bondholders of a majority in aggregate principal amount of all Bonds then Outstanding.

DelVal may remove the Trustee at any time for just cause so long as there is no default by DelVal and no Event of Default then in existence or continuing under this Indenture.

Section 11.07 Successor Trustee by Merger.

Any corporation into which any Trustee hereunder may be merged or converted, with which it may be consolidated, or to which it may transfer or sell all or substantially all of its assets, or any corporation resulting from any merger, conversion, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor trustee under this Indenture, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding, provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Sections 11.09 and 11.10(d) hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI.

Section 11.08 Appointment of a Successor Trustee by the Bondholders; Temporary Trustee.

In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Bondholders of a majority in aggregate principal amount of all Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders, or by their attorneys in fact, duly authorized and a copy of which shall be delivered personally or sent by registered mail to DelVal and the Administrator. Nevertheless, in case of such vacancy or resignation, DelVal shall appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above prescribed; and any such temporary Trustee so appointed shall immediately and without further act be superseded by any Trustee so appointed by such Bondholders. Notice of the appointment of a successor Trustee shall be given in the same manner as provided herein with respect to the resignation of a Trustee.

Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor shall have been appointed and shall have accepted such appointment.

Section 11.09 Concerning Any Successor Trustee.

Every successor Trustee appointed hereunder shall be a trust company or bank in good standing located in or incorporated under the laws of the Commonwealth, duly authorized to exercise trust powers and subject to examination by federal or state authority, having a reported capital and surplus of not less than \$50,000,000.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to DelVal an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but any such predecessor shall, nevertheless, on the written request of DelVal, or of the successor Trustee, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities, moneys, documents and other property held by it as Trustee hereunder to its successor hereunder. Should any instrument in writing from DelVal be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by DelVal. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded.

Section 11.10 Appointment of Co-Trustee.

(a) If at any time or times DelVal or the Trustee shall have determined, or shall have been advised by counsel satisfactory to it, that it is necessary or prudent to appoint a Co-Trustee under this Section in order to (i) separate (or provide for the joint undertaking of) certain of the rights, powers, duties and obligations conferred or imposed upon the Trustee; (ii) comply with the legal requirements of any applicable jurisdiction; or (iii) effectuate the exercise of the powers, rights or remedies of the Trustee hereunder, then the Trustee and/or DelVal shall be entitled, without the consent of the Program Administrator or any Participant, and regardless of whether an Event of Default hereunder shall have occurred, to appoint one or more additional institutions (which each shall meet the specifications for a successor trustee under Section 11.09 hereof) to serve as a separate co-trustee hereunder (a "Co-Trustee"), with such powers as may be provided in the instrument of appointment, and to vest in each such institution any property, title, right or power deemed necessary or desirable, subject to the provisions of this Section 11.10.

(b) Each Co-Trustee shall, to the extent permitted by applicable law, be appointed subject to the following terms:

- (i) The rights, powers, duties and obligations conferred or imposed upon any such Co-Trustee shall not be greater than those conferred or imposed upon the Trustee.
- (ii) DelVal, or the Trustee, may at any time accept the resignation of and DelVal may remove any Co-Trustee appointed under this Section 11.10 in the same manner as stated in this Article XI with respect to resignation and removal of the Trustee.
- (iii) No Co-Trustee under this Indenture shall be liable by reason of any act or omission of the Trustee or any other Co-Trustee appointed under this Indenture.
- (iv) Anything herein contained to the contrary notwithstanding, no power given to any Co-Trustee hereunder shall be separately exercised by such Co-Trustee except at the written direction of DelVal with notice to the Trustee.

(c) Should any instrument in writing from DelVal be required by the Co-Trustee so appointed or removed by the Trustee in order to vest in and confirm to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by DelVal. In case any Co-Trustee, or a successor shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate Trustee or Co-Trustee.

(d) In addition to the provisions of Sections 11.05, 11.06 and 11.09, any Trustee or Co-Trustee appointed hereunder shall resign if requested by DelVal, or may be removed by

DelVal, if the long-term unsecured senior debt rating (not taking into account any third party credit enhancement) of such Trustee or Co-Trustee, as applicable, is below “A2” as determined by Moody’s, below “A” as determined by S&P or Fitch, or below an equivalent rating by any other NRSRO with a published rating of the Bonds.

(e) The Trustee shall promptly give each Swap Counterparty written notice of the appointment of a separate Trustee or Co-Trustee under this Indenture.

Section 11.11 Certain Notices.

The Trustee shall give notice to each Rating Agency of the following:

- (a) Any change in the identities of the Trustee, any remarketing agent, paying agent or tender agent;
- (b) Any supplements or amendments to this Indenture;
- (c) Any supplements or amendments to any Credit Facility Agreement on any Credit Facility;
- (d) The expiration, termination, substitution or extension of any Credit Facility;
- (e) Conversion of interest rate mode on any Series of Bonds;
- (f) Redemptions or defeasance of any Series of any Bonds;
- (g) Any Series of Bonds which are mandatorily tendered;
- (h) Any acceleration of the Bonds; and
- (i) Any other information that any Rating Agency may reasonably request of the Trustee in writing in order to maintain a rating on the Bonds.

DelVal shall give written notice to the Trustee, each Swap Counterparty and the Administrator in the event of any change or reduction in the ratings of the Bonds or any Participant Credit Enhancer which has issued Participant Credit Enhancement.

Section 11.12 Continuing Disclosure.

The Trustee is hereby appointed as the dissemination agent for purposes of compliance with the requirements of Rule 15(c)2-12 of the Securities and Exchange Commission. The Trustee shall disseminate all information in accordance with the terms of each Continuing Disclosure Agreement.

ARTICLE XII SUPPLEMENTAL INDENTURES

Section 12.01 Supplemental Indentures Not Requiring Consent of Bondholders.

DeVal and the Trustee may, without the consent of or notice to any of Bondholders or any Swap Counterparty or any Credit Facility Provider, enter into any Supplemental Indenture for any one or more of the following purposes:

- (a) In connection with the issuance of a Series of Bonds;
- (b) To cure any ambiguity or formal defect or omission in this Indenture;
- (c) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee or to make any change which in the judgment of the Trustee is not to the detriment of the Bondholders;
- (d) To subject to this Indenture additional revenues, properties or collateral;
- (e) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the *Trust Indenture Act of 1939*, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said *Trust Indenture Act of 1939*, as amended, or similar federal statute;

- (h) To provide for certificated Bonds as contemplated by Section 2.07(c)(vii) hereof;
- (i) To make any change to reflect any provision in the Code or the interpretations thereof by the Internal Revenue Service, provided that such change does not materially adversely affect the rights of any Bondholder;
- (j) To make any change not materially adversely affecting any Bondholder's or Swap Counterparty's or any Credit Facility Provider's rights requested by any Rating Agency in order (i) to obtain a rating from such Rating Agency in connection with its rating of such Series of Bonds or (ii) to maintain any rating on the Bonds;

- (k) To make any change necessary to obtain Participant Credit Enhancement;
- (l) To make any change necessary to obtain a Credit Facility; or
- (m) To make any other change that does not materially adversely affect the rights of any Bondholder or Swap Counterparty or Credit Facility Provider.

Section 12.02 Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of supplemental indentures covered by Section 12.01 hereof and subject to the terms and provisions contained in this Section 12.02 and Section 10.10 hereof, and not otherwise, the Bondholders of not less than 50% in aggregate principal amount of the Bonds then Outstanding which are affected and each Swap Counterparty shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by DelVal and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by DelVal or the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting (a) without the consent of the Bondholders of all then Outstanding Bonds and each Swap Counterparty, (i) an extension of the maturity date of the principal of or the interest on any Bond, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or (iii) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture, or (v) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding hereunder, or (b) any modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

If at any time DelVal shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed by first-class mail to the Administrator, the Swap Counterparty and to each Bondholder of a Bond at the address shown on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the designated corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by DelVal, following the mailing of such notice, the Bondholders of not less than 50% in aggregate principal amount of the Bonds Outstanding which are affected at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Bondholder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or DelVal from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 12.03 Required Opinions.

