Background

A. DelVal is a body corporate and politic organized and existing under the laws of the Commonwealth of Pennsylvania pursuant to the *Municipality Authorities Act, 53 Pa. C.S. Ch. 56*, (the “*Authorities Act*”), having been duly organized by the Council of Delaware County and the Boards of County Commissioners of Bucks, Chester and Montgomery Counties (collectively, the “Counties”), all in the Commonwealth of Pennsylvania.

B. DelVal was formed to undertake projects for (i) “Local Government Units,” as such term is defined in the *Local Government Unit Debt Act*, approved July 12, 1972, P.L. 781, as re-enacted on April 28, 1978, P.L. 124 and December 19, 1996, P.L. 1158 (the “*Debt Act*”), (ii) other political subdivisions whose obligations to DelVal are guaranteed, and (iii) authorities organized under the *Authorities Act* or any other Commonwealth Law (as herein defined) by or on behalf of the Commonwealth, any Local Government Unit or jointly by any one or more of the foregoing, any such project undertaken by DelVal to constitute a “Project” as such term is defined herein.

C. Pursuant to the *Authorities Act*, DelVal may issue its bonds in furtherance of projects for, on behalf of, or guaranteed by, Participants (as defined herein), and, as security for the payment of the principal of, and the interest on any such bonds so issued, to pledge the revenues from any such Projects or from any loans made by DelVal.

D. In order to establish a program (the “Pooled Loan Program” or “Program”) to assist Participants in financing or refinancing the acquisition, erecting, extending, improving, equipping or repairing of Projects, DelVal is entering into this Indenture which shall be for equal benefit, protection and security of Bondholders of any and all Bonds from time to time issued pursuant to the terms of this Indenture, all of which, without regard to the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any Series of Bonds over any other Series thereof, except as otherwise expressly provided in or permitted by this Indenture or any Supplemental Indenture.

E. The proceeds of the sale of any Series of Bonds shall be used, as provided in a Supplemental Indenture with respect to such Series to, inter alia: (i) provide funds for Loans to Participants for the purpose of, and in order to assist the Participants in, financing or refinancing the acquisition, erecting, extending, improving, equipping or repairing of Projects; (ii) refund any prior series of Bonds issued under this Indenture or any other outstanding bonds issued by DelVal under any other indenture; (iii) fund a portion of the Debt Service Reserve Fund; and (iv) pay certain fees and costs incurred in connection with the foregoing and the issuance of the Series of Bonds.

F. DelVal has determined that in order to achieve the lowest borrowing costs for Participants and to meet the management objectives of the Participants, the Loans may be either Variable Rate Loans or Fixed Rate Loans.

G. In order to achieve its programmatic objects of providing variable interest rate and fixed interest rate loans to Participants at the lowest possible cost, DelVal may, on such dates as is designated by DelVal, enter into one or more Swap Agreements with a Swap Counterparty.

H. Until the proceeds of any Series of Bonds deposited with the Trustee for the purpose of acquiring Loans are disbursed for such purposes, such proceeds shall be invested as directed herein or by a Supplemental Indenture.

(d) either (i) moneys in an amount sufficient to effect payment at the applicable redemption price of Bonds or other obligations of DelVal to be refunded, together with accrued interest on such Bonds or other obligations to be refunded to the date fixed for their redemption, which moneys shall be held by the Trustee in a separate account irrevocably in trust for and assigned to the respective Bondholders of the Bonds or other obligations to be refunded, or (ii) Eligible Investments listed in clause (a) of the definition thereof in such principal amounts, of such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 9.01(b) and any moneys required pursuant to said section, which Eligible Investments and moneys shall be held in trust and used only as provided in said section; and

(e) such further documents and moneys as are required by the provisions of the Supplemental Indenture authorizing the Refunding Bonds.

When the documents set forth in this Section shall have been filed with the Trustee and when the Refunding Bonds described in the Supplemental Indenture mentioned in clause 2.01.(d) hereof shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver such Refunding Bonds at one time to or upon the order of the purchaser or purchasers named in the request and authorization mentioned in clause 2.01(c) hereof, but only upon payment to the Trustee of the purchase price of such Refunding Bonds. The Trustee shall be entitled to rely upon such request and authentication as to the amount of such purchase price.

The proceeds of such Refunding Bonds shall, to the extent practicable, be invested and reinvested by the Trustee, with the approval of DelVal, in Eligible Investments, and the moneys so invested shall be available for use when required. The income derived from such investments shall be added to such proceeds and applied in accordance with the provisions of this Section 2.03.

Section 2.04 Execution.

Bonds shall be executed on behalf of DelVal with the manual or facsimile signature of the Chairman or Vice-Chairman, and shall have impressed or imprinted thereon, by facsimile or otherwise, the official seal of DelVal and shall be attested with the manual or facsimile signature of DelVal's Secretary or Assistant Secretary. In case any officer of DelVal whose signature or whose facsimile signature shall appear on Bonds shall cease to be such officer before the delivery

of such Bonds, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

Section 2.05 Authentication.

No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond, substantially in the form set forth in the Supplemental Indenture authorizing such Bond, has been duly executed and dated by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture as of the date of authentication shown thereon. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed and dated by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign and date the certificate of authentication on all of the Bonds.

Section 2.06 Mutilated, Lost, Stolen or Destroyed Bonds; Undelivered Bonds.

(a) If any Bond is mutilated, lost, stolen or destroyed, DeVal shall execute and the Trustee shall authenticate a new Bond of the same Series, maturity and denomination as that Bond mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to DeVal and the Trustee evidence of such loss, theft or destruction satisfactory to DeVal and the Trustee, together with an indemnity satisfactory to them. In the event any such Bond shall have matured or been called for redemption, instead of issuing a duplicate Bond, DeVal may pay or cause to be paid the same upon receipt of the aforesaid indemnity. DeVal and the Trustee may charge the owner of such Bond for their reasonable fees and expenses in connection with replacing any Bond mutilated, lost, stolen or destroyed.

(b) Every new Bond issued pursuant to this Section shall (i) constitute the same contractual obligation of DeVal as the mutilated, lost, stolen or destroyed Bond, and (ii) be entitled to all of the benefits of this Indenture, equally and proportionally with any and all other Bonds issued and outstanding hereunder.

(c) All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and, to the extent permitted by law, shall preclude any and all other rights and remedies with respect to the replacement or payment of negotiable instruments or other investment securities without their surrender, notwithstanding any law or statute to the contrary now existing or enacted hereafter.

Section 2.07 Transfer and Exchange of the Bonds; Persons Treated as Bondholders; Book Entry System.

(a) DelVal shall cause to be kept at the corporate trust office of the Trustee a register for the registration, exchange and transfer of Bonds (the “Bond Register”). DelVal hereby appoints the Trustee its registrar and transfer agent to keep such Bond Register and to make such registrations, exchanges and transfers as set forth herein and in the form of Bonds issued hereunder. DelVal, the Trustee and any other paying agent of DelVal may treat and consider the registered Bondholder of any Bond as the absolute owner thereof for all purposes, any notice to the contrary notwithstanding.

(b) Bonds may be transferred upon delivery to the Trustee of the Bond or Bonds to be transferred, accompanied by a written instrument of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered Bondholder of such Bond or Bonds or his duly authorized representative, containing written instructions of transfer. No transfer of any Bond shall be effective until entered in the Bond Register. Bonds may be exchanged for Bonds of the same Series and maturity and of authorized denomination or denominations in the same aggregate principal amount and bearing the same rate of interest. No exchange or transfer shall be required to be made (i) during a period beginning 15 days prior to the date of mailing of any notice of redemption of Bonds and ending on the day of such redemption or (ii) for any Bonds so selected for redemption in whole or in part.

In all cases of the transfer of Bonds, the Trustee shall enter the transfer of ownership in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of Authorized Denominations of the same Series and maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive. No transfer of any Bond shall be effective until entered on the registration books.

(c) (i) Notwithstanding the foregoing provisions of this Article II, each Series of Bonds shall initially be issued in the form of one or more fully-registered bonds for the aggregate principal amount of the Bonds of each Series and maturity, which Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Except as provided in Subparagraph (vii) below, all of the Bonds shall be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Trustee shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from DelVal or the Trustee either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books maintained by the Trustee, in connection with discontinuing the book entry system as provided in Subparagraph (vii) below or otherwise.

(ii) So long as the Bonds or any Series thereof are registered in the name of DTC, the principal or redemption price of and interest on such Bonds shall be paid to DTC or

its nominee in accordance with the provisions of DeVal's "Letter of Representations" on file with DTC, on the dates provided for such payments under this Indenture. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of DeVal or the Trustee with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds Outstanding of any Series or maturity, the Trustee shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificates as to the amount of such partial redemption; provided that DTC shall deliver to the Trustee, in each case, a written confirmation of such partial redemption and thereafter the records maintained by the Trustee shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(iii) DeVal and the Trustee shall treat DTC (or its nominee) as the sole and exclusive Bondholder registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither DeVal nor the Trustee shall be affected by any notice to the contrary. Neither DeVal nor the Trustee shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Trustee as being a Bondholder, with respect to: (A) the Bonds; or (B) the accuracy of any records maintained by DTC or any such participants; or (C) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (D) any notice which is permitted or required to be given to Bondholders under this Indenture; or (E) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds; or (F) any consent given or other action taken by DTC as a Bondholder.

(iv) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Bondholders under this Indenture shall be given to DTC as provided in the Letter of Representations.

(v) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by DeVal or the Trustee with respect to any consent or other action to be taken by Bondholders, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that DeVal or the Trustee may establish a special record date for such consent or other action. DeVal or the Trustee shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(vi) Any successor Trustee shall, in its written acceptance of its duties under this Indenture, agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(vii) The book-entry-only system for registration of the ownership of the Bonds or any Series may be discontinued at any time if either: (A) after notice to DelVal and the Trustee, DTC determines to resign as securities depository for the or any Series Bonds; or (B) after notice to DTC and the Trustee, DelVal determines that continuation of the system of book-entry-only transfers through DTC (or through a successor securities depository) for the Bonds or any Series is not in the best interest of DelVal. In either of such events, unless DelVal appoints a successor securities depository, the Bonds or any Series shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated in writing by DTC, but without any liability on the part of DelVal or the Trustee for the accuracy of such designation. Whenever DTC requests DelVal and the Trustee to do so, DelVal and the Trustee shall cooperate with DTC in taking appropriate action after reasonable written notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 2.08 Cancellation of the Bonds.

