1. Procedure

We prepared confirmations as of December 31, 2023 to confirm each General Fund (unrestricted) account balance for cash, cash equivalents, and investments reported on the Township's Balance Sheet (Pennsylvania Form DCED-CLGS-30).

Findings

A signed confirmation response from the bank, dated March 1, 2024, provided bank balances for all accounts included as "Total Assets and Other Debits" for the General Fund on Page 2 (Balance Sheet - December 31, 2023) of the Township's 2023 Municipal Annual Audit and Financial Report (Pennsylvania Form DCED-CLGS-30).

No additional accounts were confirmed.

2. Procedure

We agreed the confirmed December 31, 2023 bank balances to the individual account reconciliations prepared by the Township.

Findings

For the three bank accounts which make up the General Fund cash, cash equivalents, and investments, the balances confirmed by the bank at December 31, 2023 agreed to the account reconciliations prepared by the Township in all cases.

3. Procedure

We agreed any reconciling items listed on the December 31, 2023 account reconciliations to subsequent bank statements and/or other supporting documentation to determine the validity and accuracy of all reconciling items.

Findings

There were no deposits in transit at December 31, 2023.

All outstanding checks listed on December 31, 2023 bank reconciliations prepared by the Township cleared the bank (were cashed) during January 2024 for the amount listed on the December 31, 2023 bank reconciliation.

4. Procedure

We agreed the reconciled account balances prepared by the Township to the December 31, 2023 Pennsylvania Form DCED-CLGS-30 of Springfield Township.

Findings

The reconciled bank account balances did not agree in total to the General Fund, cash, cash equivalents, and investments total on page 2 of the Township's December 31, 2023 Pennsylvania form DCED-CLGS-30 by a difference of \$452.77.