No supplemental indenture entered into pursuant to this Article XII shall be effective unless there shall have been provided to DeVal and the Trustee a Favorable Opinion of Bond Counsel with respect thereto and an Opinion of Counsel to the effect that such Supplemental Indenture has been duly authorized, executed and delivered by the parties thereto and that the requirements of this Article XII have been satisfied in connection therewith.

Section 12.04 Supplemental Indentures requiring Consent of Participant Credit Enhancers and providers of Credit Facilities.

Any Supplemental Indenture which would adversely affect the rights, interests, security and obligations of a Participant Credit Enhancer or a Credit Facility Provider shall not be effective until all Participant Credit Enhancers and providers of Credit Facilities affected thereby have consented thereto.

PARTICIPANT CREDIT ENHANCEMENT, AND CREDIT FACILITIES

Section 13.01 Amendments Without Consent of Bondholders.

The Administrator shall review all such proposed amendments to Loan Agreements, Participant Notes, Participant Credit Enhancements, and Credit Facilities and provide a recommendation with respect thereto to DelVal. DelVal may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of any previously executed and delivered Loan Agreement, Participant Note, Participant Credit Enhancement, or Credit Facility, so long as such amendment, change or modification does not adversely affect the interest of Bondholders. ARTICLE XIV GENERAL COVENANTS

Section 14.01 Payment of Bonds.

DelVal covenants that it shall promptly pay the principal, interest or redemption price on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof; provided, that the principal, interest or redemption price is payable by DelVal solely from the Revenues or moneys provided by the Covenant Agreement, and nothing in the Bonds or this Indenture shall be considered as assigning or pledging any other funds or assets or rights of DelVal other than the Revenues and the right, title and interest of DelVal in the Loan Agreements and any other property mentioned in the Granting Clauses hereof.

Section 14.02 Performance of Covenants by DelVal.

DelVal covenants that it shall faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Loan Agreement and Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining hereto. DelVal covenants that it is duly authorized under the Constitution and laws of the Commonwealth, including particularly the *Authorities Act*, to issue the Bonds authorized hereby and to execute this Indenture and the Loan Agreements, and to evidence amounts payable thereunder and its interest in any security therefor, and to pledge the Revenues, the Participant Notes and any other property hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture and the Loan Agreements have been or, with respect to the Loan Agreements, will be, duly and effectively taken, and that the Bonds in the hands of the Bondholders thereof are and shall be valid and enforceable obligations of DelVal according to the terms thereof and hereof.

Section 14.03 Instruments of Further Assurance.

DelVal agrees that the Trustee may defend its rights to the payments of the Revenues and the Participant Notes for the benefit of the Bondholders against the claims and demands of all persons whomsoever. DelVal covenants that it shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, pledging, assigning and confirming unto the Trustee all and singular the rights assigned hereby and the amounts and other property pledged hereby to the payment of the principal or redemption price of and interest on the Bonds. DelVal covenants and agrees that, except as provided herein or in the Loan Agreements, it shall not sell, convey, assign, pledge, encumber or otherwise dispose of any part of the Participant Notes or the Revenues or its rights under the Loan Agreements or any security therefor or any other property pledged to secure the Bonds.

Section 14.04 Recording and Filing.

The Trustee shall keep or cause to be kept all financing statements related to this Indenture and all supplements hereto, the Loan Agreements and all supplements thereto and such other documents that are delivered to the Trustee as may be necessary to be filed in such manner and in such places, and, except to the extent otherwise expressly stated in or contemplated by this Indenture, the Trustee shall maintain continuous possession of any portions of the Trust Estate in which a security interest may not be perfected by filing, as may be required by law in order to preserve, protect, and perfect fully the security of the Bondholders and the rights of the Trustee hereunder. earlier Optional Redemption Date, Extraordinary Mandatory Redemption Date or Purchase Date as further set forth herein. Principal of the 2025 B Bonds is payable on the Maturity Date or, if applicable, the earlier Optional Redemption Date, Extraordinary Mandatory Redemption Date or Purchase Date. If the Weekly Rate Payment Date, Maturity Date, Optional Redemption Date, Extraordinary Mandatory Redemption Date or Purchase Date is not a Business Day, the interest on or principal of the 2025 B Bonds shall be paid on the succeeding Business Day, without any further accrual of interest. Thereafter, interest shall be payable on the 2025 B Bonds during any Weekly Rate Period on each Interest Payment Date for the period commencing on the immediately preceding Interest Payment Date.

(1) Interest on the 2025 B Bonds shall be payable for the final Weekly Rate Period to the date on which such 2025 B Bonds shall have been paid in full.

(2) The initial interest rate for the 2025 B Bonds, and the determination of the Weekly Rate subsequently determined by the Remarketing Agent shall be conclusive and binding upon DelVal, the Trustee, the Remarketing Agent, if applicable, and the Holders of such 2025 B Bonds.

(B) Interest for the 2025 B Bonds shall be computed by multiplying the principal amount outstanding by (i) the weighted average Weekly Rate for the applicable period, rounded to the seventh significant digit and by (ii) the actual number of days elapsed divided by the actual number of days in the year.

(C) The 2025 B Bonds are subject to optional redemption by DelVal as set forth in Section 4.01 hereof. The 2025 B Bonds are subject to optional and mandatory tender as set for in Section 4.03 and Section 4.04 hereof. All or a portion of the 2025 B Bonds may be subject to redemption on certain dates due to an Extraordinary Mandatory Redemption as provided in Section 4.05 hereto. If the applicable Interest Payment Date, Maturity Date, Extraordinary Mandatory Redemption Date, Optional Redemption Date or other Purchase Date is not a Business Day, the interest on or principal of the 2025 B Bonds shall be paid on the succeeding Business Day.

(D) The 2025 B Bonds shall be issued in the par amount, with the maturity date, payment date and CUSIP as set forth below:

<u>Par amount</u>	<u>Maturity Date</u>	<u>Payment Date</u>	<u>CUSIP</u>

During each Weekly Rate Period with respect to the 2025 B Bonds, the 2025 B Bonds shall bear interest at the Weekly Rate, which shall be determined by the Remarketing Agent by no later than 11:00 A.M., New York City time, on Wednesday of each week during such Weekly Rate Period, or if such day shall not be a Business Day, then on the next preceding Business Day. The Weekly Rate for the first Weekly Rate Period shall be determined on the Issue Date of the 2025 B Bonds and shall apply to the period

commencing on the Issue Date and ending on the next succeeding Tuesday (whether or not a Business Day). Thereafter, each Weekly Rate shall apply to the period commencing on the first Wednesday on or after the date of determination thereof (whether or not a Business Day) and ending on the next succeeding Tuesday (whether or not a Business Day), unless such Weekly Rate Period shall end on a day prior to the following Tuesday, in which event the last Weekly Rate for such Weekly Rate Period shall apply to the period commencing on the Wednesday (whether or not a Business Day) preceding the last day of such Weekly Rate Period and ending on the last day of such Weekly Rate Period. The Weekly Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by the 2025 B Bonds, would enable the Remarketing Agent to sell all of such 2025 B Bonds at the time of such determination, at a price (without regard to accrued interest) equal to the principal amount thereof. In the event that the Weekly Rate for the immediately preceding week was not determined by the Remarketing Agent, or in the event that the Weekly Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such Business Day shall be equal to 110% of the SIFMA Index on the day such Weekly Rate would otherwise be determined as provided herein for such Weekly Rate Period. No 2025 B Bonds shall bear interest at a Weekly Rate in excess of the Maximum Rate.

(F) Defeasance of 2025 B Bonds. Notwithstanding anything to the contrary in the Master Indenture, Article IX Discharge of Indenture shall not be applicable to the 2025 B Bonds and the 2025 B Bonds shall not be defeased.