All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Trustee when such payment, redemption or purchase is made, and except as otherwise provided herein, shall be canceled. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, upon payment of the principal amount thereof or for replacement pursuant to Section 2.06 or for transfer or exchange pursuant to Section 2.07 the Trustee shall safeguard such Bond for such period of time as may be required by governmental regulations and thereafter promptly cancel the Bond in accordance with the Trustee's customary procedure.

Section 2.09 Temporary Bonds.

Pending the preparation of definitive Bonds, DelVal may execute and the Trustee shall thereupon authenticate and deliver temporary Bonds. Temporary Bonds shall be issuable as registered Bonds of any Authorized Denomination, and substantially in the form of the definitive Bonds but with such omissions, insertions and variations as may be appropriate for temporary Bonds, all as may be determined by DelVal. Every temporary Bond shall be executed by DelVal and authenticated by the Trustee upon the same conditions, and with like effect, as the definitive Bonds. As promptly as practicable, DelVal shall execute and furnish definitive Bonds and thereupon temporary Bonds may be surrendered in exchange therefor without charge at the principal corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds a like aggregate principal amount of definitive Bonds. Until so exchanged the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds. It shall not be necessary to prepare definitive Bonds so long as all Bonds are held under the book-entry system described in Section 2.07(c).

Section 2.10 Nonpresentment of the Bonds.

In the event any Bond shall not be presented for payment when the principal or redemption price thereof becomes due, either at maturity, at the date fixed for redemption, or otherwise, or if an interest check shall not be cashed, if funds sufficient to pay such Bond or interest shall have been made available to the Trustee for the benefit of the owner thereof, all liability of DelVal to the owner thereof for the payment of the principal or redemption price of or interest on such Bond, as the case may be, shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds, without liability to any Bondholder, any beneficial owner, or any other Person for interest thereon, solely for the benefit of the owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond, the principal or redemption price thereof or such interest thereon, as the case may be; provided that any money deposited with the Trustee for the payment of the principal or redemption price of or interest on any Bond and remaining unclaimed for 24 months after such principal or redemption price has become due and payable shall, at the written request of DelVal, be paid to DelVal, and the Bondholder of such Bond or interest, as the case may be, shall thereafter look solely to DelVal for the payment of such moneys; and all liability of the Trustee with respect to such trust money shall also thereupon cease.

Section 2.11 Bonds Limited Obligations; Source and Security for Payment.

The Bonds shall be limited and special obligations of DelVal, payable solely from the Trust Estate (and the Covenant Agreement to the extent provided therein), including amounts paid by the Participants pursuant to the Loan Agreements and Participant Notes, Revenues and moneys available under the terms hereof and investments under the Investment Agreements. The Bonds and the payment thereof shall be solely secured, equally and ratably by the pledge of the Trust Estate set forth in the granting clauses hereof, upon the terms and conditions set forth herein. There shall be no other recourse against DelVal or any incorporator, member, director or officer of DelVal, past, present or future, or any other property now or hereafter owned by it, except the Trust Estate. The Bonds are entitled to the benefits of this Trust Indenture equally and ratably both as to principal and interest with all other Bonds issued hereunder.

The obligation of DelVal under the Credit Facility Agreements, if any, and Swap Agreements, if any, to make Swap Payments shall also be secured by a pledge of the Trust Estate, pari-passu with the Bonds.

No recourse shall be had for the payment of the principal, interest or redemption price of Bonds, or for any claim based thereon or on the Swap Agreements, if any, or on this Indenture, against any incorporator, member, officer or employee, past, present or future, of DelVal or of any successor body as such, either directly or through DelVal or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being by the acceptance hereof and, as a material part of the consideration for the issuance of Bonds, expressly waived and released.

DelVal shall not be obligated to pay the principal, interest, or redemption price of Bonds except from the Trust Estate in the manner provided herein and to the extent provided in the Covenant Agreement, and neither the faith and credit nor the taxing power of the Commonwealth of Pennsylvania or any Political Subdivision thereof, including DelVal, is pledged to the payment of the principal amount, interest, or redemption price of the Bonds. Neither the Commonwealth of Pennsylvania nor any Political Subdivision thereof nor DelVal nor any Participant shall be obligated to (a) exercise its taxing power to pay the principal or interest on Bonds or the redemption price thereof, or other costs incident thereto, or (b) to pay the same from any other funds except from the Trust Estate in the manner provided herein. It is further agreed between DelVal and the registered owner of each Bond that such Bond and the indebtedness evidenced thereby shall not constitute a lien on any property of DelVal but shall constitute a lien only on the Trust Estate in the manner provided in this Indenture. THE BONDS ARE SOLELY AND EXCLUSIVELY LIMITED, SPECIAL OBLIGATIONS OF DELVAL AND DO NOT CREATE AN OBLIGATION OR DEBT OF DELVAL, THE COMMONWEALTH OF PENNSYLVANIA OR ANY POLITICAL SUBDIVISION THEREOF OR GOVERNMENTAL AGENCY EXISTING UNDER THE LAWS THEREOF WITHIN THE MEANING OF ANY STATUTORY OR CONSTITUTIONAL PROVISION WHATSOEVER.

ARTICLE III REDEMPTION OF THE BONDS

Section 3.01 Privilege of Redemption and Redemption. Bonds of a Series shall be subject to redemption prior to maturity as provided in the Supplemental Indenture authorizing such Series of Bonds. The provisions of this Article III shall govern each redemption, unless otherwise provided in the Supplemental Resolution authorizing a Series of Bonds.

Section 3.02 Provisions Applicable to Redemption of the Bonds.

In the event of an extraordinary mandatory redemption, moneys in the Acquisition Fund or the Recycling Fund, as applicable, representing proceeds of the Series of Bonds being redeemed, shall be transferred to the Redemption Fund and shall be applied to redeem Bonds of the Series to be redeemed in Authorized Denominations in the largest principal denomination that is less than or equal to the amount of such moneys; provided that the unrefunded amount of such Bonds is less than \$5,000.

Upon deposit of moneys in the Redemption Fund, the Trustee shall provide notice thereof to the Administrator and request that the Administrator determine the redemption price, on the redemption date, of an original principal amount of the Series of Bonds to be redeemed equal to such deposit.

Except as provided in a Supplemental Indenture, if less than all of a Series Bonds are to be redeemed, DeVal shall determine the maturities of the Series of Bonds to be redeemed, unless applicable law requires a different method of determination in which event such law shall apply to the method of determination.

DeVal shall provide for a partial termination of the applicable Swap Agreements, if any, in the notional amount equal to the principal amount of a Series of Bonds to be redeemed, and shall apply any Termination Payment received by the Trustee in respect thereto to the extraordinary mandatory redemption of such Series of Bonds on the redemption date.

Section 3.03 Notice of Redemption.

For Bonds being redeemed, upon written direction of DeVal, the Trustee shall prepare and send notice of each redemption to each Bondholder whose Bonds are being redeemed, and to the Administrator by first-class mail at least 15 days but not more than 30 days before each redemption date. Each notice shall identify the Bonds or portions thereof to be redeemed and shall state (a) the redemption date, (b) the redemption price, (c) that the Bonds called for redemption must be surrendered to collect the redemption price, (d) the address at which the Bonds must be surrendered, (e) that interest on the Bonds called for redemption ceases to accrue on the redemption date, (f) the CUSIP number of the Bonds and (g) any condition to the redemption.

A copy of each notice of redemption shall also be sent by the Trustee by overnight delivery, telecopy, electronic mail, or certified or registered mail to each securities depository (a "Depository") registered with the Securities and Exchange Commission under the *Securities Exchange Act of 1934*, as amended, two Business Days prior to mailing notice to other

Bondholders, and to two national information services that disseminate redemption notices, provided that the Trustee may, in the alternative, provide for overnight, telecopied or other form of notice to a Depository acceptable to or requested by such Depository; provided further, that any failure to give the notice required by this paragraph shall not affect the validity of any proceeding for the redemption of Bonds.

The particular Bonds to be called for redemption will be selected by DTC in accordance with its Rules of Procedure so long as DTC or its nominee is the sole registered Bondholder, or if DTC, or its nominee, is not the registered owner, by lot or such other method as the Trustee deems fair and appropriate.

With respect to any Bonds to be redeemed that have not been presented for redemption within 60 days after the redemption date, the Trustee shall prepare and the Trustee shall give a second notice of redemption to the Bondholder of any such Bonds that have not been presented for redemption by first class mail, within 30 days of the end of such 60-day period; provided further, that any failure to give the notice required by this paragraph shall not affect the validity of any proceeding for the redemption of Bonds.

Failure by the Trustee to give any notice of redemption as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure has occurred. Any notice mailed as provided in the Bonds shall be conclusively presumed to have been given whether or not actually received by any Bondholder.

In the event that any Bonds are called for redemption and the amounts required for payment of the redemption prices thereof are not on deposit with the Trustee on the date set for redemption, the Trustee shall notify the registered owners of such Bonds that such redemption has been rescinded, and shall return any Bonds surrendered for redemption to the registered owners thereof; and DelVal, the Trustee and the registered owners shall be restored to their prior position.

Section 3.04 Bonds Due and Payable on Redemption Date; Interest Ceases to Accrue.

On the redemption date, the redemption price of each Bond to be redeemed hereof shall become due and payable; and from and after such date, notice having been given and amounts having been made available and set aside for such redemption, notwithstanding that any Bonds called for redemption shall not have been surrendered, no further interest shall accrue on any Bonds called for redemption. From and after such date of redemption (such notice having been given and such amounts having been made available and set aside for such redemption) the Bonds to be redeemed shall no longer be deemed to be Outstanding hereunder, and DelVal shall be under no further liability in respect thereof.

In the event the Investment Agreements are no longer in effect and no replacement Investment Agreement is established for the Trustee, all funds in such accounts and Funds shall be invested in Eligible Investments with maturities as directed by DeVal.

Section 5.03 Payments into, and Use of Moneys in, the Acquisition Fund and the Recycling Fund.

(a) The Trustee shall deposit into: (i) the Acquisition Fund, the portion of the proceeds of a Series of Bonds as determined pursuant to the Supplemental Indenture authorizing such Series of Bonds; and (ii) the Recycling Fund, to the extent described in Subsection 5.03(b)(iv) and Section 5.04 hereof, the portion of the Repayments representing Loan Principal with respect to Loans made with proceeds of such Series of Bonds.

