INDEPENDENT AUDITORS' REPORT

To the Board of Supervisors
Marlborough Township
Green Lane, Pennsylvania

Opinion

We have audited the accompanying Municipal Annual Audit and Financial Report of Marlborough Township, which comprises the balance sheet as of December 31, 2024, and the related statement of revenues and expenses, debt statement, and statement of capital expenditures for the year then ended, in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

In our opinion, the Municipal Annual Audit and Financial Report referred to above presents fairly, in all material respects, the assets, liabilities, and fund balances of Marlborough Township as of December 31, 2024, and its revenues and expenditures, debt obligations, and capital expenditures for the year then ended, in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania as described below under Emphasis of Matter - Basis of Accounting.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Municipal Annual Audit and Financial Report section of our report. We are required to be independent of Marlborough Township, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

The Municipal Annual Audit and Financial Report is prepared by Marlborough Township, in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Department of Community and Economic Development of the Commonwealth of Pennsylvania. As a result, the Municipal Annual Audit and Financial Report may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Municipal Annual Audit and Financial Report

Management is responsible for the preparation and fair presentation of the Municipal Annual Audit and Financial Report in accordance with the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, as described in the Emphasis of Matter - Basis of Accounting. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Municipal Annual Audit and Financial Report that is free from material misstatement, whether due to fraud or error.

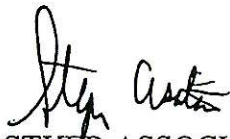

Auditors' Responsibilities for the Audit of the Municipal Annual Audit and Financial Report

Our objectives are to obtain reasonable assurance about whether the Municipal Annual Audit and Financial Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Municipal Annual Audit and Financial Report.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Municipal Annual Audit and Financial Report, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Municipal Annual Audit and Financial Report.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marlborough Township's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Municipal Annual Audit and Financial Report.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marlborough Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