(B) Deposit of 2025 B Bonds. The Tender Agent agrees to hold all 2025 B Bonds delivered to it pursuant to Sections 4.03 and 4.04 hereof in trust for the benefit of the respective Holders which shall have so delivered such 2025 B Bonds until moneys representing the Purchase Price of such 2025 B Bonds have been delivered to such Holder in accordance with the provisions of this Thirteenth Supplemental Indenture and until such 2025 B Bonds shall have been delivered by the Tender Agent in accordance with Section 4.06(F).

(C) Remarketing of 2025 B Bonds; Funds for Payment of Purchase Price.

- (1) No later than 4:00 P.M., New York City time, on the last Business Day prior to the Purchase Date in the case of 2025 B Bonds to be purchased pursuant to Sections 4.03 and 4.04, the Remarketing Agent shall inform the Tender Agent by telephone, promptly confirmed in writing, of the principal amount of Purchased Bonds for which the Remarketing Agent has identified prospective purchasers and of the name, address and taxpayer identification number of each such purchaser, the principal amount of Purchased Bonds to be purchased and the Authorized Denominations in which such Purchased Bonds are to be delivered. Upon receipt of such information from the Remarketing Agent, the Tender Agent shall prepare Purchased Bonds in accordance with such information for the registration of transfer and redelivery to the Remarketing Agent. The term “Purchased Bonds” when used in this Section 4.06 shall only refer to 2025 B Bonds.

- (2) For purposes of this Section 4.06, the term “Funding Amount” is hereby defined to mean an amount equal to the difference between (1) the total Purchase Price of those Purchased Bonds to be purchased pursuant to Sections 4.03 and 4.04 on the Purchase Date, and (2) the Purchase Price of those Purchased Bonds to be purchased pursuant to Sections 4.03 and 4.04 with respect to which the Remarketing Agent has transferred, or caused to be transferred, immediately available funds to the Tender Agent by 11:00 A.M., New York City time, on the Purchase Date for deposit in the 2025 B Remarketing Proceeds Account pursuant to Section 4.06(D).
- (3) Any Purchased Bonds which are subject to optional or mandatory tender for purchase in accordance with Sections 4.03 and 4.04 which are not presented to the Tender Agent on the Purchase Date shall, in accordance with the provisions of Section 4.06, be deemed to have been purchased upon the deposit of moneys equal to the Purchase Price thereof into any or all of the accounts of the 2025 B Bond Purchase Fund.

(D) Deposits of Funds.

- (1) The Remarketing Agent shall transfer, or cause to be transferred, to the Tender Agent the proceeds derived by the Remarketing Agent from remarketing of 2025 B Bonds pursuant to Section 4.06(C) in immediately available funds by 11:00 A.M., New York City time, on the Purchase Date for deposit in the 2025 B Remarketing Proceeds Account. The Tender Agent shall deposit into the 2025 B Remarketing Proceeds Account any amounts received by it from the Remarketing Agent against receipt of 2025 B Bonds by the Remarketing Agent pursuant to Section 4.06(F) and on account of Purchased Bonds remarketed pursuant to the terms of the Remarketing Agreement.
- (2) By 11:30 A.M., New York City time, on the Purchase Date, the Tender Agent shall notify DelVal by telephone, immediately confirmed in writing, of the amount, if any, by which the total Purchase Price of the Purchased Bonds exceeds the sum of the amounts then on deposit in the 2025 B Remarketing Proceeds Account (the “2025 B Additional Funding Amount”). DelVal may, but is not required to, transfer to the Tender Agent all or any portion of the 2025 B Additional Funding Amount. The 2025 B Additional Funding Amount may be different from the Funding Amount to the extent that the Remarketing Agent deposits moneys associated with 2025 B Bonds remarketed in the interim period. The Tender Agent shall deposit any 2025 B Additional Funding Amount received from DelVal in the 2025 B DelVal Purchase Account.
- (3) The Tender Agent shall draw on the Credit Facility prior to or at 12:00 noon, New York City time, for payment by 3:00 P.M., New York City time, for the Funding Amount required to purchase Purchased Bonds on such Purchase Date.

- (4) The Tender Agent shall hold all proceeds received from the Remarketing Agent, the Credit Facility Provider or DelVal pursuant to this Section 4.06(D) in trust for the tendering Bondholders. In holding such proceeds and moneys, the Tender Agent will be acting on behalf of such Bondholders by facilitating purchase of the 2025 B Bonds and not on behalf of DelVal or the Credit Facility Provider and will not be subject to the control of any of them. Subject to the provisions of Section 4.06(E), following the discharge of the lien created by Section 6.01 of this Thirteenth Supplemental Indenture or after payment in full of the 2025 B Bonds, the Tender Agent shall pay any moneys remaining in any account of the 2025 B Bond Purchase Fund directly to the Persons for whom such money is held upon presentation of evidence reasonably satisfactory to the Trustee that such Person is rightfully entitled to such money and the Tender Agent shall not pay such amounts to any other Person.

(E) Disbursements; Payment of Purchase Price. Moneys delivered to the Tender Agent on a Purchase Date shall be applied at or before 4:30 P.M., New York City time, on such Purchase Date to pay the Purchase Price of Purchased Bonds in immediately available funds as follows in the indicated order of application and, to the extent not so applied on such date, shall be held in the separate and segregated accounts of the 2025 B Bond Purchase Fund for the benefit of the Holders of the Purchased Bonds which were to have been purchased:

FIRST: Moneys deposited in the 2025 B Remarketing Proceeds Account.

SECOND: Moneys representing a draw on the Credit Facility deposited in the Credit Facility Account.

THIRD: Moneys deposited in 2025 B DelVal Purchase Account.

Any moneys held by the Tender Agent in 2025 B DelVal Purchase Account remaining unclaimed by the Holders of the Purchased Bonds which were to have been purchased for three (3) years after the respective Purchase Date for such Purchased Bonds shall be paid, upon the written request of DelVal, to or upon the order of DelVal, against written receipt therefor. The Holders of Purchased Bonds who have not yet claimed money in respect of such 2025 B Bonds shall thereafter be entitled to look only to the Tender Agent, to the extent it shall hold moneys on deposit in the 2025 B Bond Purchase Fund or DelVal to the extent moneys have been transferred in accordance with this Section.

(F) Delivery of Purchased Bonds.

- (1) The Remarketing Agent shall give telephonic or telegraphic notice, promptly confirmed by a written notice, to the Tender Agent on each date on which 2025 B Bonds shall have been purchased pursuant to Sections 4.03 and 4.04, specifying the principal amount of such 2025 B Bonds, if any, sold by it pursuant to Section 4.06(C) or (D) along with a list of such purchasers showing the names and Authorized Denominations in which such 2025 B Bonds shall be registered, and the addresses and social security

or taxpayer identification numbers of such purchasers. By 1:30 P.M., New York City time, on the Purchase Date, a principal amount of 2025 B Bonds equal to the amount of Purchased Bonds purchased with moneys from the 2025 B Remarketing Proceeds Account shall be made available by the Tender Agent to the Remarketing Agent against payment therefor in immediately available funds. The Tender Agent shall prepare each 2025 B Bond to be so delivered in such names as directed by the Remarketing Agent pursuant to Section 4.06(C)(1).

- (2) A principal amount of 2025 B Bonds equal to the amount of Purchased Bonds purchased from moneys on deposit in the Credit Facility Account shall be delivered on the day of purchase by the Tender Agent to or as directed by the Credit Facility Provider. The Tender Agent shall register such 2025 B Bonds in the name of the Credit Facility Provider or as otherwise directed by the Credit Facility Provider.

(G) The Tender Agent shall not draw on a Credit Facility to pay the Purchase Price, principal, or Optional Redemption Price of or interest on any Credit Facility Bonds or other Bonds which are not Eligible Bonds.