Moneys in the Recycling Fund shall be disbursed in accordance with Subsection 5.03(b)(i) hereof, subject to the provisions of Subsections 5.03(b)(ii), 5.03(b)(v) and 5.03(b)(vi) hereof; provided, however, that moneys in the Refunding Loan Principal Account of the Recycling Account shall only be used to purchase Participant Notes evidencing Loans for new money projects, unless DelVal and the Trustee have received a Favorable Opinion of Bond Counsel to the effect that such moneys can be used to purchase Participant Notes evidencing Loans which constitute refundings.
- (v) On each respective Recycling Fund Termination Date, the amount in the respective sub-account of the Recycling Fund attributable to such Series of Bonds shall be transferred to the Redemption Fund pursuant to Section 5.06 hereof and held and applied to redeem the applicable Series of Bonds pursuant to Article III hereof and the provisions of the Supplemental Indenture which authorized the issuance of such Series of Bonds, unless prior to the date established for such redemption, the Trustee receives a Favorable Opinion of Bond Counsel.
- (vi) On each Principal Payment Date, moneys in the Acquisition Fund or the Recycling Fund shall to the extent necessary, be transferred

to the Principal Account of the Revenue Fund to pay the principal of the Bonds.

Section 5.04 Payments into, and Use of Moneys in, the Revenue Fund.

 - (viii) all Subsidy Payments received by DeVal.

(b) Moneys in the Revenue Fund shall be used for the following payments and transfers on the following dates and in the following order of priority; provided, however, that (A) draws on any Credit Facility to pay principal of or interest on a Series of Bonds secured by such Credit Facility shall be paid directly to the Owner of such Series of Bonds or as provided in a Supplemental Indenture and (B) Subsidy Payments, if any, shall be used solely (i) to pay interest on Bonds, or, (ii) if interest on Bonds has been paid from a draw on a Credit Facility, to reimburse the Credit Facility Provider or (iii) if the Subsidy Payments specifically provide or require, to pay interest on Bonds to which such Subsidy Payments relate or to reimburse a Credit Facility Provider for a draw on a Credit Facility to which such Bonds relate:

- (i) on each Interest Payment Date and each Swap Payment Date (which is an Interest Payment Date), to pay interest on the Bonds or, if interest on the Bonds has been paid from a draw on a Credit Facility, to reimburse the Credit Facility Provider and to make the Swap Payments due under any Swap Agreement;

- (ix) if DelVal shall have received notice of an early termination under any Swap Agreement and notice that a Termination Payment will be due to a Swap Counterparty, the Administrator shall direct the Trustee to transfer to the Discretionary Fund, if necessary, an amount sufficient to make the Termination Payment; and
- (x) from time to time, to the Discretionary Fund in such amounts as may be directed by the Administrator.

(c) The Trustee shall notify DelVal (and the Administrator) by 3:30 p.m. on any day on which a Credit Facility Provider fails to honor a draw on a Credit Facility securing the principal or interest on a Series of Bonds and in such case the Trustee shall make any required payments as set forth in Section 5.05 hereof.

(d) The Trustee shall notify DelVal (and the Administrator) on any Interest Payment Date or Principal Payment Date if insufficient moneys are on deposit in the Revenue

Fund to make the payments of interest or principal, as the case may be, on Bonds and in such case the Trustee shall make any required payments as set forth in Section 5.05 hereof.

Section 5.05 Payment of Bonds; Payments to Swap Counterparties.

The Trustee shall make payments when due of principal of and interest on Bonds, and amounts due as Swap Payments, as follows and in the order of priority set forth within each category, as applicable:

- (a) FIRST, from the Revenue Fund; provided that any payment of principal and interest on Bonds secured by a Credit Facility shall be made first, from the proceeds provided by such Credit Facility and thereafter from other moneys in the Revenue Fund;
 - (b) SECOND, from the Discretionary Fund,
 - (c) THIRD, from moneys provided pursuant to the Covenant Agreement;
 - (d) FOURTH, from any moneys available in the Debt Service Reserve Fund;
- and
- (e) LAST, from any other moneys in the Trust Estate available to the Trustee for such purposes.

Payments of Termination Payments shall be paid only from moneys in the Discretionary Fund or provided pursuant to the Covenant Agreement and only after payment in full of all amounts then due on Bonds and as Swap Payments.

Section 5.06 Payments into, and Use of Moneys in, the Redemption Fund.

Amounts transferred pursuant to Section 5.03(b)(iii) and 5.03(b)(v) hereof shall be promptly deposited in the Redemption Fund and applied to the redemption of the applicable Series of Bonds.

Section 5.07 Payments into, and Use of Moneys in, the Rebate Fund.

(a) Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. In accordance with Treasury Regulation §1.148-7(b)(6)(ii), DelVal hereby elects to apply the spending exceptions under Section 148(f)(2) of the *Code* separately to each Loan.

(b) DelVal shall, at the expense of each Participant, engage and furnish information to the Rebate Analyst to calculate, not later than sixty (60) days after the end of each fifth Bond Year for a Series of Bonds and not later than sixty (60) days after the payment in full of all Outstanding Bonds, the allocable portion of the Rebate Amount and/or Yield Reduction Amount, if any, on a Loan by Loan basis as of the end of each such fifth Bond Year or the date of such final payment. Any Participant exempt from rebate pursuant to Treasury Regulation § 1.148-8 determined by the Administrator shall be excused from the rebate requirements of this paragraph.

Based on information available to and provided to the Rebate Analyst, the Rebate Analyst shall notify each Participant, as applicable, in writing of that amount and of the amount then on deposit in the Rebate Fund applicable to each Loan. If the amount then on deposit in the Rebate Fund is less than such Rebate Amount and/or Yield Reduction Amount, if any, allocable to the Participant, DelVal shall cause the Participant, within five (5) days after receipt of the aforesaid notice from the Rebate Analyst, to pay to the Trustee for deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to such Rebate Amount and/or Yield Reduction Amount, if any, attributable to such Participant. If the Participant does not pay the required amount within five days after receipt of the aforesaid notice from the Rebate Analyst, the Administrator shall direct the Trustee to immediately transfer to the Rebate Fund, that amount, first, from the Discretionary Fund, second, from the Acquisition Fund and third, from the Recycling Fund, to the extent of moneys available therein.

(c) DelVal shall furnish information to the Rebate Analyst to calculate not later than sixty (60) days after the end of each fifth Bond Year for any Series of Bonds and not later than sixty (60) days after the payment in full of all Outstanding Bonds, the Rebate Amount and/or Yield Reduction Amount with respect to amounts not loaned or otherwise attributable to Participants as of the end of such fifth Bond Year or the date of such final payment. Based on information provided by the Rebate Analyst, DelVal shall immediately instruct the Trustee to deposit in the Rebate Fund, such Rebate Amount, first from the Discretionary Fund, second, from the Acquisition fund and third, from the Recycling Fund, to the extent of moneys available therein.

(d) Within 60 days after the end of the fifth Bond Year and every fifth Bond Year thereafter, the Trustee, acting on behalf of, and at the written direction of, DelVal, shall pay to the United States in accordance with § 148(f) of the *Code*, to the extent of moneys then on deposit in the applicable account in the Rebate Fund, an amount equal to 90% of the Rebate Amount and/or Yield Reduction Amount, if any, earned from the date of the original delivery of a Series of Bonds to the end of such fifth Bond Year (less the amount of Rebate Amounts, if any, previously paid to the United States pursuant to this Section). Within 60 days after the payment in full of all Outstanding Bonds, the Trustee shall pay to the United States in accordance with § 148(f) of the *Code*, to the extent of moneys then on deposit in the applicable accounts in the Rebate Fund, at the written direction of DelVal, an amount equal to 100% of the Rebate Amounts and/or Yield Reduction Amount, if any, earned from the date of the original delivery of the Bonds to the date of such payment (less the Rebate Amounts and/or Yield Reduction Amount, if any, previously paid to the United States pursuant to this Section). All computations of Rebate Amounts pursuant to this section shall treat the amount or amounts, if any, previously paid to the United States pursuant to this Section as amounts on deposit in the Rebate Fund.

(e) The Rebate Analyst shall provide DelVal with records of the computations made pursuant to this Section and DelVal shall maintain such records for six (6) years following receipt thereof.

(f) Notwithstanding anything to the contrary contained herein, annually, as of each December 31, the Rebate Analyst shall calculate the estimated amount (the “Annual Rebate Estimate”) that shall be required to be paid to the United States of America in order to preserve the exclusion of interest on Bonds from gross income of the Bondholders thereof for federal

income tax purposes. To the extent the Annual Rebate Estimate exceeds the amount then on deposit in the Discretionary Fund, the Administrator, subject to the next sentence, shall transfer from the Revenue Fund amounts constituting Administrative Expenses to the Discretionary Fund sufficient to cure such deficiency.

(g) Neither the Administrator nor the Trustee shall have any duty or responsibility to independently verify any of the calculations or instructions with respect to transfers by the Trustee to the Rebate Fund (or related assessments of the Participants) or withdrawals from the Rebate Fund, and both the Administrator and the Trustee shall be fully protected in relying solely upon the direction of DeIVal in this regard. Under no circumstances whatsoever shall the Trustee be liable to DeIVal, any Participant, any Bondholder or any other person for any loss of tax-exempt status of the Bonds, or any claims, demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way connected therewith, so long as the Trustee acts only in accordance with the Indenture and the direction of DeIVal.

Section 5.08 Use of Moneys in the Cost of Issuance Fund.

Moneys in the Cost of Issuance Fund shall be used to pay the costs of issuing a Series of Bonds, including any fees charged by DeIVal. Such costs shall be paid on the date of original authentication and delivery of a Series of Bonds or not later than the 180th day thereafter, upon the submission of a closing statement or requisitions to the Trustee by an Authorized Officer of DeIVal stating the amount to be paid, to whom it is to be paid and the reason for such payment, each such requisition to include a certificate signed by an Authorized Officer of DeIVal stating that the amount of such closing statement or requisition is due and owing and has not been the subject of another requisition which was paid and is a proper expense of issuing such Bonds. Moneys in the Cost of Issuance Fund shall be invested in the Investment Agreement and all earnings on moneys in the Cost of Issuance Fund shall be credited to the Revenue Fund as received. Any funds remaining in the Cost of Issuance Fund for more than 180 days following the issuance of a Series of Bonds shall be transferred to the Acquisition Fund.

Section 5.09 Amounts in the Debt Service Reserve Fund.

(a) DeIVal shall direct the Trustee to deposit into the Debt Service Reserve Fund such portions of the proceeds of the sale of a Series of Bonds, if any, as shall be provided in the Supplemental Indenture authorizing the issuance thereof, and any moneys which may be made available to DeIVal for the purposes of the Debt Service Reserve Fund from any other sources.

