INDEPENDENT AUDITOR'S REPORT

Board of Supervisors
South Coventry Township
Pottstown, Pennsylvania

Opinions

I have audited the accompanying financial statements of South Coventry Township, Pennsylvania which comprise cash and unencumbered cash balances for each fund as of December 31, 2024, and the related statements of cash receipts and disbursements for the year then ended, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In my opinion, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash balances of South Coventry Township, Pennsylvania as of December 31, 2024, and the cash receipts and cash disbursements for the year then ended, in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania as described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In my opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of my report, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of South Coventry Township, Pennsylvania, as of December 31, 2024, or changes in net position, or cash flows thereof for the year then ended.

Basis for Opinions

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of South Coventry Township, Pennsylvania, and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared by South Coventry Township, Pennsylvania, on the basis of the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Department of Community and Economic Development of the Commonwealth of Pennsylvania. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Coventry Township, Pennsylvania's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the South Coventry Township Pennsylvania's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

NOTES / COMMENTS

SOUTH COVENTRY TOWNSHIP
NOTES TO DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT FINANCIAL
REPORT
DECEMBER 31, 2024

1. Summary of significant accounting policies:

Reporting Entity:

South Coventry Township (the "Township") is a second class township located in Chester County, Pennsylvania. The Township is governed by a Board of Supervisors comprised of three residents. The Board of Supervisors is responsible for the administration, management and operation of the Township. Members of the Board of Supervisors are elected for six year terms. Elections are held for one position every two years. The duties of the Board of Supervisors include the adoption of the annual operating budget, capital improvements, maintenance of roads, public safety, and planned development.

The financial statements include all fund types of the Township for which the Board of Supervisors have oversight responsibility, governing authority and ability to significantly influence operations and scope of public service.

Fund Accounting:

The accounts of the Township are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balances, revenues, and expenses. Taxes are assessed and revenues are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent.

The major fund types are as follows:

Governmental Funds are the principal operating funds of the Township that account for all financial resources except those required to be in another fund. Governmental Funds consist of:

1) The General Fund accounts for the operations of the Township including the maintenance of roads, public safety, zoning, parks and recreation.

2) The State Highway Aid accounts for moneys received under the State Highway Liquid Fuels tax that are legally restricted to expenditures for roadway maintenance.

3) Debt Service accounts for moneys disbursed for the new building and principal and interest payments paid for the loan obtained to construct the new building.

Long Term Debt Account Group accounts for the General Obligation Note, Series of 2004 and the Guaranteed Revenue Note, Series of 2002.

SOUTH COVENTRY TOWNSHIP
NOTES TO DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT FINANCIAL
REPORT
DECEMBER 31, 2024

Enterprise Funds consist of the Ridgelea Sewer facility and the Woodridge Sewer facility.

Basis of Accounting:

The Township's policy is to prepare the Department of Community and Economic Development financial report on the cash basis of accounting under which revenues are recognized when they are collected, and expenditures are recognized when paid. Assets and capital improvements are expensed in the year they are purchased. No depreciation is recorded for these assets.

Property taxes:

The Township imposes a property tax of .5 mills on the assessed valuations determined by the County of Chester. Property taxes are levied on March 1 of the calendar year. Property taxes are discounted 2% if remitted by May 1, due July 1, and penalized 10% if paid after July 1. Liens are filed for unpaid property taxes on March 1 of the following year.

2. Cash:

At year-end, the carrying amount of the Township's bank deposits with the Pennsylvania Local Government Investment Trust ("PLGIT") amounted to \$1,856,132 and bank deposits with banking institutions amounted to \$1,664,146. Bank deposits with banking institutions were covered by federal depository insurance up to \$250,000. Funds in excess of the FDIC Insurance are pledged by collateral for deposits of public funds on a pooled basis.