Section 4.07. Irrevocable Notice Deemed to be Tender of 2025 Bond

(A) The giving of notice by a Holder of a 2025 B Bond as provided in Section 4.03 shall constitute the irrevocable tender for purchase of each such 2025 B Bond with respect to which such notice shall have been given, regardless of whether such 2025 B Bond is delivered to the Tender Agent for purchase on the relevant Purchase Date as provided in this Article IV.

(B) The Tender Agent may refuse to accept delivery of any such 2025 B Bonds for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such 2025 B Bond as herein described. For purposes of this Article IV, the Tender Agent for the 2025 B Bonds shall determine timely and proper delivery of such 2025 B Bonds and the proper endorsement of such 2025 B Bonds. Such determination shall be binding on the Holders of such 2025 B Bonds, DelVal and the Remarketing Agent, absent manifest error. If any Holder of a 2025 B Bond subject to optional redemption or mandatory tender for purchase pursuant to Sections 4.01, 4.03 or 4.04 shall fail to deliver such 2025 B Bond to the Tender Agent at the place and on the applicable date and at the time specified, or shall fail to deliver such 2025 B Bond properly endorsed, such 2025 B Bond shall constitute an Undelivered Bond. If funds in the amount of the Purchase Price of the Undelivered Bond are available for payment to the Holder thereof on the date and at the time specified, from and after the date and time of that required delivery, (1) the Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be Outstanding under the Indenture; (2) interest shall no longer accrue thereon; and (3) funds in the amount of the Purchase Price of the Undelivered Bond shall be held by the Tender Agent for such 2025 B Bond for the benefit of the Holder thereof, to be paid on delivery (and proper endorsement) of the Undelivered Bond to the Tender Agent at its Principal Office. Any funds held by the Tender Agent as described in clause (3) of the preceding sentence shall be held uninvested.

Section 4.08. Remarketing of 2025 Bonds; Notice of Interest Rates.

(A) Upon a tender for purchase of the 2025 B Bonds, the Remarketing Agent, if directed by DelVal, shall offer for sale and use its best efforts (as more fully set forth in a Remarketing Agreement (hereinafter defined)) to sell such applicable 2025 B Bonds, any such sale to be made on the date of such purchase in accordance with this Article IV at a price equal to the principal amount thereof plus accrued interest, if any, thereon to the Purchase Date at the rates determined by the Remarketing Agent as provided in Section 2.04(E) hereof.

(B) The Remarketing Agent shall offer for sale and use its best efforts to sell Credit Facility Bonds (if any) at a price equal to the principal amount thereof plus accrued interest to the date of purchase at the lowest rate at which such Credit Facility Bonds can be remarketed to facilitate payment procedures at the Securities Depository, but in no event higher than the Maximum Rate. Credit Facility Bonds shall not be delivered upon remarketing unless the Tender Agent shall have received a written confirmation from the Credit Facility Provider that the Credit Facility is reinstated in accordance with its terms to the full amount of the then Required Stated Amount. No Credit Facility Bonds shall be remarketed to DelVal.

(C) Anything in this Thirteenth Supplemental Indenture to the contrary notwithstanding, during the period during which a Credit Facility is required to be in effect, if there is no Credit Facility in effect, or if there shall have occurred and is continuing an Event of Default, there shall be no remarketing of 2025 B Bonds tendered or deemed tendered for purchase.

Section 4.09. The Remarketing Agent.

The Remarketing Agent shall be authorized by law to perform all the duties imposed upon it pursuant to a Remarketing Agreement entered into by and between DelVal and such Remarketing Agent (the "Remarketing Agreement"). The Remarketing Agent or any successor shall signify its acceptance of the duties and obligations imposed upon it pursuant to the applicable Remarketing Agreement under which such Remarketing Agent will agree to:

(A) determine the interest rates applicable to the 2025 B Bonds and give notice to the Tender Agent of such rates and periods in accordance with Article II hereof;

(B) keep such books and records with respect to the remarketing of the 2025 B Bonds as shall be consistent with prudent industry practice; and

(C) use its best efforts to remarket the 2025 B Bonds in accordance with this Thirteenth Supplemental Indenture and the terms of the applicable Remarketing Agreement.

The Remarketing Agent shall hold all amounts received by it in accordance with any remarketing of 2025 B Bonds pursuant to Section 4.06 in trust only for the benefit of the Holders of such tendered 2025 B Bonds and shall not commingle such amounts with any other moneys.

Section 4.10. Qualifications of Remarketing Agent; Resignation; Removal.

(A) Each Remarketing Agent shall be a member of the Financial Industry Regulatory Authority (FINRA), having a combined capital stock, surplus and undivided profits of at least

\$50,000,000 and authorized by law to perform all the duties imposed upon it by this Thirteenth Supplemental Indenture.

(B) A Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Remarketing Agreement by giving at least thirty (30) days written notice to the Tender Agent and DelVal. Such resignation shall take effect on the thirtieth (30th) day after the receipt by DelVal of the notice of resignation. A Remarketing Agent may be removed at the direction of DelVal at any time upon thirty (30) days prior written notice, by an instrument signed by DelVal, filed with such Remarketing Agent and the Tender Agent; provided, however, that no such resignation or removal shall be or become effective unless and until a successor Remarketing Agent shall have been appointed and accepted such appointment in accordance with this Thirteenth Supplemental Indenture.

Section 4.11. Successor Remarketing Agents.

(A) Any corporation, association, partnership or firm which succeeds to the business of the Remarketing Agent as a whole or substantially as a whole, whether by sale, merger, consolidation or otherwise, shall thereby become vested with all the property, rights and powers of such Remarketing Agent hereunder.

(B) In the event that the Remarketing Agent has given notice of resignation or has been notified of its impending removal in accordance with Section 4.10(B), DelVal shall appoint a successor Remarketing Agent.

(C) In the event that the Remarketing Agent shall resign, be removed or be dissolved, or if the property or affairs of the Remarketing Agent shall be taken under control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and DelVal shall fail to appoint a successor and, if no appointment is made within thirty (30) days, the Tender Agent shall apply to a court of competent jurisdiction for such appointment.

Section 4.12. The Tender Agent.

DelVal hereby appoints the Trustee as the initial Tender Agent for the 2025 B Bonds and the Trustee hereby accepts the duties of the tender agent as set forth herein, and it and each successor Tender Agent appointed in accordance with this Thirteenth Supplemental Indenture shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it as described herein by a written instrument of acceptance delivered to DelVal and the Trustee, under which each Tender Agent will agree, particularly:

- (1) to hold all 2025 B Bonds delivered to it for purchase hereunder in trust for the exclusive benefit of the respective Holders that shall have so delivered such 2025 B Bonds until moneys representing the purchase price of such 2025 B Bonds shall have been delivered to or for the account of or to the order of such Holders;
- (2) to hold all moneys delivered to it hereunder for the purchase of 2025 B Bonds in trust for the exclusive benefit of the Person that shall have so delivered such moneys until the 2025 B Bonds purchased with such moneys

shall have been delivered to it for the account of such Person and, thereafter, for the benefit of the Holders tendering such 2025 B Bonds; and

- (3) to keep such books and records as shall be consistent with prudent corporate trust industry practice and to make such books and records available for inspection by DelVal, the Trustee, any Remarketing Agent and the Credit Facility Provider (if any).

Section 4.13. Qualifications of Tender Agent; Resignation; Removal.

(A) Any successor Tender Agent shall be a commercial bank with trust powers or trust company duly organized under the laws of the United States of America or any state or territory thereof having a combined capital stock, surplus and undivided profits of at least \$50,000,000 and authorized by law to perform all the duties imposed upon it by this Thirteenth Supplemental Indenture. Subject to the next succeeding paragraph, any Tender Agent may resign at any time and be discharged of the duties and obligations created by this Thirteenth Supplemental Indenture by giving at least sixty (60) days' notice to DelVal, the Credit Facility Provider (if any) and the Trustee. Subject to the next succeeding paragraph, any Tender Agent may be removed at any time, by an instrument signed by DelVal and filed with the Trustee and the Credit Facility Provider (if any).