A Supplemental Indenture may provide that the Debt Service Reserve Fund Requirement, if any, may be funded in whole or in part by a letter of credit, insurance policy, surety, guaranty or other security arrangement upon which DeIVal may make a draw to provide funds as needed for the Debt Service Reserve Fund.

(b) The amounts in the Debt Service Reserve Fund shall be applied to pay the principal and interest on Bonds (or to reimburse any Credit Facility Provider for payment of principal and interest on Bonds secured by a Credit Facility) and to make Swap Payments as the same become due, only when the amounts available for such purposes in the Revenue Fund in

accordance herewith are insufficient to make such payments. If the Debt Service Reserve Fund is funded partly in cash and partly otherwise, as provided above, drawings shall be made as provided in a Supplemental Indenture.

(c) Earnings on the Debt Service Reserve Fund shall be retained therein until the amount on deposit in the Debt Service Reserve Fund is equal to the Reserve Requirement; thereafter, such earnings shall be transferred to the Revenue Fund.

Section 5.10 Payments into, and Use of Moneys in the Discretionary Fund.

Termination Charges received from a Participant, Guarantor, or Participant Credit Enhancer pursuant to a Loan Agreement, and amounts received pursuant to the Covenant Agreement, shall be deposited in the Discretionary Fund. Termination Payments shall be subject and subordinate to payments of interest, principal or redemption price of Bonds then due and owing, any obligations then due to any Credit Facility Provider and to Swap Payments then due and owing. Amounts in the Discretionary Fund shall be applied to the following, in the following order of priority:

(a) To make deposits to the Revenue Fund to pay interest, principal, or redemption prices on Bonds then due (or to reimburse the provider of a Credit Facility which secures a Series of Bonds which has made payment thereon) and to make Swap Payments then due, when the other moneys available to the Trustee are insufficient therefor.

(b) To pay Termination Payments then due to Swap Counterparties.

(c) To make deposits to the Rebate Fund or to make an Extraordinary Payment.

(d) To make deposits to the Revenue Fund to pay any Administrative Expenses, to the extent the same are not paid from other sources and available to the Trustee.

(e) To make deposits to the Revenue Fund to pay the costs or expenses related to the making or funding of any Loan, or the issuance of any Participant Note.

(f) To make payments under the Covenant Agreement at the direction of the Administrator provided (A) that a Termination Payment is not then due and owing and (B) that the payments will not cause total liabilities to exceed total assets under the Indenture.

(g) To make payments to DelVal; provided that (A) a Favorable Opinion of Bond Counsel is given with respect to such payments; (B) that no payment to DelVal shall be made if a Termination Payment is then due and owing, and (C) that the payments will not cause total liabilities to exceed total assets under the Indenture.

Section 5.11 Application of Bond Proceeds and DelVal Money.

Promptly upon the issuance, sale and delivery of any Series of Bonds, DelVal shall deposit the proceeds of such Series of Bonds together with any moneys provided by DelVal to the Funds

and accounts as determined in the Supplemental Indenture executed in connection with the issuance of such Series of Bonds.

Section 5.12 [Reserved.]

Section 5.13 Moneys to Be Held in Trust.

All moneys required to be deposited with or paid to the Trustee for the account of any Fund established under any provision of this Indenture shall be held by the Trustee in trust, and except for moneys deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, or held pursuant to Section 2.10, or held in the Rebate Fund, shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the security interest created hereby.

Section 5.14 Payment of Excess Moneys.

Subject to Section 2.10 and Article IX, any amounts remaining in any Fund created pursuant to Section 5.02 after full payment of all Bonds (including any rebate and/or yield reduction liability and the reasonable fees, charges and expenses with respect to the issuance of Bonds under Section 5.08), full payment of amounts owed to any Credit Facility Provider, full payment of all Swap Agreements (and termination of all interest rate swaps), if any, and full payment of the fees, charges and expenses of the Trustee, DelVal, the Administrator, and the Rebate Analyst, shall be paid to DelVal.

Section 5.15 Reports from the Trustee; Examination of Books.

The Trustee shall furnish to DelVal, the Administrator and the Rebate Analyst within two (2) weeks following the end of each Bond Year, statements of the activity and assets held in the Funds created pursuant to Section 5.02. The Trustee shall, at the written request of the Administrator, DelVal or the Rebate Analyst, permit representatives of such parties to examine the books and records of the Trustee relating to the Funds.

Section 5.16 Certain Verifications.

DelVal, the Trustee, the Administrator and/or the Rebate Analyst from time to time may cause a firm of Accountants or consultants to supply DelVal, the Trustee, the Administrator and the Rebate Analyst with such information as DelVal, the Trustee, the Administrator or the Rebate Analyst may request in order to determine in a manner reasonably satisfactory to DelVal, the Trustee, the Administrator and the Rebate Analyst all matters relating to (a) any audits of DelVal, if and to the extent such audits relate to Bonds, (b) the sufficiency of projected cash flow receipts and disbursements on the Loan Agreements, the Swap Agreements, if any, the Investment Agreements and Funds described herein to pay the principal and redemption price of and interest on the Bonds, the Swap Payments, if any, and Swap Receipts, if any; and (c) the actuarial yields on the Loan Agreements, the investments held under the Indenture, and on the Bonds, as the same may relate to any data or conclusions necessary to verify that none of the Bonds are arbitrage bonds within the meaning of § 148 of the *Code* or to permit investment of amounts in the Funds in compliance with the *Code* and this Indenture. Payment for costs and expenses incurred in

connection with supplying the foregoing information shall be paid from moneys in the Discretionary Fund. Any and all such reports shall be delivered by the Administrator to the Trustee.

Section 5.17 Effect of Certain Loan Agreement Defaults under Loan Agreements; Assignment of Loan Agreements.

Upon the occurrence of a Loan Agreement Default of which it has knowledge, the Trustee shall immediately notify DeVal, the Administrator, the Guarantor, if any, each Swap Counterparty, and the Participant Credit Enhancer, if any. Upon written direction of the Participant Credit Enhancer, unless payment has been made by the Guarantor, and if the Participant Credit Enhancer is not in default on the Participant Credit Enhancement for the Loan, the Trustee shall take all action available to it as owner of the Participant Note in its representative capacity, to make demand for, and enforce, collect, settle and recoup all payments due under the Participant Note.

If, as a result of any such payment default by a Participant, the amounts on deposit in the Revenue Fund or Discretionary Fund are insufficient to make the payments required to be made therefrom, and payments are not made by the Guarantor, if any, or the Participant Credit Enhancer, the Trustee shall draw upon the Debt Service Reserve Fund for the amount necessary to pay principal or interest on Bonds unless DeVal provides moneys therefor pursuant to the Covenant Agreement or directs transfer from the Discretionary Fund, and shall take all action available to it as owner of the Participant Note in its representative capacity, to make demand for, and enforce, collect, settle and recoup all payments due under the Participant Note.

Loans may be made as either the Variable Rate Loans or at Fixed Rate Loans and may be made from one or more Series of Bonds. In connection with any Fixed Rate Loan, DeVal may enter into subsequent Swap Agreements. The Administrator shall provide to DeVal, the Trustee and a Participant recommendations concerning the terms and provisions it believes should be included in the details of each Loan Agreement.

Section 6.02 Restrictions on Program.

The following restrictions shall apply to all Loan Agreements:

(a) Each Loan Agreement shall be in substantially the form attached as Exhibit “A” hereto as it may be modified pursuant to Section 6.08 hereof, or in a Supplemental Indenture authorizing this issuance of a Series of Bonds.

(b) No Closing shall occur unless DeVal, the Trustee, and, if applicable, the Credit Facility Provider, Participant Credit Enhancer, and Swap Counterparty have received all of the executed Loan Documents and all conditions established by the Administrator for such Loan have been satisfied.

(c) Loan principal shall be scheduled to mature so as to provide sufficient funds to pay Bonds issued to fund such Loans on their respective maturity dates, all as may be determined by the Administrator.

(d) DeVal shall not originate a Loan to a Participant with a rating below “A3” by Moody’s or “A-” by S&P unless the Rating Agencies previously confirmed that the ratings on the Outstanding Bonds at that time would not be downgraded as a consequence of originating such Loan or Loans without Participant Credit Enhancement.

(e) DeVal shall secure a Participant Credit Enhancement to secure any Loan to a Participant whose rating is downgraded below “A3” by Moody’s and “A-” by S&P subsequent to the closing of the Loan unless the Rating Agencies confirm that the ratings on the Outstanding Bonds at that time would not be downgraded as a consequence of not securing the Participant Credit Enhancement.

(f) DeVal shall only originate a Loan to a Participant under subparagraph (iv) of the definition thereof if the requirements of such subparagraph (iv) are met.

Section 6.03 Disbursement Period.

The Trustee shall fund Loans from the proceeds in the Acquisition Fund or the Recycling Fund, as the case may be, by purchasing Participant Notes from Participants to finance or reimburse the Cost of Projects on such basis as shall be determined from time to time by the Administrator in the order that all necessary requirements are met, until such date as there are no longer any unloaned funds on deposit in the Acquisition Fund or the Recycling Fund, or until an Acquisition Fund Termination Date or a Recycling Fund Termination Date, respectively. Notwithstanding the foregoing, the Trustee, upon the written direction of DelVal or Administrator, and with a Favorable Opinion of Bond Counsel, may reserve proceeds in the Acquisition Fund and the Recycling Fund for funding of a Loan to a Participant at a future date after an Acquisition Fund Termination Date or a Recycling Fund Termination Date, as applicable.

Repayments will be due on the Loan Payment Date or the Loan Prepayment Date, if applicable.

(c) Loan Interest shall be at the rates as determined by the Administrator. The Administrator shall calculate the rates on Variable Rate Loans based, *inter alia*, on the payments on the Bonds, net of payments with respect to the Swap Agreements, if any. The Administrator shall calculate the rates on Fixed Rate Loans based, *inter alia*, on the payments on the Bonds, net of payments with respect to the Swap Agreements, if any. The Loan Rate shall never be greater than the Maximum Rate.

(d) In the event that DelVal owes a Termination Payment due to the early termination of a Swap Agreement, the Administrator shall calculate a Termination Charge for the affected Participants and, if applicable, the Guarantor and Participant Credit Enhancer. All opinions and certificates required under this section and under the Loan Agreement shall be dated the date of Closing and all such opinions shall be addressed to DelVal and the Trustee. Interest on the Participant Notes shall commence to accrue on the date of Closing.

Section 6.08 Modifications of Forms of Loan Agreements and Participant Resolutions.