(B) Upon the resignation or removal of the Tender Agent, the Tender Agent shall pay over, assign and deliver any moneys and/or 2025 B Bonds held by it in such capacity to its successor, and shall transfer any documentation relating to the Credit Facility in its custody, if any, to its successor. In the event of the resignation of a Tender Agent who is also serving in the capacity of Trustee, the Trustee shall also tender its resignation in accordance with the provisions of this Indenture. No such resignation or removal shall be effective until a successor has been appointed and accepted such duties.

Section 4.14. Successor Tender Agents.

(A) Any corporation, association, partnership or firm which succeeds to the business of the Tender Agent as a whole or substantially as a whole, whether by sale, merger, consolidation or otherwise, shall thereby become vested with all the property, rights and powers of such Tender Agent hereunder, without necessity of any further action.

(B) In the event that the Tender Agent has given notice of resignation or has been notified of its impending removal each in accordance with Section 4.13 hereof, DelVal shall appoint a successor Tender Agent; provided however, that the Trustee and the Tender Agent shall be the same entity unless the existence of different entities acting in such respective capacities will not lower the then existing ratings on the 2025 B Bonds, if any.

(C) In the event that the Tender Agent shall resign, be removed or be dissolved, or if the property or affairs of the Tender Agent shall be taken under control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and DelVal fails to appoint a successor within thirty (30) days, the Administrator shall apply to a court of competent jurisdiction for such appointment.

Section 4.15. Credit Facility.

(A) DelVal shall cause to be delivered a Replacement Credit Facility (if the expiration date of the current Credit Facility has not been extended) at least 20 days before the Expiration Date of any existing Credit Facility. On or prior to the date of the delivery of a Credit Facility or a Replacement Credit Facility to the Trustee, DelVal shall cause to be furnished to the Trustee (i) an opinion of Bond Counsel to the effect that the delivery of such Credit Facility to the Trustee is authorized under the Master Indenture and complies with the terms hereof and will not in and of itself adversely affect the tax-exempt status of interest on the 2025 B Bonds, (ii) an opinion of counsel to the Credit Facility Provider issuing such Credit Facility to the effect that such Credit Facility is enforceable in accordance with its terms (except to the extent that the enforceability thereof may be limited by bankruptcy, reorganization or similar laws limiting the enforceability of creditors' rights generally, and (iii) written evidence from the Rating Agency that the 2025 B Bonds shall have a short-term rating of "A-1", "P-1", an equivalent rating, or higher.

(B) DelVal shall provide to the Trustee a notice at least 15 days prior to the effective date of any Credit Facility including any Replacement Credit Facility (and not later than 35 days prior to the expiration of any existing Credit Facility) identifying the Replacement Credit Facility, if any, and the rating which will apply to the applicable 2025 B Bonds after the effective date thereof.

(C) The Trustee shall provide notice to the holders of the 2025 B Bonds at least 10 days prior to the effective date of any Replacement Credit Facility identifying the Replacement Credit Facility, if any, and the rating which will apply to the applicable 2025 B Bonds after the effective date thereof.

ARTICLE V
EVENTS OF DEFAULT AND REMEDIES OF BONDHOLDERS

Section 5.01. Events of Default.

In addition to the Events of Default specified in Section 10.01 of the Master Indenture, (i) a failure to pay the Purchase Price of any 2025 Bond on a Purchase Date or any other date on which 2025 Bonds are tendered or subject to mandatory tender or purchase pursuant to Article IV shall constitute an Event of Default under this Thirteenth Supplemental Indenture with respect to the applicable 2025 Bonds; or (ii) with respect to the 2025 B Bonds, (a) receipt by the Trustee of notice of non-reinstatement of the interest coverage under a Credit Facility following a draw thereunder to pay interest, or (b) receipt of a notice of an Event of Default (as such term is defined in the Credit Facility Agreement) from the Credit Facility Provider pursuant to Section 8.02 of the Credit Facility Agreement, shall constitute an Event of Default under this Thirteenth Supplemental Indenture with respect to the 2025 B Bonds covered by a Credit Facility.

Section 5.02. Additional Remedy.

In addition to the remedies specified in Section 10.04 of the Master Indenture, upon an Event of Default under Section 5.01(ii) above, the Trustee shall cause an immediate acceleration of the 2025 B Bonds and shall immediately draw on the Credit Facility to pay the principal and interest on the 2025 B Bonds. In the event that the Credit Facility Provider fails to honor a draw to pay the principal and interest on the 2025 B Bonds upon such acceleration, the acceleration of the 2025 B Bonds shall be rescinded by the Trustee. Interest on the 2025 B Bonds, provided that the Credit Facility Provider has honored a draw on the Credit Facility, shall cease to accrue on the date of declaration of the acceleration of the 2025 B Bonds; *provided*, that Credit Facility Bonds and the obligation to reimburse the Credit Facility Provider for such acceleration drawing shall bear interest as set forth in the Credit Facility and/or the Credit Facility Agreement. Notwithstanding anything to the contrary in Section 10.11 of the Master Indenture, an Event of Default shall not be waived following a draw on the Credit Facility unless the Trustee receives written evidence that the Credit Facility has been reinstated in full and the Credit Facility Provider has not directed the Trustee to accelerate the 2025 B Bonds.

ARTICLE VI MISCELLANEOUS

Section 6.01. Pledge of the Master Indenture.

In accordance with and pursuant to the Granting Clauses and Section 2.11 of the Master Indenture, DelVal hereby ratifies and confirms its grant and pledge to the Trustee of a security interest in and lien upon the Trust Estate for the benefit of the parties specified therein, including, but not limited to the Holders of the 2025 Bonds and Credit Facility Bonds.

Section 6.02. Limitation on Duties of Trustee and Tender Agent.

Neither the Trustee or Tender Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of any Weekly Rate (including any related benchmark), or (ii) to determine the calculation of any Weekly Rate or Weekly Rate Period. Neither the Trustee or Tender Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Thirteenth Supplemental Indenture due to any inability, delay, error or inaccuracy on the part of DelVal, the Administrator, the Underwriter or the Remarketing Agent (each an “Other Transaction Party”), in providing any direction, instruction, notice or information required or contemplated by the terms of this Thirteenth Supplemental Indenture and reasonably required for the performance of such duties.

Except as otherwise set forth in Section 11.01 of the Master Indenture, neither the Trustee or Tender Agent shall be under any obligation to oversee or monitor the performance of any Other Transaction Party. The Trustee and the Tender Agent shall be protected in acting upon and shall be conclusively entitled to rely upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons, including any such documents provided by an Other Transaction Party.

Neither the Trustee or Tender Agent shall be under any duty to succeed to, assume or otherwise perform any of the duties of an Other Transaction Party, or, except as expressly set forth in this Thirteenth Supplemental Indenture, to appoint a successor or replacement in the event of its resignation or removal, or to remove and replace an Other Transaction Party in the event of a default, breach or failure of performance on the part of an Other Transaction Party with respect to its duties and obligations under the terms of the governing documents, including this Thirteenth Supplemental Indenture.

Section 6.03. Business Days.

If any date specified herein shall not be a Business Day, any action required on such date may be made on the next succeeding Business Day with the same effect as if made on such date.

Section 6.04. Governing Law.

This Thirteenth Supplemental Indenture and the 2025 Bonds shall be governed by and construed in accordance with the Constitution and the laws applicable to contracts made and performed in the Commonwealth of Pennsylvania.

Section 6.05. Execution in Several Counterparts.

This Thirteenth Supplemental Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as DelVal and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

Section 6.06. Confirmation of Master Indenture.