Prior to the execution and delivery of a Loan Agreement, DelVal may approve modifications to the form of Participant Ordinances or Participant Resolutions or Loan Agreements, so long as such modifications do not adversely affect the interest of Bondholders or any Swap Counterparty. Any modifications which materially change the undertakings set forth therein and adversely affect the interest of Bondholders shall be accompanied by a Favorable Opinion of Bond Counsel.

Section 6.09 Program Monitoring.

The Administrator shall prepare periodic reports to DelVal and the Trustee setting forth the status of any Loan applications received by it, stating the amount of Loans then outstanding, projecting the anticipated use of moneys in the Acquisition Fund and the Recycling Fund and providing any recommendations it may have concerning the making of additional Loans.

Section 8.01 Investment of Moneys in Funds.

(a) Subject to the provisions of each Tax Compliance Certificate, all Bond proceeds and other moneys deposited in any Funds (other than the Rebate Fund) shall be initially invested pursuant to the Investment Agreements or other Eligible Investments. Proceeds of a draw on a Credit Facility or from the remarketing of any Series of Bonds shall be invested only in cash or Eligible Investments meeting the requirements of Section (a)(ii) of the definition thereof, which, if invested, shall mature on the earlier of: (i) as required pursuant to this Indenture or (ii) thirty days following the investment thereof.

(b) The Trustee is hereby directed to enter into the Investment Agreements and to invest amounts thereunder in accordance with the terms of such Investment Agreements and is hereby instructed to give all notices and to take all other actions necessary (i) to make withdrawals from such Investment Agreements in order to make timely payments of principal or redemption price and interest on the Bonds and fees and expenses due hereunder and (ii) to make timely deposits or redeposits of proceeds as required hereunder.

Eligible Investments acquired as an investment of moneys in any Fund created by this Indenture shall be credited to such Fund. For the purpose of determining the amount in any Fund at any time in accordance with this Indenture, except as otherwise provided herein, all Eligible Investments credited to such Fund shall be valued at fair market value. The value of Eligible Investments in each Fund shall be determined upon acquisition and annually thereafter as of each Anniversary Date. The value of Eligible Investments so determined as of any such date shall constitute the "Value of Eligible Investments" for purposes of this Indenture until the next date of valuation.

All interest, profits and other income earned, net of any losses suffered (herein called the "net earnings from investment of moneys"), in any Fund created by this Indenture shall be deposited as set forth in Article V.

Subject to the provisions hereof, investments in any and all Funds created by this Indenture may be commingled for purposes of making, holding and disposing of investments. Notwithstanding provisions herein for transfer to or holding in particular Funds amounts received, or such commingling, the Trustee shall at all times account for such investments in the Funds to which they are credited and otherwise as provided in this Indenture. The Trustee may act as principal or agent in the acquisition or disposition of any Eligible Investment. The Trustee may sell, or present for redemption, any Eligible Investment to the credit of any Fund created by this Indenture whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund, and the Trustee shall not be liable for any loss resulting from such investment.

All moneys required to be deposited with or paid to the Trustee for the account of any Fund (other than the Rebate Fund) established under any provision of this Indenture shall be held by the

Trustee in trust and shall constitute part of the Trust Estate while held by the Trustee; provided, however, that moneys deposited with or held by the Trustee for the purchase of a Series of Bonds on or after any date on which such Series of Bonds are required to be purchased, for the redemption of such Series of Bonds on or after the redemption date of such Series of Bonds, or for the payment of the principal or redemption price of or interest on a Series of Bonds on or after the date on which such amounts shall have become due, shall be held and applied solely for the purchase, redemption or payment of such Series Bonds or the payment of such interest, as the case may be.

The Trustee shall not invest any funds held by it for the payment of the principal or redemption price of a Series Bonds after the date established for maturity or redemption thereof.

Notwithstanding any provision to the contrary contained herein, all moneys subject to investment under this Indenture shall be invested in Eligible Investments.

The Trustee shall promptly send to DelVal and the Administrator monthly trust statements of the investments held under the Indenture, including the balances on deposit in each Fund and Account, the investment income for such month, and the maturities and interest rates then in effect for such investments. The Administrator shall review such reports and advise the Trustee and DelVal of any discrepancies or concerns regarding such investments.

Section 8.02 Federal Tax Laws.

(a) DelVal covenants that it will make no investment or other use of the proceeds of Bonds which are tax exempt Bonds which would cause the Bonds which are tax exempt Bonds to be “arbitrage bonds” as that term is defined in Section 103(b)(2) and Section 148(a) of the Code, and that it will comply with the requirements of the Code sections and regulations and with the Tax Compliance Certificate throughout the term of the Bonds. In the event that at any time DelVal is of the opinion that for the purposes of this Section 8.02 it is necessary to restrict or limit the yield on the investment of any moneys held by the Trustee, DelVal shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

Without limiting the generality of the foregoing, DelVal agrees that there shall be paid from time to time all amounts required to be paid to the United States Treasury pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bonds which are tax exempt Bonds from time to time. This covenant shall survive payment in full or defeasance of all Outstanding Bonds which are tax exempt Bonds. DelVal specifically covenants to pay or cause to be paid to the United States Treasury the Rebate Amounts and Yield Reduction Amounts, as set forth in the Tax Compliance Certificate.

Notwithstanding any provision of this Section, if DelVal shall provide to the Trustee a Favorable Opinion of Bond Counsel to the effect that any action required under this section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds which are tax exempt Bonds pursuant to Section 103 of the Code, DelVal and the Trustee may rely conclusively on such opinion in complying with the provisions hereof or such matters as are set forth in the Favorable Opinion of Bond Counsel.

(b) DelVal covenants that so long as Bonds which are tax exempt Bonds remain Outstanding it will comply with the requirements of the *Code* so that the interest on the Bonds which are tax exempt Bonds shall be excluded from gross income for federal income tax purposes, and will comply with the information reporting requirements imposed by federal tax laws as they relate to the Bonds which are tax exempt Bonds by, *inter alia*, filing any statement required thereby in a complete and timely manner.

(c) DelVal hereby covenants for the benefit of the Bondholders of the Bonds which are tax exempt Bonds that it will cause the Participants to not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the Bondholders of the Bonds of the interest on the Bonds which are tax exempt Bonds under Section 103 of the Code. DelVal also covenants that it will cause the Participants to not directly or indirectly use or permit the use of any of the proceeds of the Bonds which are tax exempt Bonds or any other funds or take or omit to take any action which would cause the Bonds which are tax exempt Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and to comply will all requirements of Section 148 of the Code to the extent applicable to the Bonds. DelVal shall comply with the covenants in this paragraph (c) by requiring each Participant to enter into a Participant Tax Compliance Agreement.

(d) DelVal recognizes that the provisions of this Section 8.02 are intended to comply with the provisions of the Code applicable to the Bonds which are tax exempt Bonds and if as a result of a change in an applicable section of the Code or in the interpretation thereof, change in this Section 8.02 shall be permitted or necessary to assure continued compliance with provisions of the Code, then DelVal shall be empowered without further action or consent, to amend this Section 8.02 and DelVal may require a written opinion of Bond Counsel satisfactory to DelVal to the effect that either (i) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds which are tax exempt Bonds, or (ii) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds which are tax exempt Bonds.

ARTICLE IX DISCHARGE OF INDENTURE

Section 9.01 Discharge of Indenture.

If DelVal shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to or for the Bondholders, the principal of and interest due or to become due thereon at the times and in the manner stipulated therein, shall have paid all amounts owing to any Credit Facility Provider (and such Credit Facility shall have been returned and marked “cancelled”), shall have paid all Swap Payments and Termination Payments due or to become due under the Swap Agreements and shall pay or cause to be paid all sums of money due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to DelVal such instruments in writing as shall be requisite to cancel and discharge the lien hereof, and release, assign and deliver unto DelVal any and all of the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee or otherwise subject to the lien of this Indenture.

Notwithstanding the foregoing, those provisions of this Indenture relating to the maturity of Bonds, interest payments and dates thereof, redemption provisions, exchange and transfer of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, nonpresentment of Bonds, the holding of moneys in trust, the rights afforded any Swap Counterparty herein and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Bondholders notwithstanding the release and discharge of the lien of this Indenture.

Any Bond shall be deemed to be paid within the meaning of this Article when payment of the principal of such Bond, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either

(a) shall have been made or caused to have been made in accordance with the terms thereof, or

(b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (i) moneys sufficient to make such payment, (ii) non-callable direct general obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, maturing as to principal and interest in such amounts and at such times as shall insure the availability of sufficient moneys to make such payments, or (iii) a combination of such moneys and obligations, and all necessary and proper fees and expenses of and other amounts owing to the Trustee, the Administrator or DelVal, with respect to which such deposit is made shall have been paid or deposited with the Trustee. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, and all liability of DelVal with respect to such Bond shall cease, terminate, and be completely discharged and extinguished except for the purposes of registration and exchange of Bonds, and replacement of mutilated, lost, stolen or destroyed Bonds,

and the Bondholders thereof shall be entitled to payment solely out of the moneys or securities so deposited.

Notwithstanding the foregoing, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid unless:

(a) the Trustee has received a letter from each Rating Agency then rating the Bonds that such deposit shall not cause the rating then assigned to such Bonds by such Rating Agency to be lowered or eliminated; and

(b) DelVal shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

- (i) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted or required by this Indenture);
- (ii) to call for redemption pursuant to this Indenture any Bonds to be redeemed prior to maturity pursuant to (i) hereof, and
- (iii) to mail, as soon as practicable, in the manner prescribed by Article III hereof, a notice to the Bondholders of such Bonds that such deposit has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, of said Bonds as specified in Clause (i) of this paragraph.

Any moneys so deposited with the Trustee as provided in this Article may at the direction of DelVal also be invested and reinvested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Article which is not required, as evidenced by a report of an Accountant, for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be used as otherwise permitted by this Indenture.

No such deposit under this Article shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an Opinion of Bond Counsel to the effect that such deposit and use would not cause Bonds which are tax exempt Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Code.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or obligations have been so set aside in trust.

Anything in Article XII to the contrary notwithstanding, if moneys or obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Bondholder of each Bond affected thereby.

**ARTICLE X
DEFAULT PROVISIONS AND REMEDIES OF
TRUSTEE AND BONDHOLDERS**

Section 10.01 Defaults; Events of Default.

The following events shall constitute an “Event of Default” or “Events of Default”:

(a) A failure to pay when the same shall become due and payable, interest on or principal of any Bond (whether at maturity, by acceleration, redemption or otherwise) or the payment of any Swap Payment; or

(b) Any other default in the payment or default in the performance or observance of any covenant, agreement or condition on the part of DeVal contained in this Indenture or in Bonds (other than defaults mentioned in Section 10.01(a) and other than the failure to pay a Termination Payment unless moneys sufficient therefor are available in the Discretionary Fund) and failure to remedy the same after notice of the default pursuant to Section 10.11.

Section 10.02 Acceleration.

Upon the occurrence of an Event of Default described in Section 10.01(a), the Trustee shall, by notice to DeVal, the Bondholders, the Administrator and the provider of any Credit Facility, except to the extent limited in a Supplemental Indenture, declare the entire unpaid principal of and interest on all Bonds Outstanding immediately due and payable; thereupon, the entire unpaid principal of and interest on all Bonds Outstanding shall forthwith become immediately due and payable and the Trustee shall immediately draw on any Credit Facility which secures any Series of Bonds.

Upon the occurrence of an Event of Default described in Section 10.01(b), the Trustee shall, upon the written request of the Bondholders of 50% in aggregate principal amount of all Bonds Outstanding, by notice to DeVal, the Administrator, the Bondholders and the provider of any Credit Facility, except to the extent limited in a Supplemental Indenture, declare the entire unpaid principal of and interest on all Bonds Outstanding immediately due and payable and, thereupon, the entire unpaid principal of and interest on the Bonds shall forthwith become due and payable.

If the Bonds are accelerated, DeVal shall forthwith pay pro-rata to the Bondholders of the Bonds, any provider of a Credit Facility and the Swap Counterparty, the entire unpaid principal of and accrued interest on the Bonds (or to reimburse a Credit Facility Provider for amounts drawn on a Credit Facility to pay the Bonds) and the Swap Payments, but only from the Revenues herein specifically pledged for such purpose. Interest on any Series of Bonds secured by a Credit Facility on which the Credit Facility Provider has honored a draw, shall cease to accrue on the date of the declaration of the acceleration. In the event the Trustee fails to accelerate as required by this Section 10.02, the Bondholders of a majority in aggregate principal amount of Bonds Outstanding shall have the right to take such action. Following payment of the entire unpaid principal of and accrued interest on the Bonds, all amounts owing to any Credit Facility Provider and the Swap Payments, the Trustee shall pay the Termination Payments from the sources as provided herein.

Section 10.03 [Reserved].

Section 10.04 Remedies; Rights of Bondholders.

Upon the occurrence of an Event of Default, the Trustee shall have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on Bonds then Outstanding, including enforcement of any rights of DeVal or the Trustee hereunder or under the Loan Agreements or any documents securing them, or to enforce the rights of any Swap Counterparty to the payment of Swap Payments under any Swap Agreement.

(b) The Trustee may by action or suit in equity require DeVal to account as if it were the trustee of an express trust for the Bondholders and shall then take such action with respect to the Loan Agreements as the Trustee shall deem necessary or appropriate and in the best interest of the Bondholders, subject to the terms of the Loan Agreements, including the sale or assignment of part or all of the Loan Agreements.

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred, the Trustee may except as otherwise provided in a Supplemental Indenture, and if requested so to do by the Bondholders of 50% or more in aggregate principal amount of all Bonds then Outstanding, except as otherwise provided in a Supplemental Indenture and in either case indemnified as provided in Section 11.01(1), shall be obligated to exercise such one or more of the rights and powers conferred by this section as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Bondholders.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders hereunder as now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or exercise of any other right or remedy.

No delay or omission in exercising any right or remedy accruing upon any default or Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 10.05 [Reserved].

Section 10.06 Appointment of Receivers.

Upon the occurrence of an Event of Default and the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 10.07 Application of Moneys.

Subject to the provisions of Section 7.02 hereof, all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including fees and expenses of its Counsel) or DeVal, be deposited in the Revenue Fund, along with any other moneys available for such purposes:

(a) Unless the principal of all Bonds shall have become due and payable, all such moneys shall be applied equally and ratably, to the payment to the persons entitled thereto of all amounts payable pursuant to Section 5.04(b)(i) and Section 5.04(b)(ii), provided that if the amount available shall not be sufficient to pay in full any particular installment of interest and any Swap Payment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege.

(b) If the principal amount of all Bonds shall have become due, all such moneys shall be applied, equally and ratably, to the payment to the persons entitled thereto of amounts payable pursuant to Section 5.04(b)(i), Section 5.04(b)(ii) and Section 5.04(b)(iii), without preference or priority of principal, interest or Swap Payments or of interest and Swap Payments over principal, or of any installment of interest or Swap Payments over any other installment of interest or Swap Payments, according to the amounts due respectively for principal, interest and Swap Payments, without any discrimination or privilege.

(c) Termination Payments shall be paid from moneys in the Discretionary Fund subject and subordinate to the payment of principal and redemption price of and interest on the Bonds, amounts owing to any Credit Facility Provider and Swap Payments.

Except as to Series of Bonds secured by a Credit Facility, whenever the Trustee shall apply funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of Bonds to be paid on such dates shall cease to accrue. The Trustee shall by first class mail, postage prepaid, notify Bondholders of the Record Date and the time and place at which defaulted principal and interest is to be paid. Such notice shall be mailed to the persons in whose name the Bonds are registered at the close of business on the fifth day preceding the date of mailing. The Trustee shall not be required to make payment of principal to the Bondholder of

any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal or redemption prices on all Bonds, amounts owing to any Credit Facility Provider and all Swap Payments and Termination Payments have been paid under the provisions of this Section (and all interest rate swaps have been terminated) and all expenses and charges of and other amounts payable to the Trustee, the Administrator and DeVal have been paid, any balance remaining in the Funds shall be paid to DeVal as provided in Section 5.14 hereof.

Notwithstanding the foregoing, no fees, expenses, liabilities and advances incurred or made by the Trustee (including fees and expenses of its Counsel) or DeVal shall be paid with the proceeds of a draw on a Credit Facility or proceeds from the remarketing of any Series of Bonds.

Section 10.08 Remedies Vested in the Trustee.

All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs any Bondholders, and any recovery of judgment shall be for the equal and ratable benefit of the Bondholders of all the Outstanding Bonds, any Credit Facility Provider and any Swap Counterparty in accordance with their respective interests in the Trust Estate.

Section 10.09 Termination of Proceedings.

In case the Trustee, or any Bondholder shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case DeVal, the Trustee, the Swap Counterparty, if any, the provider of any Credit Facility and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and with regard to the property herein subject to this Indenture, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceedings had been taken.

Section 10.10 Waivers of Events of Default.

The Trustee may, at its discretion, waive any Event of Default hereunder and its consequences and may rescind any declaration of acceleration of all the Bonds, and shall do so upon the written request of the Bondholders of (a) a majority in aggregate principal amount of Bonds then Outstanding in respect of which default in the payment of principal and/or interest exists, or (b) a majority in aggregate principal amount of all Bonds then Outstanding in the case of any other default; provided, however, that there shall not be waived without the consent of the Bondholders of all Bonds then Outstanding (i) any default in the payment of the principal of any Outstanding Bond at the date of maturity specified therein or date of prior redemption or (ii) any default in the payment when due of the interest on any Outstanding Bond, unless prior to such waiver all arrears of interest or all arrears of payments of principal or redemption price then due

(other than accelerated principal), as the case may be, with interest on overdue principal and redemption price and interest at the rate borne by such Bond and all expenses of the Trustee in connection with such default, shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case DelVal, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any consequent right thereon. No waiver hereunder shall affect the rights of third parties to payment of amounts provided for hereunder.

Section 10.11 Notice of Defaults under Section 10.01(b); Opportunity of DelVal to Cure Such Defaults.

Anything herein to the contrary notwithstanding, no default under Section 10.01(b) shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to DelVal and the Administrator by the Trustee or the Bondholders of not less than 50% in aggregate principal amount of all Bonds then Outstanding, and DelVal (other than the failure to pay a Termination Payment if moneys sufficient therefor are available in the Discretionary Fund) shall have had 60 days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by DelVal within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice is given to DelVal under the provisions of this section, DelVal hereby grants the Trustee full power and authority, on behalf of DelVal, to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of DelVal, with full power to do any and all things and acts to the same extent that DelVal could do and perform any such things and acts and with power of substitution.

Notwithstanding anything to contrary contained in Sections 10.10 or 10.11, an Event of Default shall not be waived following a draw on Credit Facility unless the Trustee receives evidence that the Credit Facility has been reinstated in full and the Credit Facility Provider has not directed the Trustee to accelerate the Bonds secured by such Credit Facility.

Section 10.12 Consent by Credit Facility Provider.

If a Credit Facility is provided for all or a portion of a Series of Bonds, the Credit Facility Provider shall be deemed to be the Holder of such Bonds for the following:

(a) the right to make requests of, direct or consent to the actions of the Trustee or to otherwise direct proceedings all as provided in Article X of this Indenture to the same extent and in place of the Owners of the Series of Bonds which are secured by the Credit Facility;

(b) the right to act in place of the Owners of the Series of Bonds which are secured by the Credit Facility for purposes of removing a Trustee or appointing a Trustee under Article XI hereof; and

(c) the right to act in place of the Owners of the Series of Bonds to consent to Supplemental Indentures, which would otherwise require the consent of the Holders of not less than 50% in aggregate Principal Amount of the Bonds, entered into pursuant to Section XII, and of this Indenture.

The rights granted to any such Credit Provider, with respect to the provisions of Articles XI and XII hereof shall be disregarded and be of no effect if the Credit Facility Provider is in default of its payment obligations under its Credit Facility.

ARTICLE XI THE TRUSTEE

Section 11.01 Acceptance of the Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to serve as trustee for all Bonds issued hereunder and to perform said trusts, but only upon and subject to the following express terms and conditions and agrees to serve as Tender Agent for all Bonds (the Trustee and the Tender Agent shall at all times be the same entity so long as a Credit Facility is outstanding):

(a) The Trustee, prior to the occurrence of an Event of Default hereunder or under a Loan Agreement of which the Trustee has actual notice and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the Loan Agreements. In case an Event of Default hereunder or under a Loan Agreement of which the Trustee has actual notice has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Trustee would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, or receivers, but the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder, and the Trustee shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder and under the Loan Agreements, and may in all cases pay such reasonable compensation to all such attorneys, agents, and receivers as may reasonably be employed in connection with the trusts hereof and under the Loan Agreements. The Trustee may act upon the opinion or advice of any attorneys (who may but need not be the attorney or attorneys for DelVal or a Participant), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein (except recitals of the Trustee), or in the Bonds (except in respect to any certificate of authentication endorsed on the Bonds by the Trustee) or in the Loan Agreements, or for the validity of the execution by DelVal of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the Bondholder secured hereby with the same rights which it would have if not the Trustee.