As amended and supplemented by this Thirteenth Supplemental Indenture, the Master Indenture is hereby ratified and confirmed in all respects, and all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, as amended and supplemented by this Thirteenth Supplemental Indenture, shall apply and remain in full force and effect with respect to this Thirteenth Supplemental Indenture and the 2025 Bonds. The Master Indenture, as amended and supplemented by this Thirteenth Supplemental Indenture, shall be read, taken and construed as one and the same instrument. In the event of any conflict between the provisions of the Master Indenture and the terms hereof, the provisions of this Thirteenth Supplemental Indenture shall prevail.

Delaware Valley Regional Finance Authority (“DelVal”), a body corporate and politic of the Commonwealth of Pennsylvania organized and existing under the Municipality Authorities Act, approved June 19, 2001, P.L. 287, as heretofore and hereafter amended (the “Act”), for value received, hereby promises to pay, to the registered owner specified above, or registered assigns, upon surrender hereof, but solely from the sources and in the manner referred to herein, the Principal Amount specified above on the Maturity Date specified above, unless this Bond has been called for earlier redemption, as provided herein, and payment of the redemption price shall have been duly made or provided for, and to pay from those sources, interest thereon semiannually on June 1 and December 1 of each year, commencing June 1, 2026 (each an “Interest Payment Date”), at the Interest Rate set forth above, from the most recent Interest Payment Date to which interest has been paid or duly provided for or from the Series Issue Date specified above, if no interest has been paid, until the Principal Amount is paid or duly provided for.

The principal of this Bond is payable upon presentation and surrender hereof at the principal corporate trust office of TD Bank, N.A., as trustee (the “Trustee”) located in Mount Laurel, New Jersey and Philadelphia, Pennsylvania, or at the duly designated office of any duly appointed alternate or successor trustee. Notwithstanding anything to the contrary herein, this Bond shall not be required to be presented or surrendered to receive payment in connection with any redemption until the final Maturity Date of this Bond or earlier payment in full of this Bond.

Interest on this Bond shall be payable on the Interest Payment Date to the registered owner of this Bond (the “Holder”) in whose name ownership of this Bond is registered, at such Holder’s address as it appears on the registration books (the “Register”) for the issue of which this Bond is a part, maintained by the Trustee at the close of business on the Record Date. The term “Record Date” means, with respect to this Bond for any Interest Payment Date the fifteenth (15th) day of the calendar month preceding such Interest Payment Date. The interest and the principal becoming due with respect to the Bonds shall, at the written request of a Holder of at least \$1,000,000 aggregate principal amount of such Bonds (which request shall remain in effect until revoked by subsequent written instructions), be paid by wire transfer within the continental United States in immediately available funds to the bank account number of such Holder appearing on the Register. The principal or redemption price of and interest on this Bond are payable in lawful money of the United States of America. Interest on this Bond shall be calculated using the day count convention of a 30-day month and 360-day year.

If the date for payment of the principal of this Bond shall not be a Business Day, then the date for such payment shall be the next succeeding day which is a Business Day, and payment made on such date shall have the same force and effect as if made on the nominal date of payment. “Business Day” means a day on which the Federal Reserve Bank of New York is open for general business.

This Bond is issuable in denominations of \$5,000 and any integral multiple of \$5,000 in excess thereof.

This Bond is the duly authorized issue of Local Government Revenue Bonds, 2025 Series A (the “2025 Bond(s)” or the “Bond(s)”), issued under and secured by a Master Trust Indenture, dated as of June 28, 2007, as amended and restated as of August 3, 2009, as amended and restated as of September 12, 2011, as amended and restated as of April 9, 2012, as amended and restated as of June 9, 2014, as amended and restated as of December 8, 2014, as amended and restated as of August 13, 2018, as amended and restated as of December 14, 2020, as amended and restated as of January 10, 2022 and as amended and restated as of May 13, 2024 between DelVal and the Trustee (the “Master Trust Indenture”), and a Thirteenth Supplemental Indenture, dated December 17, 2025, between DelVal and the Trustee (the “Thirteenth Supplemental Indenture”, and together with the Master Trust Indenture, the “Indenture”), in the aggregate principal amount of \$60,000,000. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture.

The proceeds of the 2025 Bonds will be used to fund: (i) the origination of new loans (each a “Loan”) to Participants; (ii) the acquisition of loans from DelVal’s Local Government Revenue Bonds, 2007 Series B (the “2007 B Bonds”) and from DelVal’s Local Government Revenue Bonds, 2022 Series B (the “2022 B Bonds”); (iii) a deposit to the Debt Service Reserve Fund; and (iv) payment of costs related to the issuance of the 2025 Bonds. DelVal has assigned to the Trustee as security for the 2025 Bonds and under and pursuant to the Indenture, all of DelVal’s right, title and interest in and to the Trust Estate as defined in the Master Trust Indenture.

THIS BOND IS SOLELY AND EXCLUSIVELY A LIMITED, SPECIAL OBLIGATION OF DELVAL. DELVAL SHALL NOT BE OBLIGATED TO PAY THE PRINCIPAL,

INTEREST OR REDEMPTION PRICE OF THIS BOND EXCEPT FROM THE TRUST ESTATE IN THE MANNER PROVIDED IN THE INDENTURE AND TO THE EXTENT PROVIDED IN THE COVENANT AGREEMENT, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING DELVAL, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL AMOUNT, INTEREST OR REDEMPTION PRICE OF THIS BOND. DELVAL HAS NO TAXING POWER.

No recourse shall be had for the payment of the principal or redemption price of or interest on this Bond, or for any claim based hereon, on the Indenture or any other document or agreement executed and delivered in connection herewith or therewith (collectively, the “Bond Documents”), against any member, director, officer or employee, past, present or future, of DelVal or of any successor body, as such, either directly or through DelVal or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise.

This Bond is payable solely from the Trust Estate and from any other moneys held by the Trustee under the Indenture for such purpose and, except as provided in the Indenture, there shall be no other recourse against DelVal or any other property now or hereafter owned by it. Except as otherwise specified in the Indenture, this Bond is entitled to the benefits of the Indenture equally and ratably as to principal and interest with all other Bonds issued under the Indenture. Reference is made to the Bond Documents for a description of the rights of the Holders of the Bonds; the rights and obligations of DelVal and the Participants; the rights, duties and obligations of the Trustee; and the provisions relating to amendments and modifications thereof. The acceptance of the terms and conditions of such documents (copies of which are on file at the principal corporate trust office of the Trustee), is an explicit and material part of the consideration of DelVal’s issuance hereof, and each Holder, by acceptance of this Bond, accepts and assents to all such terms and conditions as if fully set forth herein. The Holder shall have no right to enforce the provisions of any of the Loan Documents or the rights and remedies thereunder, except as provided in the Indenture. Capitalized terms used in this Bond which are not defined herein shall have the meanings ascribed thereto in the Indenture.

OPTIONAL REDEMPTION

This Bond is not subject to optional redemption prior to its stated Maturity Date.

EXTRAORDINARY MANDATORY REDEMPTION

This Bond is subject to Extraordinary Mandatory Redemption prior to maturity as provided in the Thirteenth Supplemental Indenture, in whole or in part, as applicable, as follows:

- (1) On any date that DelVal determines that it no longer reasonably expects to originate or acquire Loans from the proceeds of the Bonds (as defined in the Master Trust Indenture) or Repayments; or
- (2) On any date, if DelVal, as a result of direction received from Bond Counsel, is required to take remedial action so that interest on this Bond shall remain

excluded from gross income for federal income tax purposes, and in the amount determined to be necessary so that interest on this Bond shall remain excluded from gross income for federal income tax purposes.

If this Bond is subject to Extraordinary Mandatory Redemption, it shall be redeemed at the Extraordinary Mandatory Redemption Price.

Whenever provision is made in the Thirteenth Supplemental Indenture for the redemption of less than all of the Bonds, DelVal shall select the Bonds to be redeemed by lot or in any other manner which DelVal in its sole discretion shall deem appropriate.

Notice of each redemption shall be mailed to each Bondholder whose Bonds are being redeemed, and to the Administrator by first-class mail at least 15 days but not more than 30 days before each redemption date and shall contain the information required by the Indenture. So long as DTC, or its nominee, is the sole registered owner of the 2025 Bonds under the book-entry-only system, redemption notices will be sent to Cede & Co.

Failure by the Trustee to give any notice of redemption as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure has occurred. Any notice mailed as provided in the Bonds shall be conclusively presumed to have been given whether or not actually received by any Bondholder.

In the event that any Bonds are called for redemption and the amounts required for payment of the redemption prices thereof are not on deposit with the Trustee on the date set for redemption, the Trustee shall notify the registered owners of such Bonds that such redemption has been rescinded, and shall return any Bonds surrendered for redemption to the registered owners thereof; and DelVal, the Trustee and the registered owners shall be restored to their prior position.

On the redemption date, the redemption price of each Bond to be redeemed hereof shall become due and payable; and from and after such date, notice having been given and amounts having been made available and set aside for such redemption, notwithstanding that any Bonds called for redemption shall not have been surrendered, no further interest shall accrue on any Bonds called for redemption. From and after such date of redemption (such notice having been given and such amounts having been made available and set aside for such redemption) the Bonds to be redeemed shall no longer be deemed to be Outstanding hereunder, and DelVal shall be under no further liability in respect thereof.

The Master Trust Indenture permits certain amendments or supplements to the Master Trust Indenture to be made without the consent of or notice to the Holders, and other amendments or supplements thereto to be made with the consent of the Holders of not less than fifty percent (50%) in aggregate principal amount of all series of bonds outstanding, and under certain circumstances enumerated in the Master Trust Indenture, all, Holders. The Master Trust Indenture also permits amendments to the Loan Agreements and/or Bonds to be made without the consent of or notice to the Holders. The Holder of this 2025 Bond has only those remedies provided in the Indenture.

This Bond is exchangeable for a Bond of this Series and of the same maturity date of other authorized denominations in equal aggregate principal amounts at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture. This Bond is transferable, if applicable, at the principal corporate trust office of the Trustee, by the Holder in person or by his attorney, duly authorized in writing, upon presentation and surrender hereof to the Trustee, but is transferable only in the manner and subject to the limitations provided in the Indenture. The Trustee is not required to transfer or exchange this Bond (i) during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of this Bond and ending at the close of business on the day of redemption, or (ii) if this Bond is selected for redemption in whole or in part.

This Bond shall not be entitled to any security or benefit under the Indenture or be valid or become obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Trustee.

In the event of any conflict by or with the terms of this Bond and the terms of the Indenture, the terms of the Indenture shall control.

Unless this Bond is presented by an authorized representative of DTC to the Trustee or its agent for registration of transfer, exchange or payment, and any bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, Delaware Valley Regional Finance Authority has caused this Bond to be executed in its name by the manual or facsimile signature of its (Vice) Chairman, and its corporate seal or a facsimile thereof to be affixed, imprinted, lithographed or reproduced hereon and attested by the manual or facsimile signature of its (Assistant) Secretary.

PROVIDED IN THE COVENANT AGREEMENT, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING DELVAL, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL AMOUNT, INTEREST OR REDEMPTION PRICE OF THIS BOND. DELVAL HAS NO TAXING POWER.

No recourse shall be had for the payment of the principal or redemption price of or interest on this Bond, or for any claim based hereon, on the Indenture or any other document or agreement executed and delivered in connection herewith or therewith (collectively, the “Bond Documents”), against any member, director, officer or employee, past, present or future, of DelVal or of any successor body, as such, either directly or through DelVal or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise.

This Bond is payable solely from the Trust Estate and from any other moneys held by the Trustee under the Indenture for such purpose and, except as provided in the Indenture, there shall be no other recourse against DelVal or any other property now or hereafter owned by it. Except as otherwise specified in the Indenture, this Bond is entitled to the benefits of the Indenture equally and ratably as to principal and interest with all other Bonds issued under the Indenture. Reference is made to the Bond Documents for a description of the rights of the Holders of the Bonds; the rights and obligations of DelVal and the Participants; the rights, duties and obligations of the Trustee; and the provisions relating to amendments and modifications thereof. The acceptance of the terms and conditions of such documents (copies of which are on file at the principal corporate trust office of the Trustee), is an explicit and material part of the consideration of DelVal’s issuance hereof, and each Holder, by acceptance of this Bond, accepts and assents to all such terms and conditions as if fully set forth herein. The Holder shall have no right to enforce the provisions of any of the Loan Documents or the rights and remedies thereunder, except as provided in the Indenture. Capitalized terms used in this Bond which are not defined herein shall have the meanings ascribed thereto in the Indenture.

The term of this Bond will be divided into consecutive Interest Rate Periods during each of which this Bond shall bear interest at a Weekly Rate (a “Weekly Rate Period”) as determined from time to time in accordance with the Indenture.

During any Weekly Rate Period, interest on this Bond shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on the day immediately preceding the Interest Payment Date. Interest shall be computed by multiplying the principal amount outstanding by (i) the weighted average Weekly Rate for the applicable period, rounded to the seventh significant digit and by (ii) the actual number of days elapsed divided by the actual number of days in the year.

The term “Interest Accrual Date” means for any Weekly Rate Period, the first day thereof and, thereafter, the first Business Day of each calendar month.

The term “Interest Payment Date” means the first Business Day of each calendar month, commencing January 2, 2026, and (ii) for Credit Facility Bonds, each date specified in the Credit Facility relating to such Credit Facility Bonds.

The interest rate on this Bond shall be determined as follows:

Determination of Weekly Rate. During each Weekly Rate Period with respect to this Bond, this Bond shall bear interest at the Weekly Rate, which shall be determined by the Remarketing Agent by no later than 11:00 A.M., New York City time, on Wednesday of each week during such Weekly Rate Period, or if such day shall not be a Business Day, then on the next preceding Business Day. The Weekly Rate for the first Weekly Rate Period shall be determined on the Issue Date of this Bond and shall apply to the period commencing on the Issue Date and ending on the next succeeding Tuesday (whether or not a Business Day). Thereafter, each Weekly Rate shall apply to the period commencing on the first Wednesday on or after the date of determination thereof (whether or not a Business Day) and ending on the next succeeding Tuesday (whether or not a Business Day), unless such Weekly Rate Period shall end on a day prior to the following Tuesday, in which event the last Weekly Rate for such Weekly Rate Period shall apply to the period commencing on the Wednesday (whether or not a Business Day) preceding the last day of such Weekly Rate Period and ending on the last day of such Weekly Rate Period. The Weekly Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by this Bond, would enable the Remarketing Agent to sell this Bond at the time of such determination, at a price (without regard to accrued interest) equal to the principal amount thereof. In the event that the Weekly Rate for the immediately preceding week was not determined by the Remarketing Agent, or in the event that the Weekly Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such Business Day shall be equal to 110% of the SIFMA Index on the day such Weekly Rate would otherwise be determined as provided herein for such Weekly Rate Period. This Bond shall not bear interest at a Weekly Rate in excess of the Maximum Rate.

Optional Tender During Weekly Rate Period. This Bond shall be purchased from its Holder at the option of the Holder on any Business Day at a Purchase Price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Accrual Date immediately preceding the date of purchase through and including the day immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date in which case at a Purchase Price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the Tender Agent at its corporate trust office for delivery of notices and to the Remarketing Agent an irrevocable written notice which states the name and Series designation of this Bond, the principal amount and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to the Tender Agent. Any notice delivered to the Tender Agent after 4:00 P.M., New York City time, shall be deemed to have been received on the next succeeding Business Day. For payment of such Purchase Price on the date specified in such notice, this Bond must be delivered, at or prior to 10:00 A.M., New York City time, on the date specified in such notice, to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Holder thereof or by the Holder's duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of The New York Stock Exchange. The Tender Agent shall pay to the Holder of this Bond (or portion thereof) properly tendered for purchase an amount equal to the Purchase Price. Funds for payment of the Purchase Price of this Bond shall be paid by the Tender Agent from the sources specified in the Indenture.