(e) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder or under a Loan Agreement or Participant Note, except a failure by a Participant to make payments when due under a Loan Agreement or on a Participant Note, or a failure by DelVal to cause to be made any of the payments of principal or redemption prices of, or

interest on, the Bonds when due unless the Trustee shall be specifically notified in writing of such default by DeVal or by any Bondholder or a state or federal court. All notices or other instruments required by this Indenture or by a Loan Agreement to be delivered to the Trustee must, in order to be effective, be delivered at the corporate trust office of the Trustee in Philadelphia, Pennsylvania, until such time as a different address may be provided by the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no default except as aforesaid.

(f) The Trustee shall be protected in acting upon and shall be conclusively entitled to rely upon any notice, request, consent, certificate (including the certificates of the officials of the Participants required pursuant to Section 6.07 hereof and under the Loan Agreements), order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons including any such documents signed by an Authorized Officer of DeVal. The Trustee shall not unreasonably withhold its consent, approval or action to any reasonable request of DeVal. Any action taken by the Trustee pursuant to this Indenture upon the request of DeVal or upon the consent of any person who at the time of making such request or giving such consent is the Bondholder shall be conclusive and binding upon all future Bondholders of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(g) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled in good faith to rely upon a Certificate signed by an Authorized Officer of DeVal as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has notice or is deemed to have notice pursuant to Section 11.01(e) hereof, shall also be at liberty to accept a similar Certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a Certificate of the Chairman or the Secretary of DeVal under its seal to the effect that a resolution in the form therein set forth has been adopted by DeVal as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(h) The permissive right of the Trustee to do things enumerated in this Indenture or in the Loan Agreements shall not be construed as a duty and it shall not be answerable for other than its gross negligence or willful misconduct.

(i) At any and all reasonable times, the Trustee, the Administrator and the duly authorized agents, attorneys, experts, engineers, accountants and representatives of any of said Persons shall have the right to inspect any and all of the books, papers and records of DeVal pertaining to the revenues and receipts under the Loan Agreements and the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises granted herein.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication

of any Bonds, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, by the Trustee deemed desirable for the purpose of establishing the right of DeVal to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Indenture, other than drawing under the provisions of a Credit Facility or, if applicable, directing a mandatory tender of a Series of Bonds secured by a Credit Facility, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses which it may incur and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct, by reason of any action so taken, but the Trustee may not require indemnity as a condition to declaring the principal of or interest on the Bonds to be due immediately under Section 10.02 hereof.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds, except to the extent required herein or by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

Section 11.02 Fees, Charges and Expenses of the Trustee.

The Trustee shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, Counsel fees and other expenses reasonably and/or necessarily made or incurred by the Trustee in connection with such services, but solely from moneys deposited in the Revenue Fund (other than the proceeds of a draw on a Credit Facility and proceeds from the remarketing of any Series of Bonds) and available therefor pursuant to Sections 5.04(b) and 10.07 hereof. Upon an Event of Default, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal or redemption price of or interest on any Bond upon the Trust Estate (other than the proceeds of a draw on a Credit Facility and proceeds from the remarketing of any Series of Bonds) for the foregoing fees, charges and expenses incurred by it.

Section 11.03 Notice to Certain Persons If Default Occurs.

If the Trustee becomes aware of an Event of Default, then the Trustee shall promptly give written notice thereof by first-class mail to the Bondholders of all Bonds then Outstanding, shown by the registration books kept at the designated corporate trust office of the Trustee, and to the Administrator, DeVal and the Swap Counterparty.

Section 11.04 Intervention by the Trustee.

In any judicial proceeding to which DeVal is a party and which, in the opinion of the Trustee and its Counsel, has a substantial bearing on the interests of Bondholders, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the Bondholders of at least 50% of the aggregate principal amount of the Bonds then Outstanding.

Section 11.05 Resignation by the Trustee.

The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by first-class mail to DeVal, the Administrator and the Bondholder of each Bond; provided, however, that in no event shall such resignation take effect until the appointment of a successor Trustee and the acceptance of such appointment by such successor as provided in Sections 11.08 and 11.09 hereof. Upon receiving such notice of resignation, DeVal shall promptly appoint a successor Trustee. If no successor Trustee shall have been so appointed and accepted such appointment within 60 days of mailing the notice of such resignation to the Bondholders, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, or the Bondholders of at least 50% of the aggregate principal amount of the Bonds may petition any such court for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor Trustee as provided in Sections 11.08 and 11.09 hereof.

Section 11.06 Removal of the Trustee.

The Trustee may be removed at any time for just cause, by an instrument or concurrent instruments in writing delivered to DeVal, the Trustee, and the Administrator and signed by the Bondholders of a majority in aggregate principal amount of all Bonds then Outstanding.

DeVal may remove the Trustee at any time for just cause so long as there is no default by DeVal and no Event of Default then in existence or continuing under this Indenture.

Section 11.07 Successor Trustee by Merger.

Any corporation into which any Trustee hereunder may be merged or converted, with which it may be consolidated, or to which it may transfer or sell all or substantially all of its assets, or any corporation resulting from any merger, conversion, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor trustee under this Indenture, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding, provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Sections 11.09 and 11.10(d) hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI.

Section 11.08 Appointment of a Successor Trustee by the Bondholders; Temporary Trustee.

In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Bondholders of a majority in aggregate principal amount of all Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders, or by their attorneys in fact, duly authorized and a copy of which shall be delivered personally or sent by registered mail to DeVal and the Administrator. Nevertheless, in case of such vacancy or resignation, DeVal shall appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above prescribed; and any such temporary Trustee so appointed shall immediately and without further act be superseded by any Trustee so appointed by such Bondholders. Notice of the appointment of a successor Trustee shall be given in the same manner as provided herein with respect to the resignation of a Trustee.

Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor shall have been appointed and shall have accepted such appointment.

Section 11.09 Concerning Any Successor Trustee.

Every successor Trustee appointed hereunder shall be a trust company or bank in good standing located in or incorporated under the laws of the Commonwealth, duly authorized to exercise trust powers and subject to examination by federal or state authority, having a reported capital and surplus of not less than \$50,000,000.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to DeVal an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but any such predecessor shall, nevertheless, on the written request of DeVal, or of the successor Trustee, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities, moneys, documents and other property held by it as Trustee hereunder to its successor hereunder. Should any instrument in writing from DeVal be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by DeVal. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded.

Section 11.10 Appointment of Co-Trustee.

(a) If at any time or times DelVal or the Trustee shall have determined, or shall have been advised by counsel satisfactory to it, that it is necessary or prudent to appoint a Co-Trustee under this Section in order to (i) separate (or provide for the joint undertaking of) certain of the rights, powers, duties and obligations conferred or imposed upon the Trustee; (ii) comply with the legal requirements of any applicable jurisdiction; or (iii) effectuate the exercise of the powers, rights or remedies of the Trustee hereunder, then the Trustee and/or DelVal shall be entitled, without the consent of the Program Administrator or any Participant, and regardless of whether an Event of Default hereunder shall have occurred, to appoint one or more additional institutions (which each shall meet the specifications for a successor trustee under Section 11.09 hereof) to serve as a separate co-trustee hereunder (a “Co-Trustee”), with such powers as may be provided in the instrument of appointment, and to vest in each such institution any property, title, right or power deemed necessary or desirable, subject to the provisions of this Section 11.10.

(b) Each Co-Trustee shall, to the extent permitted by applicable law, be appointed subject to the following terms:

- (i) The rights, powers, duties and obligations conferred or imposed upon any such Co-Trustee shall not be greater than those conferred or imposed upon the Trustee.
- (ii) DelVal, or the Trustee, may at any time accept the resignation of and DelVal may remove any Co-Trustee appointed under this Section 11.10 in the same manner as stated in this Article XI with respect to resignation and removal of the Trustee.
- (iii) No Co-Trustee under this Indenture shall be liable by reason of any act or omission of the Trustee or any other Co-Trustee appointed under this Indenture.
- (iv) Anything herein contained to the contrary notwithstanding, no power given to any Co-Trustee hereunder shall be separately exercised by such Co-Trustee except at the written direction of DelVal with notice to the Trustee.

(c) Should any instrument in writing from DelVal be required by the Co-Trustee so appointed or removed by the Trustee in order to vest in and confirm to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by DelVal. In case any Co-Trustee, or a successor shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate Trustee or Co-Trustee.

(d) In addition to the provisions of Sections 11.05, 11.06 and 11.09, any Trustee or Co-Trustee appointed hereunder shall resign if requested by DelVal, or may be removed by

DelVal, if the long-term unsecured senior debt rating (not taking into account any third party credit enhancement) of such Trustee or Co-Trustee, as applicable, is below “A2” as determined by Moody’s, below “A” as determined by S&P or Fitch, or below an equivalent rating by any other NRSRO with a published rating of the Bonds.

(e) The Trustee shall promptly give each Swap Counterparty written notice of the appointment of a separate Trustee or Co-Trustee under this Indenture.

Section 11.11 Certain Notices.

The Trustee shall give notice to each Rating Agency of the following:

- (a) Any change in the identities of the Trustee, any remarketing agent, paying agent or tender agent;
- (b) Any supplements or amendments to this Indenture;
- (c) Any supplements or amendments to any Credit Facility Agreement on any Credit Facility;
- (d) The expiration, termination, substitution or extension of any Credit Facility;
- (e) Conversion of interest rate mode on any Series of Bonds;
- (f) Redemptions or defeasance of any Series of any Bonds;
- (g) Any Series of Bonds which are mandatorily tendered;
- (h) Any acceleration of the Bonds; and
- (i) Any other information that any Rating Agency may reasonably request of the Trustee in writing in order to maintain a rating on the Bonds.

DelVal shall give written notice to the Trustee, each Swap Counterparty and the Administrator in the event of any change or reduction in the ratings of the Bonds or any Participant Credit Enhancer which has issued Participant Credit Enhancement.

Section 11.12 Continuing Disclosure.

The Trustee is hereby appointed as the dissemination agent for purposes of compliance with the requirements of Rule 15(c)2-12 of the Securities and Exchange Commission. The Trustee shall disseminate all information in accordance with the terms of each Continuing Disclosure Agreement.

**ARTICLE XII
SUPPLEMENTAL INDENTURES**

Section 12.01 Supplemental Indentures Not Requiring Consent of Bondholders.