The giving of notice by a Holder of this Bond that such Holder elects to have this Bond purchased during a Weekly Rate Period as described above shall constitute the irrevocable tender for purchase of this Bond with respect to which such notice shall have been given regardless of whether this Bond is delivered to the Tender Agent for purchase.

Mandatory Tender Upon Substitution or Expiration of Credit Facility (If Credit Facility Provided) or Delivery of a Replacement Credit Facility. This Bond shall be subject to mandatory tender for purchase not less than one (1) Business Day prior to the Expiration Date for any Credit Facility applicable to this Bond, and on the date of delivery of a Replacement Credit Facility, at the Purchase Price, payable in immediately available funds. The Purchase Price of this Bond so purchased shall be payable only upon surrender of this Bond to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Holder thereof or by the Holder's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange, at or prior to 10:00 a.m., New York City time, on the date specified for such delivery in a notice provided to the Holders by the Trustee. The Tender Agent shall draw on the Credit Facility to be replaced to pay the Purchase Price.

The Tender Agent may refuse to accept delivery of this Bond if a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of this Bond as herein described. In the event that any Holder of this Bond who shall have given notice of such Holder's election to have this Bond purchased during a Weekly Rate Period or any Holder of this Bond subject to mandatory tender shall fail to deliver such Bond to the Tender Agent at the place and on the applicable date and time specified, or shall fail to deliver this Bond properly endorsed, this Bond shall constitute an "Undelivered Bond." If funds in the amount of the Purchase Price of any Undelivered Bond are held by the Tender Agent for payment to the Holder thereof on the date and at the time specified, then from and after the date and time of that required delivery, (i) such Undelivered Bond shall no longer be deemed to be Outstanding under the Indenture; (ii) interest shall no longer accrue thereon; and (iii) funds in the amount of the Purchase Price of the Undelivered Bond shall be held by the Tender Agent for the benefit of the Holder thereof, to be paid upon delivery (or proper endorsement) of the Undelivered Bond to the Tender Agent at its Principal Office. Any funds held by the Tender Agent for the purchase of Undelivered Bonds shall be held uninvested.

BY ACCEPTANCE OF THIS BOND, EACH HOLDER IRREVOCABLY AGREES THAT, IF THIS BOND (OR ANY PORTION HEREOF) IS TO BE PURCHASED ON ANY DATE AND SUFFICIENT FUNDS ARE ON DEPOSIT WITH THE TRUSTEE FOR ALL PURCHASES TO BE MADE ON SUCH DATE AS AFORESAID, THIS BOND (OR THE PORTION TO BE PURCHASED) SHALL BE DEEMED TO HAVE BEEN PURCHASED FOR ALL PURPOSES HEREUNDER AND UNDER THE INDENTURE AND, THEREAFTER, THE HOLDER SHALL HAVE NO FURTHER RIGHTS HEREUNDER OR UNDER THE INDENTURE WITH RESPECT TO THIS BOND (OR SUCH PORTION), EXCEPT TO RECEIVE THE PURCHASE PRICE FOR THIS BOND (OR SUCH PORTION) FROM THE FUNDS SO DEPOSITED UPON SURRENDER HEREOF AS AFORESAID.

While this Bond bears interest at a Weekly Rate during the initial Weekly Rate Period, the principal and purchase price of and interest on this Bond is supported by an irrevocable direct-pay letter of credit initially issued by Bank of America, N.A., with an initial expiration date of December 1, 2030. The Indenture requires that DelVal shall cause to be delivered a Replacement Credit Facility at least 20 days before the expiration date of an existing Credit Facility.

OPTIONAL REDEMPTION

This Bond is subject to redemption prior to its stated maturity, at the option of DelVal, with the prior written consent of the applicable Credit Facility Provider, if any, in whole or in part (in such amounts as may be specified by DelVal), on any date at the Optional Redemption Price.

EXTRAORDINARY MANDATORY REDEMPTION

This Bond is subject to Extraordinary Mandatory Redemption prior to maturity as provided in the Thirteenth Supplemental Indenture, in whole or in part, as applicable, as follows:

- (1) On any date that DelVal determines that it no longer reasonably expects to originate or acquire Loans from the proceeds of the Bonds (as defined in the Master Trust Indenture) or Repayments; or
- (2) On any date, if DelVal, as a result of direction received from Bond Counsel, is required to take remedial action so that interest on this Bond shall remain excluded from gross income for federal income tax purposes, and in the amount determined to be necessary so that interest on this Bond shall remain excluded from gross income for federal income tax purposes.

If this Bond is subject to Extraordinary Mandatory Redemption, it shall be redeemed at the Extraordinary Mandatory Redemption Price.

GENERAL REDEMPTION PROVISIONS

Whenever provision is made in the Thirteenth Supplemental Indenture for the redemption of less than all of the Bonds, DelVal shall select the Bonds to be redeemed by lot or in any other manner which DelVal in its sole discretion shall deem appropriate; provided, however, that Bonds shall be redeemed in the following order of priority (and by lot within each priority):

FIRST: Any Bonds which are Credit Facility Bonds; and

SECOND: Any other Bonds.

Notice of each redemption shall be mailed to each Bondholder whose Bonds are being redeemed, and to the Administrator by first-class mail at least 15 days but not more than 30 days before each redemption date and shall contain the information required by the Indenture. So long as DTC, or its nominee, is the sole registered owner of the 2025 Bonds under the book-entry-only system, redemption notices will be sent to Cede & Co.

Failure by the Trustee to give any notice of redemption as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure has occurred. Any notice mailed as provided in the Bonds shall be conclusively presumed to have been given whether or not actually received by any Bondholder.

In the event that any Bonds are called for redemption and the amounts required for payment of the redemption prices thereof are not on deposit with the Trustee on the date set for redemption, the Trustee shall notify the registered owners of such Bonds that such redemption has been rescinded, and shall return any Bonds surrendered for redemption to the registered owners thereof; and DelVal, the Trustee and the registered owners shall be restored to their prior position.

On the redemption date, the redemption price of each Bond to be redeemed hereof shall become due and payable; and from and after such date, notice having been given and amounts having been made available and set aside for such redemption, notwithstanding that any Bonds called for redemption shall not have been surrendered, no further interest shall accrue on any Bonds called for redemption. From and after such date of redemption (such notice having been given and such amounts having been made available and set aside for such redemption) the Bonds to be redeemed shall no longer be deemed to be Outstanding hereunder, and DelVal shall be under no further liability in respect thereof.

The Master Trust Indenture permits certain amendments or supplements to the Master Trust Indenture to be made without the consent of or notice to the Holders, and other amendments or supplements thereto to be made with the consent of the Holders of not less than fifty percent (50%) in aggregate principal amount of all series of bonds outstanding, and under certain circumstances enumerated in the Master Trust Indenture, all, Holders. The Master Trust Indenture also permits amendments to the Loan Agreements and/or Bonds to be made without the consent of or notice to the Holders. The Holder of this 2025 Bond has only those remedies provided in the Indenture.

This Bond is exchangeable for a Bond of this Series of other authorized denominations in equal aggregate principal amounts at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture. This Bond is transferable, if applicable, at the principal corporate trust office of the Trustee, by the Holder in person or by his attorney, duly authorized in writing, upon presentation and surrender hereof to the Trustee, but is transferable only in the manner and subject to the limitations provided in the Indenture. The Trustee is not required to transfer or exchange this Bond (i) during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of this Bond and ending at the close of business on the day of redemption, or (ii) if this Bond is selected for redemption in whole or in part.

This Bond shall not be entitled to any security or benefit under the Indenture or be valid or become obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Trustee.

In the event of any conflict by or with the terms of this Bond and the terms of the Indenture, the terms of the Indenture shall control.

Unless this Bond is presented by an authorized representative of DTC to the Trustee or its agent for registration of transfer, exchange or payment, and any bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.