DeVal and the Trustee may, without the consent of or notice to any of Bondholders or any Swap Counterparty or any Credit Facility Provider, enter into any Supplemental Indenture for any one or more of the following purposes:

- (a) In connection with the issuance of a Series of Bonds;
- (b) To cure any ambiguity or formal defect or omission in this Indenture;
- (c) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee or to make any change which in the judgment of the Trustee is not to the detriment of the Bondholders;
- (d) To subject to this Indenture additional revenues, properties or collateral;
- (e) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the *Trust Indenture Act of 1939*, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said *Trust Indenture Act of 1939*, as amended, or similar federal statute;

- (h) To provide for certificated Bonds as contemplated by Section 2.07(c)(vii) hereof;
- (i) To make any change to reflect any provision in the Code or the interpretations thereof by the Internal Revenue Service, provided that such change does not materially adversely affect the rights of any Bondholder;
- (j) To make any change not materially adversely affecting any Bondholder's or Swap Counterparty's or any Credit Facility Provider's rights requested by any Rating Agency in order (i) to obtain a rating from such Rating Agency in connection with its rating of such Series of Bonds or (ii) to maintain any rating on the Bonds;

- (k) To make any change necessary to obtain Participant Credit Enhancement;
- (l) To make any change necessary to obtain a Credit Facility; or
- (m) To make any other change that does not materially adversely affect the rights of any Bondholder or Swap Counterparty or Credit Facility Provider.

Section 12.02 Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of supplemental indentures covered by Section 12.01 hereof and subject to the terms and provisions contained in this Section 12.02 and Section 10.10 hereof, and not otherwise, the Bondholders of not less than 50% in aggregate principal amount of the Bonds then Outstanding which are affected and each Swap Counterparty shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by DelVal and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by DelVal or the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting (a) without the consent of the Bondholders of all then Outstanding Bonds and each Swap Counterparty, (i) an extension of the maturity date of the principal of or the interest on any Bond, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or (iii) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture, or (v) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding hereunder, or (b) any modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

If at any time DelVal shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed by first-class mail to the Administrator, the Swap Counterparty and to each Bondholder of a Bond at the address shown on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the designated corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by DelVal, following the mailing of such notice, the Bondholders of not less than 50% in aggregate principal amount of the Bonds Outstanding which are affected at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Bondholder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or DelVal from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 12.03 Required Opinions.

No supplemental indenture entered into pursuant to this Article XII shall be effective unless there shall have been provided to DeVal and the Trustee a Favorable Opinion of Bond Counsel with respect thereto and an Opinion of Counsel to the effect that such Supplemental Indenture has been duly authorized, executed and delivered by the parties thereto and that the requirements of this Article XII have been satisfied in connection therewith.

Section 12.04 Supplemental Indentures requiring Consent of Participant Credit Enhancers and providers of Credit Facilities.

Any Supplemental Indenture which would adversely affect the rights, interests, security and obligations of a Participant Credit Enhancer or a Credit Facility Provider shall not be effective until all Participant Credit Enhancers and providers of Credit Facilities affected thereby have consented thereto.

ARTICLE XIII
AMENDMENT OF LOAN AGREEMENTS AND PARTICIPANT NOTES,
PARTICIPANT CREDIT ENHANCEMENT, AND CREDIT FACILITIES

Section 13.01 Amendments Without Consent of Bondholders.

The Administrator shall review all such proposed amendments to Loan Agreements, Participant Notes, Participant Credit Enhancements, and Credit Facilities and provide a recommendation with respect thereto to DeVal. DeVal may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of any previously executed and delivered Loan Agreement, Participant Note, Participant Credit Enhancement, or Credit Facility, so long as such amendment, change or modification does not adversely affect the interest of Bondholders. DeVal may not consent to any material amendment, change or modification to a Loan Agreement, Participant Note, Participant Credit Enhancement, or Credit Facility which adversely affects the interests of Bondholders, Swap Counterparty, Participant Credit Enhancer, or Credit Facility Provider unless the consent of each affected party is obtained.

ARTICLE XIV GENERAL COVENANTS

Section 14.01 Payment of Bonds.

DeVal covenants that it shall promptly pay the principal, interest or redemption price on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof; provided, that the principal, interest or redemption price is payable by DeVal solely from the Revenues or moneys provided by the Covenant Agreement, and nothing in the Bonds or this Indenture shall be considered as assigning or pledging any other funds or assets or rights of DeVal other than the Revenues and the right, title and interest of DeVal in the Loan Agreements and any other property mentioned in the Granting Clauses hereof.

Section 14.02 Performance of Covenants by DeVal.

DeVal covenants that it shall faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Loan Agreement and Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining hereto. DeVal covenants that it is duly authorized under the Constitution and laws of the Commonwealth, including particularly the *Authorities Act*, to issue the Bonds authorized hereby and to execute this Indenture and the Loan Agreements, and to evidence amounts payable thereunder and its interest in any security therefor, and to pledge the Revenues, the Participant Notes and any other property hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture and the Loan Agreements have been or, with respect to the Loan Agreements, will be, duly and effectively taken, and that the Bonds in the hands of the Bondholders thereof are and shall be valid and enforceable obligations of DeVal according to the terms thereof and hereof.

Section 14.03 Instruments of Further Assurance.

DeVal agrees that the Trustee may defend its rights to the payments of the Revenues and the Participant Notes for the benefit of the Bondholders against the claims and demands of all persons whomsoever. DeVal covenants that it shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, pledging, assigning and confirming unto the Trustee all and singular the rights assigned hereby and the amounts and other property pledged hereby to the payment of the principal or redemption price of and interest on the Bonds. DeVal covenants and agrees that, except as provided herein or in the Loan Agreements, it shall not sell, convey, assign, pledge, encumber or otherwise dispose of any part of the Participant Notes or the Revenues or its rights under the Loan Agreements or any security therefor or any other property pledged to secure the Bonds.

Section 14.04 Recording and Filing.

The Trustee shall keep or cause to be kept all financing statements related to this Indenture and all supplements hereto, the Loan Agreements and all supplements thereto and such other documents that are delivered to the Trustee as may be necessary to be filed in such manner and in such places, and, except to the extent otherwise expressly stated in or contemplated by this Indenture, the Trustee shall maintain continuous possession of any portions of the Trust Estate in which a security interest may not be perfected by filing, as may be required by law in order to preserve, protect, and perfect fully the security of the Bondholders and the rights of the Trustee hereunder. DeVal shall cooperate with the Trustee in accomplishing the filing of any financing statements to be filed in connection therewith.

Section 14.05 Rights under the Loan Agreements and Participant Notes.

The Participant Resolutions, the Participant Notes and the Loan Agreements set forth covenants and obligations of DeVal and the Participants and reference is hereby made to the Loan Agreements, the Participant Resolutions and the Participant Notes for a detailed statement of said covenants and obligations of the Participants under the Loan Agreements, and DeVal agrees that the Trustee in its name or, to the extent permitted by law, in the name of DeVal, may enforce all rights of DeVal and all obligations of the Participants under the Participant Resolutions and the Participant Notes and the Loan Agreements, and any documents securing them (and waive the same, except for rights expressly granted to DeVal and not assigned to the Trustee hereunder) on behalf of the Bondholders, whether or not DeVal is in default hereunder.

Section 14.06 Possession and Inspection of Loan Agreements and Participant Notes.

The Trustee shall retain possession of the Participant Notes and an executed copy of each Loan Agreement, and shall surrender Participant Notes and release any Loan Agreement only in accordance with the provisions of this Indenture, the Participant Notes and the Loan Agreements.

Section 14.07 Indemnification of the Trustee.

DeVal, to the extent legally permissible but solely from its interest in the Trust Estate, shall pay, and shall protect, indemnify and save the Trustee (including all officers, employees, agents and attorneys thereof) harmless from and against any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of DeVal and the Trustee), causes of action, suits, claims, demands and judgments of whatsoever kind and nature arising out of the issuance, offering, sale, delivery, payment and purchase of the Bonds, the execution and delivery of the Indenture, the Loan Agreements, any resolution of DeVal in connection with the foregoing and the performance by the Trustee of its respective duties and responsibilities hereunder and under the Loan Agreements, except that DeVal shall not be required to indemnify the Trustee for its own gross negligence or willful misconduct. The Trustee shall promptly notify DeVal in writing of any claim or action brought against the Trustee in respect of which indemnity may be sought against DeVal, setting forth the particulars of such claim or action, and DeVal may assume the defense thereof, including the employment of Counsel and the payment of all expenses. The

Trustee may employ separate Counsel in any such action and participate in the defense thereof, but the fees and expenses of such Counsel shall not be payable by DeIVal unless such employment has been specifically authorized by DeIVal; provided, however, DeIVal shall authorize employment of such separate Counsel if Counsel retained by DeIVal shall advise the Trustee in writing that the interests of the Trustee and any other parties such Counsel may represent in such action are in conflict. The indemnification provided in this Section shall survive the termination or discharge of this Indenture.

Section 14.08 No Recourse Against Members, Directors, or Officers of DeIVal.

No recourse under, or upon, any statement, obligation, covenant, certificate, or agreement contained in this Indenture, or in any Bond, any Loan Agreement, any Investment Agreement, or in any document or certification whatsoever, or under any judgment obtained against DeIVal or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, under or independent of this Indenture, any Bond, any Loan Agreement, or the Investment Agreement, shall be had against any incorporator, member, director or officer, as such, past, present, or future, of DeIVal, either directly or through DeIVal or otherwise, for the payment for, or to, DeIVal or any receiver thereof, or for, or to, the Bondholder of any Bond or otherwise of any sum that may be due and unpaid by DeIVal upon any such Bonds, including the interest payable thereon. Any and all personal liability of every nature, whether at common law or in equity or by statute or by constitution or otherwise, of any such incorporator, member, director, or officer, as such, to respond by reason of any act or omission on his or her part or otherwise for, directly or indirectly, the payment for, or to, DeIVal or any receiver thereof, or for, or to, the Bondholder of any Bond issued hereunder or otherwise, of any sum that may remain due and unpaid on the Bonds, including the interest payable thereon, is hereby expressly waived by the Trustee and DeIVal and released as a condition of, and consideration for, the execution of this Indenture and the issuance of the Bonds.

Section 14.09 DeIVal to be Bound by Covenant Agreement.

DeIVal acknowledges that it has approved, executed and delivered the Covenant Agreement in the form attached hereto as Exhibit “B” and covenants and further agrees that the Covenant Agreement shall apply in all respects to the Bonds issued pursuant to this Indenture.
